Employee Description

Triple 7 Movers recognizes the importance of keeping well qualified employees. Every one of our employees, with an emphasis on the drivers, will go through a drug screening process and criminal background check.

Driver

Drivers are experienced in all aspects of the job. Their primary duties are to drive truck, handle all the paperwork, answer all questions that the client might have, pack the truck, and to supervise and help the packers and helpers in their duties.

Packer

The primary duty of the packer is to pack and wrap all articles to be shipped and to aid the driver in packing the truck. Packers have at least 3 months experience as a helper. The packer has been specially trained to handle large bulky items such as big screen TVs and pianos, and to handle expensive items such as fine china and porcelain. Packers are not allowed to handle paperwork or drive the truck.

Stacker

The stacker's sole job is to stay in the back of the truck and load and unload everything in a safe manner so none of the goods become damaged. A stacker is specially trained in stacking a truck floor to ceiling in the safest manner.

Field Supervisor

A field supervisor is the most experienced man on the crew. He is in charge of directing and supervising the team of workers, filling out paperwork, and generally helping the crew. A field supervisor is only sent out on very rare occasions where it is a very large move. An example of this would be the move of an extremely large house that would need at least two trucks, and also a team of around 8 men. In this instance, in order to prevent disorder and maintain an efficient move, a field supervisor would be sent to oversee the move.
