To Whom It May Concern:

In an effort to streamline staff's responsibilities at the Nevada Transportation Authority ("NTA"), please note that the NTA will be discontinuing automatically sending hard copy notices to each carrier of the Agenda/Discussion Items. This will be the last notice that will be delivered via US Postal Mail. Alternatively, notices may be received via email, but they will continue to be posted online, as well as posting them at both of our offices located in Las Vegas and Reno. If you wish to continue to receive a hard copy notice, we will also need to be advised to provide this to you.

If you would like to receive an email and/or a hard copy notification, please complete the attached form titled "Opt-In for Notice via Email or US Mail for Discussion Items."

If you should have any questions, please feel free to contact the NTA Office at 702-488-3303.

Sincerely,

A handwritten signature in blue ink that reads "David J. Pasternak".
