(E) Transportation to cover the movement of shipment or part thereof from point at which it was originally tendered to warehouse location shall be computed on basis of weight of shipment or that part of shipment stored in warehouse, subject to applicable rates as provided in the tariff from point at which it was originally tendered to warehouse location, which shall be in addition to charges from initial point of origin at which shipment was originally tendered. All accrued charges on the shipment or any part thereof shall be due and payable upon delivery of same to the warehouse. Any subsequent movement from warehouse shall constitute a new shipment.

IMPRACTICABLE OPERATION

Nothing in this tariff shall require the carrier to perform any linehaul service or any pick up or delivery service or any other service from or to at any point or location where, through no fault or neglect of the carrier, the operation of vehicles is impracticable because:

- (A) The condition of roads, streets, driveways, alleys, or approaches thereto would subject operations to unreasonable risk or loss or damage to life or property.
- (B) Loading or unloading facilities are inadequate.
- (C) Any force majeure, war, insurrection, riot, civil disturbance, strike, picketing or other labor disturbance would (1) subject operations to unreasonable risk or loss or damage to life or property or (2) unreasonably jeopardize the ability of the carrier to render linehaul or pick up or delivery or any other service from or to other points or locations.

220

INSURANCE

The cost of any insurance in the name of the customer, or for the benefit of the customer will not be assumed by the carrier. (See Item 80).

230

MARKING AND PACKING

- (A) Articles of fragile or breakable nature must be properly packed.
- (B) Where shipments are improperly, insecurely or unsafely packed, crated, or boxed and by reason thereof the contents may be destroyed or damaged, carrier will arrange to have such shipment properly packed, and charges shown in Section Three of this tariff will be assessed.
