Rule No. 85. Claims for Lost or Damaged Freight or Baggage

A claim by a shipper or consignor against a common or motor carrier for lost or damaged freight or baggage must be submitted to the carrier within 7 days after the loss or damage is discovered. Within 14 days after receipt of the claim, the carrier shall: (A) compensate the shipper or consignor or (B) deliver to the shipper or consignor a written denial of the claim.

A Denial of the claim may be appealed by the shipper or consignor to the Nevada Transportation Authority.

Rule No. 90. Failure to Make Delivery

A. In all instances where carrier is unable to locate the consignee at the address (if known by carrier); or where the consignee is unable or declines to accept delivery of the shipment, or the shipment remains in the possession of the carrier pursuant to instructions of the shipper or consignee, consignor or owner, or written, notice delivered to the premises where actual delivery was to be effected or to the carrier, or at the option of the carrier, in a public warehouse, and upon such placement liability as a carrier shall immediately cease and liability shall thereafter be only that of the warehouseman in possession.

B. In cases where a “subsequent delivery” is called for and made, charges will be assessed for such “subsequent delivery” on the basis of charges lawfully applicable from carrier’s terminal or from the public warehouse (as the case may be) to place of delivery.
### 100. Impracticable Pick-up or Delivery

A. It is the responsibility of the shipper to make shipment accessible to carrier or accept delivery from carrier at a point at which the road haul vehicle may be safely operated.

B. When it is physically impossible for carrier to perform pick-up of shipment at origin address or to complete delivery of shipment at destination address with normally assigned road haul equipment, due to the structure of the building, its inaccessibility by highway, inadequate or unsafe public or private road, overhead obstructions, narrow gates, sharp turns, trees, shrubbery, the deterioration of roadway due to rain, flood, snow, or nature of an article at point of pick-up or tender delivery at destination at the nearest point of approach to the desired location where the road haul equipment can be made safely accessible.

C. Upon request of the shipper, consignee or owner of the goods, the carrier will use or engage smaller equipment than its normal road haul equipment or provide extra labor for the purpose, if possible, of accomplishment of transferring the shipment between the residence and the nearest point of approach by the carrier's road haul equipment. Charges for the auxiliary service to cover labor and additional vehicle (if used) will be as provided in Rule 300 and shall be in addition to all other transportation or accessorial charges.

D. If the shipper does not accept the shipment at nearest point of safe approach by carrier's road haul equipment to the destination address, the carrier may place the shipment, or any part thereof not reasonably possible for delivery, in storage at the nearest available public warehouse, subject to a lien for all lawful charges. The liability on the part of the carrier will cease when the shipment is unloaded into the warehouse and the shipment shall be considered as having been delivered.

E. Transportation charges to cover the movement of shipment or part thereon from point at which it was originally tendered to warehouse location shall constitute a new shipment, subject to applicable rate as provided in tariff from point at which it was originally tendered to warehouse location, which shall be in addition to charges from initial point of origin to point at which shipment was originally tendered. All accrued charges on the shipment or any part thereof shall be due and payable upon delivery of it to the warehouse. Any subsequent movement from warehouse shall constitute a new shipment.
### 110. Impracticable Operation

Nothing in this tariff shall require the carrier to perform any line-haul service or pick-up or delivery service or any other service from or to or at any point or location where, through no fault or neglect of the carrier, the operation of vehicles is impracticable because:

A. The condition of roads, streets, driveways, alleys, or approaches thereto would subject operations to unreasonable risk or loss of damage to life or property;

B. Loading or unloading facilities are inadequate; or

C. Any force majeure, war, insurrection, riot civil disturbance, strike, picketing, or other labor disturbance would (1) subject operations to unreasonable risk of loss or damage to life or property or (2) unreasonably jeopardize the ability of the carrier to render line-haul or pick-up or delivery or any other service from or to or at other points of location.

### 120. Valuation

The cost of any insurance in the name of the shipper, or for the benefit of the shipper will not be assumed by the carrier. (See Rule 70).

A. **Standard Valuation** – This coverage is free with the customer move. The customer is only reimbursed at $0.60 per pound per article for anything lost or damaged during the move. That means if an item is damaged or lost, you are entitled to the value of the item or damage, **up to a maximum** of the weight of the article times $.60 per pound. This value is often less than the actual value of your articles.

B. **Depreciated Value Coverage** – This coverage allows the customer to declare the total depreciated value of their shipment. If articles are lost, damaged, or destroyed the customer is reimbursed the depreciated value of their goods that they declared or $2.25 per pound per article, whichever is greater. This coverage costs $150.00 per shipment and covers up to $20,000 per truck. Example: if a customer opts for this coverage on two truck’s they would pay $150 x 2 = ($300) and be covered up to $20,000 per truck x 2 = ($40,000).
Rule No. 120 Cont.

C. **Full Replacement Coverage** — This coverage allows the customer to declare the total value of their shipment. If articles are lost, damaged, or destroyed the customer is reimbursed the full value of their goods that they declared or $6.00 per pound per article, whichever is greater. This coverage costs $500 per shipment unless a deductible is set. If the deductible option is chosen the customer would pay $200 plus the cost of the deductible, which is $200 for one shipment and covers up to $50,000.

D. Shipper reserves the right to repair or replace any damaged goods at its discretion for the kind and quality.

130. **Moving and Packing**

A. Articles of fragile or breakable nature must be properly packed. No claims will be allowed on any items that are not packed by the carrier.

B. The contents of all desk or dresser drawers, other than clothing, must be removed. File cabinets with contents must be locked or otherwise securely fastened.

C. Oversized or unique items such as pianos, organs, safes, full size copiers, fireproof file cabinets, pool tables, marble top tables, riding lawn mower and motorcycles may result in extra charges to the shipper for the delivery of such individual items as shown in Rule 300.

D. Where shipments are improperly or unsafely packed, crated or boxed, and by reason thereof the contents may be destroyed or damaged, carrier will arrange to have such shipment properly packed and charges shown in Rule 300 of this tariff will be assessed.

E. The shipper shall provide all original packing boxes or agree to use boxes as provided by carrier.
