4. That the vehicle would be released to the registered owner without an administrative fine assessed pursuant to NRS 706.478 as:
  - a. U-Haul Co. of Arizona is a short-term lessor of vehicles licensed by the Nevada Department of Motor Vehicles pursuant to NRS 482.363 and is engaged in the business of renting or leasing vehicles in accordance with NRS 482.295 to 482.3159, inclusive;
  - b. At the time of the impoundment, the vehicle was subject to a short-term lease;
  - c. At the time of the impoundment, the vehicle was in the care, custody, and control of the short-term lessee; and

Motion to Extend Compliance Period (Second Request)

Dear Ms. Babcock:

On behalf of my client, RBH, LLC, I am respectfully requesting an extension of their compliance period to September, 2022.

Currently, RNH has completed some of the compliance items, with the main item of purchasing a new vehicle still to be completed. Due to COVID and its effects upon industry (such as computer chips and other parts for vehicles), the manufacturing is behind. He is also looking for another vehicle in the mean time, and is traveling out of state to look for a vehicle as well.

Thank you very much for your consideration of this request.

Very truly yours,

Re: Approval for Electronic Signature

To whom it may concern: .

We are requesting approval for the use of an electronic signature instead of a "wet" signature, by using OMADI software. The reason for this request is because we want to be more competitive with other tow companies and nowadays our customers want to do electronic instead of wet signatures. With OMADI software everything is encrypted and secure.

RE: Petition to deviate from NAC 706.3745

Yellow Cab of Reno, Inc. finds it necessary to petition the Authority to deviate from NAC 706.3745 pursuant to NAC 706.1305 with regards to removing aged-out vehicles.

Being one of the main sources of taxi transportation here in Northern Nevada, the company needs to keep as many vehicles on the road as possible. Four (4) new vehicles have arrived recently. These are expected to be converted and added to the fleet by the beginning of June 2022. Even with the addition of these new vehicles, we need to retain as many as we can while we add more.

We have secured a line of credit with local Toyota dealerships in Reno and Carson City. The dealerships are allotted a specific allocation of vehicles per month and designate what vehicles they can for our companies. This makes the quantity of incoming vehicles very limited and slow coming in.

Below are six (6) vehicles with original expiration dates in July 2022 and one (1) in August 2022. Yellow Cab of Reno is requesting a six (6) month extension for each vehicle. Allowing these vehicles to remain in service will help sustain the supply needed to keep up with the publics' transportation needs, as well as keeping our drivers working. All vehicles are in good, safe working condition as maintenance has not been neglected.

In response to COVID-19 and other forms of isolation in which anyone entering the patient's room and having direct contact with the patient requires wearing gloves and a gown or any Personal Protective Equipment (PPE), GMT has taken extra steps to ensure the protection and safety of our drivers and passengers. These steps are based on CDC guidelines for commercial motor carriers, in conjunction with Nevada OSHA guidance and recommendations for best practices published by the Nevada Transportation Authority. In order to provide these extra safety measures an Isolation Service and Safety Fee will be imposed on the transportation of any patient with a COVID positive result or Isolation needs.

At a general session of the Nevada Transportation  
 Authority held on July 7, 2022.

PRESENT: Chairman Dawn Gibbons  
 Commissioner George Assad  
 Commissioner R. David Groover  
 Deputy Commissioner Jennifer De Rose

**ORDER**

Based on the evidence of record, the Nevada Transportation Authority ("Authority") makes the following findings:

1. That an Application was filed with the Authority by LVL, LLC d/b/a Stardust Transportation Operated by LV All in Shuttle, LLC d/b/a All In Shuttle, a carrier certificated to provide airport transfer service, charter livery limousine service, special service, and charter bus services as described in Certificate of Public Convenience and Necessity ("CPCN") 2050, Sub 11, for authority to modify tariff rates pursuant to NAC 706.1384.
2. That the Application was properly noticed to the public and there were no Petitions for Leave to Intervene or Protests filed.
3. That the Applicant filed a petition for interim authority which was granted on June 17, 2022 by Commissioner Groover, acting as a Hearing Officer.
4. That the Applicant seeks to:
  - a. Add/increase the following airport transfer per capita rates (discounted rates are between 1,000 and 2,499 hours and over 2,500 hours respectively):

<b>Service Area</b>	<b>New Discounted One Way/Round Trip</b>	<b>Increase Non-Discounted One Way/Round Trip</b>
Harry Reid International Airport – Las Vegas Strip	\$12.00/\$23.00 \$10.00/\$20.00	
Harry Reid International Airport – East of the Las Vegas Strip	\$12.00/\$23.00 \$10.00/\$20.00	
Harry Reid International Airport – Downtown	\$15.00/\$30.00 \$12.00/\$24.00	NA/\$30.00 to N/A/\$31.00
Harry Reid International Airport – South end of the Las Vegas Strip	\$13.00/\$25.00 \$11.00/\$22.00	\$14.00 to \$15.00/\$28.00 to \$29.00
Harry Reid International Airport – West of the Las Vegas Strip	\$13.00/\$25.00 \$11.00/\$22.00	\$14.00 to \$15.00/\$28.00 to \$29.00

- b. Add/increase the following charter limousine hourly rates (discounted rates are between 200 and 499 hours and over 500 hours respectively):

<b>Vehicle Type</b>	<b>New Discounted</b>	<b>Increase Non-Discounted (half hour rate is ½ the hourly rate)</b>
14-Passenger (plus driver) minibus	\$60.00/\$30.00 \$50.00/\$25.00	\$60.00 to \$75.00
14-Passenger (plus driver) ADA wheelchair minibus	NA	\$70.00 to \$85.00

5. That the proposed tariff rates are within the range of rates charged by the industry for similar services except for the \$85.00 per hour for the ADA wheelchair minibus. The rate is \$15.00 higher the highest rate for a similar wheelchair accessible vehicle.
6. That staff has no concerns since the public has the option to choose from other carriers with lower rates/less expensive vehicles or can choose other less expensive methods of transportation. Additionally, operating expenses for carriers have increased.
7. That the Applicant has not requested a rate increase since June 2022.
8. That based upon all the records relating to the Application and after investigation:
  - a. The Application on file herein comes within the purview of the statutes of the State of Nevada and within the regulatory jurisdiction of the Authority.

- b. The proposed tariff modification will be consistent with the public interest and will not operate to defeat the legislative policy set forth in NRS 706.151.

**Therefore, based upon the foregoing findings, it is ORDERED that:**

1. The tariff modification proposed by LVL, LLC d/b/a Stardust Transportation operated by LV All in Shuttle, LLC d/b/a All In Shuttle is hereby GRANTED.
2. The Authority retains jurisdiction for the purpose of correcting any errors that may have occurred in the drafting or issuance of this Order.

By the Authority,

 Temporary Discontinuance  
 Docket 22-02021  
 July 7, 2022 General Session

This carrier has been on a temporary discontinuance, Docket 19-07032, since July 15, 2019, a period of over 2 ½ years.

History temporary discontinuance - Docket 19-07032:

The first two 6 month periods (7/15/19~1/15/20, 1/15/20~6/15/20) were due to “travel out of the country”. The next period was due to the pandemic (6/15/20~12/15/20) and the following two periods are stated as due to the pandemic and financial (12/15/20~6/15/21, 6/15/21~12/15/21).

At the February 17, 2022 general session it was reported that the period of temporary discontinuance expired on December 15, 2021. Staff had discussed the matter with the Arthur Gambaryan, owner, and he had indicated he was aware but had not filed an extension or gone back into business.

Subsequent to the February 2022 general session, the request for an extension was located by Staff. It had been misfiled. That request for extension was filed timely and was for the period December 15, 2021 through June 15, 2022. The reason stated for the latest request was pandemic financial hardship. In a Discussion with the owner, he stated the license was very difficult to obtain, and he wished to keep it until he could acquire an electric vehicle.

This appeared on the March 24, 2022 general session.

March 2022 general session minutes:

**Docket 19-07032** The request to extend temporary discontinuance from December 15, 2021 through June 15, 2022, of services provided by Red Carpet Transportation, LLC d/b/a ALS VIP under CPCN 2209. This required retroactive approval. Staff investigation concluded.

*Applications Manager Liz Babcock summarized the procedural history of the docket and indicated staff's request for an Order to Show Cause. James Kent, Esq. appeared on behalf of the carrier, indicating the owner sold the vehicle during the COVID shutdown and is now finding difficulty obtaining a new vehicle and asked the commissioners patience. Motion to deny request. Approved 2-1 Chairman Gibbons opposed Motion to rescind prior vote Approved 3-0*

*Motion to approve discontinuance to the July Agenda for final determination Approved 3-0*
