PRESENT: Chairman Dawn Gibbons
Commissioner George Assad
Commissioner David Newton
Deputy Commissioner Jennifer De Rose

ORDER

On March 22, 2021, a hearing on the above-captioned matter was held before Commissioner David Newton, serving in his capacity as Hearing Officer for the Nevada Transportation Authority ("Authority"). The Respondent, Findlay Credit Acceptance, LLC d/b/a 9-1-1 Towing and Impound (9-1-1 Towing) was present through its legal counsel, James Kent, Esq.

After hearing the allegations, the respective arguments, and having considered the evidence introduced by both parties and being fully advised, the Hearing Officer, pursuant to Nevada Administrative Code ("NAC") 706.4015, prepared a proposed decision for review by the Authority. Based on that proposed decision, the Authority enters the following final order

affirming the decision of the Hearing Officer. Under Nevada Revised Statutes ("NRS") 706.151, the Authority has legal jurisdiction and authority over this matter.

At hearing, the parties knowingly and voluntarily stipulated and agreed as follows:

1. To withdraw Citations 20037, 20038, 20039, 21957, 21958, 21959 and 21987 pursuant to settlement negotiations;
2. To withdraw the alleged violation of NAC 706.311, pursuant to settlement negotiations;
3. To admit into evidence Citation 21827 and amended Citation 21986 and the related Investigation Reports (marked as State's Exhibit 1 and incorporated herein by reference) and that the facts as set forth therein were true and accurate;
4. That the Respondent's actions constituted violation of NAC 706.4275 related to failure to obtain a specific request by obtaining a signature within 24 hours of tow and NRS 706.398 related to revocation or suspension of certificate;
5. That no fine be assessed for the NAC 706.4275 violation;
6. That Respondent is to refund $388.30 to Monika Ehmke and said refund to be delivered to the Authority;
7. That Certificate of Public Convenience and Necessity 7330 is hereby REVOKED; and
8. To waive the requirement that the Authority's final order contain formal Findings of Fact and Conclusions of Law as required under NRS 233B.125.

DISCUSSION

The Hearing Officer recommended to the Authority:

1. The revocation of CPCN 7330 is based on a violation of NRS 706.398 as outlined in Citation 21827 stemming from the findings of violations of NRS 706.4479 and NAC 706.4275 contained in Citation 21826 and the failure of 911 Towing to either return the vehicle in question to Hertz or to compensate Hertz for said vehicle in the amount of

$49,287. The vehicle was illegally towed by 9-1-1 Towing without a proper signature from the property owner or an authorized agent approving said tow as required by NAC 706.4275 and 9-1-1 Towing failed to properly notify the owner of a lien pursuant to NRS 706.4479. In essence, the vehicle was illegally towed and later sold to the benefit of Findlay Credit Acceptance, LLC d/b/a 9-1-1 Towing and Recovery.

2. That the stipulations and agreements of the parties as set forth hereinabove be accepted; and
3. That findings enter against the Respondent for violation of NAC 706.4275 and NRS 706.398.

ORDER

IT IS THEREFORE ORDERED, based on the foregoing:

1. That the recommendation of the Hearing Officer for Administrative Citations and Verified Complaints 21827 and 21986, issued to Findlay Credit Acceptance, LLC d/b/a 9-1-1 Towing and Impound for violation of NAC 706.4275 and NRS 706.398 is hereby AFFIRMED;
2. That Respondent is to refund $388.30 to Monika Ehmke and said refund is to be delivered to the Authority for distribution;

BEFORE THE NEVADA TRANSPORTATION AUTHORITY

In Re: the impoundment pursuant to NRS 706.476 of a vehicle registered to and Citations 22433 and 22434 issued to Kibrom Hagos for violations of NRS 706.386 and NRS 706A.280.	)))))	Impound 3870 and Citations 22433 and 22434

At a general session of the Nevada Transportation Authority held on May 13, 2021.

PRESENT: Chairman Dawn Gibbons
Commissioner George Assad
Commissioner David Newton
Deputy Commissioner Jennifer DeRose

ORDER

On April 13, 2021, a hearing on the above-captioned matters was held before Commissioner David Newton serving in his capacity as Hearing Officer for the Nevada Transportation Authority ("Authority"). The Respondent to Citations 22433 and 22434 and registered owner of the impounded vehicle, Kibrom Hagos, was present and elected to proceed without counsel.

After hearing the allegations, the respective arguments, and having considered the evidence introduced by both parties and being fully advised, the Hearing Officer, pursuant to Nevada Administrative Code ("NAC") 706.4015, prepared a proposed decision for review by the Authority. Based on that proposed decision, the Authority enters the following final order affirming the decision of the Hearing Officer. Under Nevada Revised Statutes ("NRS") 706.151, the Authority has legal jurisdiction and authority over this matter.

At hearing, the parties knowingly and voluntarily stipulated and agreed as follows:

1. To the admission of Citations 22433 and 22434, the Investigation Report for the Citations and related impound into evidence (identified as State's Exhibit 1 and incorporated herein by reference) and that the facts as set forth therein were true and accurate;

2. That Kibrom Hagos is the registered owner of the impounded vehicle in this matter and was present at the hearing regarding said vehicle;
3. That the use of the vehicle in intrastate commerce without a certificate of public convenience and necessity ("CPCN") violated NRS 706.476 (2)(b)(2) and NRS 706.2(b)(3) in that:
    1. No CPCN had been issued authorizing the use of the impounded vehicle in intrastate commerce for passenger transportation; and
    2. The impounded vehicle did not meet the required standards of the Authority;
4. That no CPCN had been issued by the Authority authorizing the operations undertaken by the Respondent in this matter;
5. That the Respondent's actions constituted one violation of NRS 706.386 and one violation of NRS 706A.280 as alleged and that the impoundment of the vehicle pursuant to NRS 706.476 was proper;
6. To waive the requirement that the Authority's final order contain formal Findings of Fact and Conclusions of Law as required under NRS 233B.125 (waiver entered as Exhibit 2).

Authority Staff recommended the following fines and remedies:

1. That fine in the amount of $100.00 be assessed for the impoundment of the vehicle in this matter;
2. That a fine be assessed in the amount of $2,500.00 for the NRS 706.386 violation with $2,150.00 of said fine amount suspended pending no further violations of NRS 706 within one year and timely payment of the fine amount;
3. That no fine be imposed for the NRS 706A.280 violation; and
4. That the Respondent shall be disqualified from driving under a TNC application.

/ / /

DISCUSSION

The Hearing Officer recommended to the Authority:

1. That the stipulations and agreements of the parties as set forth hereinabove be accepted;
2. That the impoundment of the vehicle be deemed proper under NRS 706.476;
3. That findings enter against the Respondent for one violation of NRS 706.386, relating to operating as a fully regulated carrier without authority and for one violation of NRS 706A.280, relating to providing passenger transportation services outside the TNC application; and
4. That Respondent will not be disqualified from driving for a TNC.

ORDER

IT IS THEREFORE ORDERED, based on the foregoing:

1. That the recommendation of the Hearing Officer with regard to the impoundment of the vehicle pursuant to NRS 706.476 is hereby AFFIRMED;
2. That the recommendation of the Hearing Officer for Administrative Citations and Verified Complaint 22433 and 22434, issued to Kibrom Hagos for violations of NRS 706.386 and NRS 706A.280, is hereby AFFIRMED;
3. That a fine in the amount of One Hundred Dollars and Zero Cents ($100.00) shall be assessed for the impoundment of the vehicle in this matter;
4. That the *total* fine for Citation 22433 shall be in the amount of Two Thousand Five Hundred Dollars and Zero Cents ($2,500.00), with Two Thousand One Hundred Fifty Dollars and Zero Cents ($2,150.00) of said fine amount to be suspended pending no further NRS 706 violations within one year and timely payment of the fine amount;
5. That *no fine* or disqualification be imposed for Citation 22434 for the NRS 706A.280 violation;

6. That the Respondent is to immediately **CEASE AND DESIST** any and all use of the impounded vehicle in violation of the provisions of NRS 706;
7. That the Respondent is to immediately **CEASE AND DESIST** any and all operation in violation of NRS 706.386; and

Request for Exemption
Docket 21-04022
May 13, 2021 General Session

On 4/3/2021 Jayson A. Brumfield ("Applicant") filed a Request for Exemption to provide passenger transportation in Virginia City using a golf cart.

Staff opines that he does not qualify for the exemption for the following reasons:
This is the business – it would not be incidental to a different business

- The customers would be the passengers – there is no other business
- The business license reads "privately owned tips only"
- Vehicle registration was not submitted

I spoke with the Applicant on April 16, 2021 and learned the following:

- He purchased a golf cart from the person who was providing this transportation previously
- He is retiring soon and wants to provide this transportation as a way to keep himself busy and interacting with other people
- He would do this for tips only – and if tips are not allowed, he stated that he would want to do it anyway
- He would transport folks up and down the hills in Virginia City from parking lots to the train station and other transportation as requested.

There was a lengthy discussion as to why this does not fit under the free shuttle exemption, however, he was adamant that he just wants to do what they did before him. Therefore the matter is before you today.

Story County Sheriff Gerald Antinoro is in support of this Request for Exemption

HISTORY of Virginia City's golfcart transportation:

Grant Smith d/b/a The Buck Stops Here: In June of 2009 Grant Smith d/b/a The Buck Stops Here filed for limousine authority, Docket 09-06015. The application was filed as the result of a complaint and an article in the Comstock Chronicles on January 16, 2009. Mr. Smith had been operating one golf cart since 2008 and the Virginia City Convention and Tourism Authority was leasing the golf cart to Mr. Smith.

Mr. Smith appeared at the July 19, 2009 general session. Pursuant to a letter dated July 28, 2009 the application for limousine authority was withdrawn and instead the application was construed as a Request for Exemption (Attachment 1).

Virginia City Convention and Tourism Authority ("VCCTA"): on August 13, 2010 the VCCTA filed a Request for Exemption to provide transportation by golf cart in Virginia City, Docket 10-08014. On September 20, 2010 the Authority issued a letter to Ron Gallagher, Board Member VCTTA stating that as the vehicles would be leased by the VCCTA and that the VCCTA is a "local government" as defined by NRS 354.474, that they were exempt from obtaining a CPCN pursuant to NRS 706.162 (Attachment 2).

Staff reached out to the VCCTA on this matter and spoke with Liza McIlwee, Tourism Assistant. However, it is now the Virginia City Tourism Commission. She has worked there since 2018 and at that time the golf cart transportation was operated by Tim and Sherry (last name unknown to her and unreported to the NTA). She further indicated that the transportation had stopped over two (2) summers ago and that the Virginia City Tourism Commission wanted no part of this transportation busines.

RE: Request for Exemption
Docket No. 09-06015

Mr. Smith:

The Nevada Transportation Authority ("Authority") received your original Application on June 19, 2009 detailing your intended practices as it relates to transportation of passengers. For the reasons set forth herein, your Application will be construed as a Request for Exemption.

Based upon the specific description of your intended operation as set forth in your request and further clarified by testimony at the Authority's July 19, 2009 Agenda Meeting, the services you intend to provide are **exempt** from the requirements of obtaining a Certificate of Public Convenience and Necessity, pursuant to NRS 706.041 and NRS 706.151.

Please be reminded that the services you provide must be consistent with the services described in your request and in the testimony provided at the Authority's July 19, 2009 Agenda Meeting. Specifically, the exemption of your operation is based upon the following factors: 1) that the service is provided at no charge; 2) that tipping is discretionary and unsolicited; 3) that tip revenue is nominal and largely consumed by operating expenses; 4) that the operation generates no identifiable economic benefit—whether direct or indirect, tangible or intangible—for yourself or any other person volunteering in the enterprise; 5) that your personal and social enjoyment are the sole motivations for providing the service; and 6) that you would provide the service even if no tips were offered.

Any use of the vehicles outside of the description you have presented may be in conflict with Nevada State law and could subject you to citations and/or the impoundment of your vehicles.

Please place a copy of this letter in each of your vehicles. If you have any questions, please contact Liz Babcock, Applications Manager, at the above telephone number, extension 409.

Re: NTA License for Golf cart

Thank you so much for calling me and advising me.

What I am trying to do is perhaps get a type of waiver from the normal NTA license for operations of a golf cart (6 seats) to transport tourists in Virginia City. Many of our tourists are unable to walk to many of our local attractions due to many steep walkways and streets. The business (Golf cart transportation) would be connected in a fashion to the Virginia City Tourist Authority so they can contact me by phone or 2-way radio for pick-up of tourist to ride down to the train station , ST. Mary's church , Fourth Ward School etc. Virginia City is almost uphill in all directions. There will be no fee for rides but tips would be accepted to help maintain and operate the cart.

The operation is seasonal, approximately 6-7 months of the year. Operations would generally be on Friday, Saturday and Sunday with exception of some special events and holidays that fall on the other days of the week.

The golf cart is a six person cart. The cart will have head lights, tail and brake lights, N.D.O.T approved tires. There will be an N.D.O.T inspection that is mandatory before operations may begin.

This service will be for tourists convenience so the will be able to see all of our towns attractions and visit as many of our businesses as possible.

The insurance policy will be for a million dollars which will hold Storey County non-liable. I have contracted an insurance an insurance agent in Reno. I have already purchased a state business license but will do me no good if I am unable to get the N.T.A license or waiver.

Enclosed is a copy of Storey county requirements and a map of areas of transport for the county business license.

There will be no fees for rides. Tips would be accepted for rides if the rider feels inclined to do so. The tips will help maintain and operate the cart with possible profit in approximately 3 years of seasonal operations. This would be a privately owned operation by myself. It is a private solution for a public need.

After twenty plus years of working for the state I plan on retiring this June, I need something to retire to. This will give me an opportunity to stay busy and meet people from all over the country and the world. This will not be an occupation or business per say. The startup costs $3000 for the golf cart $200 state business license $220 county business license approximately $2000 a year for insurance, N.D.O.T inspection fee N.T.A license and maintenance. All of this is really not cost effective for something that that brings in approximately three to five thousand dollars a season, but it would be fun and possibly break even in 2 to 3 years.

Thank you again for your assistance in this matter. I hope this will be sufficient information. I will mail you any hard copies you may require.

Sincerely,

Jayson Brumfield

Re: Docket 15-05018: Request for Exemption Letter

Mr. Fackler:

The Nevada Transportation Authority ("Authority") received your letter on May 15, 2015 detailing your intended practices as it relates to transportation of passengers. For the reasons set forth herein, your letter will be construed as a Request for Exemption.

Based upon the specific description of your intended operation as set forth in your request, you are not "employed" by your passengers and you are not engaged in a gainful occupation on the highways. Accordingly, the services you intend to provide are **exempt** from the requirements of obtaining a Certificate of Public Convenience and Necessity, pursuant to NRS 706.041 and NRS 706.151.

Please be reminded that the services you provide must be consistent with the services described in your request. Specifically, the exemption of your operation is based upon the following factors: 1) that the service is provided ***at no charge***; 2) that tipping is discretionary; 3) that tip revenue is nominal and largely (if not entirely) consumed by operating expenses; 4) that the operation is neither intended nor expected to generate economic benefit—whether direct or indirect, tangible or intangible—for yourself or any other person volunteering in the enterprise; 5) that the vehicle is locally licensed for the operation and insured in compliance with local regulation; 6) that your personal and social enjoyment are the primary motivations for providing the service; and 7) all transportation will be provided only in a golf cart and not in any form of on-road passenger vehicle.

Should you decide to change your operating procedures, please contact our office for reconsideration. Any use of the vehicles outside of the description you have presented may be in conflict with Nevada State law and could subject you to citations and/or the impoundment of your vehicles.

Please place a copy of this letter in each of your vehicles. If you have any questions, please contact Liz Babcock, Applications Manager, at the above telephone number, extension 409.

Sincerely,

Andrew J. MacKay, Chairman

Subject: free shuttle exemption under NAC 706.147

Hi Jason,

As we discussed this date, the prior operator of this free shuttle was the Virginia City Convention and Tourism Authority ("VCCTA") and as such they were exempt from the NTA regulations because they qualify as a "local government" under NRS 706.354.474. That is how they were able to operate. You do not fall under the same definition. I suggest you get some help in preparing this application. As I see it you do not qualify. You may not operate for tips (as addressed on your business license).

Here is the list of items you will need to address on the application:

1. This is for the company you will operate the transportation under –
2. How will these people be your "customers?"
3. Will you be doing any advertising?
4. You do not have a business therefore how will this apply?
5. How will you comply with this?
6. Answer is OK
7. Contradicts your business license
8. OK
9. How will you be compensated for your time and expenses? Gas, insurance, etc.
10. Is the place of business your home?
11. OK
12. OK
13. What name will be on the vehicle?
14. OK
15. Business license indicates working for tips
16. Provide copy of vehicle registration

Given your plans to operate you will need to be able to explain how you will comply with the regulation. You can appear in person at our Reno office or online on the Webex meeting. It would be helpful if the VCCTA were filing for this like they did in 2010. As we discussed, you have the right to ask for anything that you want. I know you said the Sheriff was helping you and maybe he can help you with this.

The general session is May 13, 2021 starting at 9:30 am. If you have any questions or concerns regarding this email feel free to call me.
Regards,
Liz

At a general session of the Nevada Transportation Authority held on September 27, 2019.

PRESENT: Chairman Dawn Gibbons
Commissioner George Assad
Commissioner David Newton
Deputy Commissioner Jennifer De Rose

ORDER

The Nevada Transportation Authority ("Authority") makes the following findings of fact and conclusions of law:

1. On February 4, 2019, the Enforcement Staff ("Staff") of the Nevada Transportation Authority ("Authority") issued Citation No. 21066 to Findlay Credit Acceptance LLC doing business as 911 Towing and Impound ("Respondent") for violation of Nevada Administrative Code ("NAC"), section 706.4477, for a tow without 48-hours' notice.
2. On February 22, 2019, Staff issued Citation No. 21068 for violation of NAC 706.1389 for failure to post tariff in a public location and for violation of NAC 706.2473 referencing U.S. Code of Federal Regulations ("CFR"), Title 49, section 391.25, for failure to inquire on the record of every driver once every twelve months; Citation No. 21069 for violation of NAC 706.2473 referencing 49 CFR 391.27, for failure to list all violations of motor laws for which convicted, and for another violation of NAC 706.2473 referencing 49 CFR 391.51 for failure to maintain a

driver qualifications file and allowing unauthorized driver to perform tows; Citation No. 21070 for violation of NAC 706.2473 referencing 49 CFR 391.11 for allowing driver without a medical card to drive or operate a commercial vehicle; Citation No. 21072 for violation of Nevada Revised Statutes ("NRS"), section 706.398, for failure to operate under the terms and conditions of its certificate; and Citation No. 20173 for violation of NAC 706.4275 for failure to obtain a signature within 24 hours before removal of a vehicle and for violation of NAC 706.420 for failure to submit a tow bill with all information required.

3. On March 29, 2019, Staff issued to Respondent Citation No. 21628 for violation of NAC 706.311 for failure to charge uniform rates in accord with the tariff on file and for violation of NAC 706.194 for interference with an investigation.
4. On April 23, 2019, Staff issued to Respondent Citation No. 21635 for violation of NAC 706.311 for failure to charge uniform rates in accord with the tariff on file.
5. On June 7, 2019, the Authority convened a hearing on the citations before Commissioner David Newton, Presiding Officer.
6. Appearance at the hearing was made by Louis V. Csoka, Esq., on behalf of Staff, and by Michael Batt, General Manager, on behalf of Respondent.
7. Upon commencement of hearing, before any witness was sworn, the parties announced that they had reach a settlement of all citations referenced herein. For each citation, Staff's Investigation Report was marked as an exhibit.
8. The parties' settlement follows:
    a. Citation No. 21066: $800.00 per violation (based on fourth violation in the past three years) on one violation for a total of $800.00;

b. Citation Nos. 21068, 21069, 21070, and 21073: $800.00 per violation on seven violations for a total of $5,600.00;

c. Citation No. 21071: Continued to July 21, 2019, and disposed of by vote of the Authority at general session on July 18, 2019;

d. Citation No. 21072: Withdrawn by Staff;

e. Citation No. 21628: $800.00 per violation on three violations for a total of $2,400.00 and deliver refund checks to Quality Towing, one in the amount of $1,449.00 and the other in the amount of $1,008.50;

f. Citation No. 21635: $800.00 per violation on one violation for a total of $800.00 and one refund check to Quality Towing in the amount of $524.75;

g. The total amount of new fines as stipulated is $9,600.00;

h. Citation No. 20639: The amount of $800.00 suspended in the order on that citation is now due and owing; and

i. The parties agreed to defer to the Presiding Officer on setting any amount in suspension for the new stipulated fines and to determine payment options available.

9. At the hearing, after taking the settlement, the Presiding Officer announced as follows:

a. He would propose to the Authority that it accept the agreement among the parties;

b. He would propose to the Authority that twenty-five percent, or $2,400.00, of the new fines be suspended for two years on the conditions of no violations of

NRS or NAC Chapters 706 during that period and of timely payment of the amount not suspended;

c. He would propose to the Authority that Respondent have twenty-four months to pay the portion of the new fines not suspended; and

d. He would propose to the Authority that Staff conduct four random operational inspections of Respondent over the next two years.

10. Before the settlement could be considered for a vote by the Authority, Respondent sought relief from the amounts of the fines in the settlement. Respondent did not challenge the fact of the violations.

11. At a general session of the Authority held July 18, 2019, the Authority voted to authorize the Presiding Officer to reconsider the fines imposed by stipulation on the instant citation.

12. As a result of that vote, Presiding Officer Newton reconvened the hearing on the instant citations on September 13, 2019, for the purpose of reconsidering the fines stipulated by the parties. Appearances were made as before at the first hearing except that Andrew Scott, Compliance Enforcement Officer for the Authority, also appeared for Staff and Respondent's owner, Shawn Enayat, also appeared by telephone.

13. Presiding Officer Newton took comment and argument from all parties. Staff advised that it continued to support the fines as stipulated. The Presiding Officer announced that he would not propose modification of the settlement of the parties because he believes the terms of the settlement are in the public interest.

14. The Authority finds and concludes that the settlement of the parties and the proposed additional terms stated by the Presiding Officer are acceptable and in the public

interest and should be approved. The Authority accepts and approves the Presiding Officer's decision not to amend any term of the settlement.

BASED ON THE FOREGOING, it is ORDERED that:

1. Respondent Findlay Credit Acceptance doing business as 911 Towing, Inc., is FINED a total of $9,600.00 for all violations referenced in this order, with the amount of $2,400.00 suspended for two years on the condition that Respondent during that time commits no violations of NRS or NAC Chapters 706 and makes timely payment of that part of the fine not suspended;
2. Respondent may pay the portion of the fine not suspended over a period of twenty-four months;
3. Respondent shall refund forthwith to Quality Towing the amounts of $1,449.00; $1,008.50; and $524.75;
4. Respondent is FINED $800.00 for the amount of the fine suspended by order on Citation No. 20639, with that amount now due and payable;
5. Staff shall conduct on Respondent within the next two years four random operational inspections; and

Citations issued to Findlay Credit Acceptance dba 911 Towing for violation of NRS 706.4479, NAC 706.4275, NRS 706.398,NAC 706.206, NAC 706.442, NAC 706.203, NAC 706.405, NAC 706.381, and NAC 706.356.	)	Citation Nos. 21826, 21827, 21957, 21958, and 21959

PROCEDURAL ORDER

The Nevada Transportation Authority ("Authority") makes the following findings of fact and conclusions of law:

1. On September 10, 2019, the Enforcement Staff of the Nevada Transportation Authority ("Staff") issued to Findlay Credit Acceptance, LLC, doing business as 911 Towing ("Respondent") Citation Nos. 21957, 21958, and 21959, and on September 16, 2019, issued to Respondent Citation Nos. 21826 and 21827.
2. These citations are consolidated for hearing to continue on December 2, 2019. Among other things, Staff alleges that Respondent sold unlawfully at a lien sale a vehicle towed by Respondent, a 2019 GMC Yukon registered to The Hertz Corporation, a car rental company.
3. On October 27, 2019, Staff requested that Respondent produce documents relating to the vehicle allegedly sold unlawfully by Respondent, including but not limited to the identity of the purchaser of the vehicle, the total amount of the proceeds from the sale, and the date of the auction or sale.
4. Respondent objected to this request on the grounds that it is irrelevant to the issues before the Authority and beyond the jurisdiction of the Authority.

5. Staff moved for issuance of a subpoena pursuant to Nevada Administrative Code ("NAC"), section 706.936, later corrected to NAC 706.3989.
6. The Presiding Officer concludes that the Nevada Transportation Authority may compel production of information such as that requested during the pendency of a hearing under Nevada Revised Statutes ("NRS"), section 706.2875, and NAC 706.3989.
7. The Authority has jurisdiction over tow operator liens on vehicles pursuant to NRS 706.132, NRS 706.4468, NRS 706.4483, and NRS 706.4479.
8. The Presiding Officer finds that the information sought by Staff is relevant to the citations pending against Respondent concerning the alleged unlawful disposition of a vehicle by sale or auction on a lien.

BASED ON THE FOREGOING, it is ORDERED that:

1. Staff's motion is GRANTED to the extent provided for herein;
2. Respondent Findlay Credit Acceptance, LLC, dba 911 Towing, shall produce to Staff **on or before 5:00 p.m., Tuesday, November 12, 2019**, all records sought by Staff in in its request to Respondent on October 30, 2019, concerning the vehicle allegedly disposed of unlawfully; and

BEFORE THE NEVADA TRANSPORTATION AUTHORITY

Citations Issued to Findlay Credit Acceptance LLC dba 9-1-1 Towing for violation of NRS 706.4479, NAC 706.4275, and NAC 706.194.	)	Citation Nos. 21826 & 21915

At a general session of the Nevada Transportation Authority held on September 17, 2020.

PRESENT: Chairman Dawn Gibbons
Commissioner George Assad
Commissioner David Newton
Deputy Commissioner Jennifer De Rose

ORDER

The Nevada Transportation Authority ("Authority") makes the following findings of fact and conclusions of law:

1. On September 16, 2019, the Enforcement Staff of the Nevada Transportation Authority ("Staff") issued Citation No. 21826 to Findlay Credit Acceptance LLC, doing business as 9-1-1 Towing ("Respondent") for violation of Nevada Revised Statutes ("NRS"), section 706.4479, for failure to notify legal owner of lien demand by certified mail, and Nevada Administrative Code ("NAC"), and section 706.4275, for failure to obtain signature within twenty-four hours before removal of vehicle. This was based on a complaint filed by Hertz Auto Rentals.
2. On September 16, 2019, Staff issued Citation No. 21827 to Respondent for violation of NRS 706.398 for failure to comply with the terms and conditions of its certificate of public convenience and necessity ("CPCN").

3. Citation No. 21827 was scheduled to be heard with Citation Nos. 21826 and 21915. During the hearing on Citation Nos. 21826 and 21915, however, the Presiding Officer ordered the hearing on Citation No. 21827 to be continued to a later date, and it is therefore not addressed herein.
4. On November 22, 2019, Staff issued Citation No. 21915 to Respondent for violation of NAC 706.194 for interference with inspection by Staff.
5. Respondent holds CPCN 7330 authorizing on-call consent and non-consent tow car services between points and places within the state of Nevada.
6. On October 21, 2019, the Authority convened a hearing on the citations before Commissioner David Newton, Presiding Officer.
7. Appearance at the hearing was made by Louis V. Csoka, Esq., on behalf of Staff, and by James S. Kent, Esq., on behalf of Respondent and by Sean Enayat, owner of Respondent.
8. On that date, Staff offered the testimony of Misuk Kim and, by telephone, Nicholas White, both in their capacity as employees of Hertz automobile rental agency.
9. Misuk Kim testified that she is employed by Hertz as its vehicle control manager and has held that position for five years. Among her duties, Kim researches and picks up missing Hertz rental cars in the Las Vegas metropolitan area.
10. Kim testified that on June 26, 2019, the renter advised Hertz that one of its rental vehicles in Las Vegas, Nevada, a 2018 GMC Yukon ("vehicle"), had been towed.
11. Kim testified that Hertz often, as in this matter, sends a release to the tow car carrier authorizing the renter to claim the vehicle. In this matter, she testified, the renter never appeared before Respondent to claim the vehicle. She was not aware of Hertz

having sent a release form to Respondent and suggested that it may have come from Hertz's emergency road services division.

12. On July 10, 2019, Kim was instructed by White to retrieve from Respondent the vehicle. Kim testified that she came to understand that the vehicle was towed from a private residential community for a parking violation.

13. Kim contacted Respondent by telephone on that date, but was told by Terri Drake, an employee of Respondent, that Respondent could not access the vehicle on its system and that therefore the renter had the vehicle.

14. On July 12, Kim contacted Respondent again and advised Respondent that renter denied retrieving the vehicle and was advised by Drake this time that she needed to contact Respondent's lien department because the vehicle was not in Respondent's system.

15. Kim was advised by Respondent that the only way to contact the lien department was by electronic mail. Kim promptly delivered an e-mail to the address provided for Respondent inquiring about recovery of the vehicle. She sent Respondent e-mails on July 12th, 30th, and 31st, but none was answered.

16. On July 19, 2019, not having received a response to her first e-mail, Kim contacted Respondent again by telephone but was provided no new information.

17. On July 30, 2019, Kim contacted Respondent again by telephone and was advised that a manager will call back.

18. On July 31, 2019, Kim spoke by telephone with Patrick, a manager at Respondent, who advised that the vehicle in question had been sold at auction. Kim testified this

was the first time anyone at Respondent contacted her in response to her inquiries about the GMC Yukon.

19. Kim testified that Hertz was never given notice of the lien or of the lien sale.
20. Kim estimated the value of the vehicle to be over $60,000.00.
21. Kim testified that, until the end, she assumed there was only miscommunication between her and Respondent, not that the vehicle had been sold at auction. As a result, she was patient in working with Respondent to locate the vehicle.
22. Until advised of the sale, she proceeded on the belief that Respondent's behavior was odd but not necessarily unlawful. She keeps logs of her contacts with tow car operators but does not perform investigations of their conduct.
23. Nicholas White testified that he works for Hertz in asset recovery on impounded vehicles owned and rented by the company. He also attempted to contact Respondent to locate and claim the vehicle but with no success.
24. He testified that on June 28, 2019, the renter contacted Hertz and advised that the vehicle was towed for a parking violation.
25. He testified that he spoke with Drake of Respondent on July 10, 2019, and that she advised him of the amount required to be paid for release of the vehicle.
26. He testified that he referred the vehicle to Hertz's fleet department in Las Vegas to claim the vehicle on July 10, 2019, but that the department was advised by Respondent that the renter had claimed the vehicle.
27. White attempted to pursue the renter for the overdue vehicle but was advised by the renter that she was unable to claim the vehicle from Respondent because she was not

the registered owner. White was not familiar with any release form that had been sent to Respondent.

28. He attempted to contact Respondent again, and spoke with Drake, but she referred only to Respondent's lien department with the e-mail address provided to Kim. Like Kim, he received no response from Respondent to his e-mail inquiries. Drake claimed Patrick, a manager of Respondent, would call but he never did.

29. On July 31, 2019, after another telephone call to Respondent with no progress, White referred this matter to Hertz's legal department for recovery of the vehicle.

30. On the stipulation of the parties, the Presiding Officer ordered the hearing continued to December 2, 2019.

31. On December 2, 2019, the Authority reconvened a hearing on the citations, again before Commissioner Newton, Presiding Officer, with appearances by the same counsel and Mr. Enayat.

32. On that date, Scott Hawkins, Compliance Enforcement Officer for the Authority, testified on behalf of Staff, and Mike Batt, general manager of Respondent, and Mr. Enayat on behalf of Respondent.

33. On that date, Staff offered into evidence its investigative report, designated State's Exhibit 1, and a first and second supplement to its report, designated State's Exhibits 2 and 3, respectively. Respondent offered an electronic mail message dated November 28, 2019, with a record attached concerning the tow of the vehicle that is subject of the citations herein, designated Respondent's Exhibit 1. All exhibits were admitted.

34. Officer Hawkins testified that Hertz filed with the Authority on or about August 9, 2019, a complaint against Respondent, and he was assigned to investigate that complaint.

35. Officer Hawkins investigated the complaint and interviewed Kim and White and others at Hertz and managers of Respondent, including its general manager, Michael Batt, and reviewed Respondent's records pertinent to the citations.

36. Officer Hawkins testified that his investigation showed that Respondent failed to obtain a signature for the tow of the Hertz vehicle within twenty-four hours before the tow. The private property request form for the tow of this vehicle showed a signature date of June 19, 2019, but no tow until June 27, 2019. Officer Hawkins testified that his investigation further showed the Respondent failed to timely notify Hertz by certified mail of the lien demand. As a result, he issued to Respondent Citation No. 21826.

37. Additional investigation on the authenticity of the signature on the private property tow request revealed that the signature was that of Jonas Hernandez, manager of The Residence at Canyon Gate, the location of the tow, but that the signature block was of Tracy Blackwell, a manager at The Residence. State's Exhibit 3, Supplemental Report (2), Attachment C (private property impound release form).

38. Hernandez advised Officer Hawkins that the signature was his but could have been copied onto the document and that the date and time written was not his penmanship. Hernandez advised that he had not to date personally signed a private property tow request in all of 2019. Blackwell advised officer Hawkins that the date and time was not his penmanship.

39. Officer Hawkins testified that in general his investigation confirmed Hertz's recounting of events and that Respondent was uncooperative in returning the vehicle before it was sent to auction. See generally State's Exh. 1 (Complaint Investigation Report, outlining in detail the communications regarding this vehicle).

40. Officer Hawkins testified that Respondent refused to provide the identity of the purchaser of the vehicle at auction. Officer Hawkins testified that Staff was required to resort to legal process through the Presiding Officer to obtain an order compelling production of the information. As a result, Officer Hawkins issued to Respondent Citation No. 21915.

41. Officer Hawkins testified that, even if the tow was valid, Respondent had the vehicle auctioned in violation of law because Respondent failed to provide to Hertz notice of the lien sale in a manner consistent with law.

42. Michael Batt testified on behalf of Respondent. He is general manager of Respondent.

43. Batt testified Respondents' records show the Hertz vehicle in question was first marked for tow on June 16, 2019, but that the parking violation was corrected and no tow performed as a result. Batt testified the vehicle was towed June 28, 2019, for a parking violation at a private residential community. Staff's report shows it was towed on June 27, 2019, at 5:23 a.m. from The Residence at Canyon Gate, 2200 South Fort Apache Road, Las Vegas, Nevada. State's Exhibit 1.

44. Batt admitted that Respondent did not obtain within twenty-four hours of the tow a signed written request from the owner of the private property to tow the vehicle, as required by NAC 706.4275. Batt testified, however, that it received a verbal request

from the private property owner and that the request was timely logged into Omadi, Respondent's electronic system for tracking tows.

45. Batt testified that Hertz had notice of the tow as early as June 28, 2019, the day after the tow because on that date Hertz sent Respondent a form authorizing release of the vehicle to the renter. Staff's Exh. 1, Att. I.

46. Batt denied that Respondent was uncooperative with Hertz in returning the vehicle.

47. Batt explained that it was informed the renter would pay to release the vehicle, and the renter appeared but was unable to afford the payment.

48. Batt testified Hertz then advised on July 8, 2019, that it would send a vendor to retrieve the vehicle on July 10, 2019. That vendor did not arrive until July 12, 2019, however, and was unable to remove that vehicle along with another for Hertz.

49. Batt testified that on July 22, 2019, Respondent delivered to Hertz a letter notifying Hertz of a lien sale of the vehicle. State's Exh. 1, Att. K. This letter was dated July 2, 2019, but was not delivered until July 22, 2019, according to Batt, because of miscommunication with Hertz in the meantime about retrieving the vehicle.

50. Batt admitted that this letter was not delivered by certified mail and testified that Respondent obtained Hertz's mailing address from a database named Auto Data Direct. He testified that his research on the letter shows that it is still in transit and never delivered to Hertz or returned to Respondent.

51. The vehicle was sold at auction on July 29, 2019. Batt testified that he was not certain of the identity of the person who purchased the vehicle at auction. Staff's investigation shows that as of November 4, 2019, the title of the vehicle has not been

transferred and continues to show Hertz as the owner. State's Exh. 2, Supplemental Report (1).

52. Batt testified Hertz did not communicate again with Respondent about the vehicle until July 30 or August 1, 2019. Batt explained that he does not check his electronic mail account for Respondent unless he expects a message.

53. Sean Enayat testified on behalf of Respondent. He is the owner of Respondent. He generally confirmed the testimony of Batt.

54. Enayat testified that Respondent did in fact obtain a signed request from the private property owner to tow the vehicle, although he admitted that the request was not signed within twenty-four hours of the tow as required by NAC 706.4275. State's Exhibit 3, Supplemental Report (2), Attachment C.

55. Enayat complained that Hertz has not had consistent addresses for notice of its towed vehicles and that its address for notice depends upon the vehicle itself.

56. Enayat explained that Respondent delayed sending the notice of lien to Hertz until July 22, 2019, because Hertz first said the renter was going to retrieve the vehicle, then said a vendor would retrieve the vehicle, and then failed to return his call or communicate with Respondent after that. He was uncertain why Hertz would fail to retrieve the GMC Yukon when it knew of the tow by Respondent and had timely retrieved other vehicles towed by Respondent.

57. As a result, Enayat testified, he decided on behalf of Respondent to send the vehicle to auction for sale. Enayat explained that he must be sure to promptly remove unclaimed vehicles from his lot in order to ensure there is space for vehicles as they arrive.

58. Enayat testified that he had Respondent refuse to disclose the identity of the purchaser of the vehicle because he was concerned about potential legal liability for disclosure. He did not specify the nature of the legal liability he had in mind. He testified the vehicle was purchased by someone in Canada he knew indirectly for approximately $6,900.00 plus fees.

59. Enayat testified that, in his view, the tow and auction sale were entirely lawful except for the failure to have the private property owner sign the request for tow within twenty-four hours of the tow, in violation of NAC 706.4275, and for failure to serve the fifteen-day notice of lien demand on Hertz by certified mail, in violation of NRS 706.4479 and NRS 108.272.

60. In rebuttal, Staff contended that there is no evidence to confirm many of the contentions of Batt and Enayat. For example, there is no evidence confirming that the renter appeared at Respondent's office to retrieve the vehicle or that Respondent attempted to communicate with Hertz in response to documented inquiries by Hertz on retrieving the vehicle. Staff admits that Hertz appears to have had knowledge of the tow since at least June 28, 2019, but asserts that informal knowledge does not comply with the applicable legal requirements of notice.

61. The Authority finds that the undisputed evidence shows that Respondent violated NAC 706.4275 by failing to obtain the signature of the owner of The Residence within twenty-four hours of the tow. Because the tow was invalid, the sale of the vehicle at auction was also necessarily invalid.

62. Even if the tow authorization were somehow deemed valid, the Authority finds that the undisputed evidence shows that Respondent violated NRS 706.4479 by failing to

provide written notice by certified mail of its lien demand to Hertz within fifteen days after placing the vehicle in storage.

63. The Authority finds that, overall, the record shows that Respondent was evasive and uncooperative with Hertz in assisting in retrieval of its vehicle.

64. The Authority rejects Respondent's contention that actual notice of the tow as early as June 28, 2019, was sufficient under NAC 706.4275 and NRS 706.4479. Those provisions are very specific in their notice requirements for the purpose of preventing circumstances such as those in these citations—unlawful tows and unlawful lien sales. Respondent's violations and other misconduct herein gave rise to the confusion regarding the tow and storage of the Hertz vehicle and led directly to its unlawful tow and sale at auction.

65. The Authority finds that the record on Citation No. 21826, for violation of NAC 706.4275, supports a fine of $10,000.00

66. The Authority finds that the record on Citation No. 21826, for violation of NRS 706.4479, supports a fine of $5,000.00.

67. Respondent shall return the vehicle to Hertz forthwith in good condition pursuant to NRS 706.4483. If Respondent cannot return the vehicle to Hertz, Respondent must pursuant to NRS 706.4483 reimburse Hertz forthwith for the reasonable value of the vehicle, which the Authority finds the record to support as being $60,000.00.

68. The Authority finds that the identity of the purchaser of the vehicle at auction is relevant for the purpose of evaluating Respondent's actions and intentions that led to the tow and sale of the vehicle at auction and sorting through the various claims and

contentions made by the parties regarding their actions and communications that led to the tow and sale.

69. The fact that this vehicle, valued at over $60,000.00, was sold at auction on July 31, 2019, for approximately $6,900.00 to an acquaintance of the owner Enayat, raises concerns about the credibility of Respondent and its witnesses. Staff's investigation shows that as of November 4, 2019, title on the vehicle had not yet transferred from Hertz.

70. The Authority concludes nonetheless that Respondent in this instance did not violate NAC 706.194 because it asserted through counsel a non-frivolous, though ultimately erroneous, objection that the identity of the purchaser was not relevant to the instant citations. The Authority does not seek to hamper valid advocacy in its proceedings.

71. The Authority orders dismissal of Citation No. 21915.

BASED ON THE FOREGOING, it is ORDERED that:

1. For violation of NAC 706.4275, Respondent Findlay Credit Acceptance, LLC, doing business as 9-1-1 Towing and Impound is FINED $10,000.00;
2. For violation of NRS 706.4479, Respondent is FINED $5,000.00;
3. Respondent shall, within 30 days of the date of this Order, return to Hertz in good condition the 2018 GMC Yukon and, if Respondent is unable to do so, reimburse Hertz $60,000.00 for the loss of the vehicle;
4. Respondent shall provide proof of compliance with the return or reimbursement to the Authority within 30 days of this Order;
5. The amount held in abeyance in Citation 19527 ($400) is hereby ordered due and owing;

6. Citation No. 21915 is DISMISSED; and

7. The Authority retains jurisdiction for correcting any errors that may have occurred in the drafting or issuance of this Order.

Marta Acevedo

Compliance/Audit Investigator

3300 West Sahara Ave, Ste. 200,

Las Vegas, NV 89102

Dear Ms. Babcock,

I am writing this letter to request an additional extension for at least (3) to (6) months, in order to obtain a special use permit from Clark County for Slick and Quick LLC. Also, to have sufficient time to get the compliance paperwork submitted. You have kindly accommodated my situation by allowing me the first extension, and I am very grateful to you.

As I discussed on the previous letter, I am in the process of purchasing a property to open up the repo and tow lot. Unfortunately, due to the loss of income because of the financial crisis that this pandemic has created for my business, I am unable to acquire a loan to purchase the property. I have however, found a location to lease at this time, just to get the license started but I will need a special use permit from Clark County which may be quite cumbersome as well.

Thank you again for the kindness you have shown me during this difficult time and for taking the time to consider my current request. I would be happy to answer any questions you may have. You can call me at 702-400-0970 or email me at moneysmartlady@aol.com.

Sincerely,

Selina Palmer

Slick & Quick, LLC
Docket 18-11005
May 13, 2021 General Session

On January 17, 2019, the application was approved granting consent and non-consent tow car authority to Slick & Quick, LLC.

On April 7, 2021, this Applicant requested an additional 3 to 6 month extension. This is the 6th request for extension. If granted for an additional 6 months, this period would run through October 30, 2021 for a total time period of 2 years and 9 months (currently at 2 years and 3 months).

The background report for this application was completed in January of 2019. To date none of the compliance items have been completed.

Staff does not support this application for an extension and suggests that the Applicant file for tow car authority at a time in the future when they are able to move forward. At this point the background information is considered stale.

BEFORE THE NEVADA TRANSPORTATION AUTHORITY

IN THE MATTER of the Petitions of Reno Cab Company, Inc. dba Reno Sparks Cab Co., Roy L. Street dba Capitol Cab Company, and Yellow Cab of Reno, Inc.	**DOCKET NOS. 21-03016, 21-03017, and 21-03018**

MOTION TO DISQUALIFY AND MOTION TO CONTINUE

Reno Cab Company, Inc. dba Reno Sparks Cab Co. ("Reno Sparks Cab"), Roy L. Street dba Capitol Cab Company ("Capitol Cab"), and Yellow Cab of Reno, Inc. ("Yellow Cab") (hereinafter collectively "Petitioners"), by and through their counsel, Mark G. Simons and Jeremy B. Clarke of SIMONS HALL JOHNSTON PC, hereby move to disqualify Commissioners David Newton and George Assad from acting as hearing officers for the Nevada Transportation Authority ("NTA") during the May 10, 2021 Hearing regarding Petitioners' Petitions to Deviate.

I. BASIS OF MOTION.

This hearing is necessitated because the NTA is attempting to alter its "Master Lease" regulations and precedent which it has followed since 1993. Despite consistent application of NRS Chapter 706 and NAC Chapter 706 for approximately 28 years, on September 3, 2020, the NTA issued a letter unilaterally implementing new regulations in the form of a mandatory "Template Lease." This new regulation mandates that every

Template Lease must be executed and approved by the NTA prior to a driver changing taxicabs even though there were no applicable revisions to NRS Chapter 706 or NAC Chapter 706. Under the NTA's new regulation, each Template Lease limits individual drivers to a single taxicab, improperly creating a lessor/lessee relationship between the taxicab and the driver, rather than the company and driver.

In light of the new regulation, the NTA required Petitioners to file Petitions to Deviate on March 12, 2021 (the "Petitions") seeking a variance from the NTA to deviate slightly from new regulation, while at the same time maintaining compliance with statutory and code requirements. On April 8, 2021, at its regularly scheduled meeting, the NTA considered the petitions and determined that a hearing, set for May 10, 2021 was appropriate (the "Hearing"). At present, Commissioner David Newton is scheduled to preside over the Hearing. Unfortunately, however, Petitioners will be calling Commissioners Newton and Assad as material witnesses at the Hearing, creating the appearance potential bias and an unwaivable conflict. Accordingly, Commissioners Assad and Newton must be disqualified from acting as hearing officers during the Hearing.

II. LEGAL ARGUMENT.

A. APPLICABLE AUTHORITIES REQUIRING DISQUALIFICATION.

To begin, "[t]he hearing officers involved in this case serve in a quasi-judicial capacity, similar in many respects to that of administrative law judges. As this Court repeatedly has recognized, due process demands impartiality on the part of those who function in judicial or quasi-judicial capacities." *Schweiker v. McClure*, 456 U.S. 188, 195, 102 S. Ct. 1665, 1670 (1982); *see also In re Murchison*, 349 U.S. 133, 136, 75 S.Ct. 623, 625 (1955) ("to perform its high function in the best way 'justice must satisfy the appearance of justice'").

Specifically, the Nevada Administrative Procedures Act requires that in a contested case, "[o]pportunity must be afforded all parties to respond and present evidence and argument on all issues involved." NRS 233B.121(4). Further, "[e]ach party may call and

examine witnesses, introduce exhibits, cross-examine opposing witnesses on any matter relevant to the issues . . . ." NRS 223B.123(4).

NRS 233B.122(1) provides that, "[n]o agency member who acts as an investigator or prosecutor in any contested case may take any part in the adjudication of such case." NRS 233B.122(1). The Administrative Procedures Act identifies the protocol for replacing an officer when there has been a disqualification as follows:

> If an officer of an agency disqualifies himself or herself or is disqualified from participating in the adjudication of any contested case in which a decision will be rendered which is subject to judicial review, the officer shall send within 3 working days after the disqualification a notice of it to the authority which appointed him or her to the agency. The appointing authority shall within 5 working days after receiving the notice appoint a person to serve in the place of the disqualified officer only for the purpose of participating in the adjudication of the contested case.

NRS 233B.122(2).

In addition, the United States Code, Federal Rules of Evidence, and Nevada Code of Judicial Conduct all mandate disqualification of a judicial officer when that officer is a material witness concerning the matter in dispute. For instance, disqualification is required when such "judge or lawyer has been a material witness concerning [the matter]." 28 U.S.C. § 445(b)(2). Rule 605 of the Federal Rules of Evidence provides, "the presiding judge may not testify as a witness at trial." FRE 605. Finally, in Nevada, judicial officers are also disqualified when they are likely to be a material witness in the proceeding. NCJC 2.11(A)(2)(d).

B. COMMISSIONER NEWTOWN SHOULD BE DISQUALIFIED.

The factual history of the NTA's previous approvals of Petitioners' Master Leases is critical to determining whether the NTA acted arbitrarily by unilaterally creating and implementing new regulations during the Hearing. Pertinent to the instant Motion, Petitioners will demonstrate through documentary evidence and witness testimony that the NTA routinely approved Petitioners' Master Leases for decades, including in 2013. In reliance on these routine approvals through the NTA's lawful application of NRS 706.473

SIMONS HALL JOHNSTON PC
6490 S. McCarran Blvd., Ste. F-46
Reno, NV 89509
Phone: (775) 785-0088

and NAC 706.3753, Petitioners structured their business operations to remain in compliance with NTA regulations.

At the Hearing, Commissioner Newton will be called as a witness to testify regarding his role as the Senior Deputy Attorney General ("SDAG") in 2013. Indeed, Commissioner Newton's testimony is significant because, in 2013, the NTA issued at least two letters approving of Petitioners' form leases. *See* November 13, 2013 Letter, attached as **Exhibit 1**; *see also* December 10, 2013 Letter, attached as **Exhibit 2**. It is further believed that Commissioner Newton's functions in 2013 included representing the NTA to ensure the NTA complied with all legal requirements, interpreting NRS Chapter 706 and NAC Chapter 706 as applied to Petitioner's Master Leases, and assessing Petitioners' legal compliance with then existing state law and regulations. Consequently, Commissioner Newton's testimony will be essential to establishing the NTA's historical interpretation and application of NRS 706.473 and NAC 706.3753 as applied, not only to Petitioners, but to all taxicab companies in Nevada.

It should also be noted, that as the SDAG in 2013 and pursuant to NRS 233B.122(1), Commissioner Newton served as the "prosecutor" in Petitioners' requests to approve their form leases. As such, there is no question that Commissioner Newton is disqualified pursuant to NRS 233B.122(1).

Lastly, mindful of his involvement as the SDAG in 2013 and as a material witness at the Hearing, Commissioner Newton's involvement as a hearing officer gives the opposite appearance of impartiality. Practically speaking, is Commissioner Newton going to begin the Hearing as a hearing officer, then "take the stand" as a witness, and then consider his own testimony as an impartial hearing officer? This presents an impossible scenario, and one that deprives the Petitioners of due process under the law. *See Schweiker*, 456 U.S. at 195, 102 S. Ct. at 1670 ("due process demands impartiality on the part of those who function in judicial or quasi-judicial capacities"). Therefore, there seems but one choice, Commissioner Newton must be disqualified.

SIMONS HALL JOHNSTON PC
6490 S. McCarran Blvd., Ste. F-46
Reno, NV 89509
Phone: (775) 785-0088

C. COMMISSIONER ASSAD MUST ALSO BE DISQUALIFIED.

Many of the same statutory and practical reasons just cited also apply to Commissioner Assad. Commissioner Assad was a member of the NTA Commission in 2013 during the approval of the Master Leases and will provide valuable testimony regarding the NTA's historical interpretation and application of NRS Chapter 706 and NAC Chapter 706. He is also expected to testify regarding the process to revise statutes or code provisions, including how those revisions are interpreted and implemented. Petitioners also believe that Commissioner Assad will specifically testify regarding Petitioners' history of compliance and approval with respect to their Master Leases. Accordingly, Commissioner Assad is also a material witness in the Hearing and must be disqualified.

II. CONCLUSION.

Based upon the foregoing, Petitioners requests that Commissioners Newton and Assad be disqualified from participation as hearing officers at the Hearing and new hearing officers are appointed pursuant to NRS 233B.122(2). In addition, Petitioners respectfully request a continuance of the May 10, 2021 Hearing for purposes of resolving this Motion and the apparent conflicts.

BEFORE THE NEVADA TRANSPORTATION AUTHORITY

IN THE MATTER of the Petitions of Reno Cab Company, Inc. dba Reno Sparks Cab Co., Roy L. Street dba Capitol Cab Company, and Yellow Cab of Reno, Inc.	**DOCKET NOS. 21-03016, 21-03017, and 21-03018**

MOTION TO DISQUALIFY AND MOTION TO CONTINUE

Reno Cab Company, Inc. dba Reno Sparks Cab Co. ("Reno Sparks Cab"), Roy L. Street dba Capitol Cab Company ("Capitol Cab"), and Yellow Cab of Reno, Inc. ("Yellow Cab") (hereinafter collectively "Petitioners"), by and through their counsel, Mark G. Simons and Jeremy B. Clarke of SIMONS HALL JOHNSTON PC, hereby move to disqualify Commissioners David Newton and George Assad from acting as hearing officers for the Nevada Transportation Authority ("NTA") during the May 10, 2021 Hearing regarding Petitioners' Petitions to Deviate.

I. BASIS OF MOTION.

This hearing is necessitated because the NTA is attempting to alter its "Master Lease" regulations and precedent which it has followed since 1993. Despite consistent application of NRS Chapter 706 and NAC Chapter 706 for approximately 28 years, on September 3, 2020, the NTA issued a letter unilaterally implementing new regulations in the form of a mandatory "Template Lease." This new regulation mandates that every

Template Lease must be executed and approved by the NTA prior to a driver changing taxicabs even though there were no applicable revisions to NRS Chapter 706 or NAC Chapter 706. Under the NTA's new regulation, each Template Lease limits individual drivers to a single taxicab, improperly creating a lessor/lessee relationship between the taxicab and the driver, rather than the company and driver.

In light of the new regulation, the NTA required Petitioners to file Petitions to Deviate on March 12, 2021 (the "Petitions") seeking a variance from the NTA to deviate slightly from new regulation, while at the same time maintaining compliance with statutory and code requirements. On April 8, 2021, at its regularly scheduled meeting, the NTA considered the petitions and determined that a hearing, set for May 10, 2021 was appropriate (the "Hearing"). At present, Commissioner David Newton is scheduled to preside over the Hearing. Unfortunately, however, Petitioners will be calling Commissioners Newton and Assad as material witnesses at the Hearing, creating the appearance potential bias and an unwaivable conflict. Accordingly, Commissioners Assad and Newton must be disqualified from acting as hearing officers during the Hearing.

II. LEGAL ARGUMENT.

A. APPLICABLE AUTHORITIES REQUIRING DISQUALIFICATION.

To begin, "[t]he hearing officers involved in this case serve in a quasi-judicial capacity, similar in many respects to that of administrative law judges. As this Court repeatedly has recognized, due process demands impartiality on the part of those who function in judicial or quasi-judicial capacities." *Schweiker v. McClure*, 456 U.S. 188, 195, 102 S. Ct. 1665, 1670 (1982); *see also In re Murchison*, 349 U.S. 133, 136, 75 S.Ct. 623, 625 (1955) ("to perform its high function in the best way 'justice must satisfy the appearance of justice'").

Specifically, the Nevada Administrative Procedures Act requires that in a contested case, "[o]pportunity must be afforded all parties to respond and present evidence and argument on all issues involved." NRS 233B.121(4). Further, "[e]ach party may call and

examine witnesses, introduce exhibits, cross-examine opposing witnesses on any matter relevant to the issues . . . ." NRS 223B.123(4).

NRS 233B.122(1) provides that, "[n]o agency member who acts as an investigator or prosecutor in any contested case may take any part in the adjudication of such case." NRS 233B.122(1). The Administrative Procedures Act identifies the protocol for replacing an officer when there has been a disqualification as follows:

> If an officer of an agency disqualifies himself or herself or is disqualified from participating in the adjudication of any contested case in which a decision will be rendered which is subject to judicial review, the officer shall send within 3 working days after the disqualification a notice of it to the authority which appointed him or her to the agency. The appointing authority shall within 5 working days after receiving the notice appoint a person to serve in the place of the disqualified officer only for the purpose of participating in the adjudication of the contested case.

NRS 233B.122(2).

In addition, the United States Code, Federal Rules of Evidence, and Nevada Code of Judicial Conduct all mandate disqualification of a judicial officer when that officer is a material witness concerning the matter in dispute. For instance, disqualification is required when such "judge or lawyer has been a material witness concerning [the matter]." 28 U.S.C. § 445(b)(2). Rule 605 of the Federal Rules of Evidence provides, "the presiding judge may not testify as a witness at trial." FRE 605. Finally, in Nevada, judicial officers are also disqualified when they are likely to be a material witness in the proceeding. NCJC 2.11(A)(2)(d).

B. COMMISSIONER NEWTOWN SHOULD BE DISQUALIFIED.

The factual history of the NTA's previous approvals of Petitioners' Master Leases is critical to determining whether the NTA acted arbitrarily by unilaterally creating and implementing new regulations during the Hearing. Pertinent to the instant Motion, Petitioners will demonstrate through documentary evidence and witness testimony that the NTA routinely approved Petitioners' Master Leases for decades, including in 2013. In reliance on these routine approvals through the NTA's lawful application of NRS 706.473

SIMONS HALL JOHNSTON PC
6490 S. McCarran Blvd., Ste. F-46
Reno, NV 89509
Phone: (775) 785-0088

and NAC 706.3753, Petitioners structured their business operations to remain in compliance with NTA regulations.

At the Hearing, Commissioner Newton will be called as a witness to testify regarding his role as the Senior Deputy Attorney General ("SDAG") in 2013. Indeed, Commissioner Newton's testimony is significant because, in 2013, the NTA issued at least two letters approving of Petitioners' form leases. *See* November 13, 2013 Letter, attached as **Exhibit 1**; *see also* December 10, 2013 Letter, attached as **Exhibit 2**. It is further believed that Commissioner Newton's functions in 2013 included representing the NTA to ensure the NTA complied with all legal requirements, interpreting NRS Chapter 706 and NAC Chapter 706 as applied to Petitioner's Master Leases, and assessing Petitioners' legal compliance with then existing state law and regulations. Consequently, Commissioner Newton's testimony will be essential to establishing the NTA's historical interpretation and application of NRS 706.473 and NAC 706.3753 as applied, not only to Petitioners, but to all taxicab companies in Nevada.

It should also be noted, that as the SDAG in 2013 and pursuant to NRS 233B.122(1), Commissioner Newton served as the "prosecutor" in Petitioners' requests to approve their form leases. As such, there is no question that Commissioner Newton is disqualified pursuant to NRS 233B.122(1).

Lastly, mindful of his involvement as the SDAG in 2013 and as a material witness at the Hearing, Commissioner Newton's involvement as a hearing officer gives the opposite appearance of impartiality. Practically speaking, is Commissioner Newton going to begin the Hearing as a hearing officer, then "take the stand" as a witness, and then consider his own testimony as an impartial hearing officer? This presents an impossible scenario, and one that deprives the Petitioners of due process under the law. *See Schweiker*, 456 U.S. at 195, 102 S. Ct. at 1670 ("due process demands impartiality on the part of those who function in judicial or quasi-judicial capacities"). Therefore, there seems but one choice, Commissioner Newton must be disqualified.

Reno, NV 89509
Phone: (775) 785-0088

C. COMMISSIONER ASSAD MUST ALSO BE DISQUALIFIED.

Many of the same statutory and practical reasons just cited also apply to Commissioner Assad. Commissioner Assad was a member of the NTA Commission in 2013 during the approval of the Master Leases and will provide valuable testimony regarding the NTA's historical interpretation and application of NRS Chapter 706 and NAC Chapter 706. He is also expected to testify regarding the process to revise statutes or code provisions, including how those revisions are interpreted and implemented. Petitioners also believe that Commissioner Assad will specifically testify regarding Petitioners' history of compliance and approval with respect to their Master Leases. Accordingly, Commissioner Assad is also a material witness in the Hearing and must be disqualified.

II. CONCLUSION.

Based upon the foregoing, Petitioners requests that Commissioners Newton and Assad be disqualified from participation as hearing officers at the Hearing and new hearing officers are appointed pursuant to NRS 233B.122(2). In addition, Petitioners respectfully request a continuance of the May 10, 2021 Hearing for purposes of resolving this Motion and the apparent conflicts.

To begin, "[t]he hearing officers involved in this case serve in a quasi-judicial capacity, similar in many respects to that of administrative law judges. As this Court repeatedly has recognized, due process demands impartiality on the part of those who function in judicial or quasi-judicial capacities." *Schweiker v. Specifically, the Nevada Administrative Procedures Act requires that in a contested case, "[o]pportunity must be afforded all parties to respond and present evidence and argument on all issues involved." NRS 233B.121(4). Further, "[e]ach party may call and

BEFORE THE NEVADA TRANSPORTATION AUTHORITY

In Re: The Application of High Altitude Services, LLC d/b/a Reno Tahoe Movers for authority to modify tariff rates pursuant to NAC 706.1384.	))))	Docket 21-03023

At a general session of the Nevada Transportation Authority held on May 13, 2021.

PRESENT: Chairman Dawn Gibbons
Commissioner George Assad
Commissioner David Newton
Deputy Commissioner Jennifer De Rose

ORDER

Based on the evidence of record, the Nevada Transportation Authority ("Authority") makes the following findings:

1. That an Application was filed with the Authority by High Altitude Services, LLC d/b/a Reno Tahoe Movers (**"**Applicant**"**), a carrier certificated to provide transportation of household goods as described in Certificate of Public Convenience and Necessity ("CPCN") 3372, for authority to modify tariff rates pursuant to NAC 706.1384.
2. That the Application was properly noticed to the public and there were no Petitions for Leave to Intervene or Protests filed.
3. That the Applicant seeks to:
    a. Segment pricing to address seasonal demands by separating rates into two categories. One category for January, February, and March, and the second category for the months of April through December.
    b. Increase labor rates according to the following table:

\\\

\\\

# of Men and Trucks	Month	Old Rate Range of Rates	New Rate Range of Rates
Driver, Laborer, and vehicle	January, February, March	$140.00 per hour	No Change
Each Additional Laborer		$45.00 per hour	$50.00 per hour
Mileage Fee		$1.00 per mile over 50 miles	No Change
Driver, Laborer, and vehicle	April through December	$140.00 per hour	$150.00 per hour
Each Additional Laborer		$45.00 per hour	$55.00 per hour
Mileage Fee		$1.00 per mile over 50 miles	No Change

4. That the hourly are approximately 4% higher than the current range of rates currently charged by the industry for similar services. Staff expresses no concern since household goods carriers offer a wide range of rates and customers can request estimates.
5. That the Applicant has not requested a rate increase since June 2019.
6. That based upon all the records relating to the Application and after investigation:
    a. The Application on file herein comes within the purview of the statutes of the State of Nevada and within the regulatory jurisdiction of the Authority.
    b. The proposed tariff modification will be consistent with the public interest and will not operate to defeat the legislative policy set forth in NRS 706.151.

///

///

///

///

Therefore, based upon the foregoing findings, it is ORDERED that:

1. Upon the Applicant reimbursing the Authority for the costs of noticing related to the Application, the tariff modification proposed by High Altitude Services, LLC d/b/a Reno Tahoe Movers is hereby GRANTED.
2. The Authority retains jurisdiction for the purpose of correcting any errors that may have occurred in the drafting or issuance of this Order.

Reason for request: I am requesting an appeal on my citation because I showed proof that my passengers were in fact engaged in interstate commerce. In fact being pilots for fedex that were transported to the hotel. the Nevada transportation Authority commission failed to meet their burden of proof that my passengers were not pilots. The burden of proof is in fact on the state they have not met that standard, if they think they have I would like to see proof that these passengers were not pilots. I have 100% proof that they were indeed pilots. wearing a uniform has nothing to do with meeting the criteria of Interstate Commerce.

In re Administrative Citation 21398	)	**WAIVER OF FORMAL FINDINGS OF FACT AND CONCLUSIONS OF LAW and WAIVER OF CERTIFIED MAILING**
issued to Vanessa Jacobsen	)	

The parties to the above-captioned matter having agreed to dispose of the case by stipulation or agreed settlement, do hereby waive the requirement under Nevada Revised Statute ("NRS") 233B.125 that the Authority's final order include findings of fact and conclusions of law. The parties have read and understand the EXPLANATION of applicable law set forth below. Specifically allowed under NRS 233B.121, this waiver is made knowingly and voluntarily.

The parties further waive the right to be served with the Authority's final Order personally or by certified mail, and agree to service of the final Order by regular mail.

EXPLANATION

When the Nevada Transportation Authority ("Authority") decides a case in which an administrative fine or penalty may be imposed, Nevada Revised Statutes ("NRS") 233B.125 requires that a final order be issued. The final order must include findings of fact (a statement of the underlying facts) and conclusions of law, separately stated. NRS 233B.121 allows parties to waive the requirement of findings of fact and conclusions of law when they agree to informally dispose of a case by stipulation or agreed settlement.

When the parties to an Administrative Citation matter stipulate/agree that the underlying facts occurred and the Respondent admits to the violation(s) as alleged, the findings of fact section contained in the final order summarizes or restates the facts as set forth in the Investigation Report (provided to the parties) and the conclusions of law section sets forth the specific statute(s) or regulation(s) the Respondent agrees s/he violated.

There is no requirement that either party waive the right to a final order containing findings of fact and conclusions of law. However, if the parties choose to do so, a final order will issue which includes, generally: 1) The stipulations and admissions of the parties; 2) The Hearing Officer's recommendations to the Authority regarding which statute(s) or regulation(s), if any, the Respondent has violated and fine amounts, if any, to be imposed; and 3) An order from the Authority approving, modifying, or setting aside the Hearing Officer's recommendations.

BEFORE THE NEVADA TRANSPORTATION AUTHORITY

In re Citation 21398 issued to Vanessa Jacobsen for violations of NRS 706.386 and NRS 706.758.	)))	Citation No. 21398

At a general session of the Nevada Transportation Authority held on October 15, 2020.

PRESENT: Chairman Dawn Gibbons
Commissioner George Assad
Commissioner David Newton
Deputy Commissioner Jennifer De Rose

ORDER

On October 1, 2020, a hearing on the above-captioned matter was held before Commissioner Dawn Gibbons, serving in her capacity as Hearing Officer for the Nevada Transportation Authority ("Authority") or ("NTA"). The cited party, Vanessa Jacobsen ("Respondent"), was present via Webex and elected to proceed without counsel.

After hearing the allegations, the respective arguments, and having considered the evidence introduced by both parties and being fully advised, the Hearing Officer, pursuant to Nevada Revised Statute ("NRS") 706.386 and NRS 706.758, prepared a proposed decision for review by the Authority.

Based on that proposed decision, the Authority makes the following Findings of Fact and Conclusions of Law, which constitute a final order affirming the decision of the Hearing Officer. Any Finding of Fact that would be better deemed a Conclusion of Law or vice versa shall be so construed. Under NRS 706.151, the Authority has legal jurisdiction and authority over this matter.

FINDINGS OF FACT

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains the legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Fact.

1. That for several months during the last part of 2019, Investigators Truitt and Schilling received information from certified carriers and Transportation Network Company ("TNC") drivers that Respondent was providing unlawful transportation in the state of Nevada. Respondent is known as an active driver for both Uber and Lyft.
2. The investigation began around August of 2020, when investigators observed Respondent operating out of the Reno Tahoe Airport limousine pick up area. On August 12, 2020, investigators observed Respondent pick up two male adults from the airport, then transport them to the Renaissance Hotel located in downtown Reno.
3. The NTA also received information that Respondent was regularly operating out of the Edgewood Tahoe Resort ("Edgewood"). Investigators contacted security personnel at the Edgewood who stated that Respondent regularly picks up and drops off passengers. On several occasions, Respondent presented a personal business card with her name and cell phone number. Respondent was holding herself out as an independent contractor who provides unlawful intrastate passenger transportation.
4. On September 10, 2020, Investigators requested the concierge at the Edgewood arrange a ride from Respondent to the Reno Tahoe Airport. The connection was made using the phone number of 775-450-1759 listed on Respondent's personal business card. The ride was arranged for September 11, 2010 at 6:30 am.
5. Additionally, Respondent requested the concierge call Lakeshore Pacific, Inc., d/b/a Sierra Pacific Limousine ("Lakeshore Pacific") at 775-588-4500 and request Respondent.

6. Further investigation revealed that Lakeshore Pacific was an NTA certified carrier. However, their CPCN was revoked in 2018.
7. On September 11, 2020, Investigators staged at the Edgewood waiting for their ride. Upon entering the property, Respondent contacted the Investigators. After a brief conversation, the Investigators identified themselves. Respondent was advised that she was providing unlawful intrastate transportation and Investigators requested that she exit the vehicle. Respondent refused. After a brief encounter, Respondent exited the vehicle. A further conversation occurred outside the vehicle and Respondent kicked Investigator Gravel in the chest. Respondent was placed under arrest and transported to the Douglas County Sheriff's Office where she was booked for battery on a peace officer.
8. Respondent could not provide a current CPCN to offer intrastate transportation.
9. Respondent testified that all the rides she provided were arranged through Lakeshore Pacific and that she never collected any money. Additionally, Respondent testified that she was providing interstate passenger transportation only not intrastate transportation. Therefore, her rides did not require a Nevada CPCN.
10. During the hearing, Respondent offered several emails that were admitted into evidence and were marked as Respondent's exhibit #1.
11. The Investigation Report for citation #21398 was marked into evidence (identified as State's Exhibit 1 and incorporated herein by reference).
12. The State argued that the Investigative Report, State's Exhibit 1, and the testimony provided, established clear violations of NRS 706.386 and NRS 706.758 due to the Respondent's pattern and practice of providing unlawful intrastate passenger transportation. Respondent's rides were generated by way of advertising a personal business card which displayed only the Respondent's name and personal cell phone

number. The Respondent advertised for business by presenting herself as an independent transportation service that provided unlawful rides in the state of Nevada.

CONCLUSIONS OF LAW

Authority Staff requested that a $5,000.00 fine be assessed for the violation of NRS 706.386, with $4,000.00 suspended for two years, and a fine of $1,000.00 be assessed for the violation of NRS 706.758 with $1,000.00 suspended for two years provided there are no further violations of NRS 706 or NAC 706 and timely payment of fines.

The Hearing Officer, having fully considered the above-mentioned Findings of Fact and Conclusions of Law recommended to the Authority:

1. That a finding of one violation of NRS 706.386 be entered.
2. That a finding of one violation of NRS 706.758 be entered.
3. That the fine recommendations of the Authority Staff be adopted.

ORDER

IT IS THEREFORE ORDERED, based on the foregoing Findings of Fact and Conclusions of Law:

Reason for request: I am requesting an appeal on my citation because I showed proof that my passengers were in fact engaged in interstate commerce. In fact being pilots for fedex that were transported to the hotel. the Nevada transportation Authority commission failed to meet their burden of proof that my passengers were not pilots. The burden of proof is in fact on the state they have not met that standard, if they think they have I would like to see proof that these passengers were not pilots. I have 100% proof that they were indeed pilots. wearing a uniform has nothing to do with meeting the criteria of Interstate Commerce.

In Re Administrative Citation Number 22410)
) **WAIVER OF FORMAL FINDINGS OF**
issued to Shannon Williams) **FACT AND CONCLUSIONS OF LAW**

The parties to the above-captioned matter having agreed to dispose of the case by stipulation or agreed settlement, do hereby waive the requirement under Nevada Revised Statute ("NRS") 233B.125 that the Authority's final order include findings of fact and conclusions of law.

The parties have read and understand the EXPLANATION of applicable law set forth below.

Specifically allowed under NRS 233B.121, this waiver is made knowingly and voluntarily.

Respondent Signature	Deputy AG Signature
Respondent Printed Name	Louis Csoka Deputy AG Printed Name

Dated this _____ day of _____, 2021/ Las Vegas, Nevada.

EXPLANATION

When the Nevada Transportation Authority ("Authority") decides a case in which an administrative fine or penalty may be imposed, Nevada Revised Statutes ("NRS") 233B.125 requires that a final order be issued. The final order must include findings of fact (a statement of the underlying facts) and conclusions of law, separately stated.

NRS 233B.121 allows parties to waive the requirement of findings of fact and conclusions of law when they agree to informally dispose of a case by stipulation or agreed settlement.

When the parties to an Administrative Citation matter stipulate/agree that the underlying facts occurred and the Respondent admits to the violation(s) as alleged, the findings of fact section contained in the final order summarizes or restates the facts as set forth in the Investigation Report (provided to the parties) and the conclusions of law section sets forth the specific statute(s) or regulation(s) the Respondent agrees s/he violated.

There is no requirement that either party waive the right to a final order containing findings of fact and conclusions of law. However, if the parties choose to do so, a final order will issue which includes, generally: 1) The stipulations and admissions of the parties; 2) The Hearing Officer's recommendations to the Authority regarding which statute(s) or regulation(s), if any, the Respondent has violated and fine amounts, if any, to be imposed; and 3) An order from the Authority approving, modifying, or setting aside the Hearing Officer's recommendations.

Good morning Mr. Williams,

Per our conversation yesterday, your debt in the total amount of $200 was issued as a result of your failure to appear to the hearing. In our conversation you did identify some personal issues which may have contributed to the failure to appear. The following options are available for you to remedy your fine at this time:

You are able to pay the debt in full or by way of payment installments via an approved payment arrangement. If you satisfy payment but do not remedy the failure to appear, your name will remain on the ineligible drivers list.

If you would like to seek reconsideration of the fine amount and/or the failure to appear, you are able to do so via filing a Petition for Reconsideration form. This affords you the ability to be heard for reconsideration before the Authority Commission. This process has an associated filing fee of $50. Per our conversation yesterday you are welcome to make a request to waive the filing fee due to financial hardships for consideration by our Deputy Commissioner.

If this is something you would like to consider, you may return the completed form with payment of $50 filing fee to either of our office locations (listed below). If the filing and fee is received on or before April 15, 2021 (filing deadline), the reconsideration can be scheduled for the General Session Meeting which is tentatively scheduled for May 13, 2021. Commissioner David Newton
Deputy Commissioner Jennifer De Rose

ORDER

On November 30, 2018, a hearing on the above-captioned matters was held before Commissioner George Assad serving in his capacity as Hearing Officer for the Nevada Transportation Authority ("Authority"). The Respondent to Citations 20662 and 20663 and registered owner of the impounded vehicle, Derrick Cook, was present and elected to proceed without counsel.

After hearing the allegations, the respective arguments, and having considered the evidence introduced by both parties and being fully advised, the Hearing Officer, pursuant to Nevada Administrative Code ("NAC") 706.4015, prepared a proposed decision for review by the Authority. Based on that proposed decision, the Authority enters the following final order affirming the decision of the Hearing Officer. Under Nevada Revised Statutes ("NRS") 706.151, the Authority has legal jurisdiction and authority over this matter.

At hearing, the parties knowingly and voluntarily stipulated and agreed as follows:

1. To the admission of Citations 20662 and 20663 and the Investigation Report for the Citations and related impound into evidence (identified as State's Exhibit 1 and incorporated herein by reference) and that the facts as set forth therein were true and accurate;

2. That Derrick Cook is the registered owner of the impounded vehicle in this matter and was present at the hearing regarding said vehicle;
3. That the use of the vehicle in intrastate commerce without a certificate of public convenience and necessity ("CPCN") violated NRS 706.476 (2)(b)(2) and (3) in that:
    a. No CPCN had been issued authorizing the use of the impounded vehicle in intrastate commerce for passenger transportation; and
    b. That the impounded vehicle did not meet all required standards of the Authority;
4. That no CPCN had been issued by the Authority authorizing the operations or advertising undertaken by the Respondent in this matter;
5. That the Respondent's actions constituted one violation of NRS 706.386, and one violation of NRS 706A.280 as alleged and that the impoundment of the vehicle pursuant to NRS 706.476 was proper;
6. That no fine shall be assessed for the impoundment of the vehicle in this matter;
7. That a fine in the amount of $2,500.00 for the NRS 706.386 violation with $2,200.00 of said fine amount suspended pending no further violations of NRS 706 or NAC 706 within one year;
8. That no fine or disqualification be imposed for the NRS 706A.280 violation; and
9. To waive the requirement that the Authority's final order contain formal Findings of Fact and Conclusions of Law as required under NRS 233B.125 (waiver entered as Exhibit 2).

DISCUSSION

The Hearing Officer recommended to the Authority:

1. That the stipulations and agreements of the parties as set forth hereinabove be accepted;
2. That the impoundment of the vehicle be deemed proper under NRS 706.476;

3. That with respect to Citation 20662, findings enter against the Respondent for one violation of NRS 706.386, relating to operating as a fully regulated carrier without authority; and
4. That with respect to Citation 20663, findings enter against the Respondent for one violation of NRS 706A.280, relating to solicitation of a passenger for off-app transportation.

Agenda Item# 98

These Dockets have an extremely long history (Attachment 1). They were last addressed at the July 22, 2020 general session:

July 22, 2020 general session (item #223).

> **Docket 16-11028 and 16-11029** The Joint Application of Lewis Carriages, Inc. d/b/a All Resort Limousines ("Lewis") for temporary transfer of operating rights under 16-11028 and also under 16-11029 for authority to sell and transfer and Abraham Limo Service, Inc. ("ALV") to purchase and acquire the authority to provide charter limousine, airport transfer and special service within the State of Nevada granted under CPCN 1125 through application for temporary transfer of operating rights and through application for final sale and transfer, respectively. Staff investigation concluded. (GA)
>
> *Brent Carson, Esquire appeared on behalf of Lewis Carriages. Applications Manager Liz Babcock summarized the procedural history of the dockets and requested the application amendment be filed within 15 business days and that the remaining documentation be filed within 60 days. Approved 3-0*

Following July 22, 2020:
To date no amendment has been filed to remove the ten (10) additional vehicles. Staff has been reviewing ALV's financial documentation submitted for this application, both the 2019 Annual Report, and financial documentation for 2020. The financial statements as presented have not been consistent and are not in conformity with U.S. GAAP, therefore cannot be relied upon. Staff cannot support these applications and will be requesting an application hearing.

Additionally, based on subsequent events (indicated below) ALV has plans to transfer CPCN 1125 to William Floyd. The Sale and Transfer of 51% of ALV from Floyd to Abraham occurred in 2017 and has not been reported to the NTA. Due to a falling out of the parties, and court proceedings for a lawsuit, Abraham is to transfer CPCN 1104 (original ALV CPCN) to Floyd. During that same time period Abraham transferred CPCN 1104 to Crown Limo on a temporary transfer. The courts agreed to allow Abraham to substitute CPCN 1125 (Lewis CPCN) for CPCN 1104 as settlement of the lawsuit.

CONCLUSION: Staff (speaking for myself) is unsure how to proceed due to the unreported/unresolved issues and is requesting an Order to Show Cause be issued to Abraham Limo Service, Inc. in order to get them resolved.

Items of concern:

- in **2017** there was an unreported change in ownership of ALV, resulting in Mulugeta Abraham being 100% owner. Staff is requesting a deadline for that application filing.

- Crown Limo was granted temporary operating rights of ALV's CPCN 1104 on 4/4/19 and has been out on a temporary discontinuance since 3/15/20 – the temporary transfer 24 month period has now expired, (February 21, 2019, will be on the June agenda) no sale and transfer application has been filed to date.

- There was a lawsuit between the original owners of ALV, CPCN 1104, and as a result CPCN 1104 was to revert back to William Floyd – the prior 51% owner of ALV –(William Floyd is still the 51% owner on record with the NTA).

- Since CPCN 1104 had already been transferred to Crown Limo (temporary transfer Docket 18-08033), an agreement was made through the courts to allow ALV to transfer CPCN 1125 in place of CPCN 1104.

- Mr. Floyd's attorney has been working on an application for the sale and transfer of CPCN 1125 from ALV to Mr. Floyd, however, a complete application has not been filed, and there would have to also be a sale and transfer filed for the original 2017 transfer between Mulugeta Abraham and William Floyd.

Vegas VIP Limousine, LLC
Sale and Transfer Application
Docket 20-12015
May 13, 2021 General Session

Application Summary:
On December 14, 2020, Vegas VIP Limousine, LLC ("Vegas VIP") and Vegas Sky Limousine, LLC d/b/a Sky Limo ("Vegas Sky") filed a joint application for Vegas VIP to sell and transfer and Vegas Sky to purchase and acquire the authority granted under CPCN 1109, Sub 1. Vegas Sky's owners/members are Damir Akmeyev and Milko Kadikov, 50% each.

Carrier's History:
Vegas VIP is granted the authority to provide charter limousine service under CPCN 1109, Sub 1 with a fleet restriction of two (2) vehicles (Exhibit A). Mr. Daniel Nunes is the sole owner/member and hastwo (2) vehicles in the fleet.

Staff Discussion:
Staff supports this application, and therefore requests the application hearing be dispensed per NRS 706.391(9). The following procedures were performed by Staff with acceptable results and their basis to support this application:

1) The application was properly noticed and no petitions for leave to intervene or protests were filed.

2) Background investigation was performed with no areas of concern (Exhibit B).

1) Pro Forma Balance Sheet – lists 2 vehicles on the PFBS, which were part of the sale and transfer agreement. The equity ratio is 100%. There is also enough cash to cover 90 days' worth of fixed expenses. A cash infusion of $26,000 is required, (Exhibit C). Staff's review noted that the value for the 2009 vehicle is overstated by $11,000, which would reduce assets by $11,000 and record goodwill of $11,000. However, this does not change Staff's opinion since it does not affect total equity. The effect is that depreciation expense on the vehicles is overstated and there is no amortization of good will for the overstatement of vehicle fair market value. These amounts are not material.

2) Pro Forma Income Statement - projects overall $253,440 in sales and $73,424 in net income (Exhibit D). Vegas VIP's most recent annual report for 2019 reported sales of $324,440 and a net loss of $25,990.

3) Tariff – the proposed rates are within the range of rates currently charged by the industry for similar services. (Exhibit E)

Application for Household Goods Mover Authority
Docket 21-01009
May 13, 2021 General Session

OK
GA

Application Summary:
On January 12, 2021, Ella Baby Inc. d/b/a College Hunks Hauling Junk & Moving ("Applicant") filed an application requesting authority to transport household goods within Clark County, Nevada on the one hand and State of Nevada on the other hand and to operate four (4) vehicles. Said application was designated as docket 21-01009. Robert Epstein is the sole owner of the Corporation.

Staff Analysis:
Staff supports this application, and therefore requests the application hearing be dispensed per NRS 706.391(9). The following procedures were performed by Staff with acceptable results and is their basis to support this application:

1) The application was noticed and no petitions for leave to intervene or protests were filed.

1) Background investigation was performed with no areas of concern. (**Attachment A**)

2) Market – staff does not require household goods movers to provide market. Staff recognizes that documentary evidence is difficult to compile since moving is not a highly repetitive activity compared to market for transporting passengers.

3) Pro Forma Balance Sheet – lists 2 moving trucks (one financed currently, 1to be financed in the future), and 1 junk truck. The other 2 moving trucks will be leased and per current accounting principles are not required to be reported on the balance sheet. The equity ratio 48.2% equity and the current ratio is 2.71 to 1. A cash infusion of $129,462 has been made and there is enough cash to cover 90 days' worth of fixed expenses and no further cash infusion is required (**Attachment B**).

4) Pro Forma Income Statement – The applicant expects to start the first year with one (1) vehicle, expanding to two (2) in the third month, then proceed to the full four (4) in year two (2). The applicant projects net income of $51,176 on $450,000 of revenues for the first 12 months of combined moving and junk removal operations. Staff feels the revenue projections are conservative based on a comparative carrier with CPO Enterprises, LLC d/b/a Christopher Moving (CPCN 3360, Sub 1) and Nevada Movers Express, Inc. d/b/a Family Movers Express (CPCN 3259). Staff's analysis did not disclose any material errors or omissions that would materially affect net income and make the proposed operations not compensable. (**Attachment C**)

5) Tariff – the proposed rates were compared to several existing carrier's tariffs with similar authorities and geographical restrictions [All My Sons moving and Storage of Las Vegas, LLCs (CPCN 3256, Sub 3), Warren's Moving, LLC d/b/a Warren's Moving (CPCN 3246.1), and Black Wolf Moving Nevada, LLC d/b/a Two Men and a Truck (CPCN 3343, Sub 1)] and were found to be within the range of rates currently charged for similar services. (**Attachment D**)

6) Additional Item – Staff is concerned with the number of College Hunks Hauling Junk & Moving Franchises that will be allowed in Las Vegas and the surrounding areas. Staff believes this could cause confusion to the traveling public. The carrier has indicated that the legal name will be on the

doors of their trucks and the fictitious firm name will be along the side of the truck since it is too long for the door. Staff is recommending and the carrier has agreed to ensure each Bill of Lading, and customer invoice clearly states the franchise corporate name as well as the fictitious firm name, College Hunks Hauling Junk & Moving. This has been added as a compliance item and Staff is requesting that this be added to their CPCN wording.

There is currently an approved household goods mover carrier in the compliance phase of their application process, Docket 20-09014 Moving up Enterprise, d/b/a College Hunks Hauling Junk & Moving, ("Moving Up") that will also be operating in Las Vegas. Moving Up will be operating in Zones 2 and 3 as designated on the attached Franchise Zone Map while Ella Baby, Inc. d/b/a College Hunks Hauling Junk & Moving will be operating in zones 4 and 5 **(Attachment E)** Staff is not concerned with any overlapping of services since that would be a franchise issue.

PROJECTED REVENUE NARRATIVE:

The projected revenue for the first year of operations is based upon the potential for the Company to expand by advertising, leveraging the College Hunk Hauling Junk and Moving franchise brand proven expertise and systems - which include extensive marketing program, brand recognition, coaching, training, and the franchise skilled customer support center.
The projected total revenue of $450,000 is reflective of an initial single move vehicle and a single junk hauling vehicle. An aggressive adverting plan will help the Company expand its monthly revenues to $52,500 by the end of the 12- month period across both revenue streams ($250K move / $200K junk hauling). It is anticipated it will take a full year to reach these targets. The company is prepared to add additional vehicle/s if revenue targets are achieved or are superseded. Any additional vehicles will eventually bring $20,000 to $30,000 in monthly revenues.
The projections are based upon a 30-day month and allow for time for each vehicle for scheduled maintenance, or other issues which could keep a vehicle non-operational at any time.
The Company anticipates working with real estate agents representing residential and commercial buyers and sellers and property managers. Additionally, the franchise brand has achieved great success with their other hundreds of franchise owners running marketing campaigns, online advertising, and mailers this company will partake in all these programs as well. The franchise brand also has already achieved national recognition and acknowledgment through its brand growth, marketing programs and charity endeavors.

12 MONTH STATEMENT OF PRO-FORMA INCOME & EXPENSE FOR ELLA BABY INC. DBA COLLEGE HUNKS HAULING JUNK & MOVING
INCOME:

Revenue: The income will be composed from two different streams - local moves consistent with tariffs as well as junk hauling jobs. There will be one (l) truck available full time to do the moves and one (1) junk hauling truck to handle the junk hauling jobs initially. It is anticipated to begin operations in the April 2021 time frame. The per month revenue Is conservatively calculated

- Using an average of $800 per move and an average of $350 per junk haul
- These stats were derived from franchise existing averages and from research of similar companies starting in similar demographics

- A conservative approach was taken by using a below average first year revenue assumption – assumption used was below the average disclosed in the franchise revenue disclosure for other starting franchise owners starting operations over the last 12 months

To achieve the initial month projected $10,000 revenue ($5,000 for moving / $5,000 for junk hauling). May 13, 2021 General Session

Application Summary:
On February 23, 2021, Skyline Moving Service, LLC ("Applicant") filed an application requesting authority to increase its vehicle fleet size from one (1) to three (3) vehicles. The application also includes tariff modifications. Houston Osemwengie is the sole owner of the LLC. Skyline was certificated on October 15, 2019 with one (1) vehicle. (Exhibit A)

Staff Analysis:
Staff supports this application, and therefore requests the application hearing be dispensed per NRS 706.391(9). The following procedures were performed by Staff with acceptable results and their basis to support this application:

1) The application was noticed and no petitions for leave to intervene or protests were filed.

2) The tariff modification was noticed on April 19, 2021 and to date no PLTI's have been filed. The period for filing expires on May 19, 2021.

3) Background investigation, including an operational inspection, was performed with no areas of concern noted. (Exhibit B)

4) Market – staff does not require household goods movers to provide market. Staff recognizes that documentary evidence is difficult to compile since moving is not a highly repetitive activity compared to market for transporting passengers. However, the applicant provided a market narrative. (Exhibit C)

5) Pro Forma Balance Sheet – lists 2 trucks on the PFBS. The 3rd truck will be leased and not required to be listed. The equity ratio is 22% and the current ratio is 2 to 1. There is also enough cash to cover 60 days' worth of fixed expenses. A cash infusion is not required. (Exhibit D)

6) Pro Forma Income Statement - projects overall $281,126 in sales and $72,961 in net income. A cursory review noted the following: Depreciation expenses were not included; the total cost of the 3rd truck was incorrectly expensed rather than the lease payments; fuel and repairs/maintenance expenses appear low. The applicant was informed of these errors. Correcting these errors would result in the carrier still being compensable based on their projections. Additionally, revenues projected are aggressive; however, being in the moving business currently has a great advantage in receiving leads over a start-up company. (Exhibit E)

7) The actual income statement for the 12 months ending November 30, 2020 reported $114,373 in revenues and $40,177 in net income.

8) Tariff – The Applicant is seeking tariff modifications and they include: 1) increase all hourly shipping rates, 2) add an inconvenience (aka cancellation) rate, individual delivery rate, additional truck rate, specialty item rates, and material and container rule, 3) change the overtime rate, storage/overnight rate, and 4) remove the minimum charge.

   The proposed rates are within the range of rates currently charged by the industry for similar services, except for the inconvenience and additional truck rates. Staff expresses no concern since customers can request estimates from the Applicant and there are other certificated carriers to choose from with lower rates. (Exhibit F)

EXHIBIT (m)

Facts showing that the proposed operation is or will be beneficial to the traveling public.

Based on a geographic mobility study performed by the US Census Bureau, 11.7% of Americans move every year. Additionally, it discovered that approximately 7.5% of Americans move within their same county each year. Based on the current population of Clark County, that equates to over 160,000 people within the Clark County limits that will move to another home within the county this year alone. To meet this growing demand, people should have quality licensed movers available to assist with their living transitions. After over a year of operations with a high demand for services, Skyline Moving Service, LLC has proven to be an asset in facilitating these moves. The moving process can inevitably be a hassling and stressful endeavor for most people. The service provided by Skyline Moving Service, LLC has focused on relieving some of that stress. It operates based on professionalism and integrity, to make the entire process easy and efficient for its clients. This level of service has earned them high regards with customers proven with very high online review ratings.

In order to capture the attention of potential clients, Skyline Moving Service, LLC intends to continue pursuing various methods of advertising. A strong online presence is a key asset in increasing awareness to individuals who may not have previous heard of Skyline Moving Service, LLC. Some of the online presence will be focused on social media applications such as Instagram, Twitter, Facebook, and Yelp. Each social media application will link to the company website. The use of Search Engine Optimization (SEO) tools has been implemented to bring online traffic to the website. This is accomplished through the use of specialized backlinks that connects the website to several others online, hence increasing its popularity and resulting in a higher search location while using search engines. The website domain has been secured with GoDaddy, and the social media handles have also been secured with their associated application.

Promotional material will continue to be physically developed for advertising purposes. Skyline Moving Service, LLC prints postcards, flyers, and business cards that can be handed to potential clients and locations of interest. Establishments such as storage offices, hardware stores, or other places that attract people who move regularly will be targeted for advertising materials. Skyline Moving Service, LLC will use each of the moving vehicles for advertising with vinyl labeling that provides relevant company information. The vinyl labeling will include the company name, phone number and website in easily readable lettering. The workers will also be provided with work shirts that display the company name, phone number, and website. These materials will all be used for purposes of marketing and advertising Skyline Moving Service, LLC to the general public.

Lastly, Skyline Moving Service, LLC will garner attention of the traveling public from word of mouth. By simply having conversations with people and letting them know about the company will be beneficial to increasing business. The workers will be encouraged to promote for the company, not only through conversations, but also through the quality of service they help to provide. This will motivate clients to spread the word to others and also to become repeat customers. Additional word of mouth promotion will generated through relationships with real estate agents. A relationship has already been established between Skyline Moving Service, LLC and a few realtors, specifically Carlotta King with Keller Williams

Realty and Jessie Sorani with Coldwell Banker Premier Realty. Skyline Moving Service, LLC intends to build additional relationships as the word of our quality services continue to spread.

During the year of 2020, the world has been faced with the ongoing threat of the Corona virus. It has been deemed important for the public to shelter in place and businesses to close. This has resulted in businesses shutting down, many people losing their jobs, and rent not being paid. The Nevada state Governor has issued a moratorium which allowed renters and homeowners to stay where they are without fear of eviction. Once this moratorium expires, there will be a sudden surge in the number of people in need of moving services. Our ability to provide these services to the public will help alleviate the stress of finding available movers.

RE: Docket Number 21-04031
Lyft, Inc. Comments on Proposed Amendments to NAC 706A Regarding TNC Fares During an Emergency

Dear NTA Commissioners,

Lyft, Inc. ("Lyft") appreciates the opportunity to comment on the Nevada Transportation Authority's ("NTA") proposed revisions to Nevada Administrative Code ("NAC") Chapter 706A related to fares charged by Transportation Network Companies ("TNCs") during an emergency. We thank the NTA for considering our suggestions, which are explained in greater detail below.

The revisions to NAC are being considered in response to the unprecedented impact the COVID-19 pandemic has had on TNCs, TNC passengers and TNC drivers in Nevada. While economic recovery in recent months has driven increased demand for transportation services in the state, TNCs have struggled to meet the needs of passengers due, in part, to pricing constraints placed on TNCs during the ongoing state of emergency.[1] Specifically, TNCs have been unable to adjust ride fares to meet current market conditions due to the prohibition on charging fares in excess of the TNC's base rate found in NAC 706A.290.2.

Lyft commends the NTA for recognizing the impact of this issue and appreciates the Commission's leadership and collaboration in working to find a regulatory solution. Lyft believes that the current draft of the proposed amendments is a good start toward resolving the issues that the industry is currently facing, while ensuring that consumers remain protected during a state of emergency as intended when the regulations were originally drafted.

We propose the below revisions to clarify any new requirements introduced by the proposed amendments, and to better enable TNCs to meet the needs of passengers and drivers:

1) Revise NAC 706A.290 to state:

1. Each transportation network company shall notify the Authority of the base rates currently in use by the company, and file with the Authority any new base rates prior to their utilization.
2. During an emergency, as defined in NRS 414.0345, a transportation network company shall not charge a fare in excess of the base rate on file with the Authority on the date of the emergency.
3. ***The prohibitions outlined in section 2 are only in effect for the first seven calendar days after the declaration of emergency as defined in NRS 414.0345.***
4. ~~***All addition revenue generated by the increased fare in excess of the base rate must be paid directly to the driver who provides the transportation services which are subject to the increased fare.***~~

Section 4 should be deleted from the proposed amendments. As drafted, this section could be interpreted to constrain TNC pricing and a TNC's ability to utilize revenues generated therefrom to offer competitive ride prices, reduce rider wait times and maximize utilization of the platform, even when there is no state of emergency. As the intent of these proposed amendments is to address the issue of TNC fares *during a state of emergency*, any amendments that would have broader implications should be removed.

If the NTA declines to remove Section 4 in its entirety, it should clearly state that this requirement is to apply only during a state of emergency as defined in NRS 414.0345. Lyft also respectfully suggests amending the language in Section 4 to provide flexibility as to how fares collected in excess of the base rate on file may be paid to TNC drivers:

4. ***During an emergency as defined in NRS 414.0345, a~~A~~ll additional revenue generated by the increased fare in excess of the base rate must be paid ~~directly~~ to ~~the~~ drivers who use the transportation network company's digital network to provides ~~the~~ transportation services ~~which are subject to the increased fare~~.***

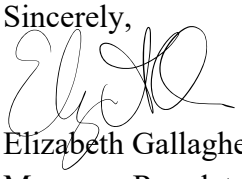

Lyft's predictive analytics and dynamic pricing algorithms allow Lyft to align driver incentives to encourage drivers to be available, at the right times, in areas of high demand. This helps provide drivers with potentially higher earning opportunities by allowing them to maximize their earnings per hour, which can elevate driver satisfaction, increase supply in peak hours and improve the overall efficiency of the marketplace. Fares collected by TNCs in excess of the base

rate may be distributed to drivers throughout the region in the form of driver bonuses and incentives designed to get drivers on the road during periods of high demand. This type of pricing flexibility allows for TNCs to efficiently incentivize drivers to serve passenger demand and should be preserved by any revisions to NAC 706A.

Lyft thanks the NTA for consideration of these comments and looks forward to continuing to work together in this rulemaking process. Please contact me with any questions you may have.

Sincerely,

Elizabeth Gallagher
Manager, Regulatory Compliance
