DEPARTMENT OF BUSINESS AND INDUSTRY
NEVADA TRANSPORTATION AUTHORITY

NOTICE

June 26, 2020

Dear Carrier:

Due to the recent Covid-19 pandemic, the Authority is closed to the public. We have continued to process driver permits during the closure. The current procedure for processing driver permits is for the **carrier** to call our office and speak with the Officer of the Day. They will give you further instructions at that time.

If you have any drivers who currently do not have a valid NTA driver permit, you will have until July 10th, 2020 to submit the completed applications to our office to avoid citations. If your drivers have not applied for a driver permit by that date, you and the driver will receive citations for any lapses.

Pursuant to NRS 706.462 (1) drivers **shall not** drive without a current permit or application on file with the Authority. It is your responsibility as a certificated carrier to ensure that your driver is qualified to drive. If they do not have a valid NTA driver permit, they are not qualified.

If you have any questions, please contact the Las Vegas office (702-486-3303) or Reno office (775-688-2800) and ask to speak with the officer of the day.

Sincerely,

Rene` Revens
