  1. Each transportation network company shall notify the Authority of the base rates currently in use by the company, and file with the Authority any new base rates prior to their utilization.

*Piper Overstreet, Uber/Raiser, hoped the Authority would consider the proposed language they submitted via email as they feel it more directly reflects the intent of the surge pricing.*

*Alex Larro, Regulatory Counsel, clarified the language submitted by Uber to the Governor.*

*A brief discussion ensued regarding the emergency order signed by the Governor.*

*The discussion included proposals by Uber and Lyft to address supply and demand. Commissioner Assad asked several questions to clarify the industry justification for surge price regulation and stated that Uber and Lyft are asking to increase the surge price of a ride to 3 times the base rate of the ride during an emergency; that their proposal would completely eviscerate NAC 706.290 which was passed and intended to protect the traveling public from price gouging during an emergency so declared by the Governor. Also, that a ride from Summerlin to the airport that normally costs \$50 would be increased to \$150 and that amounts to price fixing and gouging the public and would potentially violate the Sherman Anti-Trust Act. He stated it would not be a smart or popular thing to approve during an election year and that these proposed regulations are a solution to a problem that does not exist and that he was not in support.*

*Commissioner Groover offered a statement that the regulations would create unfair competition with the other regulated carriers that are unable to deviate from their approved tariffs and suggested that the industry meet to find a more equitable solution. Any change would have to include all carriers under Chapter 706 and not create an unfair advantage.*

  - a. The Application on file herein comes within the purview of the statutes of the State of Nevada and within the regulatory jurisdiction of the Authority.
  - b. The Applicant complies with the requirements set forth in NRS 706.4463.

**On the Go Transpo, LLC**  
**Docket 21-03025**  
**November 4, 2021 General Session**

**IT HAS BEEN SUGGESTED THAT THIS MATTER BE CONDUCTED AT A CLOSED SESSION**

Compliance Investigator Desiree Main reports the following:

June 17<sup>th</sup> – limited background hearing was held with Commissioner Newton. The result of this hearing was the applicant was to obtain a police report. If the report was consistent with the testimony then the docket would be placed on the General Session Agenda with an approval recommendation.

Compliance Investigator Main attempted every 2-3 weeks to follow up with the applicant to get the requested document. Mr. Lopez indicted each time that the police departments and the attorney general's office were giving him a hard time about releasing the report.

September 29<sup>th</sup> – The applicant was impounded for operating illegally without a CPCN. He came into the office attempting to tell Investigator Main that no one told him he couldn't operate.

October 1<sup>st</sup> – Impound Hearing was held. Commissioner Gibbons told Mr. Lopez to work with Investigator Main to obtain the requested document to continue the application process.

October 4<sup>th</sup> – Mr. Lopez provided the requested police report to Investigator Main.

Commissioner Newton recommended that this item go back before the re-assigned Commissioner for consideration since he is no longer with the Agency. Commissioner Gibbons requested that it be placed on the agenda for review by the full commission.

**CONCLUSION;**

Based on the fact that it took Mr. Lopez four months to obtain the requested document and he was impounded for operating illegally during that time period staff does not support this application.

---

**INTERIM ORDER PERMITTING TEMPORARY DEVIATION**

Under Nevada Revised Statutes ("NRS") 706.151, the Nevada Transportation Authority ("Authority") has legal jurisdiction and authority over this matter. Additionally, NAC 706.1305 permits the Authority to allow deviation from the provisions of NAC 706.010 to 706.4019 if good cause is shown.

On October 8, 2021, Platinum LV Transportation LLC (Platinum) submitted a Petition for Deviation to the Authority. Initially, the Petition sought a deviation from the requirements of NAC 706.1375 and NTA Policy for six (6) separate entities with six (6) different CPCNs. Four of the entities identified in the Petition ie Bell Limo CPCN 1217, Airport Min Bus CPCN 2350, Mammoth Limousine CPCN 1105 and Platinum LV Transportation (a charter bus) CPCN 2166, are presently subject to a temporary discontinuance. One of the entities - Celebrity Coaches CPCN 2105 - is a charter bus and this order does not apply to it. This order is only applicable to Whittlesea Checker Taxi CPCN 2118..

On October 8, 2021, Platinum also submitted six separate Sale and Transfer applications to the Authority. These applications and the Petition for Deviation establish that NTI-NV has purchased the existing debt of Platinum. Further, Platinum/NTI-NV has provided the Authority with proof of a commercial insurance policy number MA3949P2021, in the name of the fully regulated carrier – Whittlesea Checker Taxi- through Gateway Insurance with an effective date of June 21, 2021. This insurance policy covers, in pertinent part, the following ten (10) vehicles:

1. 2016 Dodge Caravan serial number 2C4RDGCG2GR202450;
2. 2017 Dodge Caravan serial number 2C4RGDBG5HR765320;

**Oasis Moving & Storage, Inc.**  
**Order to Show Cause**  
**Docket 19-12030**  
**December 9, 2021 General Session**

**Current standing:**

Staff is requesting resolution for this Order to Show Cause (“OSC”). The OSC was opened two years ago. The history of the OSC is presented below. As of the date of this writing, 11/29/2021, there has been no activity on the sale and transfer Docket 19-03005, the temporary discontinuance Docket 19-04031 which has been on-going since April of 2019, has now expired again as of October 30, 2021.

No documentation has been provided for the sale and transfer. This carrier has been out of service for over 2 ½ years. To resume operations at this point would require a full review including financial and updated background. The carrier has shown no interest in returning to operation. Staff is requesting that the CPCN be revoked and the Oasis Moving & Storage, Inc. can file a new application at such time as they wish to operate in the State of Nevada.

**Prior contact with carrier:**

Staff attempted to reach the Carrier, Erez Bitton and was not able to reach him until 9/1/2020. Mr. Bitton indicated that he was not aware of the requirement to provide the financial information for the sale and transfer docket on file with the NTA.

The request for the information was previously sent to Brent Carson, Esq. and copied to Erez Bitton and to Marina Voskanyan (in house Oasis accountant) on July 29, 2020. He has currently (9/1/20) agreed to supply the information. Based on that communication with Mr. Bitton the information was due in 15 working days – due by 9/23/20.

On 9/10/20 we received Association of Counsel notification that Brent Carson, Esq. is now representing Oasis Moving & Storage on the sale and transfer application under Docket 19-03005.

**Past History:**

May 13, 2021 General Session minutes:

**Docket 19-12030** The Order to Show Cause issued to Oasis Moving & Storage as to why CPCN 3349 should not be revoked, and the Sale and Transfer of CPCN 3349 under Docket 19-03005 and the Request to extend the period of temporary discontinuance under Docket 19-04013. Staff investigation concluded. *Item tabled from October 15, 2020 General Session*

*Item 73 (19-04031) was considered with Item 106.*

**Application for Household Goods Mover Authority**  
**Docket 21-03006**  
**November 4, 2021 General Session**

OK

**Application Summary:**

On March 9, 2021, The Sowell Company, Inc. d/b/a Ernie's Van & Storage ("Applicant"/"Sowell") filed an application requesting authority to transport household goods within Carson City, Washoe, Douglas, Storey, Churchill, and Lyon Counties, Nevada on the one hand and State of Nevada on the other hand and to operate three (3) vehicles. Douglas Sowell and Matthew Sowell are each 50% shareholder of Sowell.

The Applicant also filed for a warehouse permit under Docket 20-10040.

The Sowell family has been operating this company since 1935. It's been an agent for Atlas Van Lines since the late 1990s and currently operates 13 vehicles total. Their Reno location operates one vehicle for interstate moves.

**Staff Analysis:**

Staff supports this application, and therefore requests the application hearing be dispensed per NRS 706.391(9). The following procedures were performed by Staff with acceptable results and their basis to support this application:

- 1) The application was noticed and no petitions for leave to intervene or protests were filed.
- 1) Background investigation was performed with no areas of concern. (Attachment A)
- 2) Market – staff does not require market for household goods since proof of demand is difficult to compile and moving is not a highly repetitive activity compared to market for transporting passengers.
- 3) Balance Sheet – the Applicant's 6/30/2021 balance sheet has 63% equity, a 2 to 1 current ratio, and all vehicles are owned outright. The 90-days' cash requirement is covered by the Applicant's current operations as an interstate mover and no additional fixed expenses will be incurred since the Applicant's Reno location is currently operating with one of the Applicant's existing interstate vehicles. Additionally, a cash infusion is not required since the financial requirements were met with the Applicant's current financial condition. (Attachment B)
- 4) Pro Forma Income Statement - projects overall \$920,000 in sales and \$381,500 in net income for the Reno location (Attachment C). Projected fuel expenses appear to be low when compared to other carriers and due to current fuel prices increasing. The applicant remains compensable if an adjustment is made for this. The 6/30/2021 income statement reported \$2,258,395 and \$304,094 in revenues and net income, respectively
- 5) Tariff – the proposed rates are either at the high end or higher the range of rates currently charged by the industry for similar services in the Reno area. The mileage rates are approximately between 30-40% higher than the range of rates, the accessorial rates are between 4% - 96% higher than the range of rates, and Reno's highest minimum hour job is compared to their proposed 8-hour minimum. (Attachment D). Staff has no concern since operational costs have increased recently and the public has the option to choose other carriers with lower rates.

**THE SOWELL COMPANY dba ERNIE'S VAN & STORAGE**  
**SUMMARY OF SIGNIFICANT PROJECTIONS AND BALANCE SHEET**  
**ASSUMPTIONS AND ACCOUNTING POLICIES**

**Basis of presentation, significant accounting policies and limitations.**

The Sowell Company dba Ernie's Van & Storage is a California Corporation that has been a Sowell family owned company since 1935 and a California Corporation since 2004.

Due to demand for moving & storage services in Western Nevada we have branched out and opened a full service facility in Reno. We are an agent of Atlas Van Lines for the interstate division of our business. We filled a whole with the Atlas family as Atlas has lacked representation in Reno for many years which poses a problem due to the amount of Corporate Interstate work coming out of Reno and Sparks.

This application requests the approval of 3 moving vans. All of the equipment is currently owned and stationed at our California locations and will be transferred to Reno once our intrastate license is granted.

**Limitation**

This projection is prepared for the limited use of the Nevada Transportation Authority. For the period under consideration: 01/01/2021 to 12/31/2021.

**Significant Accounting Policies**

**Revenue Recognition**

As requested by NTA this pro-forma reports financial information on an Accrual Basis method, projected through a period of one year. Therefore income will be shown in such manner.

**Capital-Funding**

The company has sufficient funding to cash-flow all operations through our existing businesses in California. Without generating any income our business in Nevada will survive by being bank rolled by a very healthy and fiscally conservative California Corporation. However, our business in Nevada is already profitable just by our interstate operations through Atlas Van Lines. Financially we are a very strong Company and we are well run.

**Vehicles**

All of our equipment is owned and we have no debt. We will bring three moving vans from California for our Nevada operations. Three moving vans and one estimator vehicle.

Here is a breakdown our main fleet of vehicles for all of our locations. All are owned with no debt.

**Supersonic Movers, LLC**  
**Application for Household Goods Mover Authority**  
**Docket 21-06010**  
**December 9, 2021 General Session**

**Application Summary:**

On June 7, 2021, Supersonic Movers, LLC d/b/a SuperSonic Movers ("Applicant") filed an application requesting authority to transport household goods within Clark County, Nevada to operate one (1) vehicle. Alexsyss Garcia is the sole member of the LLC.

**Staff Analysis:**

Staff supports this application, and therefore requests the application hearing be dispensed per NRS 706.391(9). The following procedures were performed by Staff with acceptable results and their basis to support this application:

- 1) The application was noticed to the public and no petitions for leave to intervene or protests were filed.
- 1) Background investigation was performed with no areas of concern. **(Attachment A)**
- 2) Market – staff does not require market for household goods since proof of demand is difficult to compile and moving is not a highly repetitive activity compared to market for transporting passengers. The applicant provided their market, as it is required. Said market information was reviewed by staff.
- 3) Pro Forma Balance Sheet – includes one (1) vehicle, debt-free, resulting in 100% equity. Staff reviewed source documents (such as bank statements, vehicle Bill of Sale, etc.), and found them to be reasonable when compared to the balances reported on the PFBS. **(Attachment B)**
- 4) Pro Forma Income Statement - projects overall \$187,500 in sales and \$75,615 in net income. The revenue projection and net income projection of 40.3% is optimistic when compared with similar carriers with a single vehicle [Skyline Moving Service, LLC d/b/a Skyline Moving Service (CPCN 3374, Sub 1), and Astillita Productions, Inc. d/b/a Acme Moving Company (CPCN 3362)]. The Fuel, Repairs/Maintenance expense is considered low for this vehicle type. The company remains compensable after making these adjustments. Restated net income is \$54,854.00 **(Attachment C)**
- 5) Tariff – the proposed rates were compared to several existing carrier's tariffs with similar authorities and vehicle restrictions [Skyline Moving Service, LLC d/b/a Skyline Moving Service (CPCN 3374, Sub 1), Astillita Productions, Inc. d/b/a Acme Moving Company (CPCN 3362), and All Veteran Transit, LLC. (CPCN 3379)] and were found to be within the range of rates currently charged for similar services, **(Attachment D)**
- 6) The cash infusion for the applicant is \$16,254 and it will cover 90 days' worth of fixed expenses. The equity percent remains above 20% equity with this cash infusion **(Attachment E)**.

## **Projected Revenue Narrative**

**Revenue:** The amount of income generated will be composed of local moves consistent with the tariffs. The projected revenue is based on the operations of 1 vehicle. This projection is based off of doing 25 moves a month and 300 in the 12-month period. There will be only one truck that will be operating full time to service the moves initially. This is a projection of income as if we were to start operating next month. We anticipate the income will remain either same per month or decrease depending on the amount of moves each month. In month (1) generated revenue should be \$15,625. The revenue is conservatively calculated by taking our Regular Box Truck hourly rate of \$125.00 per hour (multiplied by 5 hours average move time) and two men per vehicle at the Driver Rate of \$15 per hour and Mover Rate: 13.00 per hour (multiplied by 5 hours- average move time).

## **12-month statement of pro-forma income and expenses for SuperSonic Movers**

**Advertising:** We propose to advertise through yelp, Home Advisor, Facebook, Google, etc. spending \$1000 per month which for a 12-month period will be \$12000.

**Depreciation:** Depreciation is 5 years straight of \$1800 each year.

BEFORE THE TRANSPORTATION SERVICES AUTHORITY OF NEVADA

IN RE: AWG AMBASSADOR, LLC, THE  
APPLICATION FOR EXPANSION OF  
AUTHORITY FOR CPCN 1089, sub 4.

) DOCKET NO. 21-09001

) HEARING REQUESTED

**MOTION TO REQUEST WAIVER OF HEARING  
OR ALTERNATIVELY, REQUEST FOR EXPEDITED HEARING**

AWG AMBASSADOR, LLC (AWG), by and through, Brent A. Carson, hereby moves the Nevada Transportation Authority (NTA) to act on the Application identified above otherwise referred to as Docket 21-09001. More specifically, AWG requests that the Presiding Officer waive the Application Hearing in this matter or, alternatively, set it for expedited consideration. This Motion is filed pursuant to Nevada Administrative Code (NAC) 706.3961 (5).

This Motion is made and based on the papers and pleading on file herein, together with any further evidence the Authority may entertain at the hearing of this Motion.

**I.  
BRIEF STATEMENT OF FACTS:**

CPCN 1089 was previously owned by AWG Ambassador. This CPCN was sold to SuperShuttle in or around 2013.

In January 2020, SuperShuttle shut down their operations in Las Vegas, amongst other cities. AWG and SuperShuttle agreed to transfer the CPCN back to AWG. A Petition for Temporary Transfer of Operating Authority was given to AWG and a Sale and Transfer Application was filed and Approved by this Authority at the October 2020 Agenda.

On April 1, 2021, the new CPCN 1089 was given to AWG (See Exhibit 1).

On or about September 1, 2021, AWG filed an Application to modify CPCN 1089.

AWG's Application for Modification of the CPCN relates to the wording found on the Certificate itself. The CPCN currently authorizes the certificated carrier to:

*Provide charter livery limousine services, special services, and airport transfer services to passengers and their luggage on call, over irregular routes, within and between points and places in Clark County, Nevada on one hand, and points and places in the State of Nevada on the other hand.*

The pending Application seeks to either remove the term "livery" or add the terms "traditional or livery" limousine services in order to allow the certificated carrier to provide

limousine services using both livery and traditional limousines. As the authority granted is “charter limousine services,” a fully regulated authority, the vehicle type should not otherwise restrict a carrier’s operations.

## II. **LEGAL AUTHORITY:**

This Motion is brought pursuant to NAC 706.3959, which reads in part:

NAC 706.3959 Pleadings: Motions. (NRS 233B.050, 706.171)

1. Any request for an order by the Authority, except for an order to allow intervention or an order to show cause, concerning any matter that has been assigned a docket number but has not been finally decided by the Authority must be styled a “motion.”

Any responses to this Motion must be filed with the Authority, not later than 7 business days upon receipt of the Motion. (NAC 706.396)

NRS 706.391 is clear. It reads in part:

NRS 706.391 Application for issuance or modification of certificate: Hearing; standards for reviewing application; duties of applicant; powers of Authority.

1. Upon the filing of an application for a certificate of public convenience and necessity to operate as a common motor carrier, other than an operator of a tow car, or an application for modification of such a certificate, the Authority shall fix a time and place for a hearing on the application.

.....

9. The Authority may dispense with the hearing on the application if, upon the expiration of the time fixed in the notice thereof, no petition to intervene has been filed on behalf of any person who has filed a protest against the granting of the certificate or modification. (Emphasis Added)

AWG’s Application seeks only a minor, non-material change to its CPCN.

The Nevada Revised Statutes (NRS) does not define either of these two terms. Rather, the definitions are found in the Nevada Administrative Code (NAC).

NAC 706.080 defines Livery Limousine as:

“Livery limousine” means a motor vehicle engaged in the general transportation of persons for compensation that was originally manufactured as having:

1. A capacity of 9 or more persons but less than 16 persons, including the driver; or
2. A capacity of 16 or more persons, including the driver, but is currently configured with a capacity of less than 16 persons, including the driver.

Whereas NAC 706.124 defines Traditional Limousine as:

“Traditional limousine” means a motor vehicle engaged in the general transportation of persons for compensation that was originally manufactured as having a capacity of less than nine persons, including the driver.

Furthermore, NAC 706.036 defines “charter service by limousine.” It reads:

NAC 706.036 “Charter service by limousine” defined.

1. “Charter service by limousine” means the exclusive use of a *traditional limousine or livery limousine* for the prearranged transportation of passengers and their baggage under a charter order at an hourly rate for a minimum of 1 hour.
2. The term does not include:
  - (a) Scenic tours;
  - (b) Special services;
  - (c) Airport transfer services;
  - (d) Service which will be resold by the broker for scenic tours or airport transfer services;or
  - (e) The carriage of property or cargo not belonging to a group of passengers being transported.(Emphasis Added)

As evidenced by a plain reading of the regulations the subject Application pertains solely to the size of the vehicle available for charter limousine services. Additionally, it should be noted that this CPCN has Special Services and Airport Transfer Authorities. Neither authority requires a specific vehicle type be used to provide these services. As such, AWG seeks the same flexibility relative to the provision of charter limousine services.

### **III. LEGAL ARGUMENT:**

Less than 7 months ago, CPCN 1089 was re-issued to AWG. The Application was filed, financials were requested and provided, and Mr. Waxler submitted updated fingerprints for the background investigation. Thereafter, the Authority approved the Sale and Transfer Application.

Since the date of said approval there have been no changes in ownership or management. AWG has been in the transportation business for over two decades and has recently filed an Application to Expand its services to Northern Nevada. (Not this CPCN). Thus, the NTA is very familiar with Mr. Waxler and his operations. As such, a full background investigation and updated financials are not necessary in the present application as both were done very recently.

Nevada law provides clear authorization for the Authority to “dispense with the hearing on the application, if upon the expiration of the time fixed in the notice thereof, no petitions to intervene has been filed on behalf of any person who has filed a protest against the granting of the certificate or modification.”

AWG's Application was filed on or about September 1, 2021. The time to intervene ran on October 4, 2021. There being no intervenors there is no reason for a hearing in this matter.

**IV.**  
**CONCLUSION:**

NRS 706.391 provides that the Authority may "dispense" of a hearing on an Application if there are no Intervenor. AWG respectfully requests that this matter be placed on the next agenda for consideration. The NTA staff has recently reviewed AWG's financials and updated financials have been provided in the instant application, and Mr. Waxler has undergone a background check within the last year.

The "livery" wording on the CPCN is defined in NAC 706.080. Under NAC 706.1305, the Authority will and the presiding officer shall allow deviations from the provision of NAC 706.010 to 706.4019, if good cause for deviation appears.

In this particular situation, the Authority can either vote on the filed application for modification or allow for a deviation relating to the requested language on CPCN 1089.

**Motion to Dismiss Application and  
Notice of Hearing**

8 Jennifer DeRose, Deputy Commissioner (the "Deputy Commissioner") of the Nevada  
9 Transportation Authority ("NTA"), moves that the NTA Commissioners dismiss the application of Red  
10 Rock Movers, LLC, Docket Number 18-12002 ("Red Rock" or "Applicant"). This Motion to Dismiss  
11 Application and Notice of Hearing (this "Motion") is made and based upon the Application, the  
12 Memorandum of Points and Authorities that follows, and any argument and/or evidence presented at the  
13 Hearing of this matter.

14 **Memorandum of Points and Authorities**

15 **I. Jurisdiction**

16 The NTA has jurisdiction over household goods movers in Nevada.<sup>1</sup> Applicants for household  
17 goods movers, such as Red Rock, must submit an application and specific information to the NTA prior  
18 to operating.<sup>2</sup> The Deputy Commissioner shall move for dismissal of deficient applications.<sup>3</sup> Thus, the  
19 NTA has jurisdiction to hear and rule on this Motion.

20 **II. Background Facts**

21 On or about December 6, 2018, Red Rock filed an application with the NTA, which was  
22 contemporaneously noticed and designated as Docket No. 18-12002 (the "Application"). In its  
23 Application, Red Rock requested initial issuance of a certificate of public convenience and necessity to  
24 operate as a household goods mover within the State of Nevada.

28 <sup>2</sup> See NRS 706.443; NAC 706.1375 (2).

<sup>3</sup> See NAC 706.1375(3)

1 The Application was approved at the September 27, 2019, General Session, with compliance  
2 conditions. Since that time, repeated extensions were granted yet compliance requirements were not met.

3 See Exhibit "A."

4 Accordingly, the Applicant abandoned the Application.

5 **III. Argument**

6 Applicants for household goods movers must provide various specific information with their  
7 application.<sup>4</sup> Pursuant to its regulations, Staff normally notifies Applicant about such omissions and  
8 deficiencies in writing.<sup>5</sup> Thereafter, the Applicant must cure the omissions and deficiencies within 15  
9 working days.<sup>6</sup>

10 Here, the Applicant is no longer communicating with the NTA and has not filed the necessary  
11 information for the Application to meet the compliance conditions.

12 Accordingly, the Deputy Commissioner has satisfied the requirements for dismissal.

13 **IV. Conclusion**

14 The Applicant failed to prosecute the Application in good faith. The Deputy Commissioner has  
15 satisfied the requirements for dismissal and, therefore, hereby moves that the NTA grant this Motion at  
16 their next agenda meeting.

10 Transportation Authority ("NTA" or the "Authority"), moves that the NTA Commissioners dismiss the  
11 application of Michael C. Costello, d/b/a Reno Tow & Transport, Docket Number 19-09003 ("Reno  
12 Tow" or the "Applicant"). This Motion to Dismiss Application and Notice of Hearing (this "Motion") is  
13 made and based upon the Application, the Memorandum of Points and Authorities that follows, and any  
14 argument and/or evidence presented at the Hearing of this matter.

14 **Memorandum of Points and Authorities**

15 **I. Jurisdiction**

16 The NTA has jurisdiction over tow operators in Nevada.<sup>1</sup> Applicants for any such authority, such  
17 as Reno Tow, must submit an application and specific information to the NTA relative to the same.<sup>2</sup> The  
18 Deputy Commissioner shall move for dismissal of deficient applications.<sup>3</sup> Thus, the NTA has jurisdiction  
19 to hear and rule on this Motion.

20 **II. Background Facts**

21 On September 9, 2019, Reno Tow filed an application with the NTA, which was then accepted,  
22 noticed and designated as Docket No. 19-09003 (the "Application"). In its Application, Reno Tow  
23 requested an expansion of authority to provide both consent and non-consent tow car service within the  
24 State of Nevada.

25 On December 18, 2019 the Tow Operators of Northern Nevada timely filed a Petition for Leave  
26 to Intervene ("PLTI") relative to the Application. On January 13, 2020 a Procedural Order was issued

27 <sup>1</sup> See NRS 706.386; and NRS 706.444 through 706.453.

28 <sup>2</sup> See NAC 706.1376.

<sup>3</sup> See NAC 706.1376(3).

1 granting the PLTI, with limitation. The Applicant was informed of some additional information that  
2 needed to be provided on July 27, 2020, at which time the Applicant's requested that the application be  
3 put on hold until after the COVID 19 Pandemic.

4 On July 21, 2021, Compliance Investigator Howard Woods contacted the principal of the  
5 Applicant, who indicated to Investigator Woods that he would be withdrawing the Application. To date,  
6 no formal withdrawal has been received. To date, there has been no requisite supplement received from  
7 the Applicant, as there has been no further contact from the Applicant.

8 Accordingly, Reno Tow abandoned its Application.

### 9 **III. Argument**

10 Applicants for tow authority must provide various specific information with their application.<sup>4</sup>  
11 Pursuant to its regulations, Staff normally notifies Applicant about such omissions and deficiencies in  
12 writing.<sup>5</sup> Thereafter, the Applicant must cure the omissions and deficiencies within 15 working days.<sup>6</sup>

13 Here, Reno Tow abandoned its Application. In particular, since July 21, 2021, there has been no  
14 contact from the Applicant.

15 Accordingly, the Deputy Commissioner has satisfied the requirements for dismissal.

### 16 **IV. Conclusion**

17 The Applicant failed to prosecute the Application in good faith. The Deputy Commissioner has  
18 satisfied the requirements for dismissal and, therefore, hereby moves that the NTA grant this Motion at  
19 their next agenda meeting.

Keolis Transit Services, LLC

Docket 20-05019

Application history:

5/20/20 Data Request #1 was emailed to the Applicant.

8/10/20 Received Data Request #1 Response. Based on the response, it appeared that Keolis did not have a functioning TNC system and that it was a work in progress.

8/17/20 Left message, no call back.

9/24/20 left message, no call back.

10/1/20 Mr. Perla indicated that they did not actually have a system for us to review at that time. He indicated that the Regional Transportation Commission of Southern Nevada ("RTC") told Keolis that the RTC may go to on demand and told Keolis that they should see about "licensing up" in case the RTC does. As a result, they filed this Application although they did not have a working TNC system at the time. He further stated that he wanted this Application to be placed on hold, until they see what happens with the RTC. He was instructed to file a motion to request that this Application be placed on hold. No such motion was ever filed.

There has been no further contact made by this Applicant.

This Application is considered abandoned.

6 On March 29, 2021, not having received the form to withdraw the application, Investigator

22 noticed, and designated as Docket No. 20-11010 (the "Application"). In its Application, Regal Tow  
23 requested authority to provide consent only tow car service within the State of Nevada.

24 Compliance Audit Investigator Howard Woods has been trying to obtain stock certificates or

7 updates, there has been no further contact from the Applicant for several months.

8 Accordingly, the Deputy Commissioner has satisfied the requirements for dismissal.

9 **IV. Conclusion**

10 The Applicant failed to prosecute the Application in good faith. The Deputy Commissioner has

5 Public Convenience and Necessity to provide

Docket No.: 20-11011

**Motion to Dismiss Application and  
Notice of Hearing**

8 Jennifer DeRose, Deputy Commissioner (the "Deputy Commissioner") of the Nevada  
9 Transportation Authority ("NTA" or the "Authority"), moves that the NTA Commissioners dismiss the  
10 application of NT Gruas, Inc., Docket Number 20-11011 ("NT Gruas" or the "Applicant"). This Motion  
11 to Dismiss Application and Notice of Hearing (this "Motion") is made and based upon the Application,  
12 the Memorandum of Points and Authorities that follows, and any argument and/or evidence presented at  
13 the Hearing of this matter.

14 **Memorandum of Points and Authorities**

15 **I. Jurisdiction**

16 The NTA has jurisdiction over tow operators in Nevada.<sup>1</sup> Applicants for any such authority, such  
17 as NT Gruas, must submit an application and specific information to the NTA relative to the same.<sup>2</sup> The  
18 Deputy Commissioner shall move for dismissal of deficient applications.<sup>3</sup> Thus, the NTA has jurisdiction  
19 to hear and rule on this Motion.

20 **II. Background Facts**

21 On November 6, 2020, NT Gruas filed an application with the NTA, which was then accepted,  
22 noticed, and designated as Docket No. 20-11011 (the "Application"). In its Application, NT Gruas  
23 requested authority to provide consent only tow car service within the State of Nevada.

24 Even though the Application was submitted almost a year ago, the Applicant's principal still has  
25 not submitted her fingerprints to enable NTA Staff to begin the background investigation of the  
26 Applicant. Indeed, Compliance Investigator Marta Acevedo has made multiple attempts to schedule a

1 requisite meeting with the Applicant, however, the Applicant asserts that she is not quite ready to meet.  
2 The last contact to attempt a meeting was September 3, 2021, which still was unsuccessful.

3 Accordingly, NT Gruas abandoned its Application.

### 4 **III. Argument**

5 Applicants for tow authority must provide various specific information with their application.<sup>4</sup>  
6 Pursuant to its regulations, Staff normally notifies Applicant about such omissions and deficiencies in  
7 writing.<sup>5</sup> Thereafter, the Applicant must cure the omissions and deficiencies within 15 working days.<sup>6</sup>

8 Here, NT Gruas abandoned its Application. In particular, while there has been need to provide  
9 updates to the Application, there has been no further contact from the Applicant for several months.

10 Accordingly, the Deputy Commissioner has satisfied the requirements for dismissal.

### 11 **IV. Conclusion**

12 The Applicant failed to prosecute the Application in good faith. The Deputy Commissioner has  
13 satisfied the requirements for dismissal and, therefore, hereby moves that the NTA grant this Motion at  
14 their next agenda meeting.
