PROCEDURAL HISTORY

Citations

On August 9, 2021, the Enforcement Staff of the Nevada Transportation Authority (“Staff”) issued Citation No. 23109 to Yellow Cab alleging one hundred ninety-seven (197) violations of Nevada Administrative Code (“NAC”) section 706.3761.5 and fifty-two (52) violations of NAC section 706.360.

NAC section 706.3761.5 requires a certificate holder to provide “an appropriate, accurate and operable time clock” which must be approved by the Authority before its use; “and the certificate holder shall require its drivers to time stamp their trip sheets at the beginning and end of each of their shifts.”

NAC section 706.360 establishes that “the vehicles of an authorized carrier must not be used for transportation services beyond the scope of the authority of that carrier, even if services are resold by a broker.”

On August 25, 2021, Staff issued Citation No. 23111 to Reno Sparks Cab alleging eighty-one (81) violations of NAC 706.2473 incorporating CFR section 382.305(i)(3) and one (1) violation of NAC section 706.2473 incorporating CFR section 382.305(d)(1).

NAC 706.2473 incorporating CFR section 382.305(i)(3) mandates that the random annual minimum controlled substance testing of drivers is 50% and the random annual minimum alcohol testing of drivers is 10% for 2021.

NAC section 706.2473 incorporating CFR section 382.305(d)(1) implements the calculation of the random alcohol testing of drivers.

On August 25, 2021, Staff issued Citation No. 23112 to Reno Sparks Cab alleging one violation of NAC 706.2473 incorporating CFR 382.305(g) & (h) and one (1) violation of NRS 706.398.

NAC 706.2473 incorporating CFR 382.305(g) & (h) implements the calculation of the random controlled substance testing of drivers.

NRS 706.398 establishes that the Authority “may revoke or suspend the certificate of public convenience and necessity of a common motor carrier which has failed to comply with any provision of this chapter or any regulation of the Authority adopted pursuant thereto.”

On August 25, 2021, Staff issued Citation No. 23113 to Yellow Cab of Reno alleging twenty-six (26) violations of NAC 706.2473 incorporating CFR section 382.305(i)(3) and one (1) violation of NAC section 706.2473 incorporating CFR section 382.305(d)(1).

On August 25, 2021, Staff issued Citation No. 23114 to Yellow Cab of Reno alleging one (1) violation of NAC 706.2473 incorporating CFR 382.305(g) & (h) and one (1) violation of NRS 706.398.

On August 25, 2021, Staff issued Citation No. 23115 to Executive Limousine alleging four (4) violations of NAC 706.2473 incorporating CFR section 382.305(i)(3) and one (1) violation of NAC section 706.2473 incorporating CFR section 382.305(d)(1).

On August 25, 2021, Staff issued Citation No. 23116 to Executive Limousine alleging one (1) violation of NAC 706.2473 incorporating CFR 382.305(g) & (h) and one (1) violation of NRS 706.398.

On August 25, 2021, Staff issued Citation No. 23146 to Capitol Cab alleging eleven (11) violations of NAC 706.2473 incorporating CFR section 382.305(i)(3) and one (1) violation of NAC section 706.2473 incorporating CFR section 382.305(d)(1).

On August 25, 2021, Staff issued Citation No. 23147 to Capitol Cab alleging one (1) violation of NAC 706.2473 incorporating CFR 382.305(g) & (h) and one (1) violation of NRS 706.398.

Proceedings

1. On October 20, 2021 the Authority convened a hearing on all of the noted citations before Commissioner George Assad as Presiding Officer.

Hardy, Esq. appeared on behalf of Yellow Cab, Reno Sparks Cab, Yellow Cab of Reno, Executive Limousine and Capitol Cab. Also present, with Mr. Hardy, was Roy Street, owner of all of the four named/cited entities.
3. At the beginning of the hearing, based on the common ownership of the entities, Mr. Hardy consented to the consolidation of the above noted citations/violations so they could be heard together pursuant to NAC 706.3996.
4. Staff offered into evidence:

The investigative citation report prepared by NTA Investigator William Schilling on September 16, 2021 regarding citation 23109 issued the Yellow Cab which alleged 197 counts of violating NAC 706.3761.5 and 52 counts of violating NAC 706.360 as State's Exhibit 1A;

A letter addressed to Ashwin Joshi dated 07.26.2016 as State's Exhibit 1B;

5. All exhibits were admitted into evidence.
6. Counsel for the four cited entities did not offer any documentary evidence for admission.

FINDINGS OF FACT

William Schilling

7. William Schilling, Compliance Enforcement Officer for the Authority was sworn and testified on behalf of Staff; he was subject to cross examination.
8. Officer Schilling first testified regarding Citation No. 23109 which was issued for one hundred ninety-seven (197) violations of NAC 706.3761.5 and was based on the requirement that a driver physically time stamp a trip sheet at the beginning and at the end of the shift.
9. Upon investigation of Yellow Cab's driver records, Investigator Schilling found "trip sheets" for transportation provided by Stephen Barnes, a driver associated with Yellow Cab,

which allegedly violated Yellow Cab's duty to require drivers to time stamp their trip sheets at the beginning and end of each of the shifts during the following months:

- a. June of 2020 – eighteen (18) trip sheet violations by failing to time stamp at the end of his shifts;
- b. July of 2020 – twenty-seven (27) trip sheet violations by failing to time stamp at the end of his shifts;
- c. August of 2020 – thirty (30) trip sheet violations by failing to time stamp at the end of his shifts;
- d. September of 2020 – twenty-eight (28) trip sheet violations by failing to time stamp at the end of his shifts;
- e. October of 2020 – twenty-eight (28) trip sheet violations by failing to time stamp at the end of his shifts;
- f. November of 2020 – twenty-four (24) trip sheet violations by failing to time stamp at the end of his shifts;
- g. December of 2020 – thirty (30) trip sheet violations by failing to time stamp at the end of his shifts; and,
- h. January of 2021 – thirty (30) trip sheet violations by failing to time stamp at the end of his shifts. See State's Exhibit 1A and attached exhibits D, F, H, J, L, N, P, and, R.

10. The State requested admission of a letter dated 07/26/2019 addressed to Ashwin Joshi as State's Exhibit 1B and also requested admission of the NTA final order regarding multiple citations issued to Ledesma, Barnes, Joshi and Whittlesea Taxi dated 07/26/2019 as State's Exhibit 1C. These items were admitted without objection.

11. Investigator Schilling testified that he relied on State's Exhibit 1C in preparing the one hundred ninety-seven (197) violations of NAC 706.3761.5 because the NTA final order established that the carrier – Yellow Cab – was allowing Barnes' to fail to time stamp his trip sheet at both the beginning and end of each shift.
12. During cross examination of Investigator Schilling, it was established that at the time relevant to the finalization of State's Exhibit 1C, Whittlesea Taxi was not owned by the present owner - Yellow Cab.
13. During cross examination, it was established that Investigator Schilling did not find any violations of NAC 706.3761.5 by any other Yellow Cab driver than Stephen Barnes.
14. Investigator Schilling also reported that Yellow Cab's operating authority is limited to the Reno Sparks area. Consequently, all transportation was required to begin and end in the Reno Sparks area of Nevada.
15. Investigator Schilling's review of the six months of records provided by Yellow Cab also established that Stephen Barnes operated a vehicle provided by Yellow Cab outside the area of authority during the following months and in the following manner:
 - a. On June 12, 2020, Barnes had one trip that began and ended in Edgewood, Nevada;

 - c. On June 20, 2020, Barnes had one trip which began in Edgewood and ended in Lakeside, South Lake Town; one trip which began at 11:30 in South Lake Tahoe and ended at 11:55; one trip which began at 12:10 in South Lake Tahoe

and ended at 12:40; and one trip which began at 4:30 and ended at 5:10 pm (see State's Exhibit 1A attached exhibit E)

- d. On July 2, 2020, Barnes had one trip which began at 5:55 and ended in Edgewood at 6:05;

Frank Street

17. Frank Street testified on behalf of Yellow Cab. He testified that he is employed at Yellow Cab as the general manager.

18. Frank Street testified that Yellow Cab requires the driver to come into the office and time stamp the time sheet.

19. Frank Street established that Steven Barnes was not presently employed at Yellow Cab and had not worked with Yellow Cab since May 2021. Further, it was Mr. Street's understanding that Barnes appeared at the citation hearing which resulted in the NTA final order (State's Exhibit 1C) without a Whittlesea representative.

20. Frank Street testified that at the time relevant to citation 23109, Yellow Cab had its own policy and procedures regarding time/trip sheets and that Barnes was acting on his own in a manner that he – Barnes personally - thought was in compliance with State's Exhibit 1C.

21. Frank Street testified that Yellow Cab presently has a more sophisticated system of time stamping the driver trip/time sheets.

22. Frank Street testified that he intends to comply with any orders and the applicable NACs.

23. Counsel for Staff then informed the Presiding Officer that he would be relying on the facts contained within State's Exhibit 1D - the Investigative Report prepared by Investigators Schilling and Truitt regarding citations 23111 and 23112 (issued to Reno Sparks Cab), citations 23113 and 23114 (issued to Yellow Cab of Reno), citations 23115 and 23116 (issued to Executive Limousine) and citations 23146 and 23147 (issued to Capitol Cab) and the facts documented in State's Exhibit 1E – the Supplemental Report prepared by Investigator Schilling as proof of the violations of NAC 706.2473 incorporating CFR section 382.305(i)(3), NAC section 706.2473 incorporating CFR section 382.305(d)(1), and NAC 706.2473 incorporating CFR 382.305(g) & (h).

Frank Street

24. Was recalled to testify on behalf of the four entities - Reno Sparks Cab, Yellow Cab of Reno, Executive Limousine and Capitol Cab.
25. Frank Street testify that he is the son of Roy Street, the owner of all four entities. He returned at the end of July beginning of August 2021 to work as the general manager of the four entities with the intent that the entities be run properly.
26. Frank Street recognized that the entities had not been run properly and that the person assigned to make sure that the required drug and alcohol testing was completed – Mercy Medina – was not fulfilling this task.
27. Frank Street hired Medina as the HR person for the entities approximately five (5) years earlier. He learned that Medina was going behind his back, urging his father to fire him and this ultimately happened.
28. Frank Street testified that the drug and alcohol testing is being completed as required and that the testing has been completed, at this time, up to the fourth quarter.

29. On cross examination, Frank Street agreed that the testing violations had occurred before he became the general manager.

Mercy Medina

30. Testified on behalf of Staff in rebuttal to the testimony of Frank Street.
31. Medina testified that she had previously been employed by Reno Sparks Cab, Yellow Cab of Reno, Executive Limousine and Capitol Cab from 2013 until July 16, 2021.
32. Medina acknowledged that drug testing was not being completed as required but that this was not her decision rather Roy Street – owner of the entities – did not want the testing completed.
33. Medina also testified that Roy Street chose which drivers should be tested because he didn't want positive drug or alcohol usage to be reported as that would require those drivers to attend the required drug/alcohol programs.
34. Medina testified that Roy Street was motivated either by (1) the fact that he needed people available to drive the vehicles not in drug/alcohol programs which preclude them from driving, or, (2) the cost associated with the testing and that at one time he owed the testing entity \$9000 which she tried to get paid for the last several years.
35. Medina testified that there were very few accidents which resulted in positive drug tests. She testified that the NTA was not notified of the accidents with positive drug tests because Roy Street told her not to disclose these facts to the NTA.
36. On cross examination, Medina testified that she did provide some reports to the NTA but didn't disclose all of the information because if the NTA didn't ask then she didn't send the information.

37. Medina admitted that not all that was required was scheduled during the COVID pandemic but after COVID, again, it was Roy Street who didn't want the drivers tested.

38. Medina admitted that she had filed an EEOC claim against the entities.

Rene Revens

39. Was called as a witness by the Presiding Officer.

40. Ms. Revens testified that she had been chief of the compliance department at the Authority for two (2) years.

41. Ms. Revens testified that she learned, from Investigator Schilling, the alcohol and drug testing was not being completed. After learning this fact, Ms. Revens sent a letter identifying all of the drivers who needed to be tested by August 26, 2021 at 3:30 pm.

42. Ms. Revens extended the time frame for the completion of the testing another twenty-four (24) hours to noon on August 27, 2021.

43. It became apparent to Ms. Revens that the testing would not be completed within the set time frame.

44. Subsequently, Ms. Revens requested a current list of drivers who were on vacation. She received this list one (1) week later.

45. Ms. Revens testified that she dealt with Mercy Medina and Roy Street regarding the issues associated with the alcohol and drug testing issues.

46. Ms. Revens acknowledged that Frank Street was coordinating the testing of the drivers.

William Schilling

47. Investigator Schilling was recalled to testify on behalf of the Staff.

48. Schilling testified that he served a subpoena on DAT Nevada and learned that the company was owned money.

Roy Street

- 49. Was called to testify on behalf of the four cited entities.
- 50. Roy Street testified that he hired Mercy Medina after she was released from prison.
- 51. Roy Street testified that it was not his intent to not follow the regulations.
- 52. Roy Street testified that he relied on Mercy Medina to follow the regulations.
- 53. Roy Street testified that eighty (80) drivers had been sent over to complete testing on one day.
- 54. On cross examination, Roy Street testified that it was Mercy Medina's job to make sure that all accidents were reported and if a driver had an accident, Medina was to send the driver for testing.

CONCLUSIONS OF LAW

The following Conclusions of Law are based on the Findings of Fact outlined above. If any of the Conclusions of Law are better deemed Findings of Fact, or visa versa, they are so deemed and construed. This order analyzes each citation and violation according to subject matter and not in order of the citation.

Yellow Cab

- 55. Citation No. 23109 involves one hundred ninety-seven (197) alleged violations of NAC 706.3761.5. These violations were based solely upon the trip sheets for one driver – Stephen Barnes.
- 56. State's Exhibit 1C establishes that drivers are required to either begin OR end the work day by clocking in AND out at the physical office of the carrier. The use of the language begin OR end the work day conflicts with the use of in AND out at the physical office of the carrier.

57. Based on this conflict, insufficient evidence was adduced to establish that Yellow Cab engaged in actions that violated NAC 706.3761.5.
58. Citation No. 23109 also involved fifty-two (52) alleged violations of NAC 706.360.
59. State's Exhibit 1A and attached exhibits E, G, I, K, M, O and Q establish that driver Stephen Barnes engaged in travel that was outside the authorized area of Reno Sparks. These exhibits also establish that Barnes' trip sheets (E, G, I, K, M, O and Q) were in the custody of Yellow Cab and establish that Barnes was engaged in travel that was outside the authorized area of Reno Sparks. Additionally, counsel for Yellow Cab stipulated that the facts and conduct enunciated in Barnes' trip sheets occurred.

Reno Sparks Cab

60. Citation No. 23111 involves eighty-one (81) violations of NAC 706.2473 incorporating CFR section 382.305(i)(3). Citation No. 23111 also involves one (1) violation of NAC section 706.2473 incorporating CFR section 382.305(d)(1).
61. State's Exhibit 1D exhibit E established that seventy-seven (77) drivers were selected, from the total two hundred forty-three (243) permitted drivers, for random drug screening and only twelve (12) drivers conducted those required screenings accounting for 4.9% of the permitted drivers.
62. State's Exhibit 1D exhibit E established that eighteen (18) drivers were selected, from the total two hundred forty-three (243) permitted drivers, for random alcohol screening and only four (4) of those drivers conducted the screening accounting for 1.6% of their drivers.

65. State's Exhibit 1D exhibit F established that that thirteen (13) drivers were selected, from the total two hundred forty-two (242) permitted drivers, for random drug screening and only two (2) drivers conducted those required screenings accounting for 0.8% of the permitted drivers.
66. State's Exhibit 1D exhibit F established that five (5) drivers were selected, from the total two hundred forty-two (242) permitted drivers, for random alcohol screening and none of those drivers conducted the screening accounting for 0% of their drivers.
67. During the year of 2021, this carrier was required to submit 50% of their drivers for random drug testing and 10% of their drivers for random alcohol testing.

At a general session of the Nevada Transportation
Authority held on March 24, 2022.

PRESENT: Chairman Dawn Gibbons
Commissioner George Assad
Commissioner David Groover
Deputy Commissioner Jennifer De Rose

AMENDED ORDER TO SHOW CAUSE

The Nevada Transportation Authority (“Authority”) makes the following findings of fact and conclusions of law:

PROCEDURAL HISTORY

Citations

On August 9, 2021, the Enforcement Staff of the Nevada Transportation Authority (“Staff”) issued Citation No. 23109 to Yellow Cab alleging one hundred ninety-seven (197) violations of Nevada Administrative Code (“NAC”) section 706.3761.5 and fifty-two (52) violations of NAC section 706.360.

NAC section 706.3761.5 requires a certificate holder to provide “an appropriate, accurate and operable time clock” which must be approved by the Authority before its use; “and the certificate holder shall require its drivers to time stamp their trip sheets at the beginning and end of each of their shifts.”

NAC section 706.360 establishes that “the vehicles of an authorized carrier must not be used for transportation services beyond the scope of the authority of that carrier, even if services are resold by a broker.”

On August 25, 2021, Staff issued Citation No. 23111 to Reno Sparks Cab alleging eighty-one (81) violations of NAC 706.2473 incorporating CFR section 382.305(i)(3) and one (1) violation of NAC section 706.2473 incorporating CFR section 382.305(d)(1).

NAC 706.2473 incorporating CFR section 382.305(i)(3) mandates that the random annual minimum controlled substance testing of drivers is 50% and the random annual minimum alcohol testing of drivers is 10% for 2021.

NAC section 706.2473 incorporating CFR section 382.305(d)(1) implements the calculation of the random alcohol testing of drivers.

On August 25, 2021, Staff issued Citation No. 23112 to Reno Sparks Cab alleging one violation of NAC 706.2473 incorporating CFR 382.305(g) & (h) and one (1) violation of NRS 706.398.

NAC 706.2473 incorporating CFR 382.305(g) & (h) implements the calculation of the random controlled substance testing of drivers.

NRS 706.398 establishes that the Authority “may revoke or suspend the certificate of public convenience and necessity of a common motor carrier which has failed to comply with any provision of this chapter or any regulation of the Authority adopted pursuant thereto.”

On August 25, 2021, Staff issued Citation No. 23113 to Yellow Cab of Reno alleging twenty-six (26) violations of NAC 706.2473 incorporating CFR section 382.305(i)(3) and one (1) violation of NAC section 706.2473 incorporating CFR section 382.305(d)(1).

On August 25, 2021, Staff issued Citation No. 23114 to Yellow Cab of Reno alleging one (1) violation of NAC 706.2473 incorporating CFR 382.305(g) & (h) and one (1) violation of NRS 706.398.

On August 25, 2021, Staff issued Citation No. 23115 to Executive Limousine alleging four (4) violations of NAC 706.2473 incorporating CFR section 382.305(i)(3) and one (1) violation of NAC section 706.2473 incorporating CFR section 382.305(d)(1).

On August 25, 2021, Staff issued Citation No. 23116 to Executive Limousine alleging one (1) violation of NAC 706.2473 incorporating CFR 382.305(g) & (h) and one (1) violation of NRS 706.398.

On August 25, 2021, Staff issued Citation No. 23146 to Capitol Cab alleging eleven (11) violations of NAC 706.2473 incorporating CFR section 382.305(i)(3) and one (1) violation of NAC section 706.2473 incorporating CFR section 382.305(d)(1).

On August 25, 2021, Staff issued Citation No. 23147 to Capitol Cab alleging one (1) violation of NAC 706.2473 incorporating CFR 382.305(g) & (h) and one (1) violation of NRS 706.398.

Proceedings

1. On October 20, 2021 the Authority convened a hearing on all of the noted citations before Commissioner George Assad as Presiding Officer.
2. Louis V. Csoka, Deputy Attorney General, appeared as counsel on behalf of Staff. Brian R. Hardy, Esq. appeared on behalf of Yellow Cab, Reno Sparks Cab, Yellow Cab of Reno, Executive Limousine and Capitol Cab. Also present, with Mr. Hardy, was Roy Street, owner of all of the four named/cited entities.
3. At the beginning of the hearing, based on the common ownership of the entities, Mr. Hardy consented to the consolidation of the above noted citations/violations so they could be heard together pursuant to NAC 706.3996.
4. Staff offered into evidence:

The investigative citation report prepared by NTA Investigator William Schilling on September 16, 2021 regarding citation 23109 issued the Yellow Cab which alleged 197 counts of violating NAC 706.3761.5 and 52 counts of violating NAC 706.360 as State's Exhibit 1A;

A letter addressed to Ashwin Joshi dated 07.26.2016 as State's Exhibit 1B;

The NTA Final Order regarding multiple citations issued to Ledesma, Barnes, Joshi and Whittlesea Taxi dated 07/26/2019 as State's Exhibit 1C;

The investigative citation report prepared by NTA Investigators William Schilling and Adam Truitt on August 30, 2021 regarding citations 23111, 23112, 23113, 23114, 23115, 23116, 23146 and 23147 as part of the consolidated State's Exhibit 1D;

The Supplemental Report prepared by NTA Investigator William Schilling on September 20, 2021 regarding citations 23111, 23112, 23113, 23114, 23115, 23116, 23146 and 23147 as State's Exhibit 1E;

A single Waiver of the Findings of Fact and Conclusions of Law for all citations except 23109 as State's Exhibit 2;

5. All exhibits were admitted into evidence.
6. Counsel for the four cited entities did not offer any documentary evidence for admission.

FINDINGS OF FACT

William Schilling

7. William Schilling, Compliance Enforcement Officer for the Authority was sworn and testified on behalf of Staff; he was subject to cross examination.
8. Officer Schilling first testified regarding Citation No. 23109 which was issued for one hundred ninety-seven (197) violations of NAC 706.3761.5 and was based on the requirement that a driver physically time stamp a trip sheet at the beginning and at the end of the shift.
9. Upon investigation of Yellow Cab's driver records, Investigator Schilling found "trip sheets" for transportation provided by Stephen Barnes, a driver associated with Yellow Cab,

which allegedly violated Yellow Cab's duty to require drivers to time stamp their trip sheets at the beginning and end of each of the shifts during the following months:

- a. June of 2020 – eighteen (18) trip sheet violations by failing to time stamp at the end of his shifts;
- b. July of 2020 – twenty-seven (27) trip sheet violations by failing to time stamp at the end of his shifts;
- c. August of 2020 – thirty (30) trip sheet violations by failing to time stamp at the end of his shifts;
- d. September of 2020 – twenty-eight (28) trip sheet violations by failing to time stamp at the end of his shifts;
- e. October of 2020 – twenty-eight (28) trip sheet violations by failing to time stamp at the end of his shifts;
- f. November of 2020 – twenty-four (24) trip sheet violations by failing to time stamp at the end of his shifts;
- g. December of 2020 – thirty (30) trip sheet violations by failing to time stamp at the end of his shifts; and,
- h. January of 2021 – thirty (30) trip sheet violations by failing to time stamp at the end of his shifts. See State's Exhibit 1A and attached exhibits D, F, H, J, L, N, P, and, R.

10. The State requested admission of a letter dated 07/26/2019 addressed to Ashwin Joshi as State's Exhibit 1B and also requested admission of the NTA final order regarding multiple citations issued to Ledesma, Barnes, Joshi and Whittlesea Taxi dated 07/26/2019 as State's Exhibit 1C. These items were admitted without objection.

11. Investigator Schilling testified that he relied on State's Exhibit 1C in preparing the one hundred ninety-seven (197) violations of NAC 706.3761.5 because the NTA final order established that the carrier – Yellow Cab – was allowing Barnes' to fail to time stamp his trip sheet at both the beginning and end of each shift.
12. During cross examination of Investigator Schilling, it was established that at the time relevant to the finalization of State's Exhibit 1C, Whittlesea Taxi was not owned by the present owner - Yellow Cab.
13. During cross examination, it was established that Investigator Schilling did not find any violations of NAC 706.3761.5 by any other Yellow Cab driver than Stephen Barnes.
14. Investigator Schilling also reported that Yellow Cab's operating authority is limited to the Reno Sparks area. Consequently, all transportation was required to begin and end in the Reno Sparks area of Nevada.
15. Investigator Schilling's review of the six months of records provided by Yellow Cab also established that Stephen Barnes operated a vehicle provided by Yellow Cab outside the area of authority during the following months and in the following manner:
 - a. On June 12, 2020, Barnes had one trip that began and ended in Edgewood, Nevada;
 - b. On June 14, 2020, Barnes had one trip at 3:20 p.m. which began outside the authorized area and ended at the airport at 4:10 pm;
 - c. On June 20, 2020, Barnes had one trip which began in Edgewood and ended in Lakeside, South Lake Town; one trip which began at 11:30 in South Lake Tahoe and ended at 11:55; one trip which began at 12:10 in South Lake Tahoe

and ended at 12:40; and one trip which began at 4:30 and ended at 5:10 pm (see State's Exhibit 1A attached exhibit E)

- d. On July 2, 2020, Barnes had one trip which began at 5:55 and ended in Edgewood at 6:05;

- i. On July 13, 2020, Barnes began a trip at 10:45 in Edgewood which ended in South Lake Tahoe at 11:30 and had a second trip which began at 5:45 and ended at 6:20 in Tahoe Keys;

16. Counsel for the Staff and counsel for Yellow Cab stipulated that the above noted facts and conduct had occurred in violation of NAC 706.360 which prohibits use of a vehicle beyond the scope of the carrier's authority.

17. The Hearing Officer found Investigator Schilling's testimony to be credible.

Frank Street

18. Frank Street testified on behalf of Yellow Cab. He testified that he is employed at Yellow Cab as the general manager.

19. Frank Street testified that Yellow Cab requires the driver to come into the office and time stamp the time sheet.

20. Frank Street established that Steven Barnes was not presently employed at Yellow Cab and had not worked with Yellow Cab since May 2021. Further, it was Mr. Street's understanding that Barnes appeared at the citation hearing which resulted in the NTA final order (State's Exhibit 1C) without a Whittlesea representative.

21. Frank Street testified that at the time relevant to citation 23109, Yellow Cab had its own policy and procedures regarding time/trip sheets and that Barnes was acting on his own in a manner that he – Barnes personally - thought was in compliance with State's Exhibit 1C.

22. Frank Street testified that Yellow Cab presently has a more sophisticated system of time stamping the driver trip/time sheets.

23. Frank Street testified that he intends to comply with any orders and the applicable NACs.

24. Counsel for Staff then informed the Presiding Officer that he would be relying on the facts contained within State's Exhibit 1D - the Investigative Report prepared by Investigators Schilling and Truitt regarding citations 23111 and 23112 (issued to Reno Sparks Cab), citations 23113 and 23114 (issued to Yellow Cab of Reno), citations 23115 and 23116 (issued to Executive Limousine) and citations 23146 and 23147 (issued to Capitol Cab) and the facts documented in State's Exhibit 1E – the Supplemental Report prepared by Investigator Schilling as proof of the violations of NAC 706.2473 incorporating CFR section 382.305(i)(3), NAC section 706.2473 incorporating CFR section 382.305(d)(1), and NAC 706.2473 incorporating CFR 382.305(g) & (h).
25. Frank Street was recalled to testify on behalf of the four entities - Reno Sparks Cab, Yellow Cab of Reno, Executive Limousine and Capitol Cab.
26. Frank Street testify that he is the son of Roy Street, the owner of all four entities. He returned at the end of July beginning of August 2021 to work as the general manager of the four entities with the intent that the entities be run properly.
27. Frank Street recognized that the entities had not been run properly and that the person assigned to make sure that the required drug and alcohol testing was completed – Mercy Medina – was not fulfilling this task.
28. Frank Street hired Medina as the HR person for the entities approximately five (5) years earlier. He learned that Medina was going behind his back, urging his father to fire him and this ultimately happened.
29. Frank Street testified that the drug and alcohol testing is being completed as required and that the testing has been completed, at this time, up to the fourth quarter.

30. On cross examination, Frank Street agreed that the testing violations had occurred before he became the general manager.

31. The Hearing Officer found that Frank Street's testimony was not credible.

Mercy Medina

32. Testified on behalf of Staff in rebuttal to the testimony of Frank Street.

33. Medina testified that she had previously been employed by Reno Sparks Cab, Yellow Cab of Reno, Executive Limousine and Capitol Cab from 2013 until July 16, 2021.

34. Medina acknowledged that drug testing was not being completed as required but that this was not her decision rather Roy Street – owner of the entities – did not want the testing completed.

35. Medina also testified that Roy Street chose which drivers should be tested because he didn't want positive drug or alcohol usage to be reported as that would require those drivers to attend the required drug/alcohol programs.

36. Medina testified that Roy Street was motivated either by (1) the fact that he needed people available to drive the vehicles not in drug/alcohol programs which preclude them from driving, or, (2) the cost associated with the testing and that at one time he owed the testing entity \$9000 which she tried to get paid for the last several years.

37. Medina testified that there were very few accidents which resulted in positive drug tests. She testified that the NTA was not notified of the accidents with positive drug tests because Roy Street told her not to disclose these facts to the NTA.

38. On cross examination, Medina testified that she did provide some reports to the NTA but didn't disclose all of the information because if the NTA didn't ask then she didn't send the information.

39. Medina admitted that not all that was required was scheduled during the COVID pandemic but after COVID, again, it was Roy Street who didn't want the drivers tested.

40. Medina admitted that she had filed an EEOC claim against the entities.

Rene Revens

41. Was called as a witness by the Presiding Officer.

42. Ms. Revens testified that she had been chief of the compliance department at the Authority for two (2) years.

43. Ms. Revens testified that she learned, from Investigator Schilling, the alcohol and drug testing was not being completed. After learning this fact, Ms. Revens sent a letter identifying all of the drivers who needed to be tested by August 26, 2021 at 3:30 pm.

44. Ms. Revens extended the time frame for the completion of the testing another twenty-four (24) hours to noon on August 27, 2021.

45. It became apparent to Ms. Revens that the testing would not be completed within the set time frame.

46. Subsequently, Ms. Revens requested a current list of drivers who were on vacation. She received this list one (1) week later.

47. Ms. Revens testified that she dealt with Mercy Medina and Roy Street regarding the issues associated with the alcohol and drug testing issues.

48. Ms. Revens acknowledged that Frank Street was coordinating the testing of the drivers.

49. The Hearing Officer found Rene Reven's testimony to be credible.

William Schilling

50. Investigator Schilling was recalled to testify on behalf of the Staff.

51. Schilling testified that he served a subpoena on DAT Nevada and learned that the company was owned money.

Roy Street

52. Was called to testify on behalf of the four cited entities.
53. Roy Street testified that he hired Mercy Medina after she was released from prison.
54. Roy Street testified that it was not his intent to not follow the regulations.
55. Roy Street testified that he relied on Mercy Medina to follow the regulations.
56. Roy Street testified that eighty (80) drivers had been sent over to complete testing on one day.
57. On cross examination, Roy Street testified that it was Mercy Medina's job to make sure that all accidents were reported and if a driver had an accident, Medina was to send the driver for testing.
58. The Hearing Officer found that Roy Street's testimony was not credible.

Red Carpet VIP Transportation, LLC
Temporary Discontinuance
Docket 19-07032
March 24, 2022 General Session

This carrier has been on a temporary discontinuance since July 15, 2019, a period of over 2 ½ years.

The first two 6 month periods (7/15/19~1/15/20, 1/15/20~6/15/20) were due to “travel out of the country”. The next period was due to the pandemic (6/15/20~12/15/20) and the following two periods are stated as due to the pandemic and financial (12/15/20~6/15/21, 6/15/21~12/15/21).

At the February 17, 2022 general session it was reported that the period of temporary discontinuance expired on December 15, 2021. Staff had discussed the matter with the Arthur Gambaryan, owner, and he had indicated he was aware but had not filed an extension or gone back into business. As a result of the information provided at the February general session an OSC, Docket 22-02021, was open prematurely.

Subsequent to the February 2022 general session, the request for an extension was located by Staff. It had been misfiled. That request for extension was filed timely and is for the period December 15, 2021 through June 15, 2022. The reason stated for the latest request is pandemic financial hardship. That request is presented here for your consideration.

Staff does not support this request since transportation has increased recently and there are multiple new charter bus applications being processed. There are always business expenses, such as insurance and safety related costs required to operate a business.

This carrier has been on a temporary discontinuance since 2/11/2020, a period of 2 years.

This is their 5th request. The reason has previously been stated as insurance, however this request is due to acquiring a larger impound yard.

Staff does not support this request since Las Vegas opened to 100% capacity in June 2021, and staff considers 2 years excessive. Also, it does not appear that the cost of insurance will be going down in the foreseeable future.

13 **MOTION TO EXTEND COMPLIANCE PERIOD**

14 City on the Side, LLC ("COTS" or "Applicant"), by and through legal counsel, hereby
15 submits the following Motion to Extend Compliance Period ("Motion") for their Application
16 seeking authority to provide scenic tour services within Clark County, Nevada. The compliance
17 order was issued on August 4, 2020. Applicant previously sought and was granted an initial 90-day
18 extension. Applicant was also granted a one year extension in April 2021 due to limited access to
19 vaccination at the time and the ongoing pandemic.

20 This Motion is filed in good faith and is based primarily on the continuing impacts of the
21 pandemic on the economy and the global supply chain. As evidenced in the application, Applicant
22 utilizes a unique motorcycle with sidecar vehicle. Applicant has been working with the
23 manufacturer throughout the compliance period with regards to delivery of their vehicles in early
24 2022. Applicant was aware of manufacturing and shipping delays, but until recently was not aware
25 that the delays would be significant. Applicant received notice from the manufacturer that delivery
26 of their vehicles would not be possible until at least August 2022. *See*, Exhibit 1. Applicant stands
27 ready to commence operations, but due to the specific nature of their tours and vehicles are
28 unfortunately at the mercy of the manufacturing process.

1 Accordingly, Applicant respectfully requests an additional six month extension of the
2 compliance period pursuant to the timeline anticipated by the vehicle manufacturer.

3 Submitted this 28th day of February, 2021.

Requesting Scenic Tour Authority
Docket 19-07021
March 24, 2022 General Session

This is an application for scenic tour authority using motorcycle side cars. The application was approved at the July 22, 2020 general session. Compliance period set to expire 12/04/2020.

11/19/2020 requested 90 day extension which was granted making the new expiration date 3/4/2021. The reason for the extension was the pandemic.

3/2/2021 the Applicant filed a motion requesting a one year extension due to the pandemic and the effect on the carrier's business model. The motion was granted at the 4/8/2021 general session making the new due date 3/4/2022.

On 2/28/2022 the Applicant filed a second motion requesting a further 6 month extension due to the pandemic and its effect on the carrier's ability to obtain the vehicle side cars need for them to begin operations.

Staff notes:

Staff is concerned that the background for this application was completed in June of 2020. 2 years prior to their beginning operations.

This is a startup company therefore the capital infusion that is required remains the same at \$50,000. They project 80% equity and a 3:1 current ratio. The projected net income is sufficient to cover any additional expenses that have increased over the past two years such as fuel. Staff has no financial concern since they are required to fund the company with sufficient capital.

PRESENT: Chairman Dawn Gibbons
 Commissioner George Assad
 Commissioner R. David Groover
 Deputy Commissioner Jennifer De Rose

ORDER

Based on the evidence of record, the Nevada Transportation Authority ("Authority") makes the following findings:

1. That an Application was filed with the Authority by Perlman Enterprises, LLC d/b/a Reno Tahoe Limousine, a carrier certificated to provide charter limousine service as described in Certificate of Public Convenience and Necessity ("CPCN") 1101, Sub 2, for authority to modify tariff rates pursuant to NAC 706.1384.
2. That the Application was properly noticed to the public and there were no Petitions for Leave to Intervene or Protests filed.
3. That the Applicant seeks to:
 - a. Remove all Tier 1 and Tier 2 rates.
 - b. Change Vehicle Type to Vehicle Category.
 - c. Increase Airport Charge from \$3.00 to \$5.00.
 - d. Increase Professional Greeting Service from \$45.00 to \$60.00 per hour, with a 3 hour minimum, and increase thereafter from \$11.25 per 15 minutes to \$15.00 per 15 minutes.
 - e. Increase animal fees for animals under 25 pounds from \$10.00 to \$30.00.

- f. Increase animal fees for animals over 25 pounds from \$25.00 to \$50.00.
- g. Add a 3% credit card processing fee.
- h. Increase amenities from 5% to 30% of total cost.
- i. Change the animal fee exemption from Service Animals to Seeing Eye Dogs.
- j. Double Fuel Surcharge for Winter months.
- k. Increase sickness Fee from \$300.00 to \$500.00.
- l. Increase Smoking Fine from \$100.00 to \$300.00.

- n. Increase Meal cost for trips lasting ten hours or more from \$40.00 to \$75.00
- o. Increase maximum driving allowed from 10 hours in a day to 12 hours.
- p. Add zones 1, 2, and 3 based on City/Area.
- q. Modified Minimum Charter hours required per charter based upon Zone, day of the week, and Winter – Non Winter Seasons.
- r. Modify the following hourly rates:

Vehicle Category	Current Rate: (1 hr. min /each 1/4 hr. after the 1st hr.)	Proposed Rate: (1 hr. min /each 1/4 hr. after the 1st hr.)	Percentage Change
Vehicle Category 2: Small SUV 6 or less Pax	\$75.00/\$18.75	\$87.00/\$21.75	16.0 %
Vehicle Category 3: SUV 7-8 Pax	\$80.00/\$20.00	\$87.00/\$21.75	8.8 %

///

4. That the proposed tariff rates are higher than the range of rates currently used by the industry for similar services, specifically the Northern Nevada area, and there is a limited market from which to draw comparable pricing.
5. Staff expresses concern since the riding public has limited options from which to choose in the Northern Nevada market but realizes the unique weather and geographical locations of Northern Nevada. Staff does not support doubling the fuel surcharge during the winter months, as these rates are outside the fuel surcharge rates set by NAC 706.3555.
6. That staff continues to be in opposition to the Minimum Hour Rule that allows the Applicant to deviate from their minimum time requirements and set a new minimum time requirement with customer's consent, which was approved at the December 14, 2017 general session. Staff is opposed as it does not offer a means for the public to identify the specified rate qualifiers, contradicts other minimum requirements, and does not allow for uniform rates pursuant to NAC 706.311.
7. That their last tariff modification was in September 2018.
8. That based upon all the records relating to the Application and after investigation:
 - a. The Application on file herein comes within the purview of the statutes of the State of Nevada and within the regulatory jurisdiction of the Authority.
 - b. The proposed tariff modification will be consistent with the public interest and will not operate to defeat the legislative policy set forth in NRS 706.151.

Therefore, based upon the foregoing findings, it is ORDERED that:

RENO TAHOE LIMOUSINE reserves the right to eliminate their minimum hour requirements as set forth above when business is slow, as well as the right to impose 2, 4, 6, or even 8 hour minimum requirements when all vehicles are expected to be chartered at the time in question. All such requirements must be clearly and unequivocally expressed to and consented by the client prior to confirming the reservation. Upon a client entering into a contract/charter order with Reno Tahoe Limousine, that contract/charter order **shall not** be modified, or attempted to be modified, by Reno Tahoe Limousine; however, this does not prevent the client from cancelling or requesting a modification to the contract/charter order at their own doing and request. Under no circumstances will there be a charge for less than one hour of service; while many times there may be a minimum time of service in excess of one hour, as noted above, there cannot be a service which would ever be for less than a minimum of one (1) hour (as per NAC 706.036).

While RENO TAHOE LIMOUSINE will attempt to adhere to time schedules specified by customers, they will not be liable for any damages from delays caused by acts of God, public enemies, authority of law, quarantine, perils of navigation, riots, strikes, and hazard or dangerous incident to a state of war, accidents, storms and any other conditions beyond its control. for violation of NAC 706.3749 (2 counts).

Citation 23210

PETITION FOR RECONSIDERATION

Petitioner, Reno Sparks Cab ("Petitioner"), by and through its counsel, Brian R. Hardy, Esq. and hereby submit the instant Petition for Reconsideration. This Petition is brought pursuant to NRS 233B.130 and the following Points and Authorities, the documents and papers on file herein, and any oral argument by counsel permitted at the hearing on this matter.

MEMORANDUM OF POINTS AND AUTHORITIES

I. INTRODUCTION

On July 7, 2021, a hearing on the above-captioned matter was held before Chairman Dawn Gibbons, serving in her capacity as Hearing Officer for the Nevada Transportation Authority ("Authority"). The Respondent was present through their then Human Resource Manager, Mercy Medina. Ms. Medina elected to proceed without legal counsel and without informing necessary individuals at the company about the citations so that a financial assessment could be made and presented to the Authority. Notably, the Respondent does not deny the basis for the Citation but rather challenges the amounts assessed – which amounts are significant as the company continues to try and recover from the recent economic situation imposed upon the travel, tourism and transportation industries during the recent and ongoing COVID-19 pandemic. Simply put, Ms. Medina agreed to a substantial sum that places a significant burden on the

Respondent from which it now seeks reconsideration.

II. LEGAL ARGUMENT.

A. RECONSIDERATION IS APPROPRIATE.

Pursuant to NRS 233B.130, any party aggrieved by a final decision of the Authority may file a petition for rehearing or reconsideration. A petition for rehearing or reconsideration must be filed with the Authority within 15 days after the date the party receives a copy of the Order.¹ In Nevada, there is an inherent authority allowing for the amending, correcting, reconsideration or rescinding of prior orders. *Trail v. Faretto*, 91 Nev. 401, 403, 536 P.2d 1026, 1027 (1975); *accord Sussex v. Turnberry/MGM Grand Towers, LLC*, 2011 WL 4346346, at *2 (D. Nev. Sept. 15, 2011). Moreover, wide discretion is afforded on the question of reconsideration. *See Harvey's Wagon Wheel, Inc. v. MacSween*, 96 Nev. 215, 217-18, 606 P.2d 1095, 1097 (1980) (reconsideration of previously denied motion was approved as the "judge was more familiar with the case by the time the second motion was heard, and he was persuaded by the rationale of the newly cited authority"). Thus, the Authority may determine that, based upon the additional information, its earlier determination should be amended, corrected or rescinded. *See Jones v. Gugino*, 131 Nev. 1305 (Nev. Ct. App. 2015).

B. THE AUTHORITY SHOULD RECONSIDER THE AMOUNTS ASSESSED AGAINST THE PETITIONER.

As set forth in the Order:

At hearing, the parties knowingly and voluntarily stipulated and agreed as follows:

1. To admit into evidence the Citation 23210 and the related Investigation Report (marked as State's Exhibit 1 and incorporated herein by reference) and that the facts as set forth therein were true and accurate;

2. That the Respondent's actions constituted violation of NAC 706.3749 (2 counts), related to failure to report taxicab crash as required

See Order at pg. 1.

¹ On September 9, 2021 an Order was issued in the instant matter and a letter was issued submitting the same to the Petitioner on the same date. With 3 days for mailing and the associated weekend, the first business day following mailing of the letter was Monday, September 13, 2021. As such, the deadline for filing the instant Petition is September 28, 2021.

1 Petitioner does not contest the violation or seek to have the underlying matter reopened
2 relative to the basis for the Citation. Rather, the Respondent does not deny the basis for the
3 Citation but rather requests reconsideration of the amounts assessed – which amounts are
4 significant as the company continues to try and recover from the recent economic situation
5 imposed upon the travel, tourism and transportation industries during the recent and ongoing
6 COVID-19 pandemic. While the Respondent was present through their then Human Resource
7 Manager, Mercy Medina. Ms. Medina elected to proceed without legal counsel and without
8 informing necessary individuals at the company about the citations so that a financial assessment
9 could be made and presented to the Authority during the hearing. Without such information and
10 knowledge, Ms. Medina simply accepted the fines assessed by the Authority without
11 consideration as to the financial burden such would have on the company. Tellingly, Ms.
12 Medina is no longer employed by Petitioner. In fact, the fine agreed to by Ms. Medina agreed to
13 accept is substantial and places a significant burden on the Respondent.
14

15 As the Authority is well aware, Respondent is one company owned and operated by a
16 single owner. This owner has endeavored to keep his employees working through the COVID-
17 19 pandemic and to assure the traveling public (as limited as they may be given recent
18 restrictions) have the ability to travel from point to point in northern Nevada. This has come a
19 significant cost. It has also had a significant impact on his ability to hire and retain good
20 employees. This transition of employees and uncertainty within the travel industry has caused
21 Petitioner and its ownership significant financial hardship via loss of income and institutional
22 knowledge that has resulted in a number of recent citations and fines (which were uncommon
23 prior to the pandemic). In recent months the Respondent has been able to stabilize his workforce
24 and has been working with the Authority to fix the issues created by prior employees and the loss
25 of key employees with significant institutional knowledge. For these reasons, the Petitioner
26
27
28

1 respectfully requests the Authority reconsider its determination to "a fine in the amount of
2 \$5,000.00 for each of the NAC 706.3749 violations (2 counts) for a total fine amount of
3 \$10,000.00" and instead consider a reduced amount due and owing with the remainder to be held
4 in abeyance as such would reduce the immediate financial hardship on the Petitioner and still
5 allow the Authority the ability to assess such fines at a later date should it become necessary
6 based upon the future conduct of the Petitioner.
7

8 **III. CONCLUSION**

9 Given the foregoing, the Petitioner respectfully requests the Authority reconsider its
10 determination to "a fine in the amount of \$5,000.00 for each of the NAC 706.3749 violations (2
11 counts) for a total fine amount of \$10,000.00" and instead consider a reduced amount due and
12 owing with the remainder to be held in abeyance as such would reduce the immediate financial
13 hardship on the Petitioner and still allow the Authority the ability to assess such fines at a later
14 date should it become necessary based upon the future conduct of the Petitioner.

Reno Sparks Cab Company, Inc,
Yellow Cab of Reno, Inc,
Executive Limousine Service, Inc. and
Capitol Cab Company

21-09031

Additional information received after the citation hearing held on October 20th, 2021.

On 10/25/21 the NTA received two emails from Frank Street, General Manager for Reno Sparks Cab Company, Inc, Yellow Cab of Reno, Inc, Executive Limousine Service Inc. and Capitol Cab Company, with attached drug testing results for two of their drivers.

Both drivers tested positive for drugs. One of the drivers was one that the carrier failed to send for Random drug testing previously. This driver was also one of the drivers that the carrier failed to have tested when the NTA ordered him to do so. The carrier stated that the driver "...is out sick symptoms of Covid. I didn't think he should go and spread it". This driver was ordered to go through a Substance Abuse Program since he failed to test.

The SAP therapist referred him to go back to work after one class and an observed return to duty test. The driver was to continue his classes and report back to the SAP after he completed them.

On 10/12/21 Mr. Street emailed me drug testing results for this driver that were dated 9/7/21 and it was negative. He also attached the assessment summary from the Substance Abuse Program (SAP) and stated that this should clear this driver to drive. Mr. Street was informed that the test that he provided was not sufficient as it was dated before the driver went to the SAP and it was not an observed Return to Duty test. He was instructed the driver could not drive until he obtained negative return to duty test results.

Mr. Street then sent the driver for a 'Random' instead of the observed Return to Duty test that was required. Those results then came back positive for amphetamines.

The test results are available should the Commissioners wish to view them.

Rene' Revens

11 In Re: Citation 23210 issued to Reno Sparks Cab

Citation 23210

13 **PETITION FOR RECONSIDERATION**

14 Petitioner, Reno Sparks Cab ("Petitioner"), by and through its counsel, Brian R. Hardy,
15 Esq. and hereby submit the instant Petition for Reconsideration. This Petition is brought pursuant
16 to NRS 233B.130 and the following Points and Authorities, the documents and papers on file
17 herein, and any oral argument by counsel permitted at the hearing on this matter.

18 **MEMORANDUM OF POINTS AND AUTHORITIES**

19 **I. INTRODUCTION**

20 On July 7, 2021, a hearing on the above-captioned matter was held before Chairman
21 Dawn Gibbons, serving in her capacity as Hearing Officer for the Nevada Transportation
22 Authority ("Authority"). The Respondent was present through their then Human Resource
23 Manager, Mercy Medina. Ms. Medina elected to proceed without legal counsel and without
24 informing necessary individuals at the company about the citations so that a financial assessment
25 could be made and presented to the Authority. Notably, the Respondent does not deny the basis
26 for the Citation but rather challenges the amounts assessed – which amounts are significant as
27 the company continues to try and recover from the recent economic situation imposed upon the
28 travel, tourism and transportation industries during the recent and ongoing COVID-19 pandemic.
Simply put, Ms. Medina agreed to a substantial sum that places a significant burden on the

Respondent from which it now seeks reconsideration.

II. LEGAL ARGUMENT.

A. RECONSIDERATION IS APPROPRIATE.

Pursuant to NRS 233B.130, any party aggrieved by a final decision of the Authority may file a petition for rehearing or reconsideration. A petition for rehearing or reconsideration must be filed with the Authority within 15 days after the date the party receives a copy of the Order.¹ In Nevada, there is an inherent authority allowing for the amending, correcting, reconsideration or rescinding of prior orders. *Trail v. Faretto*, 91 Nev. 401, 403, 536 P.2d 1026, 1027 (1975); *accord Sussex v. Turnberry/MGM Grand Towers, LLC*, 2011 WL 4346346, at *2 (D. Nev. Sept. 15, 2011). Moreover, wide discretion is afforded on the question of reconsideration. *See Harvey's Wagon Wheel, Inc. v. MacSween*, 96 Nev. 215, 217-18, 606 P.2d 1095, 1097 (1980) (reconsideration of previously denied motion was approved as the "judge was more familiar with the case by the time the second motion was heard, and he was persuaded by the rationale of the newly cited authority"). Thus, the Authority may determine that, based upon the additional information, its earlier determination should be amended, corrected or rescinded. *See Jones v. Gugino*, 131 Nev. 1305 (Nev. Ct. App. 2015).

B. THE AUTHORITY SHOULD RECONSIDER THE AMOUNTS ASSESSED AGAINST THE PETITIONER.

As set forth in the Order:

At hearing, the parties knowingly and voluntarily stipulated and agreed as follows:

1. To admit into evidence the Citation 23210 and the related Investigation Report (marked as State's Exhibit 1 and incorporated herein by reference) and that the facts as set forth therein were true and accurate;

2. That the Respondent's actions constituted violation of NAC 706.3749 (2 counts), related to failure to report taxicab crash as required

See Order at pg. 1.

¹ On September 9, 2021 an Order was issued in the instant matter and a letter was issued submitting the same to the Petitioner on the same date. With 3 days for mailing and the associated weekend, the first business day following mailing of the letter was Monday, September 13, 2021. As such, the deadline for filing the instant Petition is September 28, 2021.

1 Petitioner does not contest the violation or seek to have the underlying matter reopened
2 relative to the basis for the Citation. Rather, the Respondent does not deny the basis for the
3 Citation but rather requests reconsideration of the amounts assessed – which amounts are
4 significant as the company continues to try and recover from the recent economic situation
5 imposed upon the travel, tourism and transportation industries during the recent and ongoing
6 COVID-19 pandemic. While the Respondent was present through their then Human Resource
7 Manager, Mercy Medina. Ms. Medina elected to proceed without legal counsel and without
8 informing necessary individuals at the company about the citations so that a financial assessment
9 could be made and presented to the Authority during the hearing. Without such information and
10 knowledge, Ms. Medina simply accepted the fines assessed by the Authority without
11 consideration as to the financial burden such would have on the company. Tellingly, Ms.
12 Medina is no longer employed by Petitioner. In fact, the fine agreed to by Ms. Medina agreed to
13 accept is substantial and places a significant burden on the Respondent.
14

15 As the Authority is well aware, Respondent is one company owned and operated by a
16 single owner. This owner has endeavored to keep his employees working through the COVID-
17 19 pandemic and to assure the traveling public (as limited as they may be given recent
18 restrictions) have the ability to travel from point to point in northern Nevada. This has come a
19 significant cost. It has also had a significant impact on his ability to hire and retain good
20 employees. This transition of employees and uncertainty within the travel industry has caused
21 Petitioner and its ownership significant financial hardship via loss of income and institutional
22 knowledge that has resulted in a number of recent citations and fines (which were uncommon
23 prior to the pandemic). In recent months the Respondent has been able to stabilize his workforce
24 and has been working with the Authority to fix the issues created by prior employees and the loss
25 of key employees with significant institutional knowledge. For these reasons, the Petitioner
26
27
28

1 respectfully requests the Authority reconsider its determination to "a fine in the amount of
2 \$5,000.00 for each of the NAC 706.3749 violations (2 counts) for a total fine amount of
3 \$10,000.00" and instead consider a reduced amount due and owing with the remainder to be held
4 in abeyance as such would reduce the immediate financial hardship on the Petitioner and still
5 allow the Authority the ability to assess such fines at a later date should it become necessary
6 based upon the future conduct of the Petitioner.
7

8 **III. CONCLUSION**

9 Given the foregoing, the Petitioner respectfully requests the Authority reconsider its
10 determination to "a fine in the amount of \$5,000.00 for each of the NAC 706.3749 violations (2
11 counts) for a total fine amount of \$10,000.00" and instead consider a reduced amount due and
12 owing with the remainder to be held in abeyance as such would reduce the immediate financial
13 hardship on the Petitioner and still allow the Authority the ability to assess such fines at a later
14 date should it become necessary based upon the future conduct of the Petitioner.

BEFORE THE NEVADA TRANSPORTATION AUTHORITY

IN THE MATTER of Capitol Cab

RE: Citations 23142, 23143, 23144, 23145

PETITION FOR RECONSIDERATION OR REHEARING

COMES NOW, Capitol Cab ("Petitioner"), by and through its legal counsel, Brian R. Hardy, Esq., hereby applies by Petition to the Nevada Transportation Authority (the "Authority") for reconsideration of its Order dated January 24, 2022 and/or rehearing on the underlying citations pursuant to NRS 233B.130.

I. INTRODUCTION

On October 13, 2021, a hearing on the above-captioned matters was held before Chairman Dawn Gibbons, serving in her capacity as Hearing Officer for the Authority. According to the record, the cited party, Capitol Cab, was not present. However, according to Noel Aponte (the Capitol Cab manager) he had dialed into the hearing at approximately 8:25AM where he remained silently on hold for 25 minutes. According to Mr. Aponte, when his presence was not acknowledged he ended the call. Granted, Mr. Aponte is not familiar with the process but he did attempt to participate. Upon information and belief, Mr. Aponte likely did not click on the appropriate button to allow himself access to the virtual lobby. Rather, it appears likely Mr. Aponte (inadvertently) attempted to appear for the hearing and, upon not seeing anyone else on the camera, simply closed out the window. As such, despite it being a failed attempt to appear – an attempt to appear was made by Capitol Cab.

On or about January 24, 2022, an Order was issued wherein the Authority issued an Order to Show Cause Hearing be scheduled at the recommendation of the Authority Staff

MAC:16434-003 4613005_1 2/8/2022 4:25 PM

1 stating that the fines alone would be an inadequate remedy in this matter and requesting that an
2 Order to Show Cause be issued to Capital Cab so that additional remedies (such as revocation of
3 operating authority) could be pursued.

4 **II. LEGAL ANALYSIS**

5 NRS 233B.130(4) provides that a "petition for rehearing or reconsideration must be
6 filed within 15 days after the date of service of the final decision. An order granting or denying
7 the petition must be served on all parties at least 5 days before the expiration of the time for
8 filing the petition for judicial review. If the petition is granted, the subsequent order shall be
9 deemed the final order for the purpose of judicial review." The Authority has inherent authority
10 to amend, correct, reconsider or rescind any of its prior orders. *Trail v. Faretto*, 91 Nev. 401,
11 403, 536 P.2d 1026, 1027 (1975). Among the "basic grounds" for a reconsideration are
12 "correct[ing] manifest errors of law or fact," "newly discovered or previously unavailable
13 evidence," the need "to prevent manifest injustice," or a "change in controlling law." *AA Primo*
14 *Builders, LLC v. Washington*, 126 Nev. 578, 582, 245 P.3d 1190, 1193 (2010) (citation omitted;
15 alteration in original).

16 Relief from an order may be granted for mistakes by any person, not just a party. *See*
17 *Associates Discount Corp. v. Goldman*, 524 F.2d 1051 (3d Cir. 1975). The relief afforded by
18 reconsideration is appropriate where the order or judgment results from such circumstances as a
19 misunderstanding regarding the obligations of the parties. *See Robb v. Norfolk & Western Ry.*
20 *Co.*, 122 F.3d 354 (7th Cir. 1997). This basis for relief is assessed on a case-by-case analysis as
21 not every error or omission will qualify as "excusable neglect." To qualify as "excusable
22 neglect," the conduct is tested against an equitable standard, considering: (1) prejudice to the
23 opponent; (2) length of any delay or impact of the proceeding; (3) reason for the delay; and (4)
24 moving party's good faith. *See Laurino v. Syringa General Hosp.*, 279 F.3d 750, 753 (9th Cir.
25 2002).

26 Here, such an analysis clearly establishes that Capital Cab should receive relief from the
27 Order and that no party will be prejudiced by affording Capital Cab the opportunity to appear
28

1 and defend itself against the allegation raised by the citations. In fact, it serves the purposes of
2 justice to allow parties the opportunity to defend their position and appear before the Authority
3 to argue their defenses.

4 Moreover, if the Authority grants relief from its Order and allows the citations to be
5 heard on the merits, the proceedings will not be delayed. Rather, a determination on the merits
6 has the potential to expedite the matter through resolution or, at a minimum, provides all parties
7 with a clean and clear record that oftentimes eliminates the need for any appeal.

8 Finally, there is a good faith basis for the nonappearance. Namely, Mr. Aponte affirms
9 he attempt to participate in the proceeding but, whether due to technical problems or user error,
10 was unable to participate. Unfortunately, Mr. Aponte attempted to appear for the hearing and,
11 upon not seeing anyone else on the camera for a significant period of time, simply closed out the
12 window. As such, despite it being a failed attempt to appear – an attempt to appear was made by
13 Capitol Cab. Clearly the attempt the participate and the users unfamiliarity with the system is
14 “excusable neglect” and in an effort “to prevent manifest injustice” it behooves the Authority to
15 reconsider its Order and set the Citations for rehearing. *AA Primo Builders, LLC*, 126 Nev. at
16 582, 245 P.3d at 1193.

17 **III. CONCLUSION.**

18 Based upon the foregoing, Capitol Cab respectfully request the Authority reconsider its
19 Order and set the Citations for rehearing.

**Blvd Moving of Nevada, LLC
Application for Household Goods Mover Authority
Docket 21-08017
March 24, 2022 General Session**

Application Summary:

On August 12, 2021, Blvd Moving of Nevada, LLC ("Applicant") filed an application requesting authority to transport household goods within Clark, Lincoln, and Nye Counties, Nevada on the one hand and State of Nevada on the other hand and to operate two (2) vehicles. David Fimbres is the sole member of the LLC.

Staff Analysis:

Staff supports this application, and therefore requests the application hearing be dispensed per NRS 706.391(9). The following procedures were performed by Staff with acceptable results and their basis to support this application:

- 1) The application was noticed and no petitions for leave to intervene or protests were filed.
- 1) Background investigation was performed with no areas of concern. (Attachment A)
- 2) Market – staff does not require market for household goods since proof of demand is difficult to compile and moving is not a highly repetitive activity compared to market for transporting passengers. However, the applicant provided their market, as it is required, in the application and was reviewed by staff.
- 3) Pro Forma Balance Sheet – lists one (1) truck. The second truck will have a 6-month lease, and therefore not reported on the balance sheet. It has 100% equity, and enough cash to cover 90 days' worth of fixed expenses. (Attachment B)

No capital infusion is necessary. The cash required to fund the pro forma balance sheet is in the company's bank account.

- 4) Pro Forma Income Statement - projects \$407,392 in sales and \$40,909 in net income. (Attachment C) When compared to other carriers of similar size, projected sales are too high for a startup with two (2) trucks; projected salary/wage and repair expenses appear to be low; and payroll tax and workman's compensation expenses appear to be high. The company remains compensable after making these adjustments. Adjusted net income is \$24,891.
- 5) Tariff – the proposed rates are within the range of rates currently charged by the industry for similar services. (Attachment D)

Attachments:

- A. Investigator's Background Report without exhibits
- B. Pro Forma Balance Sheet
- C. Pro Forma Income Statement
- D. Tariff

Compliance Items in addition to those included in the background report:

- 1) Mr. Fimbres' 2018 and 2019 IRS transcripts that materially trace to the tax return copies previously provided to staff.
- 2) Provide a cash reconciliation and corresponding bank statement that demonstrates the \$44,400 in cash, needed to fund the pro forma balance sheet, is available.

National Transportation Status update

Liz,

Thank you for taking my call in regard to the status update of Whittlesea Checker Taxi, Bell Limo, Bell Airport Mini, Celebrity Coaches, Platinum and Mammoth Limousine all a series of Platinum LV.

To recap we are working very closely with B&M Dmv services which is proving to be a success. They have been working closely with the NV department of Motor Vehicles as well the lenders for the incumbered vehicles as well the unencumbered vehicles purchased as part of the Sale with Metro Car. As you know from previous discussions and hearings with the board, the titles for 8 months have been an atrocity. B&M has been successful and in the stages of assisting us complete this process. After our call the first vehicles was completed and more to follow. We have all the titles in the hands of the Nevada Motor carrier (celebrity buses) which too had faulty titles and we should see titles and registrations very soon. In addition, there was a debt that was brought up by the board in the last hearing that was a quarterly tax by Metro car and that too is being resolved.

Also discussed was the taking of the companies out of temporary discontinuance. Were able to complete this once we have at least one title/registration for each company in order to submit a request and were hoping that is coming to us.

The boards assistance is greatly appreciated. We have been at the mercy of the lender as well the DMV to get this resolved and were close.

I will provide another update at the end of this coming week.

Thank You

Mark Friedman, VP of operations

Docket 22-01022
March 24, 2022 general session
Order to Show Cause

Since January 2022 Jacob Price, owner, has been working with the financial analyst in completing their application. As of March 4, 2022, staff requested Mr. Price to submit their application and payment for processing.

There are several financial items outstanding; however, staff is waiving the policy to require all financial items be submitted with the application. The policy is being waived because it's been a year since Western Trails is operating under interim authority and an application hearing may be required and would need to be scheduled immediately.

Staff has made it very clear to Mr. Price that the outstanding financial items must be submitted as soon as possible.

Minutes from February 17, 2022 general session:

Docket 21-03021 The Application of Western Trails Charters & Tours, LLC d/b/a St. George Express, Salt Lake Express for a status check of the final approval of a certificate of public convenience and necessity to provide special service, including regular routes, and airport transfer service within the State of Nevada. Docket No.: 18-12002

**Motion to Dismiss Application and
Notice of Hearing**

8 Jennifer DeRose, Deputy Commissioner (the "Deputy Commissioner") of the Nevada
9 Transportation Authority ("NTA"), moves that the NTA Commissioners dismiss the application of Red
10 Rock Movers, LLC, Docket Number 18-12002 ("Red Rock" or "Applicant"). This Motion to Dismiss
11 Application and Notice of Hearing (this "Motion") is made and based upon the Application, the
12 Memorandum of Points and Authorities that follows, and any argument and/or evidence presented at the
13 Hearing of this matter.

14 **Memorandum of Points and Authorities**

15 **I. Jurisdiction**

16 The NTA has jurisdiction over household goods movers in Nevada.¹ Applicants for household
17 goods movers, such as Red Rock, must submit an application and specific information to the NTA prior
18 to operating.² The Deputy Commissioner shall move for dismissal of deficient applications.³ Thus, the
19 NTA has jurisdiction to hear and rule on this Motion.

20 **II. Background Facts**

21 On or about December 6, 2018, Red Rock filed an application with the NTA, which was
22 contemporaneously noticed and designated as Docket No. 18-12002 (the "Application"). In its
23 Application, Red Rock requested initial issuance of a certificate of public convenience and necessity to
24 operate as a household goods mover within the State of Nevada.

27 ¹ See NRS 706.442 through NRS 706.443.

28 ² See NRS 706.443; NAC 706.1375 (2).

³ See NAC 706.1375(3)

1 The Application was approved at the September 27, 2019, General Session, with compliance
2 conditions. Since that time, repeated extensions were granted yet compliance requirements were not met.

3 See Exhibit "A."

4 Accordingly, the Applicant abandoned the Application.

5 **III. Argument**

6 Applicants for household goods movers must provide various specific information with their
7 application.⁴ Pursuant to its regulations, Staff normally notifies Applicant about such omissions and
8 deficiencies in writing.⁵ Thereafter, the Applicant must cure the omissions and deficiencies within 15
9 working days.⁶

10 Here, the Applicant is no longer communicating with the NTA and has not filed the necessary
11 information for the Application to meet the compliance conditions.

12 Accordingly, the Deputy Commissioner has satisfied the requirements for dismissal.

13 **IV. Conclusion**

14 The Applicant failed to prosecute the Application in good faith. The Deputy Commissioner has
15 satisfied the requirements for dismissal and, therefore, hereby moves that the NTA grant this Motion at
16 their next agenda meeting.
