NOTE 3: When two or more elevators providing parallel service are utilized, charges will apply per shipment, not per elevator .

NOTE 4: Where an elevator is used and shipment must then be transferred to a second elevator or carried one or more flights, charges will be made once for the first elevator and again for each additional elevator or stair carry service.

NOTE 5: When stairs and elevator are both available, charge will be based on the method that results in the lower cost to the shipper.

NOTE 6: Inside a building, the first flight shall consist of at least 8 steps. Additional flights shall be defined as the number of complete floors above or below the first flight.

NOTE 7: Outside a building, the first flight shall consist of 8 but not more than 20 steps. Steps less than 8 will not be considered a flight.

NOTE 8: When a piano or organ is included in the shipment, the minimum stair carry charges on the entire shipment, inside or outside a building, shall be \$18.15 in Clark County for the first flight and \$9.10 in Clark County and \$9.10 for each additional flight. The minimum charge will apply each time the service is performed at origin and/or destination.

NOTE 9: An extra carry means each carriage of 50 feet or fraction thereof after the first 75 feet (not including elevator or stair distance for which charges herein apply) between the vehicle and:

- (a) The entrance door of a detached or single family dwelling, or
(b) The applicable individual apartment or office entrance door within a multiple occupancy building.

NOTE 10: When a piano and/or organ is included in a shipment, the handling charge for pianos and organs provided in Item No. 615 will be in addition to the applicable charges in this Item.
