5 Application of Tariff

Rates in this Tariff cover ground transportation of passengers and their luggage, as provided in the Carrier's Operating Authority in charter operations in Clark, Lincoln, and NYE Counties, NV on one hand and point and places in Nevada on the other.

10 Rates and Charges

The length of charter will be determined from the pick up to the drop-off site. Rates and charges are applicable to waiting time, live service, and deadhead time, required travel of the vehicle without passenger between the point of passenger pickup or drop off, except that there will be no charge for deadhead time for transportation provided entirely within the area of the Las Vegas Valley.

Commission or Referral Fee- The carrier at its sole option may pay a commission or referral fee for transportation to a travel agent, tour broker, tour operator, or hotel/casino who arranges for the provision of transportation as long as it does not exceed 10% of the rate or charge specified in the tariff for the transportation.

15 Fare- Minimum

A minimum of one hour of fares must be paid to warrant all services being offered.

20 Children- Unaccompanied, and Fare

No person under the age of 18 will be permitted to take part in service, unless a parent, guardian or other responsible adult accompanies the minor, or signs a permission slip of the minor. We define as an adult any person who is 18 years of age or older who is responsible for the care and supervision of the child during the service. No child will have a reduced rate. No child will be allowed to sit in anyone's lap and children who require infant seats or safety seats will be allowed on the provision that a responsible adult provides such a seat and installs that seat in the vehicle securing it with the vehicle's safety belts.

25 Continuous Charter Provision

Where the customer requests transportation requiring the passengers to be dropped off and then picked up again at the same location within 60 minutes of the time of drop off for further service, the transportation will be considered as one continuous charter and the customer will be charged for the interim waiting time.
