At a general session of the Nevada Transportation  
Authority held on October 15, 2020.

PRESENT: Chairman Dawn Gibbons  
Commissioner George Assad  
Commissioner David Newton  
Deputy Commissioner Jennifer De Rose

**ORDER**

On August 26, 2020, a hearing on the above-captioned matter was held before Commissioner George Assad, serving in his capacity as Hearing Officer for the Nevada Transportation Authority (“Authority”). The cited party Titan Towing (“Respondent”) was present and represented by Robert Segura, General Manager, via Webex and elected to proceed without counsel.

After hearing the allegations, the respective arguments, and having considered the evidence introduced by both parties and being fully advised, the Hearing Officer, pursuant to Nevada Revised Statute (“NRS”) 706.4469 prepared a proposed decision for review by the Authority.

Based on that proposed decision, the Authority makes the following Findings of Fact and Conclusions of Law, which constitute a final order affirming the decision of the Hearing Officer. Any Finding of Fact that would be better deemed a Conclusion of Law or vice versa shall be so construed. Under NRS 706.151, the Authority has legal jurisdiction and authority over this matter.

### FINDINGS OF FACT

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains the legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Fact.

1. Investigator Yambor (“Yambor”) testified that on June 24, 2020, Jessica Packer (“Complainant” or “Packer”) filed a complaint with the NTA stating that her vehicle was towed from an apartment complex, “Village at Desert Lakes,” because it was allegedly parked in a designated handicap space. Packer contests that it was not a designated handicap space because proper handicap signage was not present.
2. Robert Segura (“Segura”), General Manager of Titan Towing, testified that Titan Towing towed the vehicle after observing it parked in a handicap space marked with the proper signage.
3. Titan Towing released the vehicle to Packer and waived the towing fees after she claimed that her vehicle was not parked in a handicapped space.
4. Yambor then performed a site visit at the apartment complex. He observed that the parking space in question had a universal handicap symbol on the ground, but no handicap signage was present.
5. Yambor spoke with apartment manager Evy De Jesus (“De Jesus”) who stated that Packer’s vehicle was towed from a designated handicap space, but the space did not have the proper signage.
6. Yambor received several photographs from Titan Towing and the Complainant showing that a handicap sign was present at the time of the tow. Yambor testified that the handicap sign depicted in the photos did not meet proper code in accordance with the

law. The sign lacked the proper verbiage, did not state a fine amount, and was not the proper height.

7. On July 24, 2020, Yambor met with Segura and issued Citation #22100 for a violation of NAC 706.4277, conducting a tow from a space that was not properly marked.
8. Segura argued that the signage was proper because he had previously placed a Titan Towing sticker with the necessary code requirements on it. He further testified that the sticker was blocked by the metal railing which was present in front of the sign. Segura claims the sticker was approximately two (2) inches wide and twelve (12) inches high.
9. Yambor further testified that no sticker was present in any of the photos. That the handicap sign was not the proper height, lacked the proper verbiage, and did not state the appropriate fine. The sign was not to code making the tow unlawful.
10. Segura himself testified and admitted that a Titan Towing sticker was not visible in any of the photos he presented.
11. The Investigation Report for the Citation was marked into evidence (identified as State's Exhibit 1 and incorporated herein by reference).
12. The Respondent's documents were marked into evidence (identified as Respondent's Exhibit 1 and incorporated herein by reference).
13. The State argued that the Investigative Report, State's Exhibit 1, and the testimony establish a clear violation of NRS 706.4469.
14. That Titan Towing previously received written warning #2792 for a similar violation per complaint investigation #1-1908-015.

#### CONCLUSIONS OF LAW

Based on the testimony and the evidence presented, the Authority concludes that there was a violation of NAC 706.4277 by the Respondent.

### DISCUSSION

Authority Staff requested that a fine be assessed for the violation of NRS 706.4277.

The Hearing Officer, having fully considered the above-mentioned Findings of Fact and Conclusions of Law recommended to the Authority:

1. That a finding of one violation of NRS 706.4277 be entered.
2. That the Respondent pay a fine of \$200.00.
3. That the recommendations of the Staff be adopted.

_____	)	

At a general session of the Nevada Transportation  
Authority held on October 15, 2020.

PRESENT: Chairman Dawn Gibbons  
Commissioner George Assad  
Commissioner David Newton  
Deputy Commissioner Jennifer De Rose

**ORDER**

On August 27, 2020, a hearing on the above-captioned matter was held before Commissioner George Assad, serving in his capacity as Hearing Officer for the Nevada Transportation Authority (“Authority” or “NTA”). Yuset Salomon-Diaz (“Respondent”) was present via telephone and elected to proceed without counsel through his interpreter Pedro Jesus Salomon-Diaz.

After hearing the allegations, the respective arguments, and having considered the evidence introduced by both parties and being fully advised, the Hearing Officer, pursuant to Nevada Revised Statute (“NRS”) 706.476, prepared a proposed decision for review by the Authority.

Based on that proposed decision, the Authority makes the following Findings of Fact and Conclusions of Law, which constitute a final order affirming the decision of the Hearing Officer. Any Finding of Fact that would be better deemed a Conclusion of Law or vice versa shall be so construed. Under NRS 706.151, the Authority has legal jurisdiction and authority over this matter.

**FINDINGS OF FACT**

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains the legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Fact.

1. NTA Compliance Enforcement Investigator Christopher Yambor (“Yambor”) testified that on January 28, 2020, he and fellow Investigator William DiMonaco (“DiMonaco”), were on foot in the TNC staging area at the Paris Hotel and Casino. Yambor noticed Respondent standing outside his vehicle, a white Dodge Caravan, informing someone how to obtain a ride using the Uber app.
2. Respondent then drew the attention of Investigators Yambor and DiMonaco and asked if they needed a ride. Yambor told Respondent that he needed a ride from the Paris Hotel to Planet 13. Respondent advised the Investigators to request him on the Uber app. Yambor told the Respondent they did not have the app and began to walk away.
3. As the Investigators were walking away Respondent told them to get in his vehicle and he would transport them without using the Uber app. Yambor asked how much the ride would cost and Respondent replied it would be whatever they thought was “fair.” Respondent agreed upon a price of \$20.00 for an off-app ride, and the Investigators entered the vehicle.
4. As Respondent drove away, the Investigators identified themselves as NTA Investigators and informed the Respondent that illegal conduct had occurred. The Respondent was not able to provide a valid CPCN, nor did his vehicle meet all the standards of the Authority.
5. The Respondent’s vehicle was impounded, and he was issued citation #22183 for a violation of NRS 706.386; operating without a valid CPCN and NRS 706A.280;

soliciting and accepting passenger transportation of a Transportation Network Company (“TNC”) app.

6. The Respondent testified that he was trying to give the Investigators a free ride, but they wanted to give him money.
7. Yambor further testified that they had no trouble communicating in English with the Respondent and the word “free” never came up during any of the conversations.
8. Respondent was the registered owner of the vehicle described as a 2018 Dodge Caravan, bearing Nevada plate AL 7702.
9. The Investigation Report for the impound was marked into evidence (identified as State’s Exhibit 1 and incorporated herein by reference).
10. The State argued the Investigative Report, State’s Exhibit 1, and the testimony established a clear violation of NRS 706.476.

### **CONCLUSIONS OF LAW**

Based on the testimony of Investigators Yambor and DiMonaco, and the evidence presented, the Authority concludes that there was a violation of NRS 706.476 by Respondent.

### **DISCUSSION**

Authority Staff requested that a \$250.00 fine be assessed for the said violation of NRS 706.476.

The Hearing Officer, having fully considered the above-mentioned Findings of Fact and Conclusions of Law, recommended to the Authority:

1. That a finding of one violation of NRS 706.476 be entered.
2. That Respondent Yuset Salomon-Diaz provided transportation services in VIOLATION of NRS 706.476.
3. That the fine recommendations of the Staff be reduced to \$100.00.

**ORDER**

**IT IS THEREFORE ORDERED, based on the foregoing Findings of Fact and Conclusions of Law:**

1. That the recommendation of the Hearing Officer regarding the violation of NRS 706.476 is hereby AFFIRMED.
2. That a total fine for said impound violation of NRS 706.476 is \$100.00.
3. That the Authority retains jurisdiction for correcting any errors that may have occurred in the drafting or issuance of this Order.

Re: **AMERICAN TRANSPORT dba ROYAL TOWING**  
**Docket 19-05020**

Dear Ms. Babcock and Ms. Rayson:

I write this letter on behalf of my client, American Transport, to request an extension of the compliance period for American Transport to obtain their CPCN.

The COVID 19 pandemic has disrupted the ability for applicant to complete the necessary compliance items. Almost all of the compliance items have been completed and submitted. It is my understanding that only one or two items remain pending.

Therefore, we are requesting an extension of 90-120 days to complete the compliance order.

Thank you for your assistance in this matter, and if you have any questions or comments, please feel free to call.

Very truly yours,

**ATTORNEY BRENT CARSON, LLC.**

**Motion to Extend Compliance Period for Moving Direct LLC Docket  
19-08024**

NTA,

I am requesting an extension of 2 months (60 days) on application, Docket 19-08024, that is currently in its compliance phase.

My application for household movers CPCN was approved back on February 29th, right before COVID-19 pandemic, leaving me in the compliance phase. I submitted an extension of 3 months and that was approved on June 9th, extending my compliance phase to October 9, 2020. A little more time is needed, I do wish to continue with my application, which is why I am filing a motion to extend my compliance period 60 days past 10/9/20. ( I am getting the company name on the truck and is currently scheduled out 5 weeks est.). I was originally hoping for an opening date on OCT 1, 2020 (was within compliance phase) but now will be before DEC 9, 2020 (given that this motion is granted). Thank you,

ROYCE SMILEY, MANAGING MEMBER

Abraham Limo Service, Inc.  
CPCN 1090, Sub 2  
Petition to Deviate

On September 11, 2020 Brent Carson, Esq. filed an application for expansion of authority for CPCN 1090, Sub 2. In conjunction with the application, he also filed a Petition to Deviate from NAC 706.1375 (copy below with missing items highlighted bold and underlined). The application for expansion was not accepted because it is considered incomplete.

Staff opposes this Petition to Deviate since an application, whether for a CPCN, sale and transfer, or expansion of authority, is for the Public to review to determine if they are affected and may want to intervene. Also, in this case, there is evidence from the limited information that has been submitted, that an additional application is to be filed relative to the ownership of the company. Staff is aware that this sale and transfer application is past due and to date it has not been filed. Ownership of the company is required to be corrected either before or in conjunction with this filing.

NAC 706.1375 Certificates and permits: General requirements; omissions and deficiencies. ([NRS 706.171](#), [706.421](#), [706.426](#), [706.431](#), [706.443](#), [706.4464](#), [706.6411](#)) Except as otherwise required in [NAC 706.1376](#) and [706.1377](#):

BEFORE THE NEVADA TRANSPORTATION AUTHORITY

ABRAHAM LIMOUSINE SERVICE, INC. )  
(ALV) Motion to Deviate from NAC )  
706.1375 and Traditional Data Requests )

DOCKET NO. 20-09011

HEARING REQUESTED

Petition  
MOTION TO DEVIATE

COMES NOW, ALV, by and through its legal counsel, Brent Carsen and hereby submits this Motion to Deviate from the regulatory requirements set forth in NAC 706.1375. This Motion is respectfully submitted pursuant to NAC 706. 1305.

Statement of Facts:

On or about September 8, 2020, ALV submitted an Application for Expansion of Authority ("Application") with the NTA wherein it requests authority to remove antiquated language from Certificate of Public Convenience and Necessity ("CPCN"). Specifically, CPCN 1090 reads in part:

RESTRICTIONS:

The number of vehicles in the carrier's fleet to operate within and between Clark and Nye Counties, Nevada shall be no more than five (5).

The carrier may not stage or stand a vehicle at any location except while currently chartered or awaiting a pre-existing charter client. No transportation services may be provided through "kellying" or on a walk-up basis. The restrictions with respect to staging, standing, and providing walk-up or "kelly" services are inapplicable at any property where the carrier has a written agreement with the property to provide transportation services on an exclusive or preferred basis.

(See Ex. A)

ALV seeks to remove the restriction relative to walk up transportation service based on the unnecessary burden it places on the carrier coupled with the fact that the restriction has no nexus to safety or consumer protection.

As the Authority is aware, ALV currently operates multiple CPCN's with a combined fleet of approximately 42 vehicles. CPCN 1090 has been part of ALV's operations for approximately 4 years. In total, ALV has been a certificated carrier in good standing with the NTA for over 10 years. Based on the NTA's familiarity with ALV, Applicant herein requests that the following certain regulatory requirements of NAC 706.1375 be waived.

In support of this request ALV submits that it has recently filed a Sale and Transfer application for CPCN 1125, which was owned by Lewis Carriages. As part of that Application, ALV has produced recent financials and supporting documentation for review by Staff therefore, barring any unforeseen event, the Sale and Transfer of CPCN 1125 should be on the next regularly scheduled Agenda for the consideration. More specifically, there has been no change of ownership or change in operations therefore, there's no need for a background check of the existing owner. In brief, ALV's seeks only to remove the no-staging restriction thereby allowing the carrier fleets to be operated in a consistent manner.

**Memorandum of Law:**

NAC 706.1305 states that the authority or presiding officer shall allow for deviations [from a regulation(s)] if good cause for the deviation appears. In this instance ALV seeks to deviate from the regularly required application standards set forth in NAC 706.1375. Without question these standards are important to the Authority in the majority of applications – this application is the exception. For the reasons stated above, the demonstrated financials and the familiarity with the owners and his operations, the NTA should waive the other requirements and consider the requested modification – removal of no staging restriction.

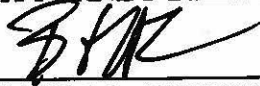

**Conclusion:**

Wherefore, based upon the foregoing, ALV respectfully request that the above deviation be granted by this Authority and the restrictive language dealing with the walk-up traffic be

removed from the certificate.

9/18/20 Interim Authority Approved

GA

BEFORE THE NEVADA TRANSPORTATION AUTHORITY

In Re Petition of Luxury Limousine of Las )

Vegas, LLC For Approval to Place Vehicle into) Docket No. 20-09020

Service )

PETITION FOR INTERIM OPERATING AUTHORITY

COMES NOW, LUXURY LIMOUSINE OF LAS VEGAS, LLC  
("LUXURY"), by and through its counsel, Zev Kaplan, Esq. of the law firm Wiley Petersen, and  
Submits the following PETITION FOR INTERIM OPERATING AUTHORITY to place a vehicle  
into service.

I.  
FACTS

Luxury is currently a certificated carrier performing charter bus services under CPCN 2248.  
Luxury has currently filed a Petition to place into a service an additional vehicle to perform charter  
bus services. The vehicle was recently purchased from a limousine operator in South Carolina and  
inspected by NTA staff on Friday, September 5, 2020. At that time NTA Staff noted that the vehicle  
met the safety requirements but that the manufacturer plate states that the vehicle is a truck. This is  
true, but the vehicle was originally refitted into a passenger vehicle with 14+2 seating and all safety  
requirements met by First Class Customs, Inc., Springfield, Missouri. First Class Customs is a  
Mercedes certified "Master Upfitter." (See attached Exhibit A). While the manufacturer plate states  
the vehicle to be a truck it now meets the requirements of NAC706.381 and NAC 706.379 and all  
requisite safety requirements. It is understood that normally the vehicle would have the manufacturer  
plate state "incomplete" when delivered to the "Upfitter" but that did not happen in this instance. Mr.  
Habibian the owner of Luxury was unaware of this discrepancy until informed by NTA Staff during

1 the inspection, as required, prior to placing the vehicle into service.

2 **II.**

3 **ARGUMENT**

4 Luxury has followed the process for placing into service a new vehicle for the fleet. While  
5 Luxury recognizes that NTA Staff cannot disregard NTA's regulations, Luxury attempted to follow  
6 the regulatory process in good faith. Mr. Habibian expended significant amount of money to acquire  
7 the vehicle and now through no fault of his own he has been precluded from utilizing the vehicle. It is  
8 unlikely that the NTA will be able to complete its investigation and processing of the current Petition  
9 for the approval of the vehicle prior to the October NTA meeting. Mr. Habibian and Luxury are  
10 incurring substantial financial obligations in the interim without the ability to garner any income  
11 from use of the vehicle.

12 As a currently certificated carrier, Luxury needs to be able to place the vehicle into service to not  
13 suffer further financial harm and will do so in compliance with NTA requirements, as it has done in  
14 the past.

15 **III.**

16 **CONCLUSION**

17 Based on the above facts and the need to place the new vehicle into the fleet to provide  
18 services in a timely fashion, Luxury hereby requests the granting of the interim operating authority to  
19 perform the place the vehicle into service pending final approval of its Petition. Luxury will comply  
20 with all requirements of the NTA during the interim period of operation under its existing CPCN  
21 2248.

22 Dated this 11th day of September 2020.

23 Respectfully submitted.

Luxury Limousines of Nevada – CPCN 2248 – Petition to Deviate

This carrier has put two other Mercedes Sprinters in service in January 2018 and July 2020. Both vehicles were put into service with General Manager, Jenna Randall. For those inspections the NTA required the same documents and the carrier was able to produce them and subsequently the vehicles were approved by NTA Investigators. This is evident that the carrier was aware of the requirements for placing a Mercedes Sprinter into service.

Specific to the current Sprinter:

01/2019 – Manufactured by Daimler (Manufacturer Daimler AG's sticker indicates vehicle was sold fully manufactured as a 'truck')

07/2019 – A carrier out of South Carolina, Carolina's Executive Limo Line, Inc purchased the vehicle from First Class Customs, Inc

08/2019 – The Vehicle was upfitted by First Class Customs, Inc

09/2020 – Vehicle is leased by First Class Customs, Inc to Luxury Limousines of Las Vegas, LLC

09/2020 – Luxury Limousines of Las Vegas scheduled a vehicle inspection with me. This vehicle did not pass inspection because it was a fully manufactured truck by Daimler as indicated by the door tag. The chain of custody shows that it was purchased as a truck by Carolinas Executive Limo Line then upfitted by First Class Customs, Inc. So, it is evident by review of the documents that the vehicle was not in the possession of Mercedes through upfitting.

First Class Customs primarily upfits Mercedes Sprinters as evident by their website. According to NHTSA they have been identified as an approved manufacturer/up-fitter since July 2015 for class 3 vehicles (10,001-14,000lbs). In reading reviews of this company (First Class Customs) most of them are positive in nature. Those that are rated low are non-descriptive and do not provide any real negative comments to base my review on. With the interim order the Carrier provided a Master Upfitter Certificate for 2017/2018 for First Class Customs. However, this vehicle was upfitted in 2019. I did search the Master Upfitter portal and based on my investigation it does not appear that First Class Customs, Inc was recognized as a Daimler Master Upfitter during the time this vehicle was upfitted.

I do not support the addition of this vehicle because it does not fit the clearly outlined requirement of adding a Mercedes Sprinter under a charter bus CPCN. As previously stated, this carrier is very aware of the requirements of adding these types of vehicles as they have been compliant with these requirements in the past.

My investigation of this specific vehicle based on the vin number resulted in finding three recalls out on this vehicle that are marked as unresolved according to NHTSA. Should the Commission allow this vehicle to be put into service my recommendation would be that the carrier be required to provide proof that the safety related recalls are addressed. Once resolved, the carrier should be required to provide written proof from the manufacturer (as required by NHTSA) that these items have been resolved.

Date in Service billing shall be at the discretion of the Lessor subsequent billing will be due on the first day of each month thereafter. Payment shall be made at Lessor's address noted above or elsewhere as Lessor or any assignee of Lessor by notice directs. Interest shall accrue on any Monthly Rental due but not received on or prior to the tenth day of the month, from such first day of the month to but not including the date of payment, at a rate of two percent in excess of the rate announced from time to time by lender as prime rate or at the maximum legally permissible rate, whichever is less, which interest may be billed on the following month's invoice.

3. **PER MILE RENTAL.** If a "Per Mile Rental" is entered on the applicable Schedule, Lessee's use of the Unit beyond the base number of miles entered thereon (the "Base Mileage") will be subject to a charge determined by multiplying the number of miles in excess of such Base Mileage times the charge per mile (the "Per Mile Rental") so entered. Lessee shall pay such amount to Lessor upon the termination of the applicable Lease Term. Mileage shall be determined by reference to the vehicle condition report described in Paragraph 15 hereof.

4. **MAINTENANCE AND REPAIRS.** Lessee shall at all times during the applicable Lease Term maintain the Unit in good mechanical and physical repair and operating condition and shall furnish, at its expense, including labor costs, all operating fluids and new parts necessary for that purpose, and assumes full responsibility for the performance of such obligations. Lessee and its agents shall comply with instructions furnished by the manufacturer concerning the care and maintenance of the Unit, comply with the manufacturer's maintenance schedule, comply with all manufacturer's recalls and do everything necessary to maintain all manufacturer's warranties in effect for their maximum duration; and shall reimburse Lessor for the cost of mechanical repairs (parts and labor) attributable to Lessee's failure to do so. Lessee will cause the Unit to be used only in a careful and prudent manner and in accordance with the manufacturer's recommendations and instructions; secure the prompt repair of any damage to any Unit caused by collision or other casualty; pay for all washings, storage charges, parking charges or fines; and supply all gasoline, oil, fluids and special additives. Lessee shall be responsible for obtaining any periodic inspection of the Unit required by the applicable law of any state in which the Unit is located, registered or licensed. The cost of any such examination and of any repairs or adjustments required thereby will be paid by Lessee. Any replacement tires needed during the Lease Term with respect to any Unit shall be furnished by Lessee at Lessee's expense and shall be of original equipment quality. Lessor or any assignee of Lessor may from time to time inspect the leased Unit to assure Lessee's compliance with the foregoing provisions.

5. **USE OF UNIT.** Use of the Unit is confined to Lessee, including its agents and its employees holding a valid license to operate Unit, in pursuit of Lessee's business in the continental United States and Canada and the Unit shall not be removed from the continental United States and Canada at any time. Lessee shall not permit any person under the age of twenty-one (21) years to operate the Unit. Lessee assumes sole responsibility for and shall indemnify and hold Lessor harmless from any expenses, claims, liability and costs of every nature incurred as a result of use of the Unit during the Lease Term, whether or not such use has been authorized by Lessor or Lessee. Unless otherwise provided in the applicable Schedule, the Unit shall not be used for towing, and any damage of any nature occasioned by the use of the Unit for towing shall be at the sole expense of Lessee, EVEN IF SUCH USE IS PERMITTED BY LESSOR OR ANY EMPLOYEE OR AGENT OF LESSOR. Lessee shall not install any luggage racks, antennas, or other attachments, other than factory equipment, that might affect the finish of the Unit.

6. **DISCLAIMER OF WARRANTIES AND LIMITATION OF LIABILITY.** Lessor agrees to make available to and to cooperate in procuring for Lessee the benefits of the standard factory warranties and all other expenses and implied warranties of manufacturers with respect to the Unit. EXCEPT AS STATED IN THE PRECEDING SENTENCE, LESSOR MAKES NO EXPRESS OR IMPLIED WARRANTIES OF ANY KIND WITH RESPECT TO ANY VEHICLE LEASED HEREUNDER AND LESSEE AGREES THAT NEITHER LESSOR NOR ANY EMPLOYEE OR AGENT OF LESSOR HAS MADE ANY EXPRESS OR IMPLIED WARRANTIES OF ANY KIND, THAT LESSOR SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR USE OR PURPOSE, AND THAT IF ANY SUCH WARRANTIES ARE GIVEN OR MADE BY ANY SUCH EMPLOYEE OR AGENT, THEY ARE NOT AUTHORIZED BY LESSOR AND LESSEE WILL NOT BE ENTITLED TO RELY THEREON. In no event shall Lessor be liable, under this Master Lease or any Schedule or otherwise, for consequential, incidental or special damages, lost profits, loss of business opportunities or relationships, or any other economic loss arising by reason of or as a result of any loss of use of any Unit, any unavailability of any Unit for any reason, any loss of time or inconvenience, any interruption in the availability or operation of any Unit, or any other loss, damage or expense sustained, paid or incurred by Lessee or any other person, for any reason whatsoever other than a default by Lessor in performance of the express terms of this Master Lease. Lessor is not responsible for providing temporary replacements while any Unit is out of service for maintenance or repairs or if stolen or confiscated.

7. **RISKS AND INDEMNITY.** Lessee shall indemnify and hold harmless Lessor and Lessor's agents, employees and assignees from and against (i) any damage, loss, theft or destruction of any Unit and the contents thereof during their respective Lease Term, and (ii) any loss, damage, injury, claim, demand, cost and expense (including attorney fees and court costs) arising out of or connected with the use, operation or condition (including all defects whether or not discoverable by either party) of any Unit during their

respective Lease Term. Each party shall promptly notify the other of any such loss, damage, injury, claim, demand, cost or expense of which it has knowledge. Lessee shall be entitled, at its own expense, to participate in the defense of any such claim or demand, which defense shall be subject to the direction and control of Lessor. Lessor shall be subrogated to all rights which Lessee may have in any matter arising under this Master Lease or any Schedule and for which Lessor has undertaken legal action hereunder, and Lessee agrees to execute and deliver instruments or papers and do everything necessary to obtain recovery from any party or parties against whom such rights may accrue.

**8. INSURANCE COVERAGE.**

(i) **Liability Insurance.** Lessee shall, at its sole cost, provide and maintain during the Lease Term a policy or policies of vehicular liability insurance satisfactory to Lessor, naming Lessor and assignee of Lessor as additional named insureds against liability for bodily injury or death and property damage caused by any occurrence arising out of the ownership, maintenance, use or operation of the Unit. Insurance shall afford limits of not less than a combined single limit of \$500,000 or \$250,000/\$500,000 Bodily Injury and \$50,000 Property Damage, with desired maximum deductible limits of \$500 for collision and \$200 for comprehensive per occurrence and a desired umbrella of \$5,000,000.

(ii) **Physical Damage.** Lessee shall, at its sole cost, provide policies of collision, comprehensive, fire and theft insurance covering the Unit in amounts at all times at least equal to the "Actual Cash Value" thereof determined by Lessor or the insurer. Such policies shall not provide for any deductible in excess of the amount shown as the "Deductible Limit" on the applicable Schedule. Lessor and assignee of Lessor shall be named as loss payees and additional insured under such policies. Lessee shall reimburse Lessor for any uninsured loss of any accessories or equipment or by reason of any deductible from insurance coverage.

(iii) **Evidence of Insurance; Insurance by Lessor; Accident Reports.** Lessee shall deliver to Lessor, not less than three (3) days prior to the Date in Service of each Unit, a certificate or other evidence of issuance of all insurance required hereby by lessors satisfactory to Lessor; however Lessor's acquiescence to Lessee's certificate(s) shall not be a waiver of Lessee's insurance obligations. Each policy shall provide that the coverage afforded thereby cannot be cancelled or materially altered without fifteen (15) days' prior written notice to all parties insured thereby. Should Lessee fail to maintain insurance as required under this Paragraph 8 or fail to furnish Lessor with evidence of insurance, Lessor is authorized but not obligated to obtain insurance for Lessee without prejudice to any other remedy hereunder, and Lessee shall pay additional rent equal to the amount of the premium paid by Lessor for such policy. Lessor is further authorized but not obligated to provide any part or all of such insurance by self-insurance, in which event Lessee shall pay additional rent equal to the premium for commercial insurance then available to Lessor for coverage required under the terms of this Paragraph 8. Lessee, its agents and/or employees shall immediately notify Lessor by telephone of any accident or incident involving the Unit and confirm such notice in writing within three (3) working days of the accident or incident. Lessee, its employees and/or agents shall obtain (2) two complete repair estimates, one each from an authorized dealer and a reliable body shop, and shall submit these estimates to Lessor and the insurer for instructions on where the Unit is to be repaired prior to any repairs to the Unit.

(iv) **Other Insurance.** Lessee shall provide and pay for any other insurance or bonds that may be required by any third party as a condition to or in connection with Lessee's leasing, possession or use of any Unit.

9. **ATTORNEY FEES AND COSTS.** Lessee shall pay Lessor any and all costs and expenses incurred or sustained by Lessor to protect its interest and/or to enforce any term or provision of this Master Lease and/or any Schedule including, but not limited to, reasonable attorney fees, court costs and reasonable collection agency fees.

10. **TAGS AND TAXES.** The Unit shall be registered in the name of Lessor as owner and, if permitted by applicable law, of Lessee as lessee or user. Original and renewal of original license tags will be at the expense of Lessee. Lessee shall notify Lessor in writing, not less than five (5) days prior to transfer of the Unit to another principal place of parking, of its intention to so transfer the Unit, and shall pay all registration, licensing and filing fees required to be paid by reason of transfer of the Unit to another jurisdiction. Lessee shall pay any sales, property, use or similar tax levied on the sale or lease of the Unit or required as a prerequisite to licensing by federal, state or municipal governments (other than the Federal Excise Tax on the original purchase of the Unit).

**11. PERFORMANCE OF LESSEE'S OBLIGATION;**

**REIMBURSEMENT.** If Lessee shall fail or refuse, for any reason, to perform any provision hereof, Lessor may at its option, perform the same and Lessee shall reimburse Lessor its costs therefor upon demand.

**12. SECURITY INTEREST.**

(i) Lessor may, without notice to Lessee, assign, sell or grant a security interest in one or more of the Unit(s) and Schedule(s) and all sums due thereunder to one or more third parties. If Lessee is given notice of such assignment, Lessee shall acknowledge receipt thereof in writing and, if so directed, shall pay all amounts to Lessor's assignee as they become due hereunder. All right, title and interest of Lessor to the extent assigned shall inure to the benefit of such assignee, their successors and assigns, who shall be entitled to enforce all of Lessor's rights hereunder but shall be under no obligation to perform any of Lessor's obligations hereunder. Lessee will not assert against such assignee any claim, defense, set-off, counterclaim, abatement, recoupment or the like with respect to Lessor's obligations hereunder or with respect to Lessee's obligation to pay rent and other amounts becoming due under this Master Lease or any Schedule notwithstanding any claim Lessee may have against Lessor arising hereunder or thereunder or otherwise. Lessee may assert such claims only in an independent action against Lessor. Lessee will execute and acknowledge, on notice from Lessor or any assignee of Lessor, such financing statements and other instruments as may, in the opinion of Lessor or any assignee of Lessor, be desirable to record Lessor's or such assignee's right, title and interest in and to the Unit.

(ii) Both Lessor and Lessee agree that, notwithstanding any other provisions of the Lease, this Lease and the rights of each of them hereunder are subject and subordinate to the security interest of any financing source now held or hereafter to be taken in the equipment leased hereunder. In

consideration of this subordination, the above security holder has consented to the transfer and possession of this Lease of said leased equipment to the Lessee.

13. **TERMINATION FOR DEFAULT.** The occurrence of any of the following events shall constitute an Event of Default hereunder: (i) failure by Lessee to provide any insurance to be provided by Lessee, or refusal by any mutually approved carrier to issue or renew any insurance required hereunder, or cancellation or suspension by the carrier of any insurance required hereunder; (ii) failure by Lessee to pay any Monthly Rental or Per Mile Rental or other sum then payable to Lessor hereunder if such failure continues for other than ten (10) days after Lessor has issued a demand notice for payment thereof; (iii) failure by Lessee to perform any other provision of this Lease to be performed by Lessee; or (iv) the filing of any petition by or against Lessee under any bankruptcy, reorganization or receivership law, or Lessee's making an assignment for the benefit of creditors or suffering the appointment of any trustee or receiver of Lessee's business or assets or any part thereof or making or suffering any voluntary or involuntary assignment of Lessee's interest in any Unit, or suffering any lien, attachment or levy to become attached to any Unit, unless such petition, assignment, appointment, lien, attachment or levy be withdrawn or nullified within twenty (20) days.

Upon the occurrence of an Event of Default, in addition to any right or remedy Lessor may have at law or in equity, Lessor may at its election do any one or more of the following: (i) by written notice to Lessee, terminate this Master Lease and/or any or all Schedule(s) with respect to any or all Unit(s); (ii) proceed by court action at law or in equity to require Lessee to perform any provision of this Lease or any Schedule, or to recover damages for the breach thereof; (iii) require Lessee by written notice to return any or all Unit(s), or repossess the same and for such purpose enter upon Lessee's premises; (iv) sell, at a public auction or private sale, or re-lease any or all Unit(s); or (v) by written demand upon Lessee, require Lessee to pay, and Lessee shall immediately pay to Lessor, (A) all accrued but unpaid Monthly Rental, Per Mile Rental, and any other charges then due, through the date such payment is made, under the terms of this Master Lease or the applicable Schedule with respect to the Unit, plus (B), as liquidated damages for breach of this Master Lease or the applicable Schedule and not as a penalty, an amount equal to the sum of (x) the entire amount of Monthly Rental and all other charges which would have accrued under this Master Lease or the applicable Schedule with respect to the Unit during the balance of the Lease Term of such Unit computed from the date of the Event of Default, discounted to present value over the remainder of the Lease Term at the rate of 10% per annum (simple) plus (y) the Anticipated Residual Value set forth on the applicable Schedule with respect to the Unit (which amount represents the value of the Unit at the scheduled expiration of the Lease Term originally anticipated by Lessor) discounted to present value over the remainder of the Lease Term at the rate of 10% per annum (simple) less (z) the "Net Proceeds" of "Sale" (as each of such terms is defined in Paragraph 14 hereof), if any, with respect to any Unit sold, or, in the case of any Unit returned to the possession of Lessor but not sold, less the wholesale value thereof as determined by Lessor. Interest shall accrue on the amounts described in subclause (v) above from the date of the Event of Default until the date such payment is made at a rate two percent in excess of the rate announced from time to time by lender, as prime lending rate, or the maximum rate allowed by law, whichever is less.

14. **DAMAGES UPON EARLY TERMINATION.** Upon the termination of this Master Lease or any Schedule as to any Unit prior to the expiration of its Lease Term, whether by reason of Lessee's desire to terminate, or the theft, destruction, confiscation or other loss of such Unit as described in Paragraph 16 hereof, or any other cause other than Lessee's default as described in Paragraph 13 hereof, Lessee shall immediately pay Lessor all damages suffered by Lessor by reason of such termination and by reason of any breach by Lessee of this Master Lease or any Schedule, including, (A) all accrued but unpaid Monthly Rental, Per Mile Rental, and any other charges then due, through the date such payment is made, under the terms of this Master Lease or the applicable Schedule with respect to the Unit, plus (B), as compensation to Lessor for loss of the benefit of the bargain by reason of early termination of this Master Lease or the applicable Schedule and not as a penalty, an amount equal to the sum of (x) the entire amount of Monthly Rental and all other charges which would have accrued under this Master Lease or the applicable Schedule with respect to the Unit during the balance of the Lease Term of such Unit, computed from the date of the termination, discounted to present value over the remainder of the Lease Term at the rate of 10% per annum (simple) plus (y) the Anticipated Residual Value set forth on the applicable Schedule with respect to the Unit (which amount represents the value of the Unit, at the scheduled expiration of the Lease Term, originally anticipated by Lessor), discounted to present value over the remainder of the Lease Term at the rate of 10% per annum (simple) less (z) any insurance proceeds or condemnation awards received by Lessor with respect to any Unit lost, stolen, confiscated, or destroyed or the "Net Proceeds" of "Sale" (as each of such terms is defined below), if any, with respect to any Unit sold, or, in the case of any Unit returned to the possession of Lessor but not sold, less the wholesale value thereof as determined by Lessor. Interest shall accrue on the amounts described in subclause (v) above from the date of the termination until the date such payment is made at a rate two percent in excess of the rate announced from time to time by lender as prime lending rate, or the maximum rate allowed by law, whichever is less. In the event of loss, theft, confiscation or destruction of any Unit, the Lease Term with respect thereto shall continue, and the Monthly Rental thereof shall continue to accrue, until Lessee has paid to Lessor the damages described in this Paragraph 14. Any "Sale" with respect to any Unit subject to early termination under this Paragraph 14 may be public or private and with or without notice to Lessee, shall be at wholesale, and shall be only for cash payable in full upon delivery of the Unit and its title papers to the purchaser. "Net Proceeds" as used herein shall mean the amount received on the sale, less all direct expenses of Lessor in preparing and holding the Unit for sale and selling it, less all Monthly Rental and other sums due Lessor if not otherwise paid, and less all debts and other obligations incurred by Lessee which, if not paid, might constitute a lien on

the Unit or a liability of Lessee. If any Unit is in the possession of Lessee or Lessor at the time Lessee pays to Lessor the damages described in this Paragraph 14, and (f) Lessee desires to purchase the same or

(g) Lessor is unable to sell the same, then Lessee shall pay in full of the amounts described above in subclauses (A) and (B) (without giving effect to the deduction described in subclause (z) thereof) whereupon Lessee shall become the owner of such Unit and Lessor shall promptly execute, endorse and deliver to Lessee all appropriate documents of title, free of any lien.

15. **RETURN OF UNIT.** Upon the expiration or earlier termination by either party of the Lease Term with respect to any Unit:

(i) Return. Lessee shall return the Unit to Lessor, in as good condition as when first received, ordinary wear and tear excepted, at (a) Lessor's principal place of business or (b) such other location as may be designated by Lessor. Upon such return of a Unit, Lessor shall prepare a vehicle condition report and shall furnish a copy thereof to Lessee; provided, however, that such report shall not be binding upon Lessor with respect to vehicle mileage not correctly reflected by the vehicle odometer or any latent or concealed defect of any sort. "ORDINARY WEAR AND TEAR" does not include any defect as a result of which the Unit would not pass any applicable state or local inspection, including excessive tire wear; tire wear on passenger vehicles to less than 3/32" tread depth, regardless of whether such wear would be acceptable under state or local inspection; replacement of tires in unmatched sets; damage necessitating repairs to bumpers, grill and chrome trim; dents or holes in the body metal; paint damage from scrapes and dents; glass damage, including breaks, cracks, stone bruises, and sand damage; holes or tears in the interior fabrics and any unusual soiling or spotting; holes in the dash or elsewhere resulting from auxiliary equipment installation or any other alteration to the Unit; damage to headlining from holes, tears or unusual soiling; and damage requiring straightening or replacement of body parts or requiring refinishing of the Unit (which must match original paint). Lessee shall pay Lessor an amount equal to the cost and expense of all repairs required at the termination of the Lease Term with respect to each Unit other than "ordinary wear and tear" as described above. Costs incurred by Lessor as a result of Lessee's failure to cause the mechanical condition of the Unit to be maintained and repaired as required by Paragraph 4 hereof shall likewise be paid by Lessee to Lessor. All such cost and expense shall be based upon bona fide repair estimates.

(ii) Repossession. If Lessee fails to return the Unit, Lessor may repossess the same at any time wherever the same may be located, and may enter upon any premises of Lessee for that purpose, and shall hold the same when so repossessed free and clear of this Master Lease and any Schedule and any rights of Lessee hereunder or thereunder.

(iii) Lost Vehicle. If the Unit is lost, stolen, confiscated, or destroyed as described in Paragraph 16 hereof, Lessee shall promptly notify Lessor thereof and hold any wreckage for disposal by or at the direction of Lessor. Any wreckage not held by Lessee for disposal by Lessor shall be deemed sold at a price of zero dollars.

(iv) Sums Due. Upon any return or repossession, at or after expiration of the lease term, Lessee shall promptly pay Lessor all Monthly Rental and Per Mile Rental and other sums payable hereunder with respect to the Unit up to the time of such return or repossession, in advance of payment due Lessor of liquidated damage provision of Paragraph 13.

16. **ADDITIONAL UNIT(S); EXTENDED TERM.** Additional Unit(s) may be included in this Master Lease by addenda to or additional Schedule(s) mutually executed by Lessor and Lessee from time to time. Either Lessor or Lessee may, at least thirty (30) days, but not more than ninety (90) days, prior to the expiration of any Schedule as to any Unit, offer in writing to the other to continue such Schedule as to such Unit indefinitely on a month-to-month basis. If the other accepts such offer in writing such Schedule shall be so continued with respect to such Unit.

#### 17. GENERAL PROVISIONS.

(i) Successors. This Master Lease and any Schedule shall bind the heirs, executors, administrators, successors and permitted assigns of the parties hereto. Lessee shall not assign this Master Lease or any Schedule nor sublease any Unit without the prior written approval of Lessor, which approval Lessor may withhold in its discretion. No permitted assignment or subleasing shall relieve Lessee of any of its obligations hereunder. Any purported assignment or sublease made without such approval shall be void.

(ii) Severability. In the event any provision of this Master Lease or any Schedule shall be held to be invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining provisions hereof or thereof in such jurisdiction nor of any provision hereof or thereof in any other jurisdiction.

(iii) No Waiver. No waiver of any breach of any covenant or obligation itself, or of any subsequent breach thereof, and neither party hereto shall be justified in relying on any such waiver in any one or more instances as constituting a waiver of any subsequent breach.

(iv) Notices. All Notices required or permitting to be given shall be properly given only if in writing and mailed, registered or certified mail, return receipt requested, addressed to the party to be notified at the address appearing at the head of this Master Lease or to such other address as the party to be notified may have, by ten (10) days' prior notice, specified.

(v) Entire Agreement; Amendment; Consents. This Master Lease and any Schedule represent the entire agreement between Lessor and Lessee. All other previous and/or contemporaneous agreements or representations with respect to this Master Lease and any Schedule, either written or oral, are hereby annulled and superseded. No modifications hereof shall be binding on either party unless in writing and executed by Lessor and Lessee. Any headings preceding the text of the several paragraphs and sub-paragraphs hereof are inserted solely for convenience of reference and shall not constitute a part of this Master Lease nor shall they affect its meaning, construction or effect.

(vi) Governing Law. This Master Lease and any Schedule shall be construed and enforced according to the laws of the Commonwealth of Pennsylvania.

IN WITNESS WHEREOF, the parties have executed this Master Lease as of the year and date first written above.

# PERSONAL GUARANTY

For valuable consideration, the receipt of which is hereby acknowledged, the undersigned jointly and severally, unconditionally guarantee to Titus Leasing Company, Camp Hill, Pennsylvania, hereinafter referred to as "TLC", the full and prompt performance by

**LUXURY LIMOUSINE OF LAS VEGAS, LLC**

**4275 S. ARVILLE STREET, SUITE C, LAS VEGAS, NV 89103**

hereinafter referred to as "Obligor", of all obligations which Obligor presently or hereafter may have to TLC and payment when due of all sums presently or hereafter owing by Obligor to TLC whether arising by lease, note, or otherwise, and whether secured or unsecured. The undersigned further agree to indemnify TLC against any losses it may sustain and expenses it may incur as a result of any wrongful act of Obligor with respect to the performance of Obligor's obligations to TLC.

For the purposes of this guaranty and indemnity, all sums owing to TLC by Obligor shall be deemed to have become immediately due and payable if (a) Obligor defaults in any of its obligations to TLC; (b) a petition under any Chapter of the Bankruptcy Act, as amended, or for the appointment of a receiver of any part of the property of Obligor be filed by or against the Obligor, and not be dismissed within fifteen days; (c) Obligor makes a general assignment for the benefit of creditors, suspends business or commits any act amounting to a business failure; or (d) an attachment be levied or tax lien be filed against any of Obligor's property.

This shall be a continuing guaranty and indemnity and, irrespective of the lack of any notice to or consent of the undersigned, their obligations hereunder shall not be impaired in any manner whatsoever by any

- (b) adjustments, compromises or releases of any obligations to Obligor, the undersigned or other parties, or exchanges, releases or sales of any security of Obligor, the undersigned or other parties;
- (c) fictitiousness, incorrectness, invalidity or unenforceability, for any reason of any instrument or writing, or acts of commission or omission by TLC or Obligor; or
- (d) compositions, extensions, moratoria or other relief granted to Obligor pursuant to any statute presently in force or hereafter enacted.

Notice of TLC's acceptance hereof, of default or nonpayment by Obligor or any other parties, or presentment, protest and demand, and of all other matters of which the undersigned otherwise might be entitled, is hereby expressly waived.

The obligations hereunder of each of the undersigned are independent and several, and shall be binding upon their respective heirs and personal representatives. The failure of any person to sign this guaranty and indemnity shall not affect the liability hereunder of any signor thereof. The death or release from liability hereunder of any of the undersigned shall not relieve the others from liability hereunder. Each of the undersigned may terminate his obligations hereunder as to then future transactions between TLC and Obligor by notification to TLC by certified mail at P.O. Box 626, Camp Hill, Pennsylvania 17001-0626 provided, however, that such termination shall not affect either his liability hereunder with respect to any obligations of Obligor to TLC incurred prior to its receipt of such notice or the continuing liability of such of the others of the undersigned as have not given such notice.

IN THE EVENT OF DEFAULT AS DEFINED BY THE TERMS OF THIS GUARANTY, GUARANTOR HEREBY EMPOWERS ANY ATTORNEY OF ANY COURT OF RECORD WITHIN THE UNITED STATES OR ELSEWHERE TO APPEAR FOR IT AND WITH DECLARATIONS FILED CONFESS JUDGEMENT AGAINST IT AS OF ANY TERM FOR ALL SUMS DUE ON THIS GUARANTY WITH COSTS OF SUIT AND AN ATTORNEY'S REASONABLE FEE FOR COLLECTION AND RELEASE OF ALL ERRORS. GUARANTOR HEREBY EXPRESSLY WAIVES STAY OF EXECUTION AND INQUISITION AND EXTENSION UPON ANY LEVY ON REAL ESTATE. CONDEMNATION IS HEREBY AGREED TO AND THE EXEMPTION OF PERSONAL PROPERTY FROM LEVY AND SALE ON ANY EXECUTION HEREON IS ALSO HEREBY EXPRESSLY WAIVED, AND NO BENEFIT OF EXEMPTION IS CLAIMED UNDER AND BY VIRTUE OF ANY EXEMPTION LAW NOT IN FORCE OR WHICH MAY BE HEREAFTER ENACTED.

The undersigned shall reimburse TLC, on demand, for all expenses incurred by TLC in the enforcement or attempted enforcement of any of its rights hereunder against the Obligor or any of the undersigned, including costs and attorney's fees.

This guaranty and indemnity is assignable without notice to the undersigned, shall be construed liberally in favor of TLC and shall inure to the benefit of its successors and assigns. If Obligor should default in the performance of any of Obligor's obligations to TLC, and if any third party makes any payment to TLC with respect thereto, such third party shall, to the extent thereof, be subrogated to all of TLC's rights against the undersigned hereunder. Legal rights and obligations hereunder shall be determined in accordance with the laws of the Commonwealth of Pennsylvania.

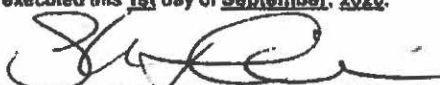

IN WITNESS WHEREOF, the undersigned has caused this instrument to be executed this 1st day of September, 2020.

### **Summary**

Daimler AG ("DAG"), the manufacturer of Mercedes-Benz and Freightliner Vans, has determined that, the screw connection on the upper hood catch of certain Mercedes-Benz/Freightliner Sprinter vehicles (VS30; Platforms 907) may not have been carried out according to specification. Depending on vehicle speed, wind resistance, aerodynamic drag and factors such as vehicle loading and road conditions, the hood could open while the vehicle is being operated. If the hood were to open while driving, it could impact the driver's field of vision, thereby increasing the risk of a crash. An authorized Mercedes-Benz or Freightliner Sprinter dealer will check and if necessary tighten the torque of the screw connection. Any missing screws will be replaced if necessary.

### **Safety Risk**

If the hood were to open while driving, it could impact the driver's field of vision, thereby increasing the risk of a crash.

### **Remedy**

An authorized Mercedes-Benz or Freightliner Sprinter dealer will check and if necessary tighten the torque of the screw connection. Any missing screws will be replaced if necessary.

### **Manufacturer's Notes**

Recall information is available going back to January 1, 1990.

**If the manufacturer has failed or is unable to remedy this safety recall for your vehicle in a timely manner,**

**please contact the NHTSA Vehicle Safety Hotline at: 1-888-327-4236 or TTY: 1-800-424-9153 or file an online complaint with NHTSA.**

### **Summary**

Mercedes-Benz AG ("MBAG"), the manufacturer of Mercedes-Benz and Freightliner vans, has determined that the operator's manual in certain Sprinter vehicles from platform 907 (VS30) with automatic transmission does not correctly specify certain conditions under which the automatic parking function ("Auto-P") operates. The Operator's Manual describes certain functions which would automatically engage the park position "P" if (1) the driver opens the seat belt buckle or (2) the driver leaves the seat when the vehicle is stationary or driving at very low speed. However, this functionality is not available in the affected Sprinter vehicles. Should a customer rely on the Auto-P function as described in the Operator's Manual, the possibility of vehicle rollaway or movement cannot be ruled out which could increase the risk of a crash. An authorized Mercedes-Benz or Freightliner Sprinter dealer will add a supplementary booklet with a correct description of the Auto-P function to the Operator's Manual, which is already in the vehicle. The supplementary booklet is also available on-line at [www.mbvans.com/sprinter/owners-resources/owner-manuals](http://www.mbvans.com/sprinter/owners-resources/owner-manuals) and <https://www.freightlinersprinterusa.com/freightliner/owners-resources/owner-manuals>.

### **Summary**

Mercedes-Benz AG ("MBAG"), the manufacturer of Mercedes-Benz and Freightliner vans, has determined that on certain Sprinter vehicles the rear part of the fender liner on the front axle could contact and chafe the brake hose. If the distance between the fender liner and the brake hose is not sufficient, the front wheel suspension could contact and chafe the brake hose, which could lead to the loss of brake fluid. Over time, if the operator ignores the brake fluid warning indicator and continues to operate the vehicle until the brake fluid empties, this may increase the stopping distance and increase the risk of a crash. An authorized Mercedes-Benz or Freightliner Sprinter dealer will check the condition and clearance of the brake hoses and, if necessary, to replace them. Additionally, the corresponding fender liner will be modified accordingly on the respective side.

### **Where's my VIN?**

Look on the lower left of your car's windshield for your 17-character Vehicle Identification Number. Your VIN is also located on your car's registration card, and it may be shown on your insurance card.

### **What this VIN search tool will show**

- An unrepaired vehicle affected by a vehicle safety recall in the past 15 calendar years
- Vehicle safety recalls from major light auto automakers, motorcycle manufacturers and some medium/heavy truck manufacturers

### **What this VIN search tool will not show**

- A vehicle with a repaired safety recall. If your vehicle has no unrepaired recalls, you will see the message: "0 Unrepaired recalls associated with this VIN"
- Manufacturer customer service or other nonsafety recall campaign
- International vehicles
- There may be a delay with very recently announced safety recalls for which not all VINs have been identified. VINs are added continuously so please check regularly.
- Safety recalls that are more than 15 years old (except where a manufacturer offers more coverage)

- Safety recalls conducted by small vehicle manufacturers, including some ultra-luxury brands and specialty applications

## 03 Recalls

### **Initiated safety recalls require a manufacturer's action to announce and remedy the defects.**

A recall is issued when a manufacturer or NHTSA determines that a vehicle, equipment, car seat, or tire creates an unreasonable safety risk or fails to meet minimum safety standards. Most decisions to conduct a recall and remedy a safety defect are made voluntarily by manufacturers prior to any involvement by NHTSA.

Manufacturers are required to fix the problem by repairing it, replacing it, offering a refund, or in rare cases repurchasing the vehicle. View the 2019 Recall Report.

Using our VIN lookup tool, you can access recall information provided by the manufacturer conducting the recall which may be not posted yet on NHTSA's site.

At a general session of the Nevada Transportation  
Authority held on January 31, 2020.

PRESENT: Chairman Dawn Gibbons  
Commissioner George Assad  
Commissioner David Newton  
Deputy Commissioner Jennifer De Rose

**ORDER**

On November 26, 2019, a hearing on the above-captioned matters was held before Commissioner David Newton serving in his capacity as Hearing Officer for the Nevada Transportation Authority ("Authority"). The Respondent to Citations 20042 and 20043 and registered owner of the impounded vehicle, Andre Moody, was present and elected to proceed without counsel.

After hearing the allegations, the respective arguments, and having considered the evidence introduced by both parties and being fully advised, the Hearing Officer, pursuant to Nevada Administrative Code ("NAC") 706.4015, prepared a proposed decision for review by the Authority. Based on that proposed decision, the Authority enters the following final order affirming the decision of the Hearing Officer. Under Nevada Revised Statutes ("NRS") 706.151, the Authority has legal jurisdiction and authority over this matter.

At hearing, the parties knowingly and voluntarily stipulated and agreed as follows:

1. To the admission of Citations 20042 and 20043, the Investigation Report for the Citations and related impound into evidence (identified as State's Exhibit 1 and incorporated herein by reference) and that the facts as set forth therein were true and accurate;

2. That Andre Moody is the registered owner of the impounded vehicle in this matter and was present at the hearing regarding said vehicle;
3. That the use of the vehicle in intrastate commerce without a certificate of public convenience and necessity ("CPCN") violated NRS 706.476 (2)(b)(2) and NRS 706.2(b)(3) in that:
  - a. No CPCN had been issued authorizing the use of the impounded vehicle in intrastate commerce for passenger transportation; and
  - b. The impounded vehicle did not meet the required standards of the Authority;
4. That no CPCN had been issued by the Authority authorizing the operations undertaken by the Respondent in this matter;
5. That the Respondent's actions constituted one violation of NRS 706.386 as alleged and that the impoundment of the vehicle pursuant to NRS 706.476 was proper;
6. That with respect to Citation 20043, the Respondent's actions constituted a violation of NRS 706A.280 (in that he solicited a passenger for off-app transportation);
7. That a fine in the amount of \$100.00 be assessed for the impoundment of the vehicle in this matter;
8. That a fine be assessed in the amount of \$2,500.00 for the NRS 706.386 violation with \$2,250.00 of said fine amount suspended pending no further violations of NRS 706 within one year and timely payment of the fine amount;
9. That no fine or disqualification be imposed for the NRS 706A.280 violation; and
10. To waive the requirement that the Authority's final order contain formal Findings of Fact and Conclusions of Law as required under NRS 233B.125 (waiver entered as Exhibit 2).

### DISCUSSION

The Hearing Officer recommended to the Authority:

1. That the stipulations and agreements of the parties as set forth hereinabove be accepted;
2. That the impoundment of the vehicle be deemed proper under NRS 706.476;
3. That findings enter against the Respondent for one violation of NRS 706.386, relating to operating as a fully regulated carrier without authority and for one violation of NRS 706A.280, relating to providing passenger transportation services outside the TNC application.

### ORDER

**IT IS THEREFORE ORDERED, based on the foregoing:**

1. That the recommendation of the Hearing Officer with regard to the impoundment of the vehicle pursuant to NRS 706.476 is hereby AFFIRMED;
2. That the recommendation of the Hearing Officer for Administrative Citations and Verified Complaint 20042 and 20043, issued to Andre Moody for violations of NRS 706.386 and NRS 706A.280, is hereby AFFIRMED;
3. That a fine in the amount of One Hundred Dollars and Zero Cents (\$100.00) be assessed for the impoundment of the vehicle in this matter;

5. That *no fine* or disqualification be imposed for Citation 20043 for the NRS 706A.280 violation;

6. That the Respondent is to immediately **CEASE AND DESIST** any and all use of the impounded vehicle in violation of the provisions of NRS 706;
7. That the Respondent is to immediately **CEASE AND DESIST** any and all operation in violation of NRS 706.386; and

Good morning Mr. Moody,

Per our conversation this morning, your debt in the total amount of \$2,500 was sent to State Controller's Office Collection Unit and your driver's license was suspended due to your failure to make pay timely on the citation fine. The following options are available for you to remedy your fine.

You may contact the State Controller's Office Debt Collection (SCO) to secure a payment plan by calling 775-684-5783 or via their email at [dcemail@controller.state.nv.us](mailto:dcemail@controller.state.nv.us). If you should reach their voicemail please do leave a message for you return call. Once you are able to secure an arrangement and make initial payment with the SCO, they will notify the NTA and we will be able to send confirmation of our release to DMV. Please let me know once you have completed this portion.

If you would like to seek reconsideration of the fine amount and/or order issued by the NTA, you are able to do so via filing a Petition for Reconsideration form. This affords you the ability to be heard for reconsideration before the Authority Commission. This process has an associated filing fee of \$50. If this is something you would like to consider, you may return the completed form with payment of \$50 filing fee to either of our office locations (listed below). If the filing and fee is received on or before September 17, 2020 (filing deadline), the reconsideration can be scheduled for the General Session Meeting which is tentatively scheduled for October 15, 2020. A copy of this form is attached for convenience and is also available on our website:

Docket 20-02021

**PETITION FOR REHEARING OF  
ORDER TO SHOW CAUSE/  
RECONSIDERATION AND  
RESCISION OF ORDER TO REVOKE  
CPCN**

Voss Automotive Group, LLC d/b/a Rush In Towing ("Petitioner"), by any through its attorneys, the Law Firm of Kung & Brown, and pursuant to NRS 233B.130 and the general authority of the Nevada Transportation Authority ("NTA"), hereby respectfully requests the NTA to: (i) grant a rehearing of the Order to Show for which Petitioner was scheduled to appear at the July 22, 2020 General Session to testify why Certificate of Public Convenience and Necessity ("CPCN") 7221 should not be revoked for failure to comply with the provisions of Chapters 706 of NRS and NAC and (ii) relatedly, reconsider and rescind the Order to Revoke CPCN which resulted from Petitioner's failure to attend the July 22, 2020 Order to Show Cause Hearing.

1 The requested relief is fair and reasonable because:

2 1. Petitioner did not receive the Order to Show Cause to appear at the July 22, 2020  
3 General Session and, not being aware of that Order to Show Cause, understandably failed to attend  
4 the July 22, 2020 hearing on the same.

5 2. In our experience as Petitioner's counsel, Petitioner has always been attentive to  
6 various deadlines and responsive to our requests for information;  
7

8 3. The COVID-19 has caused disruptions in the delivery of the mail and disruptions  
9 in other aspects of everyday life.

10 4. Petitioner did not receive the Order to Revoke CPCN until August 31, 2020 upon  
11 which its representative immediately discussed this with our law office.

12 5. The Eighth Judicial District Court in and for Clark County, Nevada, as well as other  
13 Nevada courts have issued orders extending relevant deadlines in judicial proceedings due to the  
14 COVID-19 problem, and though the NTA is an administrative body, the NTA is hereby asked to  
15 consider the practice of our local courts in granting the relief requested in this Petition.  
16

17 6. If the requested rehearing is not granted and the NTA's Order to Revoke CPCN is  
18 not reconsidered, Petitioner will suffer a harsh forfeiture that will severely hamper its business.

19 7. Petitioner is prepared to attend any rehearing the NTA might grant on this Petition  
20 and testify: (i) why CPCN 7221 should not have been revoked for failure to comply with the  
21 provisions of Chapters 706 of NRS and NAC and (ii) why Petitioner's CPCN 7221 should be  
22 reinstated.

**ORDER TO SHOW CAUSE  
AND NOTICE OF HEARING**

Under Nevada Revised Statutes ("NRS") 706.151, the Nevada Transportation Authority ("Authority") has legal jurisdiction and authority over this matter.

The Authority makes the following findings of fact and conclusions of law:

1. That on December 31, 2013, CPCN 7221 was issued to Voss Automotive Group, LLC d/b/a Rush In Towing, a carrier authorized to provide consent and non-consent tow car service.
2. That on July 16, 2019, Anderson Voss, filed a request to temporarily discontinue services under CPCN 7221 for the period July 1, 2019 through January 1, 2020 under docket 19-07017. The reason stated for the discontinuance was "we have no place to operate this business". The request, which required retroactive approval, was granted by the Authority at the August 23, 2019 General session.
3. That on January 2, 2020, Mr. Voss filed a second request to extend the temporary discontinuance from January 1, 2020 through April 30, 2020. Again, the reason was "we have no place to operate this business".
4. Without further information, Staff cannot support this request.

                  Deputy Commissioner Jennifer De Rose

**ORDER**

2. That no CPCN had been issued by the Authority authorizing the operations undertaken by the Respondent in this matter;
3. That with respect to Citation 21664, the Respondent's actions constituted a violation of NRS 706.386 as alleged;
4. That with respect to Citation 21661, the Respondent's actions constituted a violation of NRS 706A.280 (in that he solicited a passenger for off-app transportation); and
5. To waive the requirement that the Authority's final order contain formal Findings of Fact and Conclusions of Law as required under NRS 233B.125.

Authority Staff recommended the following fines and remedies:

1. That a fine be assessed in the amount of \$5,000.00 for the NRS 706.386 violation with the hearing officer to determine a suitable amount of said fine amount suspended pending no further violations of NRS 706 or NRS 706A within one year and timely payment of the fine amount;
2. That no fine be assessed for the NRS 706A.280 violation; and
3. That the Respondent be disqualified from driving under a TNC application.

As a basis for the recommended fines and remedies, Authority Staff stated that Respondent is a former taxicab driver, that he had a prior impound and citations in 2018 and that he was cooperative in the field.

Respondent stated he supports his wife and three children, that he is facing financial hardship and that he needs to continue driving to support his family.

### **DISCUSSION**

The Hearing Officer recommended to the Authority:

1. That the stipulations and agreements of the parties as set forth hereinabove be accepted;

2. That findings enter against the Respondent for one violation of NRS 706.386, relating to operating as a fully regulated carrier without authority and one violation of NRS 706A.280, relating to solicitation of a passenger for off-app transportation;
3. That a fine be assessed in the amount of \$5,000.00 for the NRS 706.386 violation with \$2,000.00 of said fine amount suspended pending no further violations of NRS 706 or NRS 706A within two years and timely payment of the fine amount; and
4. That Respondent will not be disqualified from driving for a TNC.

1. That an Application was filed with the Authority by Bell Trans, a Nevada Corporation d/b/a Bell Trans, Bell Limousine, a carrier certificated to provide charter limousine service as described in Certificate of Public Convenience and Necessity (“CPCN”) 1023, Sub 2, for authority to modify tariff rates pursuant to NAC 706.1384.
2. That the carrier simultaneously filed a Petition for Interim Authority which was granted on September 11, 2020, by Chairman Dawn Gibbons, acting as Presiding Officer in this matter.
3. That the Application was properly noticed to the public and there were no petitions for leave to intervene or protests filed.
4. That the Applicant seeks to add an 8- Passenger (not including the driver) Luxury Sprinter Van vehicle category with the following rates:
  - a. \$99.00/\$49.59 per hour/per additional half hour.
  - b. \$61.50/\$30.50 per hour/per additional half hour if customer achieves 200 hours or more in any calendar month only if the previous three (3) months of customer usage averages of 200 hours or more per month.

5. That the proposed 200-hour discount tariff rates are within the range of rates currently charged by the industry for similar services. The walk-out/reservation rate is higher than the range of rates for similar services. Staff expresses no concern since passengers can review alternative types of transportation other than a luxury van as well as review rates from other carriers for other types of luxury vehicles.
6. That the carrier has not requested a tariff modification since June 2020.
7. That based upon all the records relating to the Application and after investigation:
  - a. The Application on file herein comes within the purview of the statutes of the State of Nevada and within the regulatory jurisdiction of the Authority.
  - b. The proposed tariff modification will be consistent with the public interest and will not operate to defeat the legislative policy set forth in NRS 706.151.

**Therefore, based upon the foregoing findings, it is ORDERED that:**

1. The tariff modification proposed by Bell Trans, a Nevada Corporation d/b/a Bell Trans, Bell Limousine, is hereby GRANTED.

**I. INTRODUCTION**

On or about October 3, 2019, the Parties filed Joint-Applications requesting authority to sell and transfer CPCN 1040 and 2063 from ODS to Kaptyn Nevada. Thereafter, on December 30, 2019 at a special meeting the Nevada Transportation Authority ("NTA") approved the applications thereby allowing Kaptyn and ODS to proceed with the compliance items.

In March 2020, as a result of COVID-19 and the immediate cessation of almost all businesses, including government agencies, state-wide, Kaptyn requested authority to extend the compliance period.

On August 3, 2020, the Parties asked for authority to resume completion of the compliance period and submitted updated financials (limited just to the acquisition of ODS) as well as a revised list of Officers and Directors for both Kaptyn Acquisition Corp. ("KAC") and Kaptyn Nevada. As a result of changes to the KAC Board, Mr. Brad Balaban and Mr. Matias de Tezanos were ordered to undergo a background investigation.

At the present time, Staff has completed its review of the revised financials (NAC 706.152), Messrs. Balaban and Tezanos have had their fingerprints taken (NRS 706.6411) and most of the compliance items have been completed.

**II. REQUEST TO TRANSFER CPCN 1040 & 2063 UPON COMPLETION  
OF COMPLIANCE**

Nevada law requires a commercial carrier to be fit, willing and able to perform the services of a common motor carrier and to operate consistent with the legislative policy set forth in Nevada Revised Statute (NRS) 706.151. As the NTA has previously determined that the Applications meet all regulatory requirements the Parties respectfully request that upon completion of the compliance items that the subject CPCN's be transferred.

1 The Parties further request that the subject Motions be considered prior to the next  
2 regularly scheduled agenda meeting and that interim authority be granted thereby allowing Kaptyn  
3 to initiate operations. NAC 706.3986 & NAC 706.3998.

### 4 **III. Background Investigation of Matias de Tezanos**

5 Consistent with NRS 706.6411, to ensure the fitness of an applicant, a Sale and Transfer  
6 Application must include a complete set of fingerprints of each natural person who is *identified by*  
7 *the Authority as a significant principal, partner, officer, manager, member, director or trustee of*  
8 *the transferee.* (emphasis added) To date, all principals, officers, directors and managers of  
9 Kaptyn Nevada and, parent company, KAC have submitted their fingerprints to the Nevada Dept.  
10 of Public Safety. Additionally, with one exception all of the background investigations have been  
11 completed with no areas of concern having been identified. More specifically, to date Mr.  
12 Tezanos' fingerprint returns have not been received by the NTA.

13  
14 There is no dispute that the suitability of an owner of a certificated company is critical to  
15 the NTA in their consideration of an application. However, in light of the fact that Mr. Tezanos  
16 has in fact complied with NRS 706.6411 the Parties ask that upon completion of the other  
17 compliance items that the CPCN's be issued to Kaptyn with a "condition" requiring that his  
18 background be completed within twelve months from the date of issuance (suggested language:  
19 ***Mr. Matias de Tezanos must satisfactorily complete the background investigation within 12***  
20 ***months).***

21  
22 Kaptyn is confident that Mr. Tezanos' fingerprint results will be timely returned to the  
23 NTA and that he will be found suitable as the majority shareholder of KAC. Should that not occur  
24 Mr. Tezanos is aware of the obligation to either request an evidentiary hearing to demonstrate his  
25 suitability or resign from the Board of KAC.

III. CONCLUSION

Based on the arguments set forth herein, the papers and pleadings on file with the NTA coupled with the information contained in the respective application files, Joint Applicant's respectfully request that the upon completion of the compliance items the Presiding Officer deem this matter to be complete and authorize the transfer of CPCN's 1040 and 2063 to Kaptyn Nevada. Furthermore, Joint Applicants herein request that a condition be added to both CPCN 1040 and 2063 requiring Mr. Tezanos' background investigation be completed within twelve months.

**On Demand Sedan Services, Inc.  
Sale and Transfer Applications  
Amended Dockets 19-10015 and 19-10016  
October 15, 2020 General Session**

**Amended Application Summary:**

On October 11, 2019, On Demand Sedan Services, Inc. (“ODS”) and Kaptyn Nevada, LLC (“Kaptyn”)/ (“Applicants”) filed joint applications for ODS to sell and transfer and Kaptyn to purchase and acquire the authorities granted under CPCNs 1040 (docket 19-10015) and 2063 (docket 19-10016).

Kaptyn also simultaneously filed four other joint sale and transfer applications with Bell Trans (docket 19-10011), Presidential Limousine (dockets 19-10012 and 10013), and Desert Cab (docket 10-10014).

On December 30, 2019, all six applications were on the *special* general session, presented as a bundled sale, and were approved. During the compliance period, Bell Trans, Desert Cab, and Presidential Limousine withdrew their applications and ODS remained.

**Conclusion on the Amended Financials:**

As a result of the applications being withdrawn, staff requested updated pro forma financials to reflect only the ODS-Kaptyn transactions. In summary, the updated pro forma financials were reviewed and complied with the authority’s financial requirements. Therefore, staff financially supports both ODS-Kaptyn applications.

**Amended Pro Forma Financials:**

- 1) Pro forma balance sheet (“PFBS”) – reported a fleet consisting of 59 vehicles, a cash infusion of \$2,000,000, an equity ratio of 66%, and a current ratio of 1.4 to 1. (Attachment B). Kaptyn was notified that charter limousine vehicles must be depreciated according to NAC 706.401939 when completing the authority’s annual reports.
- 2) Capital Infusion - The capital infusion took place in early 2020 and was verified by staff.
- 3) Pro forma income statement (“PFIS”) – projects overall net income of \$159,243 on \$7,052,806 in total revenue for first 12 months of operations. On ODS’ 2019 annual report disclosed it generated a loss of \$(628,047) on \$11,228,277 in revenues (Attachment C).

**Docket 19-12030**  
**October 15, 2020 General Session**

Oasis Moving & Storage, Inc. ("Carrier/Oasis") CPCN 3349, has been on temporary discontinuance since 4/30/2019.

- Staff requested the Order to Show Cause for the expired temporary discontinuance (expired 9/20/2019) which was addressed at the 1/31/2020 general session.
- On 2/7/2020 Brent Carson, Esq. filed an extension on behalf of the carrier (9/20/2020 through 4/30/2020). The period expired.
- On 7/6/2020 Brent Carson, Esq. filed another extension on behalf of the carrier (4/30/20 through 10/30/20) which will soon expire.

Each time there has been a period of discontinued service (2 prior periods), the period has expired. Staff attempted to reach the Carrier, Erez Bitton and was not able to reach him until 9/1/2020. Mr. Bitton indicated that he was not aware of the requirement to provide the financial information for the sale and transfer docket on file with the NTA.

The request for the information was previously sent to Brent Carson, Esq. and copied to Erez Bitton and to Marina Voskanyan (in house Oasis accountant) on July 29, 2020. He has currently (9/1/20) agreed to supply the information. Based on that communication with Mr. Bitton the information was due in 15 working days – due by 9/23/20.

On 9/10/20 we received Association of Counsel notification that Brent Carson, Esq. is now representing Oasis Moving & Storage on the sale and transfer application under Docket 19-03005.

As of this writing – 9/29/2020 no data has been received. This application is now almost two years old. Staff would move to dismiss this application except that it was filed post facto and the transfer has already occurred.

**(Note- all fines have been paid by the carrier.)**

5 of Public Convenience and Necessity to operate )  
6 as a household goods mover within the State of )  
7 Nevada. )

Docket No.: 18-08037

**Motion to Dismiss Application and  
Notice of Hearing**

8 Jennifer DeRose, Deputy Commissioner (the "Deputy Commissioner") of the Nevada  
9 Transportation Authority ("NTA"), moves that the NTA Commissioners dismiss the application of  
10 Chipman Moving Systems of Nevada, Inc., Docket Number 18-08037 ("Chipman" or the "Applicant").  
11 This Motion to Dismiss Application and Notice of Hearing (this "Motion") is made and based upon the  
12 Application, the Memorandum of Points and Authorities that follows, and any argument and/or evidence  
13 presented at the Hearing of this matter.

14 **Memorandum of Points and Authorities**

15 **I. Jurisdiction**

16 The NTA has jurisdiction over household goods movers in Nevada.<sup>1</sup> Applicants for household  
17 goods movers, such as Chipman, must submit an application and specific information to the NTA prior  
18 to operating.<sup>2</sup> The Deputy Commissioner shall move for dismissal of deficient applications.<sup>3</sup> Thus, the  
19 NTA has jurisdiction to hear and rule on this Motion.

20 **II. Background Facts**

21 On August 31, 2018, Chipman filed an application with the NTA, which was ultimately accepted  
22 on September 6, 2018, and noticed on September 14, 2018, and designated as Docket No. 18-08037 (the  
23 "Application"). In its Application, Chipman requested initial issuance of a Certificate of Public  
24 Convenience and Necessity ("CPCN") to operate as a household goods mover within the State of Nevada.

27 <sup>1</sup> See NRS 706.442 through NRS 706.443.

28 <sup>2</sup> See NRS 706.443; NAC 706.1375 (2).

<sup>3</sup> See NAC 706.1375(3)

1 On January 31, 2020, the NTA granted the Application at its General Session. Therefore,  
2 Applicant's ability to meet all compliance items, to perfect its Application, expired on June 10, 2020. *See*  
3 Compliance Order.

4 Most significantly, on June 2, 2020, a different company (the "Acquiring Company") contacted  
5 Financial Analyst Yvonne Shelton ("Ms. Shelton") with the NTA that it had purchased Chipman. Ms.  
6 Shelton advised the Acquiring Company that there was no CPCN to Transfer and that the Acquiring  
7 Company had to obtain its own CPCN.

8 Accordingly, the Applicant abandoned the Application.

### 9 **III. Argument**

10 Applicants for household goods movers must provide various specific information with their  
11 application.<sup>4</sup> Pursuant to its regulations, Staff normally notifies Applicant about such omissions and  
12 deficiencies in writing.<sup>5</sup> Thereafter, the Applicant must cure the omissions and deficiencies within 15  
13 working days.<sup>6</sup>

14 Here, the Applicant has not met the necessary conditions in the Compliance Order, as it was sold  
15 in the interim.

16 Accordingly, the Deputy Commissioner has satisfied the requirements for dismissal.

### 17 **IV. Conclusion**

18 The Applicant failed to prosecute the Application in good faith. The Deputy Commissioner has  
19 satisfied the requirements for dismissal and, therefore, hereby moves that the NTA grant this Motion at  
20 their next agenda meeting.

4 Application of Exquisite Towing Roadside

Docket No.: 18-11012

**Motion to Dismiss Application and  
Notice of Hearing**

8 Jennifer DeRose, Deputy Commissioner (the “Deputy Commissioner”) of the Nevada  
9 Transportation Authority (“NTA” or the “Authority”), moves that the NTA Commissioners dismiss the  
10 application of Exquisite Towing Roadside Assistance, LLC (“Exquisite Towing”), Docket Number 18-  
11 11012 (“Exquisite Towing” or the “Applicant”). This Motion to Dismiss Application and Notice of  
12 Hearing (this “Motion”) is made and based upon the Application, the Memorandum of Points and  
13 Authorities that follows, and any argument and/or evidence presented at the Hearing of this matter.

14 **Memorandum of Points and Authorities**

15 **I. Jurisdiction**

16 The NTA has jurisdiction over tow operators in Nevada.<sup>1</sup> Applicants for any such authority, such  
17 as Exquisite Towing, must submit an application and specific information to the NTA relative to the  
18 same.<sup>2</sup> The Deputy Commissioner shall move for dismissal of deficient applications.<sup>3</sup> Thus, the NTA has  
19 jurisdiction to hear and rule on this Motion.

20 **II. Background Facts**

21 On November 16, 2018, Exquisite Towing filed an application with the NTA, which was  
22 designated as Docket No. 18-11012 (the “Application”). In its Application, Exquisite Towing requested  
23 authority to provide consent and non-consent tow car service within the State of Nevada. On November  
24 18, 2019, the NTA noticed the Application.

25 On February 19, 2019, the Applicant amended the Application to consent-only tow car service  
26 within the State of Nevada.

27 <sup>1</sup> See NRS 706.386; and NRS 706.444 through 706.453.

28 <sup>2</sup> See NAC 706.1376.

<sup>3</sup> See NAC 706.1376(3).

1 The NTA approved the Application at its June 6, 2019 General Session. The approval contained  
2 certain compliance items that had to be met within the standard 120-day Compliance Period. The  
3 Compliance Period was set to expire on October 13, 2019.

4 The Applicant requested and was granted a 90 day extension to the Compliance Period, extending  
5 the same to January 13, 2020. Notwithstanding, to date, the Applicant has been unable to demonstrate  
6 that it had met all of the compliance requirements for its approval. Moreover, since the last extension,  
7 Staff has also been unable to reach the Applicant.

8 This Applicant was working through an accounting office, Absolute Bookkeeping. Compliance  
9 Audit Investigator Desiree Main also had several communications with them regarding this Application  
10 and they too had been unable to reach the Applicant. There has been no further contact by the Applicant.

11 Accordingly, Exquisite Towing abandoned the Application.

### 12 **III. Argument**

13 Applicants for tow authority must provide various specific information with their application.<sup>4</sup>  
14 Pursuant to its regulations, Staff normally notifies Applicant about such omissions and deficiencies in  
15 writing.<sup>5</sup> Thereafter, the Applicant must cure the omissions and deficiencies within 15 working days.<sup>6</sup>

16 Here, Exquisite Towing abandoned the Application. In particular, while NTA Staff has been  
17 requesting information from the Applicant for months relative to its compliance, there has been no  
18 response from the Applicant for now several months.

19 Accordingly, the Deputy Commissioner has satisfied the requirements for dismissal.

**Motion to Dismiss Application and  
Notice of Hearing**

7 Jennifer DeRose, Deputy Commissioner (the "Deputy Commissioner") of the Nevada  
8 Transportation Authority ("NTA"), moves that the NTA Commissioners dismiss the application of The  
9 Pellegrino Group, LLC d/b/a The Magic Bus ("Magic Bus" or the "Applicant"), Docket Number 18-  
10 12031. This Motion to Dismiss Application and Notice of Hearing (this "Motion") is made and based  
11 upon the Application, the Memorandum of Points and Authorities that follows, and any argument and/or  
12 evidence presented at the Hearing of this matter.

13 **Memorandum of Points and Authorities**

14 **I. Jurisdiction**

15 The NTA has jurisdiction over charter bus operators in Nevada.<sup>1</sup> Applicants for charter bus  
16 services, such as Magic Bus, must submit an application and specific information to the NTA prior to  
17 operating.<sup>2</sup> The Deputy Commissioner shall move for dismissal of deficient applications.<sup>3</sup> Thus, the NTA  
18 has jurisdiction to hear and rule on this Motion.

19 **II. Background Facts**

20 On December 20, 2018, Magic Bus filed an application with the NTA, which was ultimately  
21 accepted and noticed on December 24, 2018, and designated as Docket No. 18-12031 (the "Application").  
22 In its Application, Magic Bus requested an initial issuance of a certificate of public convenience and  
23 necessity to provide charter bus services within the State of Nevada. Neither Protests nor Petitions for  
24 Leave to Intervene were filed relative to the Application.

1 The Applicant is and was represented by legal counsel, James S. Kent, Esq. ("Mr. Kent"). The  
2 Application was approved at the November 8, 2019 General Session of the NTA, with a compliance due  
3 date of March 19, 2020. Notwithstanding, there has been no contact from the Applicant despite multiple  
4 attempts by Staff, requesting that the Applicant timely meet its compliance requirements.

5 Accordingly, Applicant had abandoned its Application.

### 6 **III. Argument**

7 Applicants for charter bus services must provide various specific information with their  
8 application.<sup>4</sup> Pursuant to its regulations, Staff normally notifies Applicant about such omissions and  
9 deficiencies in writing.<sup>5</sup> Thereafter, the Applicant must cure the omissions and deficiencies within 15

11 Here, the Applicant has abandoned its Application. In particular, the Applicant failed to provide

13 requests for the same both to the Applicant and to Mr. Kent.

14 Accordingly, the Deputy Commissioner has satisfied the requirements for dismissal.

### 15 **IV. Conclusion**

Application of MAPCAPITAL, LLC d/b/a  
Capital Towing for a Certificate of Public  
Convenience and Necessity to provide consent  
only tow car service within the State of Nevada.

Docket No.: 19-02007

## Motion to Dismiss Application and Notice of Hearing

Jennifer DeRose, Deputy Commissioner (the “Deputy Commissioner”) of the Nevada Transportation Authority (“NTA” or the “Authority”), moves that the NTA Commissioners dismiss the application of MAPCAPITAL, LLC d/b/a Capital Towing, Docket Number 19-02007 (“Mapcapital Towing” or the “Applicant”). This Motion to Dismiss Application and Notice of Hearing (this “Motion”) is made and based upon the Application, the Memorandum of Points and Authorities that follows, and any argument and/or evidence presented at the Hearing of this matter.

## Memorandum of Points and Authorities

## I. Jurisdiction

The NTA has jurisdiction over tow operators in Nevada.<sup>1</sup> Applicants for any such authority, such as Mapcapital Towing, must submit an application and specific information to the NTA relative to the same.<sup>2</sup> The Deputy Commissioner shall move for dismissal of deficient applications.<sup>3</sup> Thus, the NTA has jurisdiction to hear and rule on this Motion.

## II. Background Facts

On February 8, 2019, Mapcapital Towing filed an application with the NTA, which was designated as Docket No. 19-02007 (the “Application”). In its Application, Mapcapital Towing requested authority to provide consent only tow car service within the State of Nevada. On February 11, 2019, the NTA accepted and noticed the Application.

On February 14, 2019, Capital Towing, CPCN 7056 (the “Original Capital Towing” or “Capital Towing”), filed a protest relative to the Application. In particular, Original Capital Towing protested

<sup>1</sup> See NRS 706.386; and NRS 706.444 through 706.453.

<sup>2</sup> See NAC 706.1376.

<sup>3</sup> See NAC 706.1376(3).

1 Mapcapital Towing's use of the fictitious name of "Capital Towing," as the Original Capital Towing had  
2 already been operating as Capital Towing.

3 On September 9, 2019, Mapcapital Towing filed an Amendment to the Application, wherein it  
4 amended its d/b/a for the Application to "Mapcapital Towing" alone.

5 Most significantly, there has been no further contact from the Applicant since that time. In  
6 particular, the Applicant has not responded to any telephone calls or e-mail correspondence from NTA  
7 Staff for several months.

8 Accordingly, Mapcapital Towing abandoned its Application.

### 9 **III. Argument**

10 Applicants for tow authority must provide various specific information with their application.<sup>4</sup>  
11 Pursuant to its regulations, Staff normally notifies Applicant about such omissions and deficiencies in  
12 writing.<sup>5</sup> Thereafter, the Applicant must cure the omissions and deficiencies within 15 working days.<sup>6</sup>

13 Here, Mapcapital Towing abandoned its Application. In particular, while NTA Staff has been  
14 requesting information from the Applicant for several months, there has been no response from the  
15 Applicant for several months.

16 Accordingly, the Deputy Commissioner has satisfied the requirements for dismissal.

### 17 **IV. Conclusion**

18 The Applicant failed to prosecute the Application in good faith. The Deputy Commissioner has  
19 satisfied the requirements for dismissal and, therefore, hereby moves that the NTA grant this Motion at

**Motion to Dismiss Application and

8           Jennifer De Rose, Deputy Commissioner (the "Deputy Commissioner") of the Nevada  
9           Transportation Authority ("NTA"), moves that the NTA Commissioners dismiss the application of Roy  
10          L. Street d/b/a Capitol Cab Company, Docket Number 19-10008 ("Capitol Cab" or "Applicant"). This  
11          Motion to Dismiss Application and Notice of Hearing (this "Motion") is made and based upon the

13          presented at the Hearing of this matter.

14                                   **Memorandum of Points and Authorities**

15                   **I.       Jurisdiction**

16           The NTA has jurisdiction over common motor carriers in Nevada, including expansions of  
17          authority.<sup>1</sup> Applicants for such authority, such as Capitol Cab, must submit an application and specific  
18          information to the NTA prior to operating in such manner.<sup>2</sup> The Deputy Commissioner shall move for

4 There has been no further contact from the Applicant. This Application remains incomplete. The  
5 Applicant still failed to provide any such responses to DR1.

6 Accordingly, the Applicant abandoned the Application.

### 7 **III. Argument**

8 Applicants for expansion of authority must provide various specific information with their
