79. **Docket 22- 03049** Discussion regarding NAC 706.3968(2) and the broad discretion conferred on each presiding officer to either (1) grant or (2) deny or (3) set the petition for further proceedings when review a Petition for Leave to Intervene and given this broad regulatory discretion and regardless of prior intervenor decisions, a presiding officer is not required to automatically or regularly grant a Petition for Leave to Intervene. **(RDG)**
Commissioner Groover detailed the standards and stated the opinion that PLTI's are not automatically granted. Brent Carson, Esq., James Kent, Esq., Kimberly Maxson-Rushton, Esq. and Neal Tomlinson, Esq. each offered statements regarding the broad discretion the Hearing Officer is afforded to determine whether to grant or deny a PLTI and the information submitted to be utilized to make that determination. A lengthy discussion ensued.

80. **Docket 22-03050** Discussion regarding whether a Petition for Leave to Intervene in a proceeding related to an application for a certificate of public convenience should contain facts which establish compliance with NAC 706.3966(2)(a)(1) AND (2) OR should contain facts which establish compliance with NAC 706.3966(b) before a presiding officer reaches the statutory conclusion that "the petitioner shall be deemed to have a direct and substantial interest in the proceeding if the petitioner demonstrates that he or she is authorized to provide the same type of service within the same territory as that which the applicant for the certificate purposes to provide." **(RDG)**
Commissioner Groover stated that simply "mirroring" the language does not contain facts to assist the hearing officer in making a decision whether it is related or not. Neal Tomlinson, Esq. and Mark James, Esq. stated the opinion that these changes would need to be made at the legislative level. Commissioner Assad states the design is to allow the Intervenor in and that they then must demonstrate the direct and substantial interest details. James Kent, Esq. stated the Intervenor should provide some detail, not just cite the regulation. A lengthy discussion ensued.

81. **Docket 22-03051** Discussion regarding the interplay between the concluding statutory language of NAC 706.3966 (direct and substantial interest) and **NRS 706.391(3)** which specifies "the Authority shall not find that the potential creation of competition in a territory which may be caused by the granting of the certificate…by itself, will unreasonable and adversely affect other carriers operating in the territory for the purposed of" NRS 706.391.(2)(c) (granting application as it will not unreasonably and adversely affect other carriers operating in the same territory) ***(RDG)***
Commissioner Groover detailed the standards. Neal Tomlinson, Esq. stated the determination should be made after the initial proceeding, not at the filing of the PLTI. Kimberly Maxson-Rushton, Esq., Brent Carson, Esq., both offered statements in favor of granting the PLTI and holding a hearing to determine the possible adverse effects of the Application on the Intervenor. James Kent, Esq. stated the opinion that there should be enough information for the Hearing Officer to make an informed decision. Drew Ribar offered that additional regulation could make it more difficult for current carriers to have a voice. A lengthy discussion ensued.

At a general session of the Nevada Transportation Authority held on June 2, 2022

PRESENT: Chair Dawn Gibbons
Commissioner George Assad
Commissioner R. David Groover
Deputy Commissioner Jennifer DeRose

FINDINGS OF FACT,
CONCLUSIONS OF LAW, AND ORDER

On September 23, 2021, a hearing on the above-captioned matter was held before Commissioner George Assad acting in his capacity as Hearing Officer for the Nevada Transportation Authority ("Authority"). The Respondents, Reno Cab, Yellow Cab of Reno, Capital Cab and Executive Limousine were present through counsel Brian R. Hardy. The Authority Staff was represented by Louis V. Csoka, Deputy Attorney General.

After hearing the allegations, the respective arguments, and having considered the evidence introduced by both parties and being fully advised, the Hearing Officer, pursuant to Nevada Administrative Code ("NAC") 706.4015, prepared a proposed decision for review by the Authority.

Based on that proposed decision, the Authority makes the following Findings of Fact and Conclusions of Law, which constitute a final order affirming the decision of the Hearing Officer.

Any Finding of Fact that would be better deemed a Conclusion of Law or vice versa shall be so construed. Under Nevada Revised Statutes ("NRS") 706.151, the Authority has legal jurisdiction and authority over this matter.

FINDINGS OF FACT

1. On February 28, 2021, the Authority entered a final order regarding Citations 20864, 20953 and 23042 issued to Reno Cab Company.
2. On May 6, 2021 a Petition for Reconsideration regarding Citations 20864, 20953 and 23042 was accepted by the Authority and assigned docket number 21-04037.
3. The Petition for Reconsideration was ultimately denied on July 27, 2021.
4. Respondent paid the fine imposed and finalized on February 28, 2021 of One Thousand Two Hundred Dollars ($1,200.00) on August 25, 2021. Respondent did not pay the Eight Hundred Dollars ($800.00) that was ordered held in abeyance.
5. These same facts were the basis for Citation 28070 issued to Yellow Cab of Reno, Citation 20871 issued to Capital Cab and Citation 20872 issued to Executive Limousine.
6. Deputy Attorney General Csoka, counsel for Authority Staff, withdrew Citations 28070, 20871 and 20872.

CONCLUSIONS OF LAW

Based upon the testimony and findings summarized above, the Authority concludes that counsel for Authority Staff did not introduce sufficient evidence to sustain the violation of NAC 706.4018 alleged in Citation 20869. Therefore, this citation was dismissed.

Based on the concession of counsel for Authority Staff, Citations 20870, 20871 and 20872 are withdrawn.

ORDER

IT IS THEREFORE ORDERED, based on the foregoing Findings of Fact and Conclusions of Law:

1. That the recommendation by the Hearing Office to dismiss Administrative Citation and Verified Complaint 20869, issued to Reno Cab, is hereby AFFIRMED;
2. That the withdrawal of Citation 20870 issued to Yellow Cab of Reno, Citation 20871 issued to Capital Cab and Citation 20872 issued to Executive Limousine is hereby AFFIRMED.

BEFORE THE NEVADA TRANSPORTATION AUTHORITY

In re Citation 21431 issued to Richard Brieger for violation of NAC 706.2473 re 49 CFR section 383.3.	)))	Citation No. 21431

At a general session of the Nevada Transportation Authority held on June 2, 2022

PRESENT: Chair Dawn Gibbons
Commissioner George Assad
Commissioner R. David Groover
Deputy Commissioner Jennifer DeRose

FINDINGS OF FACT,
CONCLUSIONS OF LAW, AND ORDER

On May 26, 2021, a hearing on the above-captioned matter was held before Commissioner David Newton serving in his capacity as Hearing Officer for the Nevada Transportation Authority ("Authority"). The Respondent, Richard Brieger was present and he elected to proceed without counsel. The Authority Staff was represented by Louis V. Csoka, Deputy Attorney General.

After hearing the allegations, the respective arguments, and having considered the evidence introduced by both parties and being fully advised, the Hearing Officer, pursuant to Nevada Administrative Code ("NAC") 706.4015, prepared a proposed decision for review by the Authority.

Based on that proposed decision, the Authority makes the following Findings of Fact and Conclusions of Law, which constitute a final order affirming the decision of the Hearing Officer.

Any Finding of Fact that would be better deemed a Conclusion of Law or vice versa shall be so construed. Under Nevada Revised Statutes ("NRS") 706.151, the Authority has legal jurisdiction and authority over this matter.

FINDINGS OF FACT

The Authority finds that there is substantial evidence in the record, delivered by the Hearing Officer, to establish each of the facts set forth below.

The investigative citation report prepared by NTA Investigator William Schilling on April 15, 2021 regarding citation 21431 issued to Richard Brieger and the citation which alleged one (1) count of violating NAC 706.2473 incorporating 49 CFR 383.3 were admitted as State's Exhibit 1.

Counsel for Staff called William Schilling who was sworn and testified:

1. He is employed as an enforcement investigator at the Nevada Transportation Authority (NTA).
2. On April 15, 2021, he was at the Reno Tahoe airport conducting routine inspections of vehicles.
3. During these inspections, he came into contact with the driver of an Executive Limousine Sprinter vehicle and asked to see the driver's commercial driver's license ("CDL"), his medical card and the driver permit issued by the NTA.
4. The driver, who was identified as Richard Brieger, stated that he did not possess a CDL.
5. The Sprinter vehicle had been outfitted with a limousine rear compartment which made it possible for the vehicle to transport fourteen (14) passengers, one passenger in the front passenger seat and one driver equaling sixteen (16) persons.
6. Based on the capacity of the vehicle, 49 CFR 383.3 and Nevada law require any person driving this vehicle to have a CDL.

///

///

Respondent Richard Brieger was sworn and testified:

1. The vehicle that he was with at the airport was put into service approximately four (4) years earlier.
2. At that time, he was told – by the operations manager - that as long as a passenger was not seated in the front right passenger seat then he was not required to have a CDL.
3. He has not allowed a passenger to occupy the right front seat and puts luggage in that area of the vehicle.
4. He has been a driver for twenty (20) years and has never been issued a citation before the present one.
5. He has never had a CDL.

CONCLUSIONS OF LAW

Based upon the testimony and findings summarized above, the Authority concludes that substantial evidence exists in the record which establishes that Respondent's actions constitute a violation of NAC 706.2473 which incorporates 49 CFR section 383.3 because the vehicle in Mr. Brieger possessed could be occupied by fifteen (15) passengers and one (1) driver. Based on this occupant capacity, a CDL was required in order to lawfully operate the Sprinter vehicle. It was uncontested that Mr. Brieger did not possess a CDL.

DISCUSSION

Counsel for Authority Staff asserted that the standard fine for the violation of NAC 706.2473 which incorporates 49 CFR section 383.3 was $100.00. However, counsel felt that there should be some amount held in abeyance.

///

///

The Hearing Officer considered the above-noted Findings of Fact and Conclusions of Law and determined that a fine of Two Hundred Dollars and no Cents ($200.00) with the full Two Hundred Dollars and no Cents ($200.00) held in abeyance as long as Respondent did not violate either NRS 706 or NAC 706 within one year was appropriate.

ORDER

IT IS THEREFORE ORDERED, based on the foregoing Findings of Fact and Conclusions of Law:

1. That the recommendation of the Hearing Officer for Administrative Citation and Verified Complaint 21431, issued to Richard Brieger for a violation of NAC 706.2473 which incorporates 49 CFR section 383.3 is hereby AFFIRMED;

2. That the *total* fine for Citation 21431 shall be in the amount of Two Hundred Dollars and Zero Cents ($200.00) with Two Hundred Dollars and Zero Cents ($200.00) of said fine amount suspended pending no further violation of NRS 706 or NAC 706 within one year; and

Motion to Extend Compliance Period

Dear Ms. De Rose,

My bus did not qualify under my license therefore I am looking for a bus that will. It's taking me a little longer than I thought, so I would like to ask for an extension for my compliance phase. I believe I have completed all stipulations except for having the bus qualify. Once I purchase the correct bus, I will notify Howard and move forward.

Based on the above, we request an additional 120 days from the date of this motion to complete the compliance requirements.

Tahoe Tony, LLC d/b/a
Day-Go Adventures, and d/b/a Tahoe Paddle Sports
Request for Exemption under NAC 706.147
Docket 22-04019
June 2, 2022 General Session

History:
Sole proprietor Anthony Spatucci d/b/a Day-Go Adventures, and d/b/a Tahoe Paddle Sports was granted an Exemption under NAC 706.147 under Docket 19-04025 at the May 2, 2019 General Session.

Summary:
Mr. Spatucci changed from a sole proprietor to a limited liability company in June 2021. On April 11, 2022 Anthony Spatucci, Member of Tahoe Tony, LLC d/b/a Day-Go Adventures and d/b/a Tahoe Paddle Sports ("TTony"/ "Applicant") filed a Request for Exemption pursuant to NAC 706.147. The Request was accepted on April 11, 2022 and designated Docket 22-04019.

TTony operates a company under two fictitious names that offer kayak and paddle boat tours to clients who wish to tour at Cave Rock, Sand Harbor, and Spooner Lake, State Park. TTony holds a Special/Commercial Use Permit (License) from the State of Nevada Division of State Parks effective through May 31, 2023.

Currently the free shuttle will pick up clients from two locations, the Douglas County Parking Garage in Stateline, NV and at 201 Village Boulevard, Incline village, NV. Both pick up locations are within the State of Nevada. They will be returned to their respective pickup locations following completion of the tour. Additional pickup locations may be added in the future.

TTony operates 4 shuttle buses. He has provided 2 vehicle registrations and has an appointment with DMV to register the remaining 2 on June 6, 2022. Once registrations are complete he will provide copies.

Staff Discussion:
Currently, the State Park requires all tour operators to provide their clients with shuttle transportation into the Park.

Other companies offer off road activities, where the place of business is considered to be the location as evidenced by the BLM or State Park Permit rather than the office that is identified on their State and/or County business licenses. Such companies have been granted the exemption.

The Applicant meets the requirements of NAC 706.147 and Staff supports this Request, subject to the receipt of the remaining two registrations.

BEFORE THE NEVADA TRANSPORTATION AUTHORITY

In Re: The Application of Perlman Enterprises, LLC d/b/a Reno Tahoe Limousine for authority to modify tariff rates pursuant to NAC 706.1384.	))))	Docket 22-02006

At a general session of the Nevada Transportation Authority held on June 2, 2022.

PRESENT: Chairman Dawn Gibbons
Commissioner George Assad
Commissioner R. David Groover
Deputy Commissioner Jennifer De Rose

ORDER

Based on the evidence of record, the Nevada Transportation Authority ("Authority") makes the following findings:

1. That an Application was filed with the Authority by Perlman Enterprises, LLC d/b/a Reno Tahoe Limousine, a carrier certificated to provide charter limousine service as described in Certificate of Public Convenience and Necessity ("CPCN") 1101, Sub 2, for authority to modify tariff rates pursuant to NAC 706.1384.
2. That the Application was properly noticed to the public and there were no Petitions for Leave to Intervene or Protests filed.
3. That the application was heard at the March 24, 2022 general session and tabled to the April 24, 2022 general session.
4. That the application was missed for the April 24, 2022 agenda, therefore staff requested interim approval and a waiver of the interim approval fee. The fee was waived by the Deputy Commissioner on April 18, 2022.
5. That on April 19, 2022, Commissioner R. David Groover, acting as a Hearing Officer, granted the interim authority for the revised tariff modification.

6. That the Applicant seeks to:

   a. Remove all Tier 1 and Tier 2 rates.

   b. Change Vehicle "Type" to Vehicle "Category".

   c. Increase Airport Charge from $3.00 to $5.00.

   d. Increase Professional Greeting Service from $45.00 to $60.00 per hour, with a 3 hour minimum, and increase thereafter from $11.25 per 15 minutes to $15.00 per 15 minutes.

   j. Increase car seats from $5.00 to $10.00 per seat.

   k. Increase Meal cost for trips lasting ten hours or more from $40.00 to $75.00

   l. Increase maximum driving allowed from 10 hours in a day to 12 hours.

   m. Add zones 1, 2, and 3 based on City/Area.

   n. Modified Minimum Charter hours required per charter based upon Zone, day of the week, and Winter – Non Winter Seasons.

   o. Eliminate the Minimum Hour Rule that allows the Applicant to deviate from their minimum time requirements and set a new minimum time requirement with customer's consent.

p. Modify the following hourly rates:

Vehicle Category	Current Rate: (1 hr. min /each 1/4 hr. after the 1st hr.)	Proposed Rate: (1 hr. min /each 1/4 hr. after the 1st hr.)	Percentage Change
Vehicle Category 2: Small SUV 6 or less Pax	$75.00/$18.75	$87.00/$21.75	16.0 %
Vehicle Category 3: SUV 7-8 Pax	$80.00/$20.00	$87.00/$21.75	8.8 %
Vehicle Category 4: Limousine 6, 7, 8, or 9 Pax	$80.00/$20.00	$98.00/$24.50	22.5 %
Vehicle Category 5: Stretch Limousine 10, 11, or 12 Pax	$90.00/$22.50	$105.00/$26.25	16.7 %
Vehicle Category 6: Van - 9 - 15 Pax	$85.00/$21.25	$103.00/$25.75	21.2 %
Vehicle Category 7: SUV Stretch - 9 - 16 Pax	$125.00/$31.25	$135.00/$32.50	8.0 %
Vehicle Category 8: SUV Ultra Stretch - 17 Plus Pax	$140.00/$35.00	$160.00/$40.00	14.3 %

7. That the proposed tariff rates are higher than the range of rates currently used by the industry for similar services, specifically the Northern Nevada area, and there is a limited market from which to draw comparable pricing.

8. Staff realizes the riding public has limited options from which to choose in the Northern Nevada market but realizes the unique weather and geographical locations of Northern Nevada, and staff supports the application.

9. That their last tariff modification was in September 2018.

10. That based upon all the records relating to the Application and after investigation:

    a. The Application on file herein comes within the purview of the statutes of the State of Nevada and within the regulatory jurisdiction of the Authority.

    b. The proposed tariff modification will be consistent with the public interest and will not operate to defeat the legislative policy set forth in NRS 706.151.

///

Therefore, based upon the foregoing findings, it is ORDERED that:

1. The tariff modification proposed by Perlman Enterprises, LLC d/b/a Reno Tahoe Limousine is hereby GRANTED.
2. The Authority retains jurisdiction for the purpose of correcting any errors that may have occurred in the drafting or issuance of this Order.

PRESENT: Chairman Dawn Gibbons
Commissioner George Assad
Commissioner R. David Groover
Deputy Commissioner Jennifer De Rose

ORDER

Based on the evidence of record, the Nevada Transportation Authority ("Authority") makes the following findings:

1. That an Application was filed with the Authority by Open Top Sightseeing Las Vegas, LLC d/b/a Big Bus Tours ("Applicant"), a carrier certificated to provide charter service by bus, special service, and scenic tour service as described in Certificate of Public Convenience and Necessity ("CPCN") 2004, Sub 12, for authority to modify tariff rates pursuant to NAC 706.1384.
2. The Application was properly noticed to the public and there were no Petitions for Leave to Intervene or Protests filed.
3. That the Applicant seeks to:
    a. Modify:
        i. Night Tour's departure times and locations.
        ii. Schedule's time between stops.
        iii. Premium and Deluxe Ticket to include the Night Tour.
        iv. Additional Discounts – increase the Applicant's parent's website and the OTA's discounted rates. (K)
        v. Day Tour Route stops

(K) STAFF not in support of ranges listed in tariffs.

b. Increase the following rates:

Ticket	Old Rate	New Rate
Classic	Children $40.00 Adult $50.00	Children $42.99 Adult $52.99
Premium	Children $50.00 Adult $60.00	Children $62.99 Adult $72.99

c. Remove:
   i. The Gambler Ticket.
   ii. The Day Tour Route map.

5. That the Applicant has not increased their rates since January 2020.
6. That based upon all the records relating to the Application and after investigation:
   a. The Application on file herein comes within the purview of the statutes of the State of Nevada and within the regulatory jurisdiction of the Authority.
   b. That the proposed tariff modification will be consistent with the public interest and will not operate to defeat the legislative policy set forth in NRS 706.151.

Therefore, based upon the foregoing findings, it is ORDERED that:

1. The tariff modification proposed by Open Top Sightseeing Las Vegas, LLC d/b/a Big Bus Tours is hereby…

At a general session of the Nevada Transportation Authority held on June 2, 2022.

PRESENT: Chairman Dawn Gibbons
Commissioner George Assad
Commissioner R. David Groover
Deputy Commissioner Jennifer De Rose

ORDER

Based on the evidence of record, the Nevada Transportation Authority ("Authority") makes the following findings:

1. That an Application was filed with the Authority by LVL, LLC d/b/a Stardust Transportation operated by LV All in Shuttle, LLC d/b/a All In Shuttle, a carrier certificated to provide airport transfer service, charter livery limousine service, special service, and charter bus services as described in Certificate of Public Convenience and Necessity ("CPCN") 2050, Sub 11, for authority to modify tariff rates pursuant to NAC 706.1384.
2. That the Application was properly noticed to the public and there were no Petitions for Leave to Intervene or Protests filed.
3. That the Applicant filed a petition for interim authority which was granted on May 2, 2022 by Commissioner Groover, acting as a Hearing Officer.
4. That the Applicant seeks to:
   a. Remove all discounted airport transfer, per person, rates and replace with the following rates:

///

Service Area	New Rate One Way/Round Trip
Harry Reid International Airport – Las Vegas Strip	$13.00/$25.00
Harry Reid International Airport – East of the Las Vegas Strip	$13.00/$25.00
Harry Reid International Airport – Downtown	$16.00/$30.00
Service Area Cont'd.	**New Rate One Way/Round Trip**
Harry Reid International Airport – South side of the Las Vegas Strip	$14.00/$28.00
Harry Reid International Airport – West side of the Las Vegas Strip	$14.00/$28.00

b. Increase airport transfer rates from $60.00 to $65.00 between Harry Reid International Airport and Glendale, Rancho Strip, Lake Las Vegas.

c. Increase the special service rates from $7.50/$14.00 per person (one-way/round trip) to $8.00/$15.00 between Harry Reid International Airport and the Las Vegas Strip and increase the minimum number of special services passengers from 12 to 15.

d. Increase the special service rates from $7.00/$13.00 per person (one-way/round trip) to $8.00/$14.00 between the Las Vegas Convention Center/Thomas & Mac and downtown and increase the minimum number of special services passengers from 12 to 14.

///

5. That the proposed tariff rates are within the range of rates charged by the industry for similar services except for:

    a. The $65.00 special service, round trip, rate for the "Rancho Strip" area; it is $5.00 higher than the highest rate.

    b. The $16.00/$30.00 (one-way/round trip), downtown, airport transfer rates; they are $1.00/$2.00 higher than the highest rate, respectively.

6. That staff has no concerns since the public has the option to choose from other carriers with lower rates/less expensive vehicles or can choose other less expensive methods of transportation. Additionally, operating expenses for carriers have increased.

7. That the Applicant has not requested a rate increase since March 2021.

8. That based upon all the records relating to the Application and after investigation:

LVL, LLC d/b/a Stardust Transportation
Sale and Transfer Application
Docket 21-10027
June 2, 2022 General Session

OK bgr

Application Summary:
On October 15, 2021, LVL, LLC d/b/a Stardust Transportation ("LVL"/"Seller") and LV All in Shuttle, LLC d/b/a All in Shuttle ("ALL IN"/"Buyer")/("Applicants") filed a joint application for LVL to sell and transfer and ALL IN to purchase and acquire the authorities granted under CPCN 2050, Sub 10.

ALL IN is a startup company with three members:
David Perrotti and Sons, LLC (48.75%) – David Perrotti, sole member
Nancy Burke, LLC (48.75%) – Nancy Burke, sole member
Livey, LLC (2.5%) – Christopher Migliore, sole member

On November 22, 2021, the Applicants filed an application requesting temporary transfer of operating rights (docket 21-11028).

On January 31, 2022, the Applicants filed a motion requesting interim authority on the temporary transfer. On March 1, 2022, the hearing officer, Commissioner George Assad, approved the request.

On the March 24, 2022 general session, the full authority approved the temporary transfer and the certificate was issued on May 2, 2022 (Exhibit A).

Carrier's History:
LVL is granted the authority to provide airport transfer service, charter bus service, charter limousine service, and special service under CPCN 2050, Sub 10.

LVL's members are 2 certificated carriers:
Bour Enterprises, LLC (50%) – Mulgeta Bour, sole member
Strip Limousine Services (50%) – Claudia Hoeppbner (86%), and Brent Carson (14%).

Staff Discussion:
Staff supports this application, and therefore requests the application hearing be dispensed per NRS 706.391(9). The following procedures were performed by Staff with acceptable results and their basis to support this application:

1) The application was properly noticed and no petitions for leave to intervene or protests were filed.

2) Background investigation was performed with no areas of concern (Exhibit B).

1) Pro Forma Balance Sheet – lists 10 vehicles, debt-free; an equity ratio of 100%; and sufficient cash to cover 90 days' worth of fixed expenses. The cash infusion of $100,000 was verified by staff. Two errors were noted on the PFBS. However, adjusting for these errors, the applicant's revised equity ratio would be approximately 52% and remains sufficient to meet the requirements (accumulated depreciation was included in error and goodwill was omitted).

2) Pro Forma Income Statement - projects overall $3,166,560 in sales and $672,276 in net income. The projected revenues and net income are aggressive when compared to other start up carriers' actual performance (Exhibit D).

3) Tariff – A tariff modification with interim authority was filed (docket 22-04034). Several rates were higher than the current range of rates. Staff supported the request. The hearing officer, David Groover, granted the

interim authority. The tariff modification is on the June 2, 2022 general session for approval by the full authority (Exhibit E).

INCOME STATEMENT NARRATIVES

NET SALES

Management has calculated the gross sales forecast predicated on various two components.

1. The Airport Shuttle service will consist of a shuttle taking passengers from the airport to the hotel on the strip and other various points in Las Vegas. Management anticipates taking 10-12 passengers per trip, with a tariff rate of $12.00* per person, and anticipates a shuttle departing the airport every twenty minutes and taking one hour to return. The airport hours for the contract will consist of sixteen hours per day. Shuttle service will be broken into different zones similar to the taxi zones to maximize efficiency for customers and fuel. The zones will be: three zones in the strip corridor known as north and south broken up by Flamingo st and Sahara ave. This efficiency limits the stops for customers and allows the one hour round trip to be reasonable.
2. Management anticipates having six shuttles per day at the airport, operating 16 hours per day, 7 days a week. This forecast of hours and days is dependent on the RFP that will come out 1/2022 but this is expected. The growth anticipated for the company will be revisited every 3 months based on airport statistics and over general trends. The company believes that during the busier months that there will be demand for more shuttles at the airport.
3. The company will be looking for contract work that establishes clear hours of operations at an average tariff of $60* per hour. The company believes that 5-8 shuttles in service based solely for hourly predefined routes and hours of operation to service a client. The contract work will allow for the company to clearly define routes for the shuttles and calculate LPG mileage.

INCOME- CHARTER/ AIRPORT

Charter Service

- The charter service is broken down on revenue support at a realistic starting point and overall growth in Y1.
- 5 shuttles operating at a tariff of $60* per hour 5 days per week and 8 hours a day for months 1-3 equals $12,00 per week.
- 7 Shuttles in operation at a tariff of $60*/hour 5 days per week and 8 hours a day for months 4-6 equals $20,160 per week.
- 8 shuttles operating at a tariff of $60*/hour 7 days per week and 10 hours a day for months 7-12 equals $33,600 per week.

Airport Transport

- The airport transfer shuttle will be more clarified when the RFP comes out at the end of 2021. All In is in constant communication with companies to partner with to meet the requirement to have black car service and shuttle service.
- The company will divide the strip up into 2 zones. Zone 1 will be from W. Russell st. to Flamingo with all hotels in this zone service with shuttles. Zone 2 will be North of Flamingo to Sahara ave. The zone structure will be easy to identify when customers

* Rates based on prior tariff

approach the shuttles at the airport. This will cut down on travel time for passengers and help the company identify needs.

- Operation will start with 6 shuttles available in a day for airport shuttle service. The amount of shuttles at the airport will be justified by statistical data of foot traffic at times of day. Less shuttles needed early in the day and late at night with more needed during peak hours of planes landing
- Each shuttle will prepare to perform 8 loops per day with an average of 10 passengers per loop. That is a total of 80 total passengers a day with a cost of $12* dollars per trip to the strip (zone 1/2) This would gross each vehicle $960 per day.
- Wth 6 vehicles following the equation of 8 loops per day with an average of 80 passengers per day that grosses $960 per vehicle would mean a total gross of $5760 per day.
- This format will run 7 days per week for a total gross of $40, 320 per week for 6 shuttles with a total of $2,096,640 based on 52 weeks for a monthly gross of $174,720.
- This average takes into account high and low months for travelers to Las Vegas.
- The company will start with only one-way rides from the airport to locations in the Las Vegas Valley.

COST OF SALES/EXPENSES (in excess of $100,000 annually)

Vehicle Fuel - LPG, 12 miles per gallon, cost per gallon +- $3.00.

- LV Shuttles currently operate on compressed liquid propane. This allows not only for less pollution, but also increased fuel efficiency. We anticipate each airport shuttle to average 12 MPG.
- Each loop will be approximately 15 miles on average between the zones. We anticipate each vehicle performing 8 loops a day.
- We calculated each vehicle will consume approximately 10 gallons of propane per day at an average price of $3.00 per gallon.
- The shuttles that are contracted to work for certain hours per day will follow the same equation for fuel cost of $3.00 per gallon and the average gallons of LPG consumed per day is 12-15 gallons per day.

Airport Fees are being assessed to be 15% of airport revenue.

Driver Pay is estimated to average $18.00 per hour and each driver will work from 8 to 10 hours per day. We will be using a pass thru gratuity system for the drivers. The drivers will be paid on a bi-weekly basis. This will result in 26 pay periods for the drivers.

Executive Pay is based on a $48,000 yearly salary. The one person receiving this pay will be the general manager.

Supervisors Pay is $22 an hour based on 10 hours shifts. The Supervisor will be working 5 shifts per week. There will be 2 supervisors and the general manager to handle the 3 rotating shifts. This is $22 per hour for 50 hours per week equals $1100 per week gross pay per supervisor. $1100 x 52 weeks= 57,200/ 12 = 4,766 x2 =9,533.

* defined at D 2/5

D-3/5

Taxes this is a 3% transportation tax that might be passed through to the customer but inevitably the company will pay some of it if not all.

Advertising and Promotion is an estimate based on building the brand of the company at the airport and other areas around the valley with a mixture of strategies of online and other marketing tools. This expense should be kept under 1% of overall revenue on a yearly basis.

Bank and merchant fees are estimated at around 3% of credit card transactions. The company believes 75% of income will be done with a credit card. This works out to be $71,244 for year one and $5,937 per month. The company believes the 75% figure is accurate based on the cashless model it intends to use.

Computer and Website expense is estimated at $400 per month for upkeep and any changes made to the site. The amount comes from the company that is being used to create the website. The domain, pictures, maintenance, and back of the house operations is part of this expense.

Contract labor is the maintenance of the property and washing of vehicles as needed. This is based on 2 employees working 40 hours per week at $15 an hour.

Depreciation Expense is for all purchased/Capital Lease vehicles. A 5-Year Straight-line basis is used. See table.

Drug and Alcohol testing is a cost that will be averaged over the year based on drivers and new drivers that are hired throughout Year 1. The average cost for a DOT drug test is between $10-30 per test.

Payroll Taxes and related expenses are estimated at 10 percent (10%) of wages.

Licensing is based on a business license $200-400 a year.

Insurance-Health represents the company's portion of the monthly premium that includes medical, dental, vision, and accidental death/dismemberment insurance. The company covers a minimum of 55% of the employee only cost towards the insurance plan. This assumption is based on 25 employees total at an average of $250 per month.

Insurance-Vehicle represents the Auto and Excess policies. LV Shuttle carries $1.5 million worth of this coverage. For $1.5 million with $25,000 retention, a shuttle bus in Las Vegas would be right around $4800 per year. The company will have 10 vehicles in service so this is $48000 a year ($4000 per month).

Salaries include the General Manager at $48,000 per year. For drivers and supervisors wages please see above.

Rent will be the average of valley prices. The property will consist of office space, area for the maintenance and service for vehicles, and will be a secured parking space for vehicles. The company is estimating $6,500 per month.

Loan Interest-Vehicles were purchased with owner funds and therefore LV Shuttle currently has no debt.

Vehicle Repairs & Maintenance/Expense represents all repair parts installed in-house, body and paint repairs, washing of vehicles. There are circumstances where some vehicles will be repaired off side. The current calculation for **vehicle expense** is estimated at $3500 per month that will include daily work and general maintenance to keep the vehicles in pristine working order.

Vehicle Licenses & Permits are based on vehicles added to the fleet as well as vehicles that will require new permits, licensing and registration. The $10,200 per year is for 10 vehicles in service for registration and other needs from DMV. That breaks down to $850 per month for Y1.

Utilities are an estimate based on averages of companies the same size and around the valley. The company understands that utilities rise as more staff is hired and hours/ vehicle usage increases over the first year.

Office supplies are an estimate based on all materials needed for a working office. This also includes any and all accommodations for the drivers and other staff i.e. coffee, etc.

Postage/Delivery is a raw estimate based on postage for the company and staff.

Office staff will consist of dispatch, cleaning service, HR, accounting,marketing and other duties that need attention. The amount per month is based on a percentage of the overall total income. The wages will vary depending on workflow and assignments. The company believes that 3.1% works for the work being done and fair pay.

Vehicle Registration is based on the approximate of $850 per 15 vehicle passenger shuttle. The company will have between 15 vehicles at the end of year one.

EXHIBIT D

PROCEDURE FOR INDEMNIFICATION

1. The Indemnified Party will promptly give notice hereunder to the Indemnifying Party after obtaining notice of any claim as to which recovery may be sought against the Indemnifying Party. However, the right to indemnification hereunder will not be affected by any delay in or failure of an Indemnified Party to give any notice, unless, and then only to the extent that, the rights and remedies of the Indemnifying Party will have been prejudiced as a result of the failure to give, or delay in giving, notice.

2. If the indemnity claim arises from the claim of a third-party who is not then doing business with the Buyer, the Indemnified Party will CPCN the Indemnifying Party to assume the defense of any such claim and any litigation resulting from such claim. If the Indemnifying Party fails to notify an Indemnified Party of its election to defend any such claim or action by a third party with respect to which it has the option to defend within 15 days after the Indemnifying Party receives notice of such claim or action, then the Indemnifying Party will be deemed to have waived its right to defend such claim or action. If the Indemnifying Party assumes the defense of a third-party claim, the obligations of the Indemnifying Party as to such claim will include taking all steps necessary in the defense or settlement of such claim or litigation and holding the Indemnified Party harmless from and against any and all damages caused by or arising out of any settlement approved by the Indemnifying Party or any judgment in connection with such claim or litigation. The Indemnifying Party shall not, in the defense of such claim or any litigation resulting therefrom, consent to entry of any judgment (other than a judgment of dismissal on the merits without costs) except with the written consent of the Indemnified Party, or enter into any settlement (except with the written consent of the Indemnified Party) which does not include as an unconditional term thereof the giving by the claimant or the plaintiff to the Indemnified Party a release from all liability in respect of such claim or litigation. The non-defending party may, with counsel of its choice and at its expense, participate in the defense of any such claim or litigation.

3. If the Indemnifying Party does not assume the defense of any such claim or litigation by a third-party, the Indemnified Party may defend against such claim or litigation in such manner as it deems appropriate. Unless the Indemnifying Party deposits with the Indemnified Party a sum equivalent to the total amount demanded in such claim or litigation plus the Indemnified Party's estimate of the costs of defending the same, the Indemnified Party may settle such claim or litigation on such terms as it may deem appropriate and the Indemnifying Party will promptly pay or reimburse the Indemnified Party for all expenses in defending any claim, for the amount of any settlement, and for all damages incurred by the Indemnified Party in connection with any such claim.

VS Western Ventures, LLC
d/b/a Wild, Weird & Wonderful Vegas Tours
Requesting Scenic Tour Authority
Docket 22-01012
June 2, 2022 General Session

Application Summary:
On January 14, 2022, VS Western Ventures, LLC d/b/a Wild, Weird & Wonderful Vegas Tours ("Applicant") filed an application requesting scenic tour authority with a fleet restriction of two (2) vehicles within Clark County, Nevada and was designated as Docket 22-01012.

Victor Soehngen is the sole owner of the LLC.

Staff's Analysis:
In summary, staff supports this application, and therefore requests the application hearing be dispensed per NRS 706.391(9). The following procedures were performed by Staff with acceptable results and their basis to support this application:

a. Operations—staff performed a background investigation with no areas of concern. (Attachment A)

b. Market— staff experiences a difficult time in verifying market for scenic tour applications. The market cannot quantify to staff future sales on a tour that does not exist and on a recreational activity that is not repetitive since customers usually take a tour once. Staff verified the market support letters from the Boulder City Chamber of Commerce, City VIP Concierge, LLC and LIL'RV.

c. Pro Forma Balance Sheet — lists two (2) vehicles. The Applicant will have a 50% equity ratio, a 4 to 1 current ratio, and enough funds to cover 90-days' worth of fixed expenses. Staff reviewed source documents and determined that the balances reported on the PFBS are reasonable. The PFBS meets all financial requirements. (Attachment C)

d. Capital Infusion – The Applicant will infuse $40,000 of cash into the company.

e. Pro Forma Income Statement—the applicant projects $208,441 of net income on $374,296 of revenues, which is considered optimistic, and the related expenses are deemed reasonable. (Attachment D)

f. Tariff— the proposed tariff rates, when compared to other tours in outlying areas, are reasonable . (Attachment F)

Attachments:
A. Investigator's Background Report, with Logo, which meets the requirements of NAC 706.170 and requires approval.
B. Market
C. Pro Forma Balance Sheet
D. Pro Forma Income Statement and Narratives

To whom it may concern,

On a daily basis our guests, tourists and residents here in Boulder City inquire about new and interesting tours that stray from the standard Las Vegas destinations/ experiences. They are looking for more of a non-traditional "Las Vegas" tour when they make it out to Boulder City and ask for our recommendations at the Boulder City Chamber of Commerce and Nevada State Welcome Center.

We believe that Wild, Weird & Wonderful Vegas Tours will be providing such an experience within Boulder City and Eldorado Canyon that will fit right in with our already popular outdoor recreation. We consider Boulder City the "backyard" to Las Vegas with so many outdoor recreation experiences and tours such as Helicopter Rides, Hiking Tours, ATV Tours, Lake Mead Tours/ boating, and much more! Wild, Weird and Wonderful Vegas Tours will be a great addition to our already exquisite outdoor experiences.

To Whom it may concern,

I am writing this letter to endorse the launch of a new tour operator Wild, Weird and Wonderful Tours in the Las Vegas area.

I have personally worked in the Las Vegas area in tourism for the last 14 years and currently own my own tourism company. I have had many customers inquire about local short length tours. Based on my experience with US and international tourism there is a huge need for a local tour operator to show people visiting Las Vegas that we are more than just casinos and clubs. We have a history and a lot of culture.

As I see tourism coming back to the valley I believe they will be an amazing addition to our community.

Kind regards,

Exhibit Q - 2

Narrative to the Pro Forma Income Statement

*** All vehicle will be in full operations to start (day one) for intrastate operations within the state of Nevada.**

(A)

VS Western Ventures (DBA Wild, Weird, & Wonderful Vegas tours) is requesting approval of CPCN for 2 vehicles that will be used in intrastate operations.

(B)

Vehicles #1 and #2 will both be late model Ford transit Vans or similar.

(C.)

We will be running 5 days a week at full capacity. 52 Weeks a year. However, using realistic assumptions we are assuming to achieve full efficiency in operational days at the end of month 12. The occupancy rate for 12 months will be different however increasing each month. Each van will provide two separate 2-hour tours per day (rounded up to 2.5 hours). 25 Hours a week at full capacity (per van). 50 Hours total.

(D)

Ticket Price: Based on national averages for similar tours, we will offer some tour rates from $39/ per person- $79/ per person, depending on season and specific tour. Overall average ticket price: $59.

(E)

Van capacity: up to 15 passengers. As most tours will not be fully booked, the following Pro Forma estimates are based on 2/3 Capacity (10 Passengers per tour).

* Both Van will be used in rotation for our "Historic Tour" (City), and our "Adventure Tour" (Boulder City/Eldorado Canyon).

(F)

Revenue From Tours:

This is projected to realistically vary as we ramp up operations and also factor in seasonal impacts to the local tourism market. Based on running tours 5 days as a week with a projected 2/3 Capacity at $59 average ticket, we anticipate revenue range from $21,240 to $42.480 per month.

Exhibit Q-3

(E.)*Fuel Cost based on 2018 Ford Transit (estimate City 15 Mile per gallon)

Based on anticipated average tour mileage (@$4/gallon fuel cost), the projected weekly fuel cost is $250, or $1000/month. The fuel cost per mile is calculated as $0.03. Note this is an average.

(F)

Drivers Pay: Based on National average of similar tour operators, our drivers pay is set at $16/hour.

Depreciation expense

Depreciation expense on vehicle is calculated based on 5 years useful life using straight line method. This comes out to $833/mo for both vans.

(G)

Maintenance: The national average maintenance cost of a 2018 Ford Transit 250 is $947 (see below). Based on above average anticipated yearly mileage, we are doubling this estimate to $1894 and dispersing this over a 12-month period ($157/month). Then simply multiplying times 2 vans.

Ford Transit-250 Repairs and Prices

Ford Transit-250	Oil Change	$147 - $162
Ford Transit-250	Wheel Alignment	$132 - $167
Ford Transit-250	Engine Compression Test	$220 - $278
Ford Transit-250	OBDII Drive Cycle Test	$41 - $56
Ford Transit-250	HVAC Air Door Actuator Replacement	$732 - $897
Ford Transit-250	Antitheft System Diagnosis & Testing	$44 - $56
Ford Transit-250	Axle Shaft Replacement	$389 - $515
Ford Transit-250	Radiator Hose Replacement	$196 - $235
Ford Transit-250	Tie Rod Replacement	$45 - $63

(H)

*Insurance rate based on $15000 Annual coverage cost per vehicle ($1,250/ mo). See included insurance letter.

Exhibit Q-4

(I)

Taxes and Fees: According to the NV DMV (screenshot below), estimates taxes and fees are $293 Per vehicle. I rounded that up to $600 for both vehicle/per year to account for additional unforeseen fees.

Advertising and marketing: Based on research for Wordpress Based website, hosting, Small Business Adwords campaign, and brochure printing costs. We will also pay a small fee to our travel booking Software (FareHarbor). Total Average of $500/mo.

(K)

Uniforms: Based on research for similar uniforms of other tour operators, anticipated uniform price is $840 annually for 2 employees (or $70/mo).

(L)

Drug Testing: Based on research, Employee Drug tests are anticpated to cost approx $20 a piece. To be administered twice a month ($40 total).

Exhibit Q-5

(M)

Secure Parking/Lot fees: Based on researching the operation of other similar tour operators nationally, It is often regular practice in the industry to pay "Lot/Parking" fees. The industry standard cost ranges by area. We anticipate our average cost to be $300/mo.

(N)

Telephone: We will be using a basic small business cell phone and hot spot plan. This will allow for a small business line and a tablet to take payments in the field. Based on research of major cellphone carriers, the anticipated cost is $125/mo.

(0)

Bank: Based on research, we anticipate our standard bank fees to average approximately $50/mo. Note that our booking software (Fareharbor) does charge a booking/credit card processing fee, but the bulk of that is charged to the customer at time of booking (the tour operator pays nothing, thus reducing overhead from CC fees).

(P)

Miscellaneous: This is to include general administrative costs such as document printing as well as occasional purchases like a tablet for booking customers in the field. Based on research, this is projected to be approximately $4,200/ year or $350/mo.

(Q)

Accounting: I will be using Quickbooks and seeking professional assistance to help with business taxes. Based on research, this is anticipated to be $1,800/year.

(R)

Unforeseen expenses: This is a budgeted amount of $200/mo or $2400 annually to cover small issues that cant be projected (tickets, minor body damage on vans, etc).
