In an effort to charge a portion of the processing expenses to our clients we are applying a 3.5% CC Processing Fee to all credit card transactions resulting in a cost to the company.

9. **CONTROL ASSISTANCE FEE:** A fee of \$4.00 will be applied to all services where additional staff is required to be on location as requested by a client or needed by the guest per ride. *

**Control Assistance Fee is defined as a controller on location as designated by the client. When required to have an onsite lead staff member up to a supervisor level to coordinate passenger flow for twenty-four hours a day or as elected. This will be required by our clientele to assist and maintain increased volume areas on front drivers, arenas etc. This will keep chauffeurs in their vehicles and clear passenger loading areas to safeguard the masses and pedestrians.*
