Commissioners and Staff,

As you are aware, we were concurrently having compliance related issues with getting two (2) vehicles approved for operation: a 2019 Mercedes Sprinter, which is on the March 4th Docket, and a 2017 Mercedes Sprinter.

We wanted to make you aware that we have traded the 2017 Sprinter into Grech Motors and obtained a 2020 Ford F550 that has recently been placed into service in our fleet. Luckily the 2017 was obtained at substantially discounted price and Grech was looking to clearance out its remaining 2020 models, which made the transaction feasible. After incurring approximately \$5000.00 per month in overhead between the payment and insurance for the last 6 months, which totaled to \$30,000.00. We could not afford to have an unusable vehicle any longer especially during this current pandemic we are all experiencing.

We are hoping that the commission will take this into account when making a final decision on the 2019 Sprinter. The price at which the 2019 vehicle was obtained does not leave Luxury Limousine of Las Vegas in a position to trade it without taking on a substantial financial burden.

Sincerely,

Shaun Habibian
