

Instructions for Filing Model Tow Tariff – NEW APPLICATION

For your convenience, the Model Tow Tariff and the Hourly Model Tow Tariff are in Excel and Adobe formats. The Excel format can be downloaded to your computer and used to enter your rates electronically. The Adobe format can be printed and used to enter your rates manually or in typewritten format. Only the spaces left blank (Adobe) or filled with zeros (Excel) can be substituted with your rates.

Additionally, the Tow Car Tariff Rules, Regulations, Rates and Charges are presented in Word and Adobe format. Please include your company name and address at the bottom of page 1 of the Tow Car Tariff Rules, Regulations, Rates and Charges page and also on all tariff rate pages.
