October 3, 2023

To all passenger transportation carriers regulated by the Nevada Transportation Authority:

The Formula 1 Las Vegas Grand Prix will take place during the week of November 12th to November 19th. The Grand Prix is expected to draw a large international crowd and cause major delays in the resort corridor. Because this is a major world sporting event, there will be heightened security measures that will be in place to ensure safety.

Therefore, the NTA will have a zero-tolerance policy for unattended vehicles in any passenger loading zones, hotel/resort valets, airport loading zones, or other areas where a large population may congregate around event venues.

NAC 706.234 Leaving vehicle unattended in passenger curb loading zone: Prohibition; exception. ([NRS 706.171](#))

1. While on duty, a common motor carrier of passengers or an employee of the carrier shall not leave his or her vehicle unattended in any passenger curb loading zone, unless the carrier or employee is seeking a specific passenger who has requested that a vehicle be dispatched to the location.
2. As used in this section, the term "passenger curb loading zone" has the meaning ascribed to it in [NRS 484B.033](#).

If a vehicle is left unattended, the NTA may issue citations to the driver and/or the company. Depending on the length of time a vehicle is left unattended, the vehicle may be subject to tow, or further investigation by Federal, State, or Local law enforcement.

We request that drivers picking up passengers on a pre-arranged charter order stay as near to their vehicle as possible and make arrangements with customers to meet as close to where the vehicle is parked as practical. It is also requested the driver have the charter order readily available for inspection, if need be.

If you have any questions, please contact the NTA Las Vegas Office.

Thank you for your cooperation to help make this a safe event.

Sincerely,

A handwritten signature in blue ink, appearing to read "David Rickert".

David Rickert
Deputy Commissioner
