BEFORE THE NEVADA TRANSPORTATION AUTHORITY

In re Citation 21394 issued to Carson City Towing)	Citation No. 21394
for a violation of NRS 706.4479)	
_____)	

At a general session of the Nevada Transportation
Authority held on November 19, 2020.

PRESENT: Chairman Dawn Gibbons
Commissioner George Assad
Commissioner David Newton
Deputy Commissioner Jennifer De Rose

ORDER

On September 24, 2020, a hearing on the above-captioned matter was held before Commissioner George Assad, serving in his capacity as Hearing Officer for the Nevada Transportation Authority (“Authority”) or (“NTA”). The cited party, Chris Holland of Carson City Towing, (“Respondent”) or (“Carson City Towing”) was present via Webex and was represented by counsel Justin Townsend.

After hearing the allegations, the respective arguments, and having considered the evidence introduced by both parties and being fully advised, the Hearing Officer, pursuant to Nevada Revised Statute (“NRS”) 706.4479, prepared a proposed decision for review by the Authority.

Based on that proposed decision, the Authority makes the following Findings of Fact and Conclusions of Law, which constitute a final order affirming the decision of the Hearing Officer. Any Finding of Fact that would be better deemed a Conclusion of Law or vice versa shall be so construed. Under NRS 706.151, the Authority has legal jurisdiction and authority over this matter.

FINDINGS OF FACT

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains the legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Facts.

1. That on February 10, 2020, Eric Chapa (“Complainant”) filed a complaint with the NTA alleging that the Respondent failed to notify him regarding his impounded vehicle within the specified time frame pursuant to NRS 706.4479. As a result, the Respondent overcharged the Complainant \$3,075.00 to release his vehicle.
2. That on September 25, 2020, Sparks Police Department was requested a tow a 2009 Chevrolet Silverado bearing California plates in which Carson City Towing responded.
3. NTA Investigator William Schilling (“Schilling”) testified that he contacted the California DMV and confirmed that Carson City Towing requested IN70 DMV records on November 18, 2019. DMV processed the request and sent the records to Carson City Towing on December 2, 2019.
4. NRS 706.4479 requires a tow operator to attempt to obtain both registered and legal owner information within 15 days after placing a vehicle in storage.
5. According to the Sparks Police Department Inventory Report, the Complainant’s vehicle was towed and placed into storage on September 25, 2019.
6. The Respondent requested vehicle information on November 18, 2020, which was 54 days from the date the vehicle was towed.
7. Pursuant to NRS 706.4479 (1)(b) the tow operator shall make every reasonable attempt and use all resources reasonably necessary, as evidenced by written documentation, to obtain the identity of the owner within 15 days after placing the vehicle in storage.

8. The records indicate that Carson City Towing charged the Complainant for 90 days of storage at a rate of \$41.00 per day, totaling \$3,690.00. Carson City Towing did not meet the requirements of NRS 706.4479, which outlines the “duties of operator if motor vehicle is towed at the request of a person other than the owner.”
9. The total charge for the tow was \$3,690.00, but Carson City Towing was only allowed to charge for 15 days of storage resulting in an overage of \$3,075.00.
10. Schilling issued citation # 21394 to Respondent for one violation of NRS 706.4479.
11. Respondent testified that he sent the request to the DMV on October 24, 2019 but was not received until November 18, 2019. Respondent claims his request sat on someone’s desk at the DMV during the time stated above until it was processed. Respondent was not able to provide any evidence to substantiate his allegations. Additionally, Respondent argues that he has never been cited for such violation during 12 years as owner of Carson City Towing.
12. The State argued that the Investigative Report, State’s Exhibit 1, and the testimony established a clear violation of NRS 706.4479.

CONCLUSIONS OF LAW

Based on the testimony of Investigator Schilling, the Authority concludes that Respondent violated NRS 706.4479.

DISCUSSION

Authority Staff requested that Respondent be ordered to pay restitution in the amount of \$3,075.00 to the Complainant for excess tow and impound charges. No fine was recommended.

The Hearing Officer, having fully considered the above-mentioned Findings of Fact and Conclusions of Law recommended to the Authority:

1. That the Respondent did not act within the 15 days to send a notice to the DMV.

Authority held on October 15, 2020.

PRESENT: Chairman Dawn Gibbons

Commissioner David Newton
Deputy Commissioner Jennifer De Rose

ORDER

On October 1, 2020, a hearing on the above-captioned matter was held before Commissioner Dawn Gibbons, serving in her capacity as Hearing Officer for the Nevada Transportation Authority (“Authority”) or (“NTA”). The cited party, Vanessa Jacobsen (“Respondent”), was present via Webex and elected to proceed without counsel.

After hearing the allegations, the respective arguments, and having considered the evidence introduced by both parties and being fully advised, the Hearing Officer, pursuant to Nevada Revised Statute (“NRS”) 706.386 and NRS 706.758, prepared a proposed decision for review by the Authority.

Based on that proposed decision, the Authority makes the following Findings of Fact and Conclusions of Law, which constitute a final order affirming the decision of the Hearing Officer. Any Finding of Fact that would be better deemed a Conclusion of Law or vice versa shall be so construed. Under NRS 706.151, the Authority has legal jurisdiction and authority over this matter.

FINDINGS OF FACT

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains the legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Fact.

1. That for several months during the last part of 2019, Investigators Truitt and Schilling received information from certified carriers and Transportation Network Company (“TNC”) drivers that Respondent was providing unlawful transportation in the state of Nevada. Respondent is known as an active driver for both Uber and Lyft.
2. The investigation began around August of 2020, when investigators observed Respondent operating out of the Reno Tahoe Airport limousine pick up area. On August 12, 2020, investigators observed Respondent pick up two male adults from the airport, then transport them to the Renaissance Hotel located in downtown Reno.
3. The NTA also received information that Respondent was regularly operating out of the Edgewood Tahoe Resort (“Edgewood”). Investigators contacted security personnel at the Edgewood who stated that Respondent regularly picks up and drops off passengers. On several occasions, Respondent presented a personal business card with her name and cell phone number. Respondent was holding herself out as an independent contractor who provides unlawful intrastate passenger transportation.
4. On September 10, 2020, Investigators requested the concierge at the Edgewood arrange a ride from Respondent to the Reno Tahoe Airport. The connection was made using the phone number of 775-450-1759 listed on Respondent’s personal business card. The ride was arranged for September 11, 2010 at 6:30 am.
5. Additionally, Respondent requested the concierge call Lakeshore Pacific, Inc., d/b/a Sierra Pacific Limousine (“Lakeshore Pacific”) at 775-588-4500 and request Respondent.

6. Further investigation revealed that Lakeshore Pacific was an NTA certified carrier. However, their CPCN was revoked in 2018.
7. On September 11, 2020, Investigators staged at the Edgewood waiting for their ride. Upon entering the property, Respondent contacted the Investigators. After a brief conversation, the Investigators identified themselves. Respondent was advised that she was providing unlawful intrastate transportation and Investigators requested that she exit the vehicle. Respondent refused. After a brief encounter, Respondent exited the vehicle. A further conversation occurred outside the vehicle and Respondent kicked Investigator Gravel in the chest. Respondent was placed under arrest and transported to the Douglas County Sheriff's Office where she was booked for battery on a peace officer.
8. Respondent could not provide a current CPCN to offer intrastate transportation.
9. Respondent testified that all the rides she provided were arranged through Lakeshore Pacific and that she never collected any money. Additionally, Respondent testified that she was providing interstate passenger transportation only not intrastate transportation. Therefore, her rides did not require a Nevada CPCN.
10. During the hearing, Respondent offered several emails that were admitted into evidence and were marked as Respondent's exhibit #1.
11. The Investigation Report for citation #21398 was marked into evidence (identified as State's Exhibit 1 and incorporated herein by reference).
12. The State argued that the Investigative Report, State's Exhibit 1, and the testimony provided, established clear violations of NRS 706.386 and NRS 706.758 due to the Respondent's pattern and practice of providing unlawful intrastate passenger transportation. Respondent's rides were generated by way of advertising a personal business card which displayed only the Respondent's name and personal cell phone

number. The Respondent advertised for business by presenting herself as an independent transportation service that provided unlawful rides in the state of Nevada.

CONCLUSIONS OF LAW

Based on the testimony of Officers Truitt and Schilling, the Authority concludes that there was a violation of NRS 706.386 and NRS 706.758 by the Respondent.

DISCUSSION

Authority Staff requested that a \$5,000.00 fine be assessed for the violation of NRS 706.386, with \$4,000.00 suspended for two years, and a fine of \$1,000.00 be assessed for the violation of NRS 706.758 with \$1,000.00 suspended for two years provided there are no further violations of NRS 706 or NAC 706 and timely payment of fines.

The Hearing Officer, having fully considered the above-mentioned Findings of Fact and Conclusions of Law recommended to the Authority:

1. That a finding of one violation of NRS 706.386 be entered.
2. That a finding of one violation of NRS 706.758 be entered.
3. That the fine recommendations of the Authority Staff be adopted.

ORDER

IT IS THEREFORE ORDERED, based on the foregoing Findings of Fact and Conclusions of Law:

1. That the recommendation of the Hearing Officer with regard to the violation of NRS 706.386 and NRS 706.758 as contained in Citation 21398 is hereby AFFIRMED;
2. That a total fine on Citation 21398 in the amount of Six Thousand Dollars and Zero Cents (\$6,000.00) be assessed, with Five Thousand Dollars and no cents (\$5,000.00) be suspended for two years provided no further violations of NRS 706 and NAC 706 and

timely payment of the outstanding amount of One Thousand Dollars (\$1,000.00) be imposed;

3. That the Authority retains jurisdiction for correcting any errors that may have occurred in the drafting or issuance of this Order.

At a general session of the Nevada Transportation Authority held on November 19, 2020.

PRESENT: Chairman Dawn Gibbons
Commissioner George Assad
Commissioner David Newton
Deputy Commissioner Jennifer De Rose

ORDER

On September 24, 2020, a hearing on the above-captioned matter was held before Commissioner George Assad, serving in his capacity as Hearing Officer for the Nevada Transportation Authority (“Authority”) or (“NTA”). The cited party, Chris Holland of Capital Towing, (“Respondent” or “Capital Towing”) was present via Webex and was represented by his counsel Justin Townsend.

After hearing the allegations, the respective arguments, and having considered the evidence introduced by both parties and being fully advised, the Hearing Officer, pursuant to Nevada Revised Statute (“NRS”) 706.4479 prepared a proposed decision for review by the Authority.

Based on that proposed decision, the Authority makes the following Findings of Fact and Conclusions of Law, which constitute a final order affirming the decision of the Hearing Officer. Any Finding of Fact that would be better deemed a Conclusion of Law or vice versa shall be so construed. Under NRS 706.151, the Authority has legal jurisdiction and authority over this matter.

FINDINGS OF FACT

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains the legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Facts.

1. That on January 31, 2020, Jill Berntson, (“Complainant”) filed a complaint with the NTA alleging that the Respondent failed to notify her regarding an impounded vehicle within the specified time pursuant to NRS 706.4479. As a result, Respondent over charged the Complainant to release her vehicle.
2. That on February 10, 2020, Investigator Truitt (“Truitt”) completed his investigation and determined that a violation of NRS 706.4479 had occurred.
3. Truitt testified that the vehicle described as a 2004 GMC Yukon was being driven by the Complainant’s brother Jeff Atkins on the night of January 2, 2020. That Carson City Sheriff’s Department stopped Atkins and he was ultimately arrested. Incident to arrest, the vehicle was impounded by Capital Towing and transported to their yard.
4. On January 28, 2020, Complainant called Capital Towing in search of her vehicle and retrieved it the next day. The tow fees to recover the vehicle were \$1,645.00.
5. Truitt further testified that Capital Towing obtained DMV vehicle records on January 15, 2020, indicating the legal owner’s name and mailing address.
6. DMV records indicate that Complainant was the registered owner of the vehicle and that no attempt was made to contact Complainant until after the 15-day time frame set forth in NRS 706.4479.
7. Pursuant to NRS 706.4479 (1)(b) the tow operator shall make every reasonable attempt and use all resources reasonably necessary, as evidenced by written documentation, to obtain the identity of the owner within 15 days after placing the vehicle in storage.

8. The impound was conducted on January 2, 2020. Capital Towing did not contact the DMV until January 15, 2020 in which they received the vehicle information the same day.
9. Testimony established that Capital Towing waited 15 days to contact the DMV despite having the registered owners name and mailing address at the time the vehicle was impounded. NRS 706.4479 (1)(b) clearly states that the tow operator must make every reasonable attempt and use all necessary resources to identify the registered owner of the vehicle and notify them by registered mail no later than 15 days after the identification is obtained. In this case, Capital Towing obtained the vehicle's information on January 2, 2020, but the Complainant was not notified until January 29, 2020.
10. Respondent testified that they do not look at the impound sheets or obtain vehicle information other than contacting the DMV. Respondent further stated that Capital Towing did use proper procedure by following the statute and notifying DMV within the proper timeframe.
11. The State argued that the Investigative Report, State's Exhibit 1, and the testimony established a clear violation of NRS 706.4479.

CONCLUSIONS OF LAW

Based on the testimony of Investigator Truitt, the Authority concludes that Respondent violated NRS 706.4479.

DISCUSSION

Authority Staff requested that Respondent be ordered to pay restitution in the amount of \$802.00 to the Complainant for excess tow and impound charges. No fine was recommended.

The Hearing Officer, having fully considered the above-mentioned Findings of Fact and Conclusions of Law recommended to the Authority:

1. That the Respondent should have used the impound sheet or pertinent information that was readily available at the time the vehicle was towed and notified the registered owner “as soon as possible” per statute.
2. That a finding of one violation of NRS 706.4479 be entered.
3. That the restitution amount of \$802.00 recommended by the Authority Staff be adopted.

ORDER

IT IS THEREFORE ORDERED, based on the foregoing Findings of Fact and Conclusions of Law:

1. That the recommendation of the Hearing Officer with regard to the violation of NRS 706.4479 as contained in Citation 21420 is hereby AFFIRMED;
2. That \$802.00 in restitution be refunded to the Complainant, and no fine imposed.
3. That the Authority retains jurisdiction for correcting any errors that may have occurred in the drafting or issuance of this Order.

Abraham Limo Service, LLC d/b/a ALV

Request for Temporary Discontinuance
Docket 20-10036
November 19, 2020

On September 23, 2020 Brent Carson, Esquire filed a Request for Temporary Discontinuance on behalf of Crown for the period March 15, 2020 through December 28, 2020.

When brought to the attention of Mr. Carson, that the request was in excess of 180 days, he submitted revised forms, one for the first 180 days of discontinuance and a second one going for the following 180 days. Mr. Carson indicated that he is seeking retroactive approval for the entire period.

Staff is not in support of the first period as obviously the entire time has lapsed.

The second period requested also requires retroactive approval and was filed over one month late. However, it is better to file late, when aware of it, than to not file at all.

Staff has prepared an order for the second period only.

Docket # 19-01013

Motion to Extend Compliance Period

Dear Ms. De Rose,

We were scheduling meeting a week or so before Covid-19 shut everything down for a final inspection. Meeting was never scheduled and heard that we may be able to finish this process now. 90 days is what is hopefully needed to finish this process. If we can get an extension to finish that should allow us time to do our inspection. I think it was recommended 180 days due to Covid-19. If that is reasonable that would be appreciated. Looking forward to finish process ASAP.

Thank you Manuel Jimenez Jr

Based on the above, we request and additional 90 days from the date of this motion to complete the compliance requirements.

Docket 19-01013
November 19, 2020 General Session

On May 2, 2019, the application was approved granting consent only tow car authority to Manuel Jimenez, Jr. d/b/a South Lake Tahoe Towing.

On May 22, 2019, the order was signed, and the compliance period was set to expire on September 22, 2019.

On September 6, 2019, the Applicant requested and was granted a 90-day extension, and the compliance period was set to expire on December 22, 2019.

On December 4, 2019, the Applicant requested an extension based on a multitude of family issues. The request was granted for a 60 day extension at the December 18, 2019 general session. The compliance period was set to expire on February 22, 2020.

There was no further contact from the Applicant until October 9, 2020, at which time he filed a Motion to Extend the Compliance Period for an additional 90 days, or if possible, 180 days.

Staff is in support of the extension – but requests that this be the final one granted. If granted for 180 days, the expiration date will be April 9, 2021 and the total length of the compliance period will be 1 month short of two (2) years.

I would like to request a 45 days extension to compliance phase for CPCN 7408. The reason for this extension is that Registration with DMV took longer than expected because the appointments available were longer than usual.

We are almost done with compliance items but would like to get the extra 45 days if possible.

Liz,

A Serra Towing is in the Compliance Phase. We would like to request an extension of 45 days if possible.

DMV registration took longer than expected because of the appointments.

Right now the tow truck got registered and we are sending all Compliance Items to Investigator Karen Rayson.

I think that with 45 days will be enough since we have most of the items. We need to setup an appointment with Karen for the tow truck inspection.

Enclosed please find letter requesting this extension.

Please let me know if there is anything else that you need and we really appreciate if that extension can be granted. We are almost in the end of this process and really want to have it done so that the new owner can continue with this Authority.

Thank you so much for all your help in this matter.

ORDER

The Nevada Transportation Authority ("Authority") makes the following findings of fact and conclusions of law:

1. On February 4, 2019, the Enforcement Staff ("Staff") of the Nevada Transportation Authority ("Authority") issued Citation No. 21066 to Findlay Credit Acceptance LLC doing business as 911 Towing and Impound ("Respondent") for violation of Nevada Administrative Code ("NAC"), section 706.4477, for a tow without 48-hours' notice.
2. On February 22, 2019, Staff issued Citation No. 21068 for violation of NAC 706.1389 for failure to post tariff in a public location and for violation of NAC 706.2473 referencing U.S. Code of Federal Regulations ("CFR"), Title 49, section 391.25, for failure to inquire on the record of every driver once every twelve months; Citation No. 21069 for violation of NAC 706.2473 referencing 49 CFR 391.27, for failure to list all violations of motor laws for which convicted, and for another violation of NAC 706.2473 referencing 49 CFR 391.51 for failure to maintain a

driver qualifications file and allowing unauthorized driver to perform tows; Citation No. 21070 for violation of NAC 706.2473 referencing 49 CFR 391.11 for allowing driver without a medical card to drive or operate a commercial vehicle; Citation No. 21072 for violation of Nevada Revised Statutes (“NRS”), section 706.398, for failure to operate under the terms and conditions of its certificate; and Citation No. 20173 for violation of NAC 706.4275 for failure to obtain a signature within 24 hours before removal of a vehicle and for violation of NAC 706.420 for failure to submit a tow bill with all information required.

3. On March 29, 2019, Staff issued to Respondent Citation No. 21628 for violation of NAC 706.311 for failure to charge uniform rates in accord with the tariff on file and for violation of NAC 706.194 for interference with an investigation.
4. On April 23, 2019, Staff issued to Respondent Citation No. 21635 for violation of NAC 706.311 for failure to charge uniform rates in accord with the tariff on file.
5. On June 7, 2019, the Authority convened a hearing on the citations before Commissioner David Newton, Presiding Officer.
6. Appearance at the hearing was made by Louis V. Csoka, Esq., on behalf of Staff, and by Michael Batt, General Manager, on behalf of Respondent.
7. Upon commencement of hearing, before any witness was sworn, the parties announced that they had reach a settlement of all citations referenced herein. For each citation, Staff’s Investigation Report was marked as an exhibit.
8. The parties’ settlement follows:
 - a. Citation No. 21066: \$800.00 per violation (based on fourth violation in the past three years) on one violation for a total of \$800.00;

- b. Citation Nos. 21068, 21069, 21070, and 21073: \$800.00 per violation on seven violations for a total of \$5,600.00;
 - c. Citation No. 21071: Continued to July 21, 2019, and disposed of by vote of the Authority at general session on July 18, 2019;
 - d. Citation No. 21072: Withdrawn by Staff;
 - e. Citation No. 21628: \$800.00 per violation on three violations for a total of \$2,400.00 and deliver refund checks to Quality Towing, one in the amount of \$1,449.00 and the other in the amount of \$1,008.50;
 - f. Citation No. 21635: \$800.00 per violation on one violation for a total of \$800.00 and one refund check to Quality Towing in the amount of \$524.75;
 - g. The total amount of new fines as stipulated is \$9,600.00;
 - h. Citation No. 20639: The amount of \$800.00 suspended in the order on that citation is now due and owing; and
 - i. The parties agreed to defer to the Presiding Officer on setting any amount in suspension for the new stipulated fines and to determine payment options available.
9. At the hearing, after taking the settlement, the Presiding Officer announced as follows:
- a. He would propose to the Authority that it accept the agreement among the parties;
 - b. He would propose to the Authority that twenty-five percent, or \$2,400.00, of the new fines be suspended for two years on the conditions of no violations of

NRS or NAC Chapters 706 during that period and of timely payment of the amount not suspended;

- c. He would propose to the Authority that Respondent have twenty-four months to pay the portion of the new fines not suspended; and
- d. He would propose to the Authority that Staff conduct four random operational inspections of Respondent over the next two years.

10. Before the settlement could be considered for a vote by the Authority, Respondent sought relief from the amounts of the fines in the settlement. Respondent did not challenge the fact of the violations.

11. At a general session of the Authority held July 18, 2019, the Authority voted to authorize the Presiding Officer to reconsider the fines imposed by stipulation on the instant citation.

12. As a result of that vote, Presiding Officer Newton reconvened the hearing on the instant citations on September 13, 2019, for the purpose of reconsidering the fines stipulated by the parties. Appearances were made as before at the first hearing except that Andrew Scott, Compliance Enforcement Officer for the Authority, also appeared for Staff and Respondent's owner, Shawn Enayat, also appeared by telephone.

13. Presiding Officer Newton took comment and argument from all parties. Staff advised that it continued to support the fines as stipulated. The Presiding Officer announced that he would not propose modification of the settlement of the parties because he believes the terms of the settlement are in the public interest.

14. The Authority finds and concludes that the settlement of the parties and the proposed additional terms stated by the Presiding Officer are acceptable and in the public

interest and should be approved. The Authority accepts and approves the Presiding Officer's decision not to amend any term of the settlement.

BASED ON THE FOREGOING, it is ORDERED that:

1. Respondent Findlay Credit Acceptance doing business as 911 Towing, Inc., is FINED a total of \$9,600.00 for all violations referenced in this order, with the amount of \$2,400.00 suspended for two years on the condition that Respondent during that time commits no violations of NRS or NAC Chapters 706 and makes timely payment of that part of the fine not suspended;
2. Respondent may pay the portion of the fine not suspended over a period of twenty-four months;
3. Respondent shall refund forthwith to Quality Towing the amounts of \$1,449.00; \$1,008.50; and \$524.75;
4. Respondent is FINED \$800.00 for the amount of the fine suspended by order on Citation No. 20639, with that amount now due and payable;
5. Staff shall conduct on Respondent within the next two years four random operational inspections; and

PROCEDURAL ORDER

The Nevada Transportation Authority ("Authority") makes the following findings of fact and conclusions of law:

1. On September 10, 2019, the Enforcement Staff of the Nevada Transportation Authority ("Staff") issued to Findlay Credit Acceptance, LLC, doing business as 911 Towing ("Respondent") Citation Nos. 21957, 21958, and 21959, and on September 16, 2019, issued to Respondent Citation Nos. 21826 and 21827.
2. These citations are consolidated for hearing to continue on December 2, 2019. Among other things, Staff alleges that Respondent sold unlawfully at a lien sale a vehicle towed by Respondent, a 2019 GMC Yukon registered to The Hertz Corporation, a car rental company.
3. On October 27, 2019, Staff requested that Respondent produce documents relating to the vehicle allegedly sold unlawfully by Respondent, including but not limited to the identity of the purchaser of the vehicle, the total amount of the proceeds from the sale, and the date of the auction or sale.
4. Respondent objected to this request on the grounds that it is irrelevant to the issues before the Authority and beyond the jurisdiction of the Authority.

5. Staff moved for issuance of a subpoena pursuant to Nevada Administrative Code (“NAC”), section 706.936, later corrected to NAC 706.3989.
6. The Presiding Officer concludes that the Nevada Transportation Authority may compel production of information such as that requested during the pendency of a hearing under Nevada Revised Statutes (“NRS”), section 706.2875, and NAC 706.3989.
7. The Authority has jurisdiction over tow operator liens on vehicles pursuant to NRS 706.132, NRS 706.4468, NRS 706.4483, and NRS 706.4479.
8. The Presiding Officer finds that the information sought by Staff is relevant to the citations pending against Respondent concerning the alleged unlawful disposition of a vehicle by sale or auction on a lien.

BASED ON THE FOREGOING, it is ORDERED that:

1. Staff’s motion is GRANTED to the extent provided for herein;
2. Respondent Findlay Credit Acceptance, LLC, dba 911 Towing, shall produce to Staff **on or before 5:00 p.m., Tuesday, November 12, 2019**, all records sought by Staff in its request to Respondent on October 30, 2019, concerning the vehicle allegedly disposed of unlawfully; and

ORDER

The Nevada Transportation Authority ("Authority") makes the following findings of fact
and conclusions of law:

1. On September 16, 2019, the Enforcement Staff of the Nevada Transportation
Authority ("Staff") issued Citation No. 21826 to Findlay Credit Acceptance LLC,
doing business as 9-1-1 Towing ("Respondent") for violation of Nevada Revised
Statutes ("NRS"), section 706.4479, for failure to notify legal owner of lien demand
by certified mail, and Nevada Administrative Code ("NAC"), and section 706.4275,
for failure to obtain signature within twenty-four hours before removal of vehicle.
This was based on a complaint filed by Hertz Auto Rentals.
2. On September 16, 2019, Staff issued Citation No. 21827 to Respondent for violation
of NRS 706.398 for failure to comply with the terms and conditions of its certificate
of public convenience and necessity ("CPCN").

3. Citation No. 21827 was scheduled to be heard with Citation Nos. 21826 and 21915. During the hearing on Citation Nos. 21826 and 21915, however, the Presiding Officer ordered the hearing on Citation No. 21827 to be continued to a later date, and it is therefore not addressed herein.
4. On November 22, 2019, Staff issued Citation No. 21915 to Respondent for violation of NAC 706.194 for interference with inspection by Staff.
5. Respondent holds CPCN 7330 authorizing on-call consent and non-consent tow car services between points and places within the state of Nevada.
6. On October 21, 2019, the Authority convened a hearing on the citations before Commissioner David Newton, Presiding Officer.
7. Appearance at the hearing was made by Louis V. Csoka, Esq., on behalf of Staff, and by James S. Kent, Esq., on behalf of Respondent and by Sean Enayat, owner of Respondent.
8. On that date, Staff offered the testimony of Misuk Kim and, by telephone, Nicholas White, both in their capacity as employees of Hertz automobile rental agency.
9. Misuk Kim testified that she is employed by Hertz as its vehicle control manager and has held that position for five years. Among her duties, Kim researches and picks up missing Hertz rental cars in the Las Vegas metropolitan area.
10. Kim testified that on June 26, 2019, the renter advised Hertz that one of its rental vehicles in Las Vegas, Nevada, a 2018 GMC Yukon ("vehicle"), had been towed.
11. Kim testified that Hertz often, as in this matter, sends a release to the tow car carrier authorizing the renter to claim the vehicle. In this matter, she testified, the renter never appeared before Respondent to claim the vehicle. She was not aware of Hertz

having sent a release form to Respondent and suggested that it may have come from Hertz's emergency road services division.

12. On July 10, 2019, Kim was instructed by White to retrieve from Respondent the vehicle. Kim testified that she came to understand that the vehicle was towed from a private residential community for a parking violation.
13. Kim contacted Respondent by telephone on that date, but was told by Terri Drake, an employee of Respondent, that Respondent could not access the vehicle on its system and that therefore the renter had the vehicle.
14. On July 12, Kim contacted Respondent again and advised Respondent that renter denied retrieving the vehicle and was advised by Drake this time that she needed to contact Respondent's lien department because the vehicle was not in Respondent's system.
15. Kim was advised by Respondent that the only way to contact the lien department was by electronic mail. Kim promptly delivered an e-mail to the address provided for Respondent inquiring about recovery of the vehicle. She sent Respondent e-mails on July 12th, 30th, and 31st, but none was answered.
16. On July 19, 2019, not having received a response to her first e-mail, Kim contacted Respondent again by telephone but was provided no new information.
17. On July 30, 2019, Kim contacted Respondent again by telephone and was advised that a manager will call back.
18. On July 31, 2019, Kim spoke by telephone with Patrick, a manager at Respondent, who advised that the vehicle in question had been sold at auction. Kim testified this

was the first time anyone at Respondent contacted her in response to her inquiries about the GMC Yukon.

19. Kim testified that Hertz was never given notice of the lien or of the lien sale.
20. Kim estimated the value of the vehicle to be over \$60,000.00.
21. Kim testified that, until the end, she assumed there was only miscommunication between her and Respondent, not that the vehicle had been sold at auction. As a result, she was patient in working with Respondent to locate the vehicle.
22. Until advised of the sale, she proceeded on the belief that Respondent's behavior was odd but not necessarily unlawful. She keeps logs of her contacts with tow car operators but does not perform investigations of their conduct.
23. Nicholas White testified that he works for Hertz in asset recovery on impounded vehicles owned and rented by the company. He also attempted to contact Respondent to locate and claim the vehicle but with no success.
24. He testified that on June 28, 2019, the renter contacted Hertz and advised that the vehicle was towed for a parking violation.
25. He testified that he spoke with Drake of Respondent on July 10, 2019, and that she advised him of the amount required to be paid for release of the vehicle.
26. He testified that he referred the vehicle to Hertz's fleet department in Las Vegas to claim the vehicle on July 10, 2019, but that the department was advised by Respondent that the renter had claimed the vehicle.
27. White attempted to pursue the renter for the overdue vehicle but was advised by the renter that she was unable to claim the vehicle from Respondent because she was not

the registered owner. White was not familiar with any release form that had been sent to Respondent.

28. He attempted to contact Respondent again, and spoke with Drake, but she referred only to Respondent's lien department with the e-mail address provided to Kim. Like Kim, he received no response from Respondent to his e-mail inquiries. Drake claimed Patrick, a manager of Respondent, would call but he never did.
29. On July 31, 2019, after another telephone call to Respondent with no progress, White referred this matter to Hertz's legal department for recovery of the vehicle.
30. On the stipulation of the parties, the Presiding Officer ordered the hearing continued to December 2, 2019.
31. On December 2, 2019, the Authority reconvened a hearing on the citations, again before Commissioner Newton, Presiding Officer, with appearances by the same counsel and Mr. Enayat.
32. On that date, Scott Hawkins, Compliance Enforcement Officer for the Authority, testified on behalf of Staff, and Mike Batt, general manager of Respondent, and Mr. Enayat on behalf of Respondent.
33. On that date, Staff offered into evidence its investigative report, designated State's Exhibit 1, and a first and second supplement to its report, designated State's Exhibits 2 and 3, respectively. Respondent offered an electronic mail message dated November 28, 2019, with a record attached concerning the tow of the vehicle that is subject of the citations herein, designated Respondent's Exhibit 1. All exhibits were admitted.

34. Officer Hawkins testified that Hertz filed with the Authority on or about August 9, 2019, a complaint against Respondent, and he was assigned to investigate that complaint.
35. Officer Hawkins investigated the complaint and interviewed Kim and White and others at Hertz and managers of Respondent, including its general manager, Michael Batt, and reviewed Respondent's records pertinent to the citations.
36. Officer Hawkins testified that his investigation showed that Respondent failed to obtain a signature for the tow of the Hertz vehicle within twenty-four hours before the tow. The private property request form for the tow of this vehicle showed a signature date of June 19, 2019, but no tow until June 27, 2019. Officer Hawkins testified that his investigation further showed the Respondent failed to timely notify Hertz by certified mail of the lien demand. As a result, he issued to Respondent Citation No. 21826.
37. Additional investigation on the authenticity of the signature on the private property tow request revealed that the signature was that of Jonas Hernandez, manager of The Residence at Canyon Gate, the location of the tow, but that the signature block was of Tracy Blackwell, a manager at The Residence. State's Exhibit 3, Supplemental Report (2), Attachment C (private property impound release form).
38. Hernandez advised Officer Hawkins that the signature was his but could have been copied onto the document and that the date and time written was not his penmanship. Hernandez advised that he had not to date personally signed a private property tow request in all of 2019. Blackwell advised officer Hawkins that the date and time was not his penmanship.

39. Officer Hawkins testified that in general his investigation confirmed Hertz's recounting of events and that Respondent was uncooperative in returning the vehicle before it was sent to auction. See generally State's Exh. 1 (Complaint Investigation Report, outlining in detail the communications regarding this vehicle).
40. Officer Hawkins testified that Respondent refused to provide the identity of the purchaser of the vehicle at auction. Officer Hawkins testified that Staff was required to resort to legal process through the Presiding Officer to obtain an order compelling production of the information. As a result, Officer Hawkins issued to Respondent Citation No. 21915.
41. Officer Hawkins testified that, even if the tow was valid, Respondent had the vehicle auctioned in violation of law because Respondent failed to provide to Hertz notice of the lien sale in a manner consistent with law.
42. Michael Batt testified on behalf of Respondent. He is general manager of Respondent.
43. Batt testified Respondents' records show the Hertz vehicle in question was first marked for tow on June 16, 2019, but that the parking violation was corrected and no tow performed as a result. Batt testified the vehicle was towed June 28, 2019, for a parking violation at a private residential community. Staff's report shows it was towed on June 27, 2019, at 5:23 a.m. from The Residence at Canyon Gate, 2200 South Fort Apache Road, Las Vegas, Nevada. State's Exhibit 1.
44. Batt admitted that Respondent did not obtain within twenty-four hours of the tow a signed written request from the owner of the private property to tow the vehicle, as required by NAC 706.4275. Batt testified, however, that it received a verbal request

from the private property owner and that the request was timely logged into Omadi, Respondent's electronic system for tracking tows.

45. Batt testified that Hertz had notice of the tow as early as June 28, 2019, the day after the tow because on that date Hertz sent Respondent a form authorizing release of the vehicle to the renter. Staff's Exh. 1, Att. I.
46. Batt denied that Respondent was uncooperative with Hertz in returning the vehicle.
47. Batt explained that it was informed the renter would pay to release the vehicle, and the renter appeared but was unable to afford the payment.
48. Batt testified Hertz then advised on July 8, 2019, that it would send a vendor to retrieve the vehicle on July 10, 2019. That vendor did not arrive until July 12, 2019, however, and was unable to remove that vehicle along with another for Hertz.
49. Batt testified that on July 22, 2019, Respondent delivered to Hertz a letter notifying Hertz of a lien sale of the vehicle. State's Exh. 1, Att. K. This letter was dated July 2, 2019, but was not delivered until July 22, 2019, according to Batt, because of miscommunication with Hertz in the meantime about retrieving the vehicle.
50. Batt admitted that this letter was not delivered by certified mail and testified that Respondent obtained Hertz's mailing address from a database named Auto Data Direct. He testified that his research on the letter shows that it is still in transit and never delivered to Hertz or returned to Respondent.
51. The vehicle was sold at auction on July 29, 2019. Batt testified that he was not certain of the identity of the person who purchased the vehicle at auction. Staff's investigation shows that as of November 4, 2019, the title of the vehicle has not been

transferred and continues to show Hertz as the owner. State's Exh. 2, Supplemental Report (1).

52. Batt testified Hertz did not communicate again with Respondent about the vehicle until July 30 or August 1, 2019. Batt explained that he does not check his electronic mail account for Respondent unless he expects a message.
53. Sean Enayat testified on behalf of Respondent. He is the owner of Respondent. He generally confirmed the testimony of Batt.
54. Enayat testified that Respondent did in fact obtain a signed request from the private property owner to tow the vehicle, although he admitted that the request was not signed within twenty-four hours of the tow as required by NAC 706.4275. State's Exhibit 3, Supplemental Report (2), Attachment C.
55. Enayat complained that Hertz has not had consistent addresses for notice of its towed vehicles and that its address for notice depends upon the vehicle itself.
56. Enayat explained that Respondent delayed sending the notice of lien to Hertz until July 22, 2019, because Hertz first said the renter was going to retrieve the vehicle, then said a vendor would retrieve the vehicle, and then failed to return his call or communicate with Respondent after that. He was uncertain why Hertz would fail to retrieve the GMC Yukon when it knew of the tow by Respondent and had timely retrieved other vehicles towed by Respondent.
57. As a result, Enayat testified, he decided on behalf of Respondent to send the vehicle to auction for sale. Enayat explained that he must be sure to promptly remove unclaimed vehicles from his lot in order to ensure there is space for vehicles as they arrive.

58. Enayat testified that he had Respondent refuse to disclose the identity of the purchaser of the vehicle because he was concerned about potential legal liability for disclosure. He did not specify the nature of the legal liability he had in mind. He testified the vehicle was purchased by someone in Canada he knew indirectly for approximately \$6,900.00 plus fees.
59. Enayat testified that, in his view, the tow and auction sale were entirely lawful except for the failure to have the private property owner sign the request for tow within twenty-four hours of the tow, in violation of NAC 706.4275, and for failure to serve the fifteen-day notice of lien demand on Hertz by certified mail, in violation of NRS 706.4479 and NRS 108.272.
60. In rebuttal, Staff contended that there is no evidence to confirm many of the contentions of Batt and Enayat. For example, there is no evidence confirming that the renter appeared at Respondent's office to retrieve the vehicle or that Respondent attempted to communicate with Hertz in response to documented inquiries by Hertz on retrieving the vehicle. Staff admits that Hertz appears to have had knowledge of the tow since at least June 28, 2019, but asserts that informal knowledge does not comply with the applicable legal requirements of notice.
61. The Authority finds that the undisputed evidence shows that Respondent violated NAC 706.4275 by failing to obtain the signature of the owner of The Residence within twenty-four hours of the tow. Because the tow was invalid, the sale of the vehicle at auction was also necessarily invalid.
62. Even if the tow authorization were somehow deemed valid, the Authority finds that the undisputed evidence shows that Respondent violated NRS 706.4479 by failing to

provide written notice by certified mail of its lien demand to Hertz within fifteen days after placing the vehicle in storage.

63. The Authority finds that, overall, the record shows that Respondent was evasive and uncooperative with Hertz in assisting in retrieval of its vehicle.
64. The Authority rejects Respondent's contention that actual notice of the tow as early as June 28, 2019, was sufficient under NAC 706.4275 and NRS 706.4479. Those provisions are very specific in their notice requirements for the purpose of preventing circumstances such as those in these citations—unlawful tows and unlawful lien sales. Respondent's violations and other misconduct herein gave rise to the confusion regarding the tow and storage of the Hertz vehicle and led directly to its unlawful tow and sale at auction.
65. The Authority finds that the record on Citation No. 21826, for violation of NAC 706.4275, supports a fine of \$10,000.00
66. The Authority finds that the record on Citation No. 21826, for violation of NRS 706.4479, supports a fine of \$5,000.00.
67. Respondent shall return the vehicle to Hertz forthwith in good condition pursuant to NRS 706.4483. If Respondent cannot return the vehicle to Hertz, Respondent must pursuant to NRS 706.4483 reimburse Hertz forthwith for the reasonable value of the vehicle, which the Authority finds the record to support as being \$60,000.00.
68. The Authority finds that the identity of the purchaser of the vehicle at auction is relevant for the purpose of evaluating Respondent's actions and intentions that led to the tow and sale of the vehicle at auction and sorting through the various claims and

contentions made by the parties regarding their actions and communications that led to the tow and sale.

69. The fact that this vehicle, valued at over \$60,000.00, was sold at auction on July 31, 2019, for approximately \$6,900.00 to an acquaintance of the owner Enayat, raises concerns about the credibility of Respondent and its witnesses. Staff's investigation shows that as of November 4, 2019, title on the vehicle had not yet transferred from Hertz.
70. The Authority concludes nonetheless that Respondent in this instance did not violate NAC 706.194 because it asserted through counsel a non-frivolous, though ultimately erroneous, objection that the identity of the purchaser was not relevant to the instant citations. The Authority does not seek to hamper valid advocacy in its proceedings.
71. The Authority orders dismissal of Citation No. 21915.

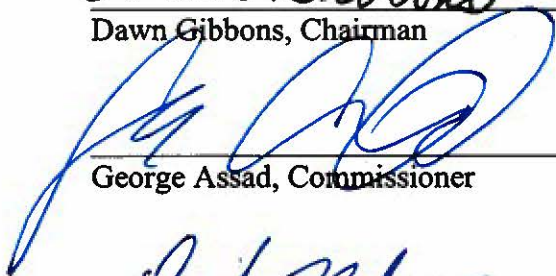

BASED ON THE FOREGOING, it is ORDERED that:

1. For violation of NAC 706.4275, Respondent Findlay Credit Acceptance, LLC, doing business as 9-1-1 Towing and Impound is FINED \$10,000.00;
2. For violation of NRS 706.4479, Respondent is FINED \$5,000.00;
3. Respondent shall, within 30 days of the date of this Order, return to Hertz in good condition the 2018 GMC Yukon and, if Respondent is unable to do so, reimburse Hertz \$60,000.00 for the loss of the vehicle;
4. Respondent shall provide proof of compliance with the return or reimbursement to the Authority within 30 days of this Order;
5. The amount held in abeyance in Citation 19527 (\$400) is hereby ordered due and owing;

6. Citation No. 21915 is DISMISSED; and
7. The Authority retains jurisdiction for correcting any errors that may have occurred in the drafting or issuance of this Order.

**INDEMNIFICATION AND STANDARDS AGREEMENT SUPPLEMENT
TO
INSURANCE COMPANY DESIGNATED VEHICLE STORAGE LOT
APPROVAL REQUEST**

[PLEASE NOTE: This "Indemnification and Standards Agreement" is a supplement to the request filed with the Nevada Transportation Authority (NTA) to designate a Salvage Pool (licensed and complying with NRS 487.400 through 487.510) as a "Storage Lot" under NRS 706.4489 and is required under NRS 706.4489(4) and (5)(b) for approval of this designation by the NTA. It combines with a "Master Acceptance" of this specific form and content of the Indemnification Agreement and Standards signed by the participating law enforcement agencies in Clark County and when signed by the "Storage Lot," completes the agreement to indemnify and abide by the standards it sets forth for any of these law enforcement agencies which directs vehicles to the Salvage Pool as the designated Storage Lot for the insurance company insuring the vehicle as approved by the NTA. This agreement only needs to be submitted once to NTA for each designated Salvage Pool to be approved and will be linked to each designation by an insurance company for it to be a "Storage Lot."]

This INDEMNIFICATION AND STANDARDS AGREEMENT is hereby executed and made effective this **5th** day of October, 2020 by the Salvage Pool requested to be designated as a "Storage Lot" (hereinafter "STORAGE LOT") under NRS 706.4489 as signed and described below to defend, indemnify, and hold harmless any "Law Enforcement Agency" in Clark County, its officers, employees, agents and representatives from any liability, damages, losses, claims, actions or proceedings relating to the towing of a vehicle and to the storing of the vehicle at this vehicle storage lot, and to agree to standards established under NRS 706.4489(5)(b) by Law Enforcement Agencies in Clark County as attached hereto in Attachment 1.

For purposes of this Agreement, the Clark County Law Enforcement Agencies indemnified are generally the Las Vegas Metropolitan Police Department (a metropolitan police department organized under NRS Chapter 280 covering the jurisdictions of Clark County and City of Las Vegas) (LVMPD), the Nevada Highway

Patrol of the State of Nevada, and the Police Departments of North Las Vegas, Henderson, Boulder City and Mesquite, and specifically 1) any law enforcement agency inside Clark County which has directed a vehicle to this "Storage Lot" under NRS 706.4489; and 2) are signers of a Master Acceptance on file with the NTA accepting and approving this Agreement with this specific format, content and provisions in this exact form and language. The term "Law Enforcement Agency" used in this document covers each or all of these above-named agencies.

NOW THEREFORE, in conjunction with the Law Enforcement Agency's acceptance of this Indemnification and Standards Agreement as indicated by the execution and signature on the Master Acceptance Agreement, the STORAGE LOT named and described below hereby commits and agrees to the provisions and attached standards below with respect to any vehicle directed by a Law Enforcement Agency in Clark County to its facility.

1. Indemnification. Pursuant to NRS 706.4489(4), the STORAGE LOT shall defend and indemnify, and hold harmless the Clark County Law Enforcement Agency, which directs vehicles to it, from any and all alleged or actual claims, demands, causes of actions, liability, loss, damage and/or injury (to property or person, including without limitation wrongful death), whether brought by an individual or other entity, or imposed by a court of law or by administrative action of any federal, state or local governmental body or agency arising out of or incident to any acts, omissions, negligence, or willful misconduct by the Clark County Law Enforcement Agency, its representatives, officers, employees, agents, or volunteers, in connection with or arising out of the towing of a vehicle and to the storing of the vehicle at the vehicle STORAGE LOT. This indemnification applies to and includes, without limitations, the payment of all penalties, fines, judgments, settlements, awards, decrees, attorney fees and related costs and expenses. The term "agent" as used therein shall not extend to indemnification and hold harmless rights conferred hereunder to any tow car company for its work after dispatched to the scene of an accident, its work at the scene of an accident, nor its work in the delivery of a vehicle to the storage lot. In addition, to the extent that any damage or claim is covered by indemnification from a towing provider or other storage lots under a separate agreement with LVMPD, this requirement for the STORAGE LOT to indemnify will not apply.

2. Compliance with Standards Established Pursuant to NRS 706.4489(5)(b). The STORAGE LOT hereby agrees to comply with the standards attached hereto as Attachment 1 established by the Law Enforcement Agencies in Clark County under NRS 706.4489(5)(b) with respect to any vehicle directed to the STORAGE LOT by the Law Enforcement Agency.

3. Governing Law. This Agreement shall be interpreted under the laws of the State of Nevada, including but not limited to Chapters 706 of the Nevada Revised Statutes.

4. Entire Agreement. This Agreement is made pursuant to NRS Chapter 706 and supersedes any prior understandings or agreements, whether written or oral, between the parties hereto in regard to the subject matter hereof, and contains the entire agreement between the parties in regard to the subject matter thereof. This Agreement may not be charged or modified orally, but only by an agreement, in writing by all of the parties hereto.

5. Savings Clause. Should any part or provision of this Agreement be rendered or declared invalid by reason of any state or federal law, or by decree of a court of competent jurisdiction, the invalidation of such part or provision of this Agreement shall not invalidate the remaining parts of provisions hereof, and the remaining parts and provisions of this Agreement shall remain in full force and effect.

6. Assignment of Rights. The rights conferred to a party under this Agreement are personal to that party and may not be assigned or transferred to any other person, firm, corporation, or other entity without prior, expressed, and written consent of the granting party.

7. Authority to enter agreement. The parties warrant that the individuals who have signed the agreement have the legal power, right and authority to make this agreement and bind the parties.

Re: Request to deviate from NAC 706.3758

To Whom It May Concern;

Pursuant to NAC 706.1305, Elko Taxi Service, Inc. would like to request deviation from NAC 706.3758: Inspection and seal: Enforcement (NRS 706.171).

We have been using dispatch software from iCabbi for the last several years, we would now like to further utilize technology available from iCabbi by using their soft-meter on our tablets.

This is the same basic technology previously approved, by the Authority, for use by Reno - Sparks Cab Co. (See **Docket Number 17-10027**). We have done extensive testing of the soft-meter side by side with our existing Centrodyne S700 taximeters and have found them to extremely reliable and accurate as well as providing greater detail of applicable charges in plain view of the customer.

We have also included documentation from iCabbi regarding the operational and security features of the soft meter.

Thank you,

Driven by AWS iCabbi has 99.996% uptime, 97% customer retention and 70% booking automation rates.

As of Dec 2019 iCabbi has also made a number of acquisitions here in North America, South America and the UK. The latest acquisition sees "Mobile Knowledge" join the iCabbi family and are now fully submerged with the iCabbi USA North American division. More info on our full range of product offerings can be found on our website and YouTube. The following "Taxi 360" illustration provides a view of the products services available to iCabbi as of July 2020.

The iCabbi Soft Meter

Fleets using the iCabbi platform have the opportunity to reduce large overheads across all areas of their operation. From call center operations, to in-vehicle tech, taxi companies now have the opportunity to modernize their fleet and all technical aspects that go along with it.

The most attractive and cost saving feature of the iCabbi platform is its soft meter option where drivers and taxi companies no longer need to pay for expensive taxi meters to kit out their vehicles, and instead simply use their own Phone or Android Tablet to accept dispatched trips and calculate the fare based on the distance/time calculated on the device. Approx 95% of fleets using the iCabbi platform are operating with the soft meter.

In summary when the driver accepts a dispatch trip, or when the driver picks up a new hail, a new trip is started by tapping the "Hired" or "Accept" button (if it's a dispatched trip). When the driver makes this action, the soft meter is displayed on screen and will show the fare information as shown in the below graphic. The iCabbi soft meter has a "floating" meter meaning that even if the driver is using a navigation application at the same time, the Total Fare amount is continuously shown on screen to the passenger and cannot be hidden by the driver.

Key Facts

1. **Tariff Access In-Vehicle:** Drivers are unable to access tariffs because the management of these tariff rates are not hard programmed into the tablet or the iCabbi driver application. The iCabbi driver app that resides on the driver's phone or Tablet requires a constant internet connection. The driver is constantly pinging iCabbi dispatch to relay the driver's coordinates and provide the current availability status. If the driver is in the "available" status, and dispatch have a new order, the driver will receive a new job offer. When the driver accepts the trip offer, the tariff rate is downloaded to the tablet with the new order and this is how the meter calculates the rate (Distance Traveled X rate per mile/KM (as downloaded with the trip) + Waiting Time price (as downloaded with the trip) = Total Fare.
2. **Mobile Device Management Software:** Drivers are not able to reverse engineer, "break a seal" or perform any other illegal activity with the device because the device is protected by a "mobile device management" software (MDM) which is installed on the device by the taxi company. The MDM application effectively reduces all functionality one would expect on a phone or tablet. More specifically, the MDM application locks the user out of doing anything on the device except for using the apps the taxi company has specified the driver is allowed to use (E.g iCabbi Driver App and Google Maps). Access and ability to do anything else on the tablet is removed. In effect this means that the driver cannot possibly access the rate per mile to be charged on the iCabbi soft meter when the trip is downloaded without having direct access to the tablet, and reverse engineer the iCabbi driver app for this given moment. Furthermore, it also completely removes any risk of the driver installing GPS manipulation software because this access is completely removed. The MDM software is a centrally controlled application and controls all tablets connected to it which is done by enrolling the IMEI of the device ahead of programming it. The Taxi Company will know all IMEI devices ahead of the install process to program the devices, and the MDM software also has the ability to "brick" the device should one be stolen or lost.
3. **Security:** iCabbi has an additional security measure at its dispatch core level where it continuously monitors GPS activity. If a device is not managed with an MDM application, or it has been breached and is reporting back questionable GPS data (such as a GPS manipulating app) the driver is immediately logged out of the app and an internal report is triggered to the fleet management. Additionally, any device that does not have a working GPS cannot calculate a rate on the soft meter.

20-10002 Petition for Reconsideration from Gilbert Wainwright regarding Citation 21289.

Summary:

- Citation 21289 was issued to Gilbert Wainwright 04/19/2019 by Investigator Yambor for violations of NRS706.386. Citation 21290 was issued to Gilbert Wainwright 04/19/2019 by Investigator Yambor for violations of NRS706A.280. The hearing date on both citations indicated 05/08/2019 at 2:00PM. The respondent failed to appear to the 05/08/2019 hearing and the matter was rescheduled to 06/12/2019. The respondent failed to appear the 06/12/2019 hearing.
- Gilbert Wainwright was fined \$2,500 pursuant to the conditions set forth in the Order of the Authority approved at the 07/18/2019 General Session Meeting. There was no fine or disqualification imposed for Citation 21290 and the respondent is disqualified from driving for a Transportation Network Company (TNC). The order and corresponding debt letter were sent on 07/26/2019.
- On 09/03/2019 a final debt letter to remit payment for the fines was sent to Gilbert Wainwright.
- On 03/10/2020 the account was processed for debt collection action which resulted in the DMV Driver's License suspension and the Citation account submission to the State Controller's Office Debt Collection Unit (SCO) in the principal amount of \$2,500.
- On 08/17/2020 Management Analyst 2 Hope DiBartolomeo received a telephone inquiry from Gilbert Wainwright regarding the DMV Suspension and outstanding debt. Gilbert Wainwright was provided information regarding the PFR process and SCO contact information for payment plan options and follow-up via email was sent. The information was provided a second time on 09/14/2020.
- On 09/01/2020 the SCO informed Management Analyst staff they have confirmed a payment arrangement of \$50 per month and that an initial payment had been received. The DMV Suspension release was processed per this confirmation.
- The information regarding the PFR was provided a second time on 09/14/2020.
- On 09/23/2020 PFR 20-10002 was filed. Gilbert Wainwright requested the filing fee be waived and provided additional clarification on his PFR request. The waiver was approved by the Deputy Commissioner and the PFR Docket was set on the November GSM.
- The above Management Analyst Review was completed 11/03/2020 by Hope DiBartolomeo.

As the debt for Citation 21289-90 resides currently with State Controller's Office Debt Collection Unit, if any adjustment is made to this account it is requested that the account remain in SCO possession until paid in full.

NOTE: Any decision to pull the debt back from the State Controller's Office (SCO) will result in the NTA being liable for associated fees for accounts in principal amount of \$300 or less. Once a payment plan has been established with SCO, the respondent debtor will be liable for fees (and interests where applicable) associated with the original principal balance.

Subject: NTA Citation 21289-90 Available Remedy Options
Importance: High

Good afternoon Mr. Wainwright,

My apologies for the phone quality this afternoon. Per our conversation, you have the following options available to you to remedy your citation:

In order for the NTA to release the suspension from your driver's license, we will need confirmation of a payment in full or payment plan arrangement with first installment from the State Controller's Office Debt Collection (SCO) unit. You may contact them directly at 775-684-5783. If you receive the voicemail please leave your information for callback as they may have staff working remotely who will return your call. Once the NTA receives the SCO confirmation of receiving an initial payment from you, we will be able to send confirmation of our release to DMV. Please make sure you maintain timely payments moving forward to avoid resuspension of the license.

Concurrently, if you would like to seek reconsideration of the fine amount and/or order issued by the NTA, you are able to do so via filing a Petition for Reconsideration form. This affords you the ability to be heard for reconsideration before the Authority Commission. This process has an associated filing fee of \$50. If this is something you would like to consider, you may return the completed form with payment of \$50 filing fee to either of our office locations (listed below). If the filing and fee is received on or before August 20, 2020 (filing deadline), the reconsideration can be scheduled for the next scheduled General Session Meeting which is tentatively scheduled for September 17, 2020. A copy of this form is attached for convenience and is also available on our website:

20-10003 Petition for Reconsideration (PFR) Debt Summary Review

20-10003 Petition for Reconsideration from Endale Getachew regarding Citation 22089-90.

Summary:

- Citation 20089 was issued to Endale Getachew 01/29/2020 by Investigator Yambor for violations of NRS706.386. Citation 22090 was issued to Endale Getachew 01/29/2020 by Investigator Yambor for violations of NRS706A.280. The hearing date on both citations indicated 02/19/2020 at 2:00PM. Endale Getachew was present at the hearing without counsel.
- Endale Getachew was fined \$2,500 with \$2,250 suspended pursuant to the conditions set forth in the Order of the Authority approved at the 02/28/2020 General Session Meeting. There was no fine or disqualification imposed for Citation 22090. The order and corresponding debt letter were sent on 03/09/2020.
- On 03/12/2020 NTA received the signed certified mail receipt confirming delivery of Order and Debt Letter.
- On 05/13/2020 a final debt letter to remit payment for the fines was sent to Endale Getachew.
- On 05/18/2020 Endale Getachew requested a payment plan via telephone and was approved for terms of \$50 due on or before 16th JUN2020-OCT2020. An initial payment was received on 06/16/2020.
- On 07/31/2020 a final courtesy call was made, and a voicemail was left for Endale Getachew to bring account to current status on or before 08/05/2020.
- On 08/06/2020 Endale Getachew left a voicemail regarding payment requesting callback. A return call was attempted but the voicemail was full and unable for Hope DiBartolomeo to leave a message. A final call attempt was made 08/11/2020. On 08/11/2020 a phone conversation was held and email revisiting payment arrangement terms was sent to Mr. Getachew requesting he bring his account to current status on or before 08/15/2020. Per the phone conversation, Mr. Getachew indicated he would be mailing a money order as he was in Arizona.
- On 09/11/2020 the account was processed for debt collection action for failure to maintain timely payments which resulted in the abeyance amount of \$2,250 triggered due, the DMV Driver's License suspended, and the Citation account submission to the State Controller's Office Debt Collection Unit (SCO) for collection action in the principal amount of \$2,450.
- On 09/28/2020 Management Analyst 2 Hope DiBartolomeo received a telephone call from Mr. Getachew indicating he has received a letter from the DMV. He was provided explanation of the status of his past due account to which he indicated he sent a \$100 money order payment. Hope DiBartolomeo was not able to confirm receipt of said payment. Mr. Getachew was provided information regarding the PFR process and SCO contact information for payment plan options and follow-up via email was sent.
- On 10/02/2020 PFR 20-10003 was filed with a money order receipt in the amount of \$100. The PFR Docket was set on the next available GSM.
- On 10/07/2020 the SCO informed Management Analyst staff they have confirmed a payment arrangement of \$25 per month and that an initial payment had been received. The DMV Suspension release was processed the same day.
- The above Management Analyst Review was completed 11/04/2020 by Hope DiBartolomeo.

As the debt for Citation 22089 resides currently with State Controller's Office Debt Collection Unit, if any adjustment is made to this account it is requested that the account remain in SCO possession until paid in full.

NOTE: Any decision to pull the debt back from the State Controller's Office (SCO) will result in the NTA being liable for associated fees for accounts in principal amount of \$300 or less. Once a payment plan has been established with SCO, the respondent debtor will be liable for fees (and interests where applicable) associated with the original principal balance.

At a general session of the Nevada Transportation
Authority held on February 28, 2020.

PRESENT: Chairman Dawn Gibbons
Commissioner George Assad
Commissioner David Newton
Deputy Commissioner Jennifer DeRose

ORDER

On January 30, 2020, a hearing on the above-captioned matters was held before Commissioner David Newton serving in his capacity as Hearing Officer for the Nevada Transportation Authority ("Authority"). The Respondent to Citations 22089 and 22090 and registered owner of the impounded vehicle, Endale Getachew, was present and elected to proceed without counsel.

After hearing the allegations, the respective arguments, and having considered the evidence introduced by both parties and being fully advised, the Hearing Officer, pursuant to Nevada Administrative Code ("NAC") 706.4015, prepared a proposed decision for review by the Authority. Based on that proposed decision, the Authority enters the following final order affirming the decision of the Hearing Officer. Under Nevada Revised Statutes ("NRS") 706.151, the Authority has legal jurisdiction and authority over this matter.

At hearing, the parties knowingly and voluntarily stipulated and agreed as follows:

1. To the admission of Citations 22089 and 22090, the Investigation Report for the Citations and related impound into evidence (identified as State's Exhibit 1 and incorporated herein by reference) and that the facts as set forth therein were true and accurate;

2. That Endale Getachew is the registered owner of the impounded vehicle in this matter and was present at the hearing regarding said vehicle;
3. That the use of the vehicle in intrastate commerce without a certificate of public convenience and necessity ("CPCN") violated NRS 706.476 (2)(b)(2) and NRS 706.2(b)(3) in that:
 1. No CPCN had been issued authorizing the use of the impounded vehicle in intrastate commerce for passenger transportation; and
 2. The impounded vehicle did not meet the required standards of the Authority;
4. That no CPCN had been issued by the Authority authorizing the operations undertaken by the Respondent in this matter;
5. That the Respondent's actions constituted one violation of NRS 706.386 and one violation of NRS 706A.280 as alleged and that the impoundment of the vehicle pursuant to NRS 706.476 was proper;
6. To waive the requirement that the Authority's final order contain formal Findings of Fact and Conclusions of Law as required under NRS 233B.125 (waiver entered as Exhibit 2).

Authority Staff recommended the following fines and remedies:

1. That fine in the amount of \$250.00 be assessed for the impoundment of the vehicle in this matter;
2. That a fine be assessed in the amount of \$2,500.00 for the NRS 706.386 violation with \$2,250.00 of said fine amount suspended pending no further violations of NRS 706 within one year and timely payment of the fine amount;
3. That no fine be imposed for the NRS 706A.280 violation; and
4. That the Respondent shall be disqualified from driving under a TNC application.

///

As a basis for the recommended fines and remedies, Authority Staff states Respondent has driven for several years as a taxicab driver.

DISCUSSION

The Hearing Officer recommended to the Authority:

1. That the stipulations and agreements of the parties as set forth hereinabove be accepted;
2. That the impoundment of the vehicle be deemed proper under NRS 706.476;
3. That findings enter against the Respondent for one violation of NRS 706.386, relating to operating as a fully regulated carrier without authority and for one violation of NRS 706A.280, relating to providing passenger transportation services outside the TNC application; and
4. That Respondent will not be disqualified from driving for a TNC.

ORDER

IT IS THEREFORE ORDERED, based on the foregoing:

1. That the recommendation of the Hearing Officer with regard to the impoundment of the vehicle pursuant to NRS 706.476 is hereby AFFIRMED;
2. That the recommendation of the Hearing Officer for Administrative Citations and Verified Complaint 22089 and 22090, issued to Endale Getachew for violations of NRS 706.386 and NRS 706A.280, is hereby AFFIRMED;
3. That a fine in the amount of Two Hundred and Fifty Dollars and Zero Cents (\$250.00) shall be assessed for the impoundment of the vehicle in this matter;
4. That the *total* fine for Citation 22089 shall be in the amount of Two Thousand Five Hundred Dollars and Zero Cents (\$2,500.00), with Two Thousand Two Hundred Fifty Dollars and Zero Cents (\$2,250.00) of said fine amount to be suspended pending no further NRS 706 or NAC 706 violations within one year and timely payment of the fine amount;

5. That *no fine* or disqualification be imposed for Citation 22090 for the NRS 706A.280 violation;
6. That the Respondent is to immediately **CEASE AND DESIST** any and all use of the impounded vehicle in violation of the provisions of NRS 706;
7. That the Respondent is to immediately **CEASE AND DESIST** any and all operation in violation of NRS 706.386; and

Importance: High

Good morning Mr. Getachew,

Per our conversation this morning, your debt in the total amount of \$2,450 was sent to State Controller's Office Collection Unit and your driver's license was suspended due to your failure to make pay timely on the citation fine payment arrangement. You indicated you sent a \$100 money order however I am unable to confirm the NTA has actually received this mailed payment. The following options are available for you to remedy your fine.

You may contact the State Controller's Office Debt Collection (SCO) to secure a payment plan by calling 775-684-5783 or via their email at dcemail@controller.state.nv.us. If you should reach their voicemail please do leave a message for you return call. Once you are able to secure an arrangement **and** make initial payment with the SCO, they will notify the NTA and we will be able to send confirmation of our release to DMV. Please let me know once you have completed this portion.

If you would like to seek reconsideration of the fine amount and/or order issued by the NTA, you are able to do so via filing a Petition for Reconsideration form. This affords you the ability to be heard for reconsideration before the Authority Commission. This process has an associated filing fee of \$50. If this is something you would like to consider, you may return the completed form with payment of \$50 filing fee to either of our office locations (listed below). If the filing and fee is received on or before October 22, 2020 (filing deadline), the reconsideration can be scheduled for the General Session Meeting which is tentatively scheduled for November 19, 2020. A copy of this form is attached for convenience and is also available on our website:

My Ride To Work, LLC
Docket 19-11021
Expansion of Authority
November 19, 2020 General Session

Carrier History:

On May 7, 2019, Permit MV 6154, Sub 1 was issued to My Ride To Work, LLC with authority to provide passenger transportation services pursuant to contracts with Intellisource, LLC, Tesla Motors, Inc., Panasonic Energy of North America, and Radial.

Application Summary:

My Ride To Work, LLC (“MRTW”) filed an Application on November 22, 2019 for an expansion of authority granted under Contract Carrier Permit MV 6154, Sub 1, (**Attachment A**). The carrier seeks to add a contract with the Reno Tahoe Airport Authority. Said Application was designated as Docket 19-11021.

The applicant concurrently filed a Petition seeking Interim Operating Authority of the expanded contract services.

The Application and the Petition for Interim Authority were properly noticed to the public and there were no Petitions for Leave to Intervene (“PLTI”) or protests filed.

On November 22, 2019, Chairwoman Dawn Gibbons, serving in her capacity as the Hearing Officer in this matter, granted the request for Interim Authority.

Staff Discussion:

This Application was filed to add a contract with the Reno Tahoe Airport Authority. Additionally, the fleet for contract carriers is not restricted to a set number or type of vehicles. They may operate their fleet as required to service their contract(s) pursuant to NAC 706.274 as long as they have at least one dedicated vehicle per contract.

Summary:

Staff supports this expansion application operationally and financially and respectfully requests that the Application Hearing be dispensed per NRS 706.431(3) for the reasons stated below:

- 1) Staff performed a background investigation with no concerns noted, (**Attachment B**).
- 2) Market – Staff performed a review of the Applicant’s proposed contract, (**Attachment C**), and found that it meets the requirements pursuant to NAC 706.276.
- 3) Pro-Forma Balance Sheet (“PFBS”) and Capital Infusion – The PFBS submitted was the MRTW’s June 30, 2020 Balance Sheet. The PFBS shows 48.2% equity and a current ratio of 9.1 to 1. No capital infusion will be required. (**Attachment D**).
- 4) Pro-Forma Income Statement (“PFIS”) – Because the contract with the Reno Tahoe Airport Authority is seasonal in nature, a PFIS was not presented. The revenue reported on MRTW’s 2019 annual report reflects revenues of \$51,507.50 derived from the contract. This represents .55% of MRTW’s total revenue generated for 2019. Estimating marginal costs for Drivers

wages and fuel would result in a Net Income of approximately \$41,375.00 using the same percentage of .55% to allocate those costs as reported on the 2019 annual report.

- B. Investigator's Background Report, without exhibits
- C. Contract with the Reno Tahoe Airport Authority – **Redacted for the Public Binder**

- On December 13, 2019 Airline and LV Limos filed for the sale and transfer of assets to LVL, LLC (Dockets 19-12021 and 19-12024).

- On January 28, 2020 Airline and LV Limos requested and was granted an extension of temporary discontinuance through August 31, 2020.
- On August 21, 2020 Airline and LV Limos requested and were granted a second extension of temporary discontinuance through February 28, 2021.
- On August 19, 2020 an amended interim order was issued for the temporary transfer of operating rights to LVL, LLC to include compliance items and lifting the temporary discontinuances under Dockets 19-08001 and 19-08002 upon the issuances of the transferred CPCNs.

It is Authority policy that a carrier must resume operations prior to the temporary transfer of operating rights or a sale and transfer. However, due to the nature of the failed sale and transfer in January 2019 and the time period to get to the final approvals of the temporary transfers and sale and transfers, and the slowdown of the economy during the pandemic, they were granted interim authority to lift the temporary discontinuances without resuming operations.

As of the date of this writing (November 12, 2020) the compliances for the temporary transfer have been met for LVL, LLC and the CPCN can be issued prior to the November 19, 2020 general session. The compliances for the temporary transfer of Airline are not complete.

The reviews for Airline and LV Limos sale and transfer applications are also complete, however, based on the history of citation issued to Bour Enterprises and their drivers and Strip Limousine, Staff was requesting a limited background hearing. Brent Carson, Esq. requested to move forward and to address the citations issue at the general session.

FOR VOTE:

~~Final Approval of temporary transfer of operating rights Airline CPCN 2050 and LV Limos CPCN 2258, Dockets 19-04018 and 19-04019.~~

(The carriers have opted to go directly to the sale and transfer since they are only one week away to the approval. This makes the Temporary transfer of Operating Rights applications MOOT)

Final Approval to lift temporary discontinuance without resuming operations, Dockets 19-08001 and 19-08002.

Approval of the sale and transfer of Airline CPCN 2050 and LV Limos CPCN 2258, Dockets 19-12021 and 19-12024. (see Staff Analysis at page 3)

Staff Analysis, Dockets 19-12021 and 19-12024:

1. Operations - Staff performed a background investigation with areas of concern. There were four citations issued to Bour Enterprises, LLC drivers in 2019 company. (**Attachment C**). Remaining citations issued prior to 2019 were addressed in a background hearing in conjunction with a prior Bour Enterprises' application before the Authority.
2. Market – Staff did not analyze the market since this is a sale and transfer application and not an expansion of authority. *Therefore, a market summary will not be included in the attached exhibit.*
3. Pro forma Balance Sheet ("PFBS") – The PFBS submitted with the application was the Bour Enterprises 2018 annual report. The 2018 annual report had been previously audited by staff. The Balance Sheet included Bour Enterprises submitting all assets and liabilities to LVL, LLC. Subsequently, the PFBS was amended to include 11 vehicles being transferred from Bour Enterprises, LLC to LVL, LLC. The assets were transferred at the Book Value as of December 31, 2020. The PFBS reports no debt, and an equity ratio of 100 percent. The \$25,000.00 cash balance is sufficient to provide 90 days fixed expenses. (**Attachment D**)
4. The amended pro forma income statement reports revenues of \$550,000.00 and net income of \$46,411.08. Staff finds the net income reasonable given the percentage of vehicles being transferred to LVL, LLC as compared to the total net income as reported on the Bour Enterprises, LLC 2019 annual report. (**Attachment E**).
5. Tariff – There were no proposed changes to the tariffs.
6. The proposed asset purchase agreements are in the digital files for viewing.

Wolf Pack Moving LLC
Application for Household Goods Mover Authority
Docket 20-05025
October 15, 2020 General Session

Application Summary:

On May 12, 2020, Wolf Pack Moving LLC (“Applicant”) filed an application for authority to transport household goods and to operate ten (10) vehicles within Washoe, Storey, Douglas, and Carson City Counties, Nevada on the one hand and the State of Nevada. Said Application was accepted on May 26, 2020 and designated as Docket 20-05025.

On May 26, 2020, the application was properly noticed and no PLTIs or protests have been filed.

Raleigh Bruner and Kevin Laswell are the 10%/90% respectively, owners of the company. Mr. Laswell will oversee the day to day operations, driver qualification and vehicle maintenance files, driver training, hiring and firing; while Mr. Bruner will be providing the financial support. Accounting will be completed by the CPA firm Fister, Williams and Oberlander.

Staff’s Analysis:

Staff supports this application operationally and financially and respectfully requests the application hearing be dispensed per NRS 706.391 (9), for the reasons stated below:

- 1) Operations—Staff performed a background investigation with no areas of concern, **(Attachment A)**.
- 2) Market – Raliegth Bruner, 10 percent owner, owns and operates moving companies in several states. These connections/partnerships are a good starting point for the Applicant. No empirical data was provided to support the Applicant’s market. However, due to the nature of the transportation services to be performed, it is not unusual to rely solely on advertising and referrals, **(Attachment B)**.
- 3) Pro forma balance sheet (“PFBS”) – reports two (2) vehicles with no debt, and the additional eight (8) will be acquired by financing. The PFBS reflects an equity ratio of 35.38% and current ratio of 1.56. The ratios exceed the Authority’s minimum requirements. Staff reviewed source documents (such as bank statements, vehicle price quotes, etc.), and found them to be reasonable when compared to the balances reported on the PFBS, **(Attachment C)**.
- 4) Capital Infusion - the Applicant requires a capital infusion in the amount of \$87,600 into the business checking account. This amount is sufficient to cover the vehicle purchases, pre-paid expenses, 90-days fixed operating expenses, and to maintain the minimum 20% equity requirement. **(Attachment D)**.

- 5) Pro forma income statement ("PFIS") – projects overall net income of \$362,610 on \$1,128,600 in total revenue for twelve (12) months of operations. The revenue projection is comparable to other similarly situated carriers based on fleet size [i.e., Champion Movers, LLC d/b/a Champion Movers (CPCN 3337, Sub 2), Black Wolf Moving Nevada, LLC d/b/a Two Men and a Truck (CPCN 3343, Sub 1), and Move 4 Less, LLC (CPCN 3344, Sub 6)]; however, the net income projection of 32.1% (/720,800) is enthusiastic for a household good mover start-up company. Staff's analysis did not disclose any material errors or omissions that would materially affect net income and make the proposed operations not compensable, (**Attachment E**).
- 6) Tariff—the proposed rates were compared to several existing carrier's tariffs with similar authorities and vehicle restrictions [i.e., R.A. Moving, LLC d/b/a Two Men And A Truck of Reno, Nevada (CPCN 3373), All The Right Moves, LLP (CPCN 3340 Sub 2) and Phoenix Movers, LLC d/b/a Carneys Full Service Movers. (CPCN 3258, Sub 4)] and were found to be within the range of rates currently charged for similar services, (**Attachment F**).

Docket # 20-05025
Wolf Pack Moving, LLC

November 6, 2020

Since submitting the Background Report on 10/22/2020 additional information has come to the attention of the Financial Analyst. There are 2 owners, Kevin Laswell – 90% and Raleigh Bruner – 10%. During the review of the applicants' financial requirements it was found that Mr. Raleigh Bruner has a financial interest in 18 moving companies in different states, and I was requested to obtain additional information. Mr. Bruner has provided a statement listing his experience, how long he's been involved with the moving industry, how long he has owned each company, and the name and location of each operation. I have included a copy of his response.

Nevada Transportation Authority Responses

1. In 2010 I founded Wildcat Moving after graduating from the University of Kentucky's MBA program with an emphasis in Marketing, Project Management and Supply Chain Design.

Since inception Wildcat has been the top-ranked moving company in Kentucky on Angie's List (top 5% in the country). We currently have over 1,000 5-star reviews across Google, Facebook, and the Better Business Bureau. An important reason for this success is that Wildcat pays its employees far above the industry average. All movers make between \$17-\$24 per hour because I learned early in my career that happy movers make happy customers. We charge a flat hourly rate and prorate by the minute over two hours, allowing the customer to have more control over the cost of their move. Our goal is to always be fair to both the movers and the customers. Integrity is the foundation of all my businesses.

What I am most proud of, however, is the charitable and community partnerships Wildcat has fostered over the years. We work with a variety of organizations that support a diverse range of causes. Whether it be moving a victim of domestic violence to a safe space for providing a box truck to store donated bicycles during the holidays, Wildcat answers the call. All my businesses are stewards in their communities and embraced the opportunity to give back to local stakeholders.

Through Wildcat's Mover-Manager-Partner Program, the most responsible and hard-working movers can climb the ranks and eventually open their own moving company with me as a silent partner. Each network company is modeled after the proven Wildcat system to give them an operational edge from the start-up phase through their growth period. One Google search of any of the network companies will show that they are one of the best and most reliable movers in their respective market. Each managing partner is deeply involved with the business and cares about their reputation.

Currently my role consists of expanding the Wildcat brand in Kentucky, as well as strategizing continued network growth.

PLATINUM LV TRANSPORTATION,)
LLC Petition for Extraordinary Relief for)
Sale and Transfer, including 6 series owned)
by Platinum LV Transportation, LLC)

DOCKET NO. 20-10039

HEARING REQUESTED

PETITION FOR EXTRAORDINARY RELIEF

COMES NOW, PLATINUM LV TRANSPORTATION, LLC (hereinafter referred to as "Platinum"), by and through its legal counsel, Brent Carsen and hereby submits this Petition for Relief pursuant to NAC 706. 3957.

Statement of Facts:

Platinum is the owner/operator of the following series:

1. Celebrity Coaches, a Series of Platinum LV Transportation, LLC: CPCN 2105
2. Bell Limo, a Series of Platinum LV Transportation, LLC: CPCN 1217
3. Airport Mini Bus, a Series of Platinum LV Transportation, LLC: CPCN 2350
4. Mammoth Limousine, a Series of Platinum LV Transportation, LLC: CPCN 1105
5. Platinum LV Transportation, a Series of Platinum LV Transportation, LLC: CPCN 2166
6. Whittelsea Checker Taxi, a Series of Platinum LV Transportation, LLC: CPCN 2118

On or about October 14, 2020, Platinum and NTI-NV Inc ("NTI")., agreed to the sale and purchase of units of all Platinum's capital membership units of the LLC. This is essentially a stock transfer, except for the fact that Platinum is a limited liability company and only has membership units, as opposed to stock certificates. Therefore, the owner and the operator of the certificates will still be Platinum. The only difference will be internally, with NTI-NV Inc. now owning all the membership units of Platinum.

Platinum brings this instant Petition because time is of the essence. As the NTA is aware, COVID-19 has wreaked havoc on the economy in general, and more specifically, the transportation industry in Nevada. Platinum has already placed four of their series in temporary discontinuance and is on the verge of shutting down all its operations permanently.

NTI has agreed to purchase the membership interests of Platinum to stave off the permanent closure of Platinum. However, there is a problem. It is not possible for NTI to obtain prior NTA approval of the purchase of Platinum's membership interests, except through this Petition for Extraordinary Relief.

Platinum currently has 32 active employees. In one of their locations, they have to vacate by the end of November. Platinum will file the necessary Applications with the NTA to show this change in ownership, but Platinum needs to protect their employees and ongoing operations now.

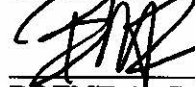

The new owners of Platinum are known to the NTA. NTI is owned by Jim Gleich and John Kindt. Each is a 50% owner. Mr. Gleich was instrumental in bringing SuperShuttle to Las Vegas and is known to this Authority for his transportation knowledge and operational abilities. NTI currently operates other transportation companies in California.

Conclusion:

Wherefore, based upon the foregoing, PLATINUM respectfully requests that the Authority grant "prior approval" of the transfer of membership interests while the Applications are pending.
