## Nevada Transportation Authority -- Model Tow Tariff (Flat Rate)

-- Tow car operator shall itemize on a tow bill each rate used or fee charged to compute the bill. All charges shall be substantiated in writing and attached to the bill. (NAC 706.420) --

-- Timed services are to be billed in full increments for each increment during which any such services are performed --

-- On MULTIPLE TOWS - timed services not attributable to any particular vehicle will be shared equally between the towed vehicles --

-- All rates set forth below include the services of the driver --

**Cash Discount 3%**

Definitions of these tow services are available for review from the tow car operator or at [www.nta.nv.gov](http://www.nta.nv.gov)

Non-consent tow-car service provided at the request of the private property owner/agent serving in a fiduciary capacity for the real property and members of the community to allow for improvements, maintenance, emergencies, and for the efforts to accommodate tenants and customers. Vehicles will be relocated from an area of the property to an adjacent area having the same border of the property. Vehicles will not be returned to the area from which they were located prior to relocation. The cost of service will be the responsibility of the property owner/agent requesting the service.
