IMPRATICABLE OPERATION

Nothing in this tariff shall require the carrier to perform any linehaul service or any pick-up or delivery service or any other service from or to or at any point or location where, through no fault or neglect of the carrier, the operation of vehicles is impracticable because:

- (A) The condition of roads, streets, driveways, alleys, or approaches thereto would subject operations to unreasonable risk or loss of damage to life or property;

- (B) When it is physically impossible for carrier to perform pick-up of shipments at origin address or to complete delivery of shipment at destination address with normally assigned road haul equipment, due to the structure of the building, its inaccessibility by highway, inadequate or unsafe public or private road, overhead obstructions, narrow gates, sharp turns, trees, shrubbery, the deterioration of roadway due to rain, flood, snow, or nature of an article or articles included in the shipment, the carrier shall hold itself available at point of pick-up or tender delivery at destination at the nearest point of approach to the desired location where the road haul equipment can be made safely accessible.
- (C) Upon request of the shipper, consignee or owner of the goods, the carrier will use or engage smaller equipment than its normal road haul equipment or provide extra labor for the purpose, if possible of accomplishment, of transferring the shipment between the residence and the nearest point of approach by the carrier's road haul equipment. Charges for this auxiliary service to cover labor and additional vehicle (if used) will be as provided in Items 2500 and 4000 and shall be in addition to all other transportation or accessorial charges.
- (D) If the shipper does not accept the shipment at nearest point of safe approach by carrier's road haul equipment to the destination address, the carrier may place the shipment, or any part thereof not reasonably possible for delivery, in storage at the nearest available warehouse of the carrier, or, at the option of the carrier, in a public warehouse, subject to a lien for all lawful charges.
