5. Approval of Agenda

Applications Manager Liz Babcock requested Items 126, 142, 146 and 151 be removed from consideration.

Deputy Commissioner commented that in reviewing the items on the Agenda, it was noted that certain orders contained the October General Session Date on the top of the order – that will be corrected before final orders are sent out. This is a clerical error and does not affect the substance of the order. We would ask that the Agenda be approved with the understanding that the dates will be being fixed.

Item 126 was pulled from the Agenda at request of applicant.

Item 142 & 146 are withdrawn.

Item 151 is withdrawn.

7. Briefings from the Commissioners

Chairman Hartung's comments:

As most of you know, our agendas are posted online, but the associated documentation was not online up to this point. We now have all the associated documentation online. Its now available regardless of where you are, whether you're in the state of Nevada or out of the state of Nevada, if you're in Elko, it doesn't make any difference.

You can have access to that at the same time that we do. I want to thank staff for the hard work. We're working towards an agenda where you can download it as a pdf with hot links on each item, so bear with us. We are trying to come into the 21st century, but you no longer have to come down to the NTA to review the agenda in either Las Vegas or Reno. I just wanted to thank staff for the hard work on that including Mr. Berry and others. Thank you so much. It is a work in progress, but we are making progress,

Commissioner Dawn Gibbons' comments:

I'm grateful for the work that our folks have done. Staff have been incredible.

It's been very, very tough these days, but we're doing very well and I'm just grateful for the work they have done.

Commissioner David Groover's comments:

I appreciate everything the staff has done. We've lost a key employee, Rita Brownawell, who was instrumental to the Nevada Transportation Authority. We want to thank her for her dedicated service. She will be here at the next meeting. Right now, everyone is carrying an extra workload.

8. Briefing from the Deputy Commissioner

Deputy Commissioner David Pasternak mentioned that the NTA mailed out a general agenda to everyone this time. Going forward, only those who have signed up to receive a general agenda will be forwarded it. In addition, the NTA is in the final stages of negotiating a contract with a vendor for a new driver database system.

9. Report of Legal Counsel

Deputy Attorney General Louis Csoka commented that there is only one current matter pending in the courts. It's the petition for judicial review and the title matter, as you may be aware, they've alleged that the expired dealer plate is not a registration, therefore, they should be allowed to tow. We filed an answering brief and we anticipate that oral arguments will be heard by the court probably within the next month or two. We will have a further update at that time. Thank you.

ADMINISTRATIVE CITATIONS AND IMPOUNDMENTS

Comments before the vote were provided by Mr. Jamie Kent, Ms. Kimberly Maxson Rushton, Mr. Carlo Meguerian, Deputy Attorney General Louis Csoka and Chief of Transportation, John Foster.

Comments made by Mr. Jamie Kent regarding item 60 reflected concerns regarding Life Trans and the fines levied against this entity.

Comments made by Ms. Kimberly Maxson Rushton related to MetLife Transportation and the obligation for them to pay an annual fee of a limo for a medical van. It concluded with Ms. Maxson-Rushton, stating that maybe an advisory opinion is needed and submitted by the July 1st deadline for clarification purposes.

Comments made by Mr. Carlo Meguerian regarding item 60 reflected his concern for Life Trans and the fines levied against the entity.

Vote taken:

Items 10 through 72 excluding 63 were considered collectively.

Motion made by Commissioner Gibbons

Seconded by Commissioner Groover

Approved 3-0

Item 63 was pulled – Discussion occurred where it was explained that the violation occurred due to type of vehicle and based on class. Ms. Desiree Main, Chief Compliance Audit Investigator was involved in the situation. Mr. Csoka, Deputy Attorney General, asked Desiree Main to speak on annual fees.

Comment made by Desiree Main, Chief Compliance Audit Investigator:

Ms. Main stated we go on vehicle type versus authority of the carrier. It is very consistent and nothing .out of the ordinary and that is why they received the citation.

Comment made by Louis Csoka, Deputy Attorney General:

Long standing interpretation on this per Mr Csoka – they failed to pay the fee. In the past they paid the fee and in our opinion it was proper.

Vote taken:

Item 63:

Motion to approve made by Commissioner Hartung

Seconded by Commissioner Gibbons

Approved 3-0.

DISCUSSION ITEMS

- 73. Docket 24-09017** Discussion regarding Staff's request to reinstate the Pre-Covid-19, NTA policy for the compliance period requirement and modify the time of the period under certain circumstances

Comment made by Ms. Elizabeth Babcock, Applications Manager, NTA:

Ms. Babcock commented that prior to the COVID pandemic, we had a compliance period of four months. The NTA extended that to one year because of all the difficulties with the supply chain getting vehicles, etc. That no longer exists, so we'd like to move it back to the four months, so things move through the process. The difference being, I would also like to limit to 60 days for anyone that is currently operating. So that would apply to anybody that's currently operating under a temporary transfer of operating rights. Also, if they have an interim authority to operate under whatever their expansion or if it is a new certificate, since they're already operating, they should be able to finish those compliance items very quickly. This is staff's request.

Comment made by Mr. Brent Carson:

Just one question. There's nothing in the regulations or statutes that put a time frame on compliance, is there? That you're aware of?

Comment provided by Ms. Elizabeth Babcock, Applications Manager, NTA:

No, it's basically policy. It used to be 90 days when I started, which is quite a while ago. We had a lot of extensions, so they bumped it up to the four months instead of three and that seemed to work well. And then of course Covid occurred.

Comment made by Mr. Brent Carson:

I mean, is there anything written down that says these numbers or anything that the public is aware of that you're not creating or changing something, making a policy or regulation?

Comment provided by Ms. Elizabeth Babcock, Applications Manager, NTA:

This is the NTA policy. And it is on every order that has a compliance period. It gives that time period, right?

- 74. Docket 24-09029** Discussion regarding the Omadi System for use by non-consent tow carriers and the possible reliance on the system as it pertains specifically to NRS 706.4477(2)(a)92) and NAC 706.4275 (1)(b).

Comment made by Jason Brown, Supervisory Enforcement Compliance Investigator, reflected a lengthy discussion regarding the use of the Omadi System for electronic signatures by multiple tow carriers. Questions were posed by Chair Vaughn Hartung and Commissioner R. David Groover. Comments were also provided Louis Csoka, Deputy Attorney General; Chief John Foster, Chief Transportation Inspector; and Desiree Main, Chief Compliance Audit Investigator.

Comments in favor of the Omadi System were made by Vincent Smith, Ashley's Towing and by Mr. Michael Baumbach from Milne Towing.

An issue was brought up by Jason Brown, Supervisory Enforcement Compliance Investigator, regarding the reference where there was a typo when listing Section of 706.4722 (2)(a)92). It should have been listed as 1 (a).

Comment made by Louis Csoka, Deputy Attorney General consisted of moving this item to the next agenda due to the typographical error.

Comment made by Yoneet Wilburn, Administrative Attorney, NTA reflected that it was a typographical error. The meeting is recorded so there should be no confusion as to what occurred. She felt it would be fine to move forward with a vote noting the typographical error.

Comment made by Chairman Hartung:

Motion made to approve the use of Omadi software for tow carriers and only Omadi.

Motion made by Commissioner Hartung

Seconded by Commissioner Groover

Comment made by Chairman Hartung:

Clarification made that this is for the use of Omadi for digital signatures.

Approved 3-0

- 75. Docket 24-10028** Discussion of Report from certificated carrier regarding illegal passenger transportation. – **FOR POSSIBLE ACTION**

Comment made by Commissioner R. David Groover:

Commented that he wanted to see where we are with illegal transportation. Have we entertained new approaches, new ideas. Would like to see the Deputy Commissioner get more involved in this process so that we keep on top of it. Have an open discussion and have carriers make comments on this. I believe Chief Foster will have comments as well. Because this is such a critical issue, I would ask that this be a continuing item on our General Session meetings as an update.

Comment made by Mr. Brent Carson:

Mr. Carson commented that there is a group of certified carriers that contacted me. I've been discussing with them off and on the record of what to do and what they're doing. They hired a couple private investigators to look at some of the illegal transportation that's happening around the city provided. I've received a report last night, provided it to you guys this morning as you need. As Yoneet has told me it's nothing that you guys do not know about. The problem is nothing is being done, so we're having the same conversation since last April. There are illegals out there. Nothing's being done. And now it's worse. It just is. I don't know if it's gotten to the point where it's beyond control and there's nothing, we can do about it right now, but that's not my opinion. I think we just need to create, have creative methods and what we need to do. You guys and this is my only comment I'm going to make because I don't want to waste their time.

You guys have the most powerful tool in your repertoire right now. 706.756 criminal acts. Anybody that age or abets a violation of 706 can be cited. Anybody. That's valets, bellman, security, parking enforcement. Anybody can get them. And I think what we just need to do is let the hotel associations and let the people know. Has some security heads of transportation. You're going to get dragged down here in front of us. When that finally goes up the flagpole and somebody's like this and it gets to the Gaming Control Commission, gets to the gaming control officers that they're getting cited under 706. There's going to be a real change. Until then, it's just the Wild West out there, so I suggest you want.

I got Ms. Rushton. I got Mr. Kent here. What do you want us to do?

Can you guys give us some direction? We will help you in any manner possible to do something. Like I said that was my only comment I wanted to do is that we're here willing to help and you guys have a powerful weapon that you can use to help us. So that's all I have to say.

Comment made by Yoneet Wilburn, Administrative Attorney, NTA:

Actually, Ms. Rushton, Mr. Carlson, Mr. Kent. You guys actually do have a lot you can do for us. We are operating on a short staff here with our enforcement officers. You can go to the legislature and lobby for more money for enforcement officers.

Comment made by Chairman Hartung:

What I think they're arguing is, that there are tools that could be used currently that are not being used. Methodologies that could be utilized that are not being used it's not, necessarily staffing it's really a matter of maybe being maybe being more organized.

Further discussions occurred with the following members of the audience providing feedback:

Ms. Danielle Fawcett from Personal Sedan Service

Mr. Jonathon Simon, CEO, Driven Global Transportation

Mr. Daniel Mosca, Personal Sedan Service

Mr. Tony Clark, 24/7 Limousines

Mr. Kurt Strachan, Retired Law Enforcement Officer

Ms. Kimberly Maxson Rushton, Law Firm of Cooper Levinson appearing on behalf of the Livery Operators Association

Mr. Manny Recinos, Lumify 1080

Mr. John Foster, Chief Transportation Inspector

Exhibit A Docket Number 24-10028:

Report provided by Mr. Brent Carson from Driven Global Transportation dated November 5, 2024.

- 76. Docket 24-10029** Discussion and review regarding the approach and methods employed to identify which administrative cases are selected for settlement by NTA Enforcement Staff, without the Hearing Officer's initial involvement. – **FOR POSSIBLE ACTION**

Comments made by Louis Csoka, Deputy Attorney General: Provided the history of how settlements occurred historically at the NTA and the authorizations provided for under the Deputy Commissioner, the Chief of Enforcement and the Applications Manager.

Commentary and questions were posed by Chairman Hartung and Commissioner R. David Groover. John Foster, Chief Transportation Inspector, also provided commentary.

Comment made by David Pasternak, Deputy Commissioner:

Effective December 1st, the Chief of Enforcement to look at items that need to be settled but must go through the Deputy Commissioner for approval.

Comment made by Chairman Hartung:
Hartung made motion to extend for 60 days.

Comment made by Commissioner Gibbons:
Suggested that there is no market, no proforma, many times gave them a backup. Ms. Babcock turned in owners net worth statement with backup.

Comment made by Elizabeth Babcock, Applications Manager:

We do not have an acceptable pro forma balance sheet. Suggested that they go to an accountant, instead of going to a hearing to tell them to advise them of the deficiencies. Without adequate financial statements, we cannot support it currently by staff.

Commissioner Groover:

Would it hurt to give a 60-day continuance a do or die, get it in, get it corrected, that is it.

Comment made by Elizabeth Babcock, Applications Manager:

If they don't get it in, we just have to move it forward. If we want to do it again, it is entirely up to you.

Comment made by Evelyn An, Hello Vegas Tours:

Commented that they are applying for a CPCN and understand that they don't have a pro forma. Advised the Commissioners that they were going to hire a new CPA.

Authority held on May 30, 2024

Commissioner R. David Groover
Commissioner Dawn Gibbons
Deputy Commissioner David Pasternak

ORDER

On May 9, 2024, a hearing on the above captioned matters were held before Commissioner Dawn Gibbons, serving her capacity as Hearing Officer for the Nevada Transportation Authority (“Authority”). The cited party and registered owner of the vehicle, Huu Hai Nguyen, appeared with a Vietnamese interpreter, and chose to move forward without legal counsel.

After hearing the allegations, the respective arguments, and having considered the evidence introduced by the parties present at the hearing and being fully advised, the Hearing Officer, pursuant to Nevada Administrative Code (“NAC”) 706.4015 prepared a proposed decision for review by the Authority.

Based on the proposed decision, the Authority makes the following Findings of Fact and Conclusions of Law, which constitute a final order affirming the decision of the Hearing Officer. Any Finding of Fact that would be better deemed a Conclusion of Law or vice versa shall be so construed. Under Nevada Revised Statutes (“NRS”) 706.151, the Authority has legal jurisdiction and authority over this matter.

FINDINGS OF FACT

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains the legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Facts:

1. That NTA Investigator Bradley King was on patrol near the Golden Nugget when he saw the Respondent outside his white minivan in the Uber staging area. Investigator King saw the Respondent speaking to two older gentlemen. When the Respondent finished speaking with the older gentlemen Investigator King walked up and stood next to the Respondent. The Respondent asked if Investigator King needed a ride. Investigator King responded he wanted to go to Treasure Island. The Respondent asked Investigator King how many people were going. Investigator King informed the Respondent it was 3 people. The Respondent stated it would cost \$30. Investigator King testified that he did not use the Uber app and the Respondent did not use the app when arranging the ride with Investigator King. Investigator King testified that Uber does not charge a flat fee. Investigator King agreed to the price and started following the Respondent to his car. Before the Respondent could get in his car, Investigator King stopped the Respondent and told him he an NTA enforcement officer. Investigator King testified the Respondent did not have CPCN displayed anywhere on his car.
2. The Investigation Report was entered at State's Exhibit 1.
3. That Huu Hai Nguyen, through his Vietnamese interpreter, said he was not near his car. Nguyen asked Investigator King why he did not get in Nguyen's car. Investigator King testified enforcement officers do not get in cars for officer safety purposes. Nguyen asked Investigator King how anything he did was illegal when Investigator King did not get in

his car. Investigator King explained for the violations to occur, a ride needs to be offered, a price needs to be stated and they need to agree on the price. Upon hearing Investigator King's explanation, Nguyen stated he did not have any more questions or statements to make.

CONCLUSIONS OF LAW

Based on the testimony of Investigator King, the Authority finds the testimony of Investigator King credible and concludes that Respondent violated NRS 706.386, NRS 706A.280 and NRS 706.476 and Respondent's car was properly impounded.

DISCUSSION

The Deputy Attorney General ("DAG") recommended a fine of \$2,500 with \$2,250 in abeyance for a period of two years with no new violations for a violation of NRS 706.386. The DAG recommended no fine be assessed for violation of NRS 706A.280. The DAG recommended a fine of \$1,000 be assessed for violation of NRS 706.476.

The Hearing Officer, having fully considered the above-mentioned Findings of Fact and Conclusions of Law recommend to the Authority:

1. That a finding of one violation of NRS 706.386 be entered.

Authority held on December 12, 2024.

PRESENT: Chairman Vaughn Hartung
Commissioner Dawn Gibbons
Commissioner R. David Groover
Deputy Commissioner David Pasternak

ORDER

On September 23, 2024, a hearing on the above-captioned matters were held before Commissioner Dawn Gibbons, serving in her capacity as Hearing Officer for the Nevada Transportation Authority (“Authority”, “NTA”). The cited party, Ronald Mehu (“Respondent”), appeared for the hearing, and chose to proceed without legal counsel.

After hearing the allegations, the testimony of both parties, the respective arguments, and having considered the evidence introduced by the parties present at the hearing and being fully advised, the Hearing Officer, pursuant to Nevada Administrative Code (“NAC”) 706.4015, prepared a proposed decision for review by the Authority.

Based upon the proposed decision, the Authority makes the following Findings of Fact and Conclusions of Law, which constitute a final order affirming the decision of the Hearing Officer. Any Finding of Fact that would be deemed a Conclusion of Law or vice versa shall be so construed. Under Nevada Revised Statutes (“NRS”) 706.151, the Authority has legal jurisdiction and authority over this matter.

FINDINGS OF FACT

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains the legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Facts:

1. On October 6, 2024 NTA Investigator Andrew Stevenson, Supervisor Chris Yambor and Investigator Audy Vilorio were on foot walking next to the Golden Nugget. As they were walking, a car pulled up asking if they needed a cab. The NTA group asked the driver how much. The driver looked at the group and said, "Get in, Get in." The group got in the car and as the car turned the corner, they identified themselves as NTA investigators. The driver was identified as Ronald Mehu. The NTA investigators recognized Mr. Mehu as they cited him previously for the same offense. Mr. Mehu did not have a Certificate of Public Convenience and Necessity ("CPCN") displayed on his car and a check of the NTA database revealed he did not have one.
2. Deputy Attorney General ("DAG") Radhika Kunnell asked Investigator Hooser if a report was written in connection with this investigation. He stated there was one. The DAG offered the investigative report as State's Exhibit #1 and it was admitted into evidence.
3. Mr. Mehu testified that he went to the curb of the Golden Nugget to pick up an Uber customer, named David, who booked him through the app. Mr. Mehu stated he saw Investigators Stevenson and Vilorio and Supervisor Yambor and assumed they were his Uber ride, so he quickly said, "Get in, Get in!" Mr. Mehu was not in the dedicated ride share pick up/drop off area of the Golden Nugget and he testified this is why he told the NTA to get into his car quickly.

4. On cross examination, DAG Kunnel asked Mr. Mehu if he was on the Uber app, and he stated he was. She then asked Mr. Mehu if had any proof he was on the app, and Mr. Mehu stated he did not. Mr. Mehu went on to say David actually cancelled his ride so he did not have any proof of the ride. DAG Kunnel asked Mr. Mehu if was aware that even if a rider cancels their ride on Uber, the app still keeps a record. DAG Kunnel asked Mr. Mehu if he showed the NTA Investigators he was on the Uber app after they identified themselves, he stated he did not. DAG Kunnel asked Mr. Mehu if asked Investigator Stevenson if he was David, and Mr. Mehu testified he did not.
5. On re-direct of Investigator Stevenson, he testified that he was not in a rush, Mr. Mehu did not ask him if his name was David. Investigator Stevenson testified that Mr. Mehu never offered any explanation of his behavior or what he was doing.

CONCLUSIONS OF LAW

Based on the testimony of Investigator Stevenson, the testimony Mr. Mehu and the evidence presented at the hearing, the Authority finds the testimony of Investigator Stevenson to be credible, the evidence submitted by the state supports Investigator Stevenson's testimony and the issuance of Citations 24323 and 24324 to be proper.

DISCUSSION

The DAG requested a fine of \$10,000 with \$8,000 held in abeyance for a period of two (2) years, provided no further violations of the NRS occur in the two-year period and there is timely payment of the fine, for the violation of NRS 706.386 on Citation 24323. The DAG further requested the \$2,250 abeyance on Citations 24055 and 24056 be triggered and called forward as due and payable. As for the violation of NRS 706A.280 on Citation 24324, the DAG did not have

a recommendation for the Hearing Officer, however the DAG stated disqualification was a proper remedy for the violation.

The Hearing Officer, having fully considered the above-mentioned Findings of Fact and Conclusions of Law, recommends to the Authority:

1. That a finding of a violation of NRS 706.386 on Citation 24323 be entered.
2. That a finding of a violation of NRS 706A.280 on Citation 24324 be entered.
3. That a fine of \$10,000 with \$8,000 held in abeyance for a period of two (2) years, provided no further violations of the NRS occur in the two-year period and there is timely payment of the fine be assessed for the violation of NRS 706.386 on Citation 24323. Further, the abeyance amount of \$2,250 on Citations 24055 and 24056 be triggered and become due and payable.
4. That Ronald Mehu be disqualified as an Uber/Lyft driver and be placed on the ineligible driver's list for his violation of NRS 706A.280 on Citation 24324.

ORDER

IT IS THEREFORE ORDERED, based on the foregoing Findings of Fact and Conclusions of Law:

1. That the recommendation of the Hearing Officer with regard to the violation of NRS 706.386 on Citation 24323 be AFFIRMED;
2. That the recommendation of the Hearing Officer with regard to the violation of NRS 706A.280 on Citation 24324 be AFFIRMED;
3. That a total fine of in the amount of Ten Thousand Dollars and Zero Cents (\$10,000) with Eight Thousand Dollars and Zero Cents (\$8,000) held in abeyance for a period of two (2)

years, provided no further violations of the NRS occur in the two-year period and there is timely payment of the fine be assessed for the violation of NRS 706.386 on Citation 24323.

4. That the Two Thousand Two Hundred and Fifty Dollars (\$2,250) abeyance amount on Citations 24055 and 24056 be triggered and become due and payable.
5. That Mr. Mehu be disqualified as an Uber/Lyft driver and be placed on the ineligible driver's list.
6. That the Authority retains jurisdiction for correcting any errors that have occurred in the drafting of issuance of this Order.

FINDINGS OF FACT

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Facts:

1. Supervisor Craig Arnett was sworn in as a witness. Supervisor Arnett testified that on August 6, 2024, he received an email Reno Cab Company Human Resources Manager, Carolyn Thompson, regarding a driver who failed a drug/alcohol test. Thompson stated the Respondent was ordered to take a reasonable suspicion drug test on June 22, 2024 for odd behavior. Garcia submitted his test on June 22, 2024. Mr. Garcia submitted both a Breath Alcohol Test (BAT) and urine test. His BAT came back at .091 and his urine was verified as negative on June 25, 2024. Ms. Thompson stated Mr. Garcia was terminated as of June 22, 2024 and his last day of work was June 21, 2024, per his timesheet.

At a general session of the Nevada Transportation
Authority held on December 12, 2024.

Deputy Commissioner David Pasternak

ORDER

On October 23, 2024, a hearing on the above-captioned matters was held before Chairman Vaughn Hartung, serving in his capacity as Hearing Officer for the Nevada Transportation Authority (“Authority”). The cited party, American Transportation System, Inc., appeared through legal counsel Kimberly Maxson Rushton.

After hearing the allegations, the testimony of witnesses, the respective arguments and having considered all the evidence introduced by the parties present at the hearing, and being fully advised, the Hearing Officer, pursuant to Nevada Administrative Code (“NAC”) 706.4015 prepared a proposed decision for review by the Authority.

Based on the proposed decision, the Authority makes the following Findings of Fact and Conclusions of Law, which constitute a final order affirming the decision of the Hearing Officer. Any Finding of Fact what would be deemed a Conclusion of Law or vice versa shall be so construed. Under Nevada Revised Statutes (“NRS”) 706.151, the Authority has the legal jurisdiction and authority over this matter.

FINDINGS OF FACT

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains the legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Fact:

1. Respondent and the state stipulated to the admission of the State's Exhibit #1, the investigative report, Respondent's Exhibit #1, a letter to the NTA and contracts and Respondent's Exhibit #2 email correspondence between Chief Main and Kimberly Maxson-Rushton and between Deputy Attorney General ("DAG") and Kimberly Maxson-Rushton.
2. Chief Compliance Officer Desiree Main testified that American Transportation Systems Inc ("ATS") is a charter bus company with charter bus authority. In August of 2023, ATS was granted authority to operate up to six (6) vehicles in their fleet as limousines. They were issued decals and paid the annual fee. The annual fee would be up and payable on July 1, 2024. On July 1, 2024, the vehicle designated as limousines were still in ATS's fleet. There was no indication to the NTA that the 6 vehicles were not being used as limousines anymore. ATS did not notify the NTA that they were no longer using the vehicles as limousines and the decals were not returned to the NTA before July 1, 2024. Further, ATS did not remove the vehicles from their fleet. Chief Main testified that the vehicles existing in the fleet is what triggers the annual fee. ATS notified the NTA that the vehicles were being removed from the fleet on August 28, 2024.
3. On cross examination of Chief Main, Kimberly Maxson-Rushton asked if the citation would have issued if ATS notified the NTA, prior to July 1, 2024, that the vehicles were being taken out of the fleet and were no longer operating at limousines and the decals were

returned to the NTA. Chief Main stated the citation would not have issued if those events had occurred.

4. NTA Investigator Sean Kim testified that he had never seen ATS operating a vehicle that had seating for less than 16 people out in the field. He also testified that he believed the citation was properly issued and the violation occurred because as far as the NTA was concerned, the vehicles were still in ATS's fleet as of July 10, 2024.
5. Kimberly Maxson- Rushton stated on the record that ATS did not notify the NTA that the vehicles were being taken out of the fleet until August 28, 2024, however the vehicles stopped being used as limousines in May of 2024.

CONCLUSIONS OF LAW

Based on the stipulated Investigator's Report (State's Exhibit #1), the email correspondence (State's Exhibit #2), and the testimony and questioning of Chief Main, the Hearing Officer finds that the violation occurred, and the issuance of the citation was proper.

DISCUSSION

The DAG stated what he would normally ask for in this case, which would be a \$100 flat fine for the violation in Citation 25041.

1. The DAG recommended that a fine of \$0 be imposed for the violation of NRS 706.465 and pay the annual fees, which would be the full amount of the annual fees plus any interest and penalties.

The Hearing Officer, having fully considered the above-mentioned Findings of Fact, the Conclusions of Law and the arguments by both the DAG and Respondent, recommends to the Authority:

1. That a finding of a violation of NRS 706.465 be entered.

2. That no fine be assessed and that a warning issue that if ATS is ever in this situation again, they need to provide timely notices to the NTA.
3. That ATS does not need to pay the annual fees since Chief Main stated the annual fees would not be due if ATS had timely notified the NTA they were removing the vehicles from their fleet. Further, the NTA believes the vehicles were not being used in a limousine capacity.

ORDER

IT IS THEREFORE ORDERED, based on the foregoing Findings of Fact and Conclusions of Law:

1. That the recommendation of the Hearing Officer with regard to violation of NRS 706.465 be AFFIRMED;
2. That no fine issue for the violation of NRS 706.465.
3. That a warning issue that ATS must make proper, timely notifications to the NTA for any changes in their fleet.
4. That ATS does not need to pay the annual fees, as they would not be due if ATS had notified the NTA in a timely manner and the vehicles were not being used in a limousine capacity.
5. That the Authority retains jurisdiction for correcting any errors that may have occurred in the drafting or issuance of this Order.

Re: Illegal Operators

Dear Nevada Transportation Authority,

I am writing to express my deep concerns regarding the persistent issue of illegal transportation operators throughout Las Vegas and surrounding areas. My background includes over 36 years in public safety, during which I served nearly two decades as a Police Sergeant with the Las Vegas Metropolitan Police Department. I have dedicated my career to protecting the public, and today, as the CEO of Driven Transportation Group, CPCN MV 6163, I remain committed to upholding those same principles in the transportation industry. Addressing the issue of illegal operators has become a critical concern as I have personally witnessed several illegal operators conducting business during almost every major event and most weekends.

Illegal operators not only undermine lawful business but also pose a substantial risk to public safety. These individuals engage in unauthorized transportation services without appropriate licensing or insurance. This lack of oversight often leads to substandard vehicle maintenance, reckless driving practices, and a disregard for the regulations designed to protect passengers and other road users. Moreover, illegal operators are frequently involved in additional forms of criminal activity, including overcharging clients, fraudulent practices, assault and battery, and even involvement in drug trafficking or human exploitation under the guise of transportation services. These issues extend far beyond simply operating without a license, escalating the potential danger to everyone involved.

Across the United States, there are numerous criminal and civil cases stemming from the actions of illegal operators in the limousine and rideshare industries. These cases reveal the real harm caused by unlicensed drivers, from accidents that lead to injury or death due to poorly maintained vehicles to financial exploitation of passengers and, in some cases, even violent crime. Such cases underscore the critical need for rigorous enforcement to prevent these individuals from jeopardizing passenger safety and eroding public trust in licensed operators.

History has shown that without strong accountability, illegal operators will continue their activities undeterred. To combat this, stricter enforcement and meaningful penalties are essential. The NTA must consider ways to enhance enforcement and fund these efforts, whether through targeted initiatives, legislative support, or partnerships within the community, i.e. the strip resorts. Additionally, stiffer fines should be imposed on repeat offenders, as it appears they are pushing the boundaries as they know the consequences are relatively low and has a minimum effect on their finances. Such

Driven Global Transportation 702-505-9397

measures will send a clear signal that Nevada values the safety of its residents and visitors and is committed to upholding the integrity of its transportation industry.

From my experience as Public Safety Expert and business owner, below, I have identified six primary issues these illegal operators are involved in:

1. Operating Without Proper Licensing or Insurance

Illegal operators commonly operate without the licenses required by the NTA, or without the necessary insurance coverage. Unlicensed operators avoid these requirements, putting passengers at risk and bypassing state and local safety regulations, which are particularly stringent in busy tourist destinations like Las Vegas.

2. Passenger and Pricing Fraud

Unlicensed limousine and rideshare operators frequently engage in deceptive practices, including price gouging and fare manipulation. They may charge passengers exorbitant rates without providing an upfront fare, taking advantage of tourists unfamiliar with standard rates. Fraudulent operators also engage in "bait-and-switch" tactics, using misleading advertisements or false claims to attract passengers, then charging them far more than initially stated. This kind of fare exploitation is common in crowded, high-demand areas like Las Vegas, especially during large events.

3. Vehicle Safety and Maintenance Negligence

Illegal operators often neglect vehicle safety standards, as they lack the oversight imposed on licensed operators. This may include failing to conduct regular vehicle maintenance, using outdated or unfit vehicles, and ignoring mandated safety inspections. Such vehicles may have faulty brakes, tire issues, or inadequate safety features, increasing the risk of accidents and injuries to passengers and others on the road.

4. Involvement in Broader Criminal Activities

It has been a known fact for decades, that some unlicensed operators are involved in criminal activities beyond their illegal operations. There have been cases of operators engaged in drug trafficking, human trafficking, and even facilitating prostitution. Because illegal operators often operate in the shadows, they are more likely to associate with other criminal enterprises.

5. Evasion of Taxes and Fees

Licensed operators pay fees, taxes, and adhere to regulations that contribute to local and state economies. Illegal operators, however, bypass these financial responsibilities, depriving cities of revenue used for transportation infrastructure, law enforcement, and public safety. This creates an unfair competitive environment where unlicensed operators benefit from avoided costs, often at the expense of compliant businesses.

6. Liability and Accountability Issues

Unlicensed operators lack the legal accountability that licensed operators maintain. In cases of accidents, theft, or other issues, there is often no legal recourse for passengers. Without insurance, passengers who are harmed have limited means to seek compensation, and unlicensed drivers can disappear without repercussions.

Thank you for your time and attention to this pressing issue. I am ready to support the NTA in any way possible to strengthen enforcement and safeguard public safety in Las Vegas.

Best regards,

Nevada Transportation Authority

Subject: Urgent Action Needed Against Illegal Transportation Operators in Las Vegas

Dear Nevada Transportation Authority,

On behalf of certified transportation providers in Las Vegas, I am submitting this report to highlight the growing issue of illegal operators who jeopardize public safety and compromise the professionalism of our industry. Our findings reveal a disturbing pattern of illegal operators working unchecked, underscoring the need for stronger enforcement and protection for licensed carriers.

1. Background

In February 2024, a group of certified operators convened to address the challenges that illegal operators pose to our businesses and the broader public. These operators bypass licensing, insurance, and regulatory requirements, which not only undercuts our businesses but also places the public in potentially dangerous situations.

2. Actions Taken to Date

We have consistently reported illegal operators to the NTA through your online portal, providing photos, videos, and other evidence of solicitation at major events and venues. However, delayed responses limit the effectiveness of these efforts, allowing illegal operators to continue unchecked. Additionally, we presented our concerns at an NTA general session in hopes of raising awareness and driving meaningful action.

3. Investigation Findings

Through our investigations, which include third-party surveillance and undercover rides with illegal operators, we've documented an alarming pattern across multiple locations in Las Vegas. Below are our specific findings:

- **The Sphere:** We documented over 40 illegal operators soliciting passengers without proper insurance or background checks. Certified carriers are unable to use the Sphere's designated drop-off and pick-up areas and are forced to drop clients off in unsafe locations, often in the middle of the street. Certified carriers face threats from parking enforcement and are sometimes required to pay \$50 to park and pick up clients safely. When we reached out to the head of transportation at the Sphere, we were told that certified carriers must purchase a suite, at a cost of \$300,000 for a two-year term, to have consistent access. We have video evidence of illegal operators using VIP areas at the Sphere, as well as recordings of cash transactions

for rides. The Sphere's representatives expressed no concern for enforcing rules against illegal operators, citing private property rights.

- **Convention Center:** Illegal operators are given priority over certified carriers. Despite having charter orders, certified carriers are often denied access while illegal operators and rideshare vehicles are permitted. During surveillance, we recorded clients being forced to disembark in the middle of the street due to parking enforcement blocking certified carriers from designated zones. This unsafe practice was also highlighted by a local client, who reported a poor experience due to restricted drop-off access.
- **Park MGM and the Dolby Theater:** Illegal operators crowd outside valet and door areas, harassing certified carriers and attempting to undercut rates in front of clients. During a Maroon 5 concert in September, we took three rides from illegal operators. These operators offered alcohol for sale in the vehicles and attempted to pressure passengers into visiting strip clubs. Cash fares from Park MGM to Aria were offered at \$50, while credit card payments were inflated to \$90.
- **T-Mobile Arena:** After Golden Knights games and other events, illegal operators are found soliciting rides in VIP zones where certified carriers have no access. Rates for these rides fluctuate based on demand, averaging between \$50 and \$150. In our undercover rides, these operators openly discussed working independently, claiming they could operate without permits. They even distributed business cards, promoting their services as private businesses rather than licensed operators.
- **Allegiant Stadium:** Following events at Allegiant Stadium, over 50 illegal operators can be seen gathering outside to solicit rides. In one instance, parking enforcement used golf carts to transport patrons directly to these illegal operators. We recorded an illegal ride where the driver openly admitted to being unlicensed and required payment before arriving at the destination to avoid issues with hotel valet staff.
- **Hotels Across the Strip:** We tested illegal transportation services between various hotels, including Fountain Blue, Resorts World, Wynn, Flamingo, and Circa. At the JSX Terminal, we documented instances where valet attendants refused certified carriers and redirected guests to illegal operators. Video evidence shows illegal operators completing multiple rides from JSX, facilitated by the valet staff.

4. Challenges Faced by Certified Operators

Certified carriers are consistently hindered in serving clients due to restricted access to key event locations, harassment from illegal operators, and obstructive actions from parking

enforcement and venue management. These barriers not only disrupt our services but compromise safety, forcing certified operators to drop clients in unsafe areas.

5. Public Safety Impact

Illegal operators circumvent essential requirements like insurance, background checks, and vehicle inspections, exposing the public to unregulated and potentially unsafe experiences. We documented instances where illegal operators offered alcohol to passengers, solicited visits to specific establishments, and pressured clients into uncomfortable situations.

6. Recommendations for NTA Action

To mitigate these issues, we urge the NTA to consider the following actions:

- **Increase Penalties and Fines:** Implement higher fines for repeat offenders to deter illegal operations effectively.
- **Enhanced Enforcement:** Place NTA personnel at high-traffic venues like the Sphere, T-Mobile Arena, and Allegiant Stadium to monitor and enforce regulations. Establishing checkpoints at these locations would significantly reduce illegal activity.
- **Collaboration with Venues:** Partner with major event venues to create designated pick-up zones for certified carriers and establish penalties for venues that permit illegal operators to solicit rides on their property.
- **Transparency and Accountability:** Streamline the reporting process for illegal activity, with a dedicated NTA team for faster response and follow-up on reported violations.

7. Conclusion

Illegal operators present an immediate threat to public safety and the livelihood of certified carriers. On behalf of Las Vegas's certified transportation providers, we urge the NTA to take decisive action against illegal operators and restore integrity to our industry.

Sincerely,

Thank you,

Donielle McKee

Docket 21-03021
December 12, 2024, General Session Status Check**

- This carrier has been operating under CPCN 1144 on an interim temporary approval since March 18, 2021, under Docket 21-03021 (Attachment A)
- The Applicant is a recipient of governmental funds; therefore, all units must be ADA compliant. The carrier has a restricted fleet, limited to 7 livery limousines, and all vehicles are to be ADA compliant.
- To determine if a vehicle is ADA compliant in Nevada, you can:
 1. Check for handicapped license plates and placards¹
 2. Ensure that new vehicles purchased or leased after August 25, 1990, are accessible.

Part 38 of the DOT regulation explains in detail- please check 2nd attachment.

- Marta Acevedo is the Compliance Investigator – her most recent contact with Mr. Price, 50% Owner/ operator, was September 10, 2024, by email, requesting the carrier to finish compliance items.
- In a subsequent telephone conversation, she was told that they did not have any vehicles or drivers operating under CPCN 1144.
- They replied to the email request on November 18, 2024, asking if the compliance items were still needed. It was confirmed that they were still needed, however, nothing has been provided to complete compliances as of this date (December 3, 2024).
- Applications Manager had conversations and email exchanges in August 2024 with Jacob Price, 50% owner/operator, wherein he stated his concern regarding a renewal of a grant they had received previously.
- Compliance Investigator also had a conversation with Mr. Price, where he requested 30 days to revise the process. He mentioned he was in conversation with the Federal agency regarding the funds the company was receiving, and that NDOT was currently questioning whether his company has the right authority through NTA to run the contract for them.
- (It should be noted that they did not have the proper authority to provide this service at the time of the original grant in 2021.)
- Mr. Price stated “I think I need to get an answer from them (N-DOT) **before we move forward.** If we can delay for 30 days, that would be the best.”

- In a conversation with Applications Manager, Mr. Price indicated that they were still in operation but that the reservations were less than before. They were informed that if not in operations they are required to file a temporary discontinuance.
- This application is on this agenda for a Status Check. This temporary authority was granted just short of 4 years ago. Their background report remains incomplete. The financial review was performed previously, and the company met the financial requirements at that time, and continue to do so based on their filed annual reports.
- Staff is requesting an update, a specific due date, and the Applicant's current operational status.

Hello Vegas Tour, LLC
 Application for Scenic Tour Authority
 Docket 24-03032
 December 12, 2024, General Session

Application Summary:

On March 15, 2024, Hello Vegas Tour, LLC d/b/a Hello Vegas Tour (“Applicant”) filed an application requesting scenic tour authority within points and places in Clark County, Nevada on the one hand and State of Nevada on the other and to operate one (1) vehicle. Ms. Chong Kim is the LLC’s sole member. The application was noticed and no PLTIs or protests were filed.

Staff Analysis:

This application was originally placed on the November 2024 general session and staff requested it be denied due to grossly inaccurate pro formas. The Authority granted the Applicant a 60-day extension to correct their deficiencies. The Applicant submitted corrected pro formas shortly after, and therefore staff is in support.

- a. Background investigation was performed with no areas of concern. (Attachment A)
- b. Market – The applicant provided a market exhibit as required per NAC 706.1375(m). However, staff does not verify/quantify the market for scenic tour applications (approved by the Authority at the January 2020 general session). (Attachment B)
- c. Pro Forma Balance Sheet – lists one (1) vehicle, which has been previously purchased and reports an 8:1 current ratio and 57% equity.
- d. Pro Forma Income Statement – Projects \$247,278 in revenues and \$33,319 in net income. Vehicle maintenance expense is understated, and vehicle payments expense line item is incorrectly included. Adjusting for these errors, the application remains compensable. (Attachment D)
- e. Cash infusion – a cash infusion of \$56,936 is required. Staff verified these funds are available.
- 2) Tariff – The rates are reasonable. The Valley of Fire and Lee Canyon/Mt. Charleston tariff rates are higher than the range of rates. Staff has no concern. (Attachment E)

Attachments:

- A. Investigator’s Background Report
- B. Market
- C. Pro Forma Balance Sheet
- D. Pro Forma Income Statement and Narratives
- E. Tariff

Listed below is the additional compliance item to be included in the compliance order:

- 1) Deposit the cash infusion amount of \$56,936.

Every guest can confidently relax and experience an above & beyond guided journey as well as enjoy native Korean snacks throughout their guided tour.

Market Identification

Hello Vegas tours intends to service the growing market of South Korean travelers to Nevada that seek to explore culinary, entertainment and historical attractions in their native language.

According to the Las Vegas Convention Visitors Authority, South Korea is among the top 5 overseas international feeder market to Las Vegas. In 2019, the Las Vegas economy benefited from approximately 741,000 South Korean visitors. Like most tourists, South Koreans seek to visit the major tourist Las Vegas landmarks including the surrounding National parks.

While tourism from South Korea dropped during the pandemic due to the South Korean government's restrictions during the Covid-19 pandemic, tourism is expected to return to its original pre-pandemic numbers. As an example, Korean Air, one of the largest Korean airlines recently re-establish airways from Seoul, South Korea to Las Vegas on July 10, 2022 after being suspended since March of 2020.

According to the Korean Tour Guides Association, tourism reached or went beyond its historical numbers in 2023. Also according to the Korean Tour Guides Association, many South Korean visitors struggle to navigate their transportation needs due to language barriers and a lack of digital proficiency particularly with demographics that include individuals that are 50+ of age. As a result, there is a need for qualified Korean speaking tour guide service companies to fill this gap. The Korean Tour Guide Association asserts that the majority, if not all, Korean Tour guides are operating without the required CPCN License. As a result, Korean visitors are vulnerable to falling prey to unsafe guided tours. Hello Vegas Tour seeks to provide a solution by providing visitors an exemplary safe and language friendly service and at the same time comply with local and state regulatory requirements..

Entertainment collaborations between South Korea and Las Vegas are on the increase. As an example, according to the Korean Herald, the popular South Korean based boy band attracted approximately over 200k attendees over a span of four concerts at the Allegiant Stadium and similar performances are scheduled for 2024.

Hello Vegas Tour Guides will work closely with the Korean Tour Guide Association, The Las Vegas Tourist Guides Guild and other associations and agencies to ensure that best practices are being met. and that Korean visitors to Las Vegas' experience is enjoyable and above all, safe.

Exhibit M

There is an urgent need for qualified Korean speaking tour guides to service the thousands of South Korean visitors that visit Las Vegas on an annual basis.

There are thousands of South Korean visitors over the age of 65 that lack digital proficiency and struggle to navigate around the surrounding scenic attraction destinations. As a result, few make it to historical sites or national parks that fall outside of the traditional "tourist corridor".

Not all young people are proficient in the English language. The language barrier can be an unsafe environment for South Korean visitors as they are sometimes preyed upon by unlicensed individuals. Hello Tour Guides will provide a professional, friendly and safe solution to this current problem.

In re:

Application of The Cherry Project dba The Book
Club-Party Bus for a Certificate of Public
Convenience and Necessity to provide charter bus
services within the state of Nevada.

Docket No.: 22-08001

**Motion to Dismiss Application and
Notice of Hearing**

David Pasternak, Deputy Commissioner (the "Deputy Commissioner") of the Nevada Transportation Authority ("NTA"), moves that the NTA Commissioners dismiss the application of The Cherry Project dba The Book Club-Party Bus for a Certificate of Public Convenience and Necessity ("Cherry Project" or the "Applicant"), Docket Number 22-08001. This Motion to Dismiss Application and Notice of Hearing (this "Motion") is made and based upon the Application, the Memorandum of Points and Authorities that follows, and any argument and/or evidence presented at the Hearing of this matter.

Memorandum of Points and Authorities

I. Jurisdiction

The NTA has jurisdiction over charter bus operators in Nevada.¹ Applicants for charter bus services, such as Cherry Project, must submit an application and specific information to the NTA prior to operating.² The Deputy Commissioner shall move for dismissal of deficient applications.³ Thus, the NTA has jurisdiction to hear and rule on this Motion.

II. Background Facts

On August 1, 2022, Cherry Project filed an application with the NTA which was ultimately accepted and noticed on August 3, 2022, and designated as Docket No, 22-08001 (the "Application"). In its Application, Cherry Project requested an initial issuance of a certificate of public convenience and necessity to provide charter bus services within the State of Nevada. Neither Protests nor Petitions for Leave to Intervene were filed relative to the Application.

¹ See NRS 706.463; NAC 706.034; *see generally* NRS Chapter 706.

² See NAC 706.1377.

³ See NAC 706.1377 (3).

1 On December 20, 2022, NTA Compliance Audit Investigator Karen Rayson completed the
2 required background check.

3 On January 12, 2023, the Application was approved granting charter bus authority to Cherry
4 Project. On January 24, 2023, the order was signed, and the compliance period was set to expire on May
5 24, 2023.

6 Two extensions for compliance period were granted, which expired on August 22, 2023, and
7 January 24, 2024.

8 The last contact with the Applicant was made on January 29, 2024. Since January 2024, no new
9 contact has been made with the Applicant and Applicant did not make any efforts to pursue the
10 Application.

11 Accordingly, Applicant had abandoned their Application.

12 **III. Argument**

13 Applicants for charter bus services must provide various specific information with their
14 application.⁴ Pursuant to its regulations, Staff normally notifies Applicant about such omissions and
15 deficiencies in writing.⁵ Thereafter, the Applicant must cure the omissions and deficiencies within 15
16 working days.⁶

17 Here, the Applicant has abandoned its Application. In particular, the Applicant failed to provide
18 the requested information to the NTA for several months, notwithstanding repeated requests for the same.

19 Accordingly, the Deputy Commissioner has satisfied the requirements for dismissal.
20

21 **IV. Conclusion**

22 The Applicant failed to prosecute the Application in good faith. The Deputy Commissioner has
23 satisfied the requirements for dismissal and, therefore, hereby moves that the NTA grant this Motion at
24 their next Agenda Meeting.
25
26

27 ⁴ See NAC 706.1377 (1) and (2).

28 ⁵ See *supra*.

⁶ See NAC 706.1377(3).

1
2
3
4 Notice of Hearing

5 PLEASE TAKE NOTICE that the above Motion is included as an action item on the NTA's

Docket No.: 22-03028

**Motion to Dismiss Application and
Notice of Hearing**

7
8 David Pasternak, Deputy Commissioner (the "Deputy Commissioner") of the Nevada
9 Transportation Authority ("NTA"), moves that the NTA Commissioners dismiss the application of
10 Legacy Transport Services Corporation ("Legacy Transport" or the "Applicant"), Docket Number 22-
11 03028. This Motion to Dismiss Application and Notice of Hearing (this "Motion") is made and based
12 upon the Application, the Memorandum of Points and Authorities that follows, and any argument and/or
13 evidence presented at the Hearing of this matter.

14 **Memorandum of Points and Authorities**

15 **I. Jurisdiction**

16 The NTA has jurisdiction over non-emergency transportation service in Nevada.¹ Applicants for
17 transportation services, such as Legacy Transport, must submit an application and specific information
18 to the NTA prior to operating.² The Deputy Commissioner shall move for dismissal of deficient
19 applications.³ Thus, the NTA has jurisdiction to hear and rule on this Motion.

20 **II. Background Facts**

21 On March 14, 2022, Legacy Transport filed an Application with the NTA, which was accepted
22 and noticed on March 21, 2022, and designated as Docket No. 22-03028 (the "Application"). The
23 Application requested an initial issuance of a certificate of public convenience and necessity to provide
24 non-emergency transportation services within the State of Nevada. Neither Protests nor Petitions for
25 Leave to Intervene were filed relative to the Application.

26
27 ¹ See NRS 706.386; and NRS 706.421 through 706.745.

28 ² See NAC 706.1376.

³ See NAC 706.1376(3).

1 On December 20, 2022, Compliance Audit Investigator Mr. Howard Woods completed the
2 required background check.

3 On February 9, 2023, the application was approved granting non-emergency transportation
4 service. On February 17, 2023, the order was signed, and the compliance period was set to expire on June
5 17, 2023.

6 One extension to compliance period was granted which was set to expire on February 17, 2024.

7 Since May 4, 2024, there has been no further contact by the Applicant. Staff attempted to contact
8 the Applicant several times. The status of the compliance items remains incomplete as of July 22, 2024.

9 Accordingly, Applicant had abandoned its application.

10 **III. Argument**

11 Applicant Legacy Transport must provide various specific information with their application.⁴
12 Pursuant to its regulations, Staff normally notifies Applicant about such omissions and deficiencies in
13 writing.⁵ Thereafter, the Applicant must cure the omissions and deficiencies within 15 working days.⁶

14 Here, the Applicant has abandoned its application. In particular, since the last interaction with the
15 agency on May 4, 2024, there has been no further contact by the Applicant.

16 Accordingly, the Deputy Commissioner has satisfied the requirements for dismissal.

17 **IV. Conclusion**

18 The Applicant failed to prosecute the Application in good faith. The Deputy Commissioner has
19 satisfied the requirements for dismissal and, therefore, hereby moves that the NTA grant this Motion at
20 their next Agenda Meeting.

21 **Notice of Hearing**

22 PLEASE TAKE NOTICE that the above Motion is included as an action item on the NTA's
23 regular agenda meeting scheduled for 11/7 2024, at 9:30 a.m. The meeting will take place at: (1)
24 The NTA's Las Vegas Office, 3300 W. Sahara Ave., Suite 400, Las Vegas, NV 89102; and (2) the NTA's
25 Reno Office, 1755 East Plumb Lane, Suite 216, Reno, NV 89502. This is an open meeting under
26 Nevada's open meeting law (NRS Chapter 241) and may be attended by the public.

27 ⁴ See NAC 706.1376 (1) and (2).

28 ⁵ See *supra*.

⁶ See NAC 706.1376(3);

1 During the meeting, the NTA may take action on the Motion in accordance with NRS 706 and
2 NAC 706. Please note that the Motion is one of several items on the agenda and that it is your
3 responsibility to be present when the Motion is called. If you are not present when the Motion is called,
4 the NTA may still take action and grant the Motion.

5 You are specifically informed that you have the rights to appear and be heard, either personally
6 or through your counsel of choice at your expense; respond and present relevant evidence and argument;
7 call and examine witnesses, introduce exhibits, and cross-examine opposing witnesses on any relevant
8 matters.

Las Vegas Skydiving Adventures, LLC
Request for Exemption under NAC 706.147
Docket 24-11019
December 12, 2024 General Session

Summary:

Las Vegas Skydiving Adventures, LLC (“SKY”) is a company that takes their clients out to a jump location in Overton, NV. They have a Department of Aviation Permit allowing them to provide these services at three (3) specific Overton locations. (The full permit is available for viewing in the digital file but is not included in the back up materials based on the 26 pages.)

The free shuttle will bring their clients to and from one of the Overton jump locations.

They will have 3 vehicles of different sizes. Only one will be in use at a time– which one will depend on the size of the group. They currently have 2 vehicles and the third is at the dealership and may be in the custody of Sky by the date of this general session or shortly thereafter.

Staff Discussion:

Other companies offer off road activities, where the place of business is considered to be the location as evidenced by a special Permit rather than the office that is identified on their actual business license. This is similar in that it provides transportation to and from the jump site.

ORDER REVOKING AUTHORITY

Under Nevada Revised Statutes ("NRS") 706.151, the Nevada Transportation Authority ("Authority" "NTA") has legal jurisdiction and authority over this matter.

The Authority makes the following findings of fact and conclusions of law:

1. That on May 22, 2008, Certificate of Public Necessity and Convenience ("CPCN") 7168 was issued to Richard Davidson dba Rick's Mr. Tow, a carrier authorized to provide on-call irregular route transportation of vehicles requiring tow car service by tow car vehicle between points and places within the State of Nevada.
2. That on February 27, 2024 Citation 21473 was issued to Richard Davidson dba Rick's Mr. Tow for Violations of NAC 706.360 and NAC 706.311 (104 counts).
3. That on February 27, 2024, Citation 21474 was issued to Richard Davidson dba Rick's Mr. Tow for Violations of NAC 706.2473 citing CFR 49 391.51 and NAC 706.2473 citing CFR 49 391.3.

told, in detail, the type of evidence he should bring to the November 14, 2024 hearing to show that his CPCN should not be suspended or revoked.

11. That at the November 14, 2024 hearing, Mr. Davidson appeared, without legal counsel and elected to proceed without legal counsel. Mr. Davidson did not present a compliance plan to show that Rick's Mr. Tow had a plan in place to get into compliance. Instead, Mr. Davidson provided invoices of tows Rick's Mr. Tow completed after the July 3, 2024 hearing on his citations, but before the November 14, 2024 Order to Show Cause hearings. NTA Compliance Officer Howard Woods was sworn and present at the November 14, 2024 hearing. Upon examining the invoices produced by Mr. Davidson as Respondent's Exhibit #1, Officer Woods testified that invoices violated regulations and codes and had Officer Woods completed an Operational Inspection and reviewed these invoices, he would have issued citations and they were improper under the law.
12. That at the November 14, 2024 hearing, Mr. Davidson did not address any of the other concerns brought about in the July 3, 2024 hearing and did not provide any evidence to show that the violations had been corrected or remedied, or that there was a plan in place to remedy all the violations and get into compliance.

ORDER

THEREFORE, based upon the foregoing Findings of Fact and pursuant to NAC sections 706.360, 706.311, 706.2473 citing CFR 49 391.51, 706.2473 citing CFR 49 396.3, 706.381, 706.194, 706.420, 706.1045, 706.1389.1 and NRS sections 706.4465 and 706.398(1)(B) it is ORDERED AND DIRECTED THAT:

1. Due to the failure of the Respondent to operate under the terms and conditions of Certificate of Public Convenience and Necessity 7168, the failure to show cause as to why the CPCN

should not be revoked, and failure to comply with the provisions of Chapters 706 of NRS and NAC, the Certificate of Public Convenience and Necessity 7168 is HEREBY REVOKED; and

At the hearing Mr. Davidson was given ample opportunity to address each and every violation and provide any mitigating evidence and any defense in support of his position. After a very lengthy hearing, Chairman Hartung found that the State proved its case through witness testimony of NTA Investigators and exhibits presented by the State. 10. That on November 14, 2024 an Order to Show Cause hearing was held, giving Richard Davidson the opportunity to present evidence as to why Rick's Mr. Tow's CPCN 7168 should not be suspended or revoked. Prior to the hearing, Mr. Davidson was advised to bring legal counsel with him to the Order to Show Cause hearing. Mr. Davidson was also

BEFORE THE NEVADA TRANSPORTATION AUTHORITY

In re:

Application of Passion Transportation LLC for a
Certificate of Public Convenience and Necessity
to provide charter bus services within the state of
Nevada.

Docket No.: 20-09009

**Motion to Dismiss Application and
Notice of Hearing**

David Pasternak, Deputy Commissioner (the “Deputy Commissioner”) of the Nevada Transportation Authority (“NTA”), moves that the NTA Commissioners dismiss the application of Passion Transportation, LLC for a Certificate of Public Convenience and Necessity (“Passion” or the “Applicant”), Docket Number 20-09009. This Motion to Dismiss Application and Notice of Hearing (this “Motion”) is made and based upon the Application, the Memorandum of Points and Authorities that follows, and any argument and/or evidence presented at the Hearing of this matter.

Memorandum of Points and Authorities

I. Jurisdiction

The NTA has jurisdiction over charter bus operators in Nevada.¹ Applicants for charter bus services, such as Passion, must submit an application and specific information to the NTA prior to operating.² The Deputy Commissioner shall move for dismissal of deficient applications.³ Thus, the NTA has jurisdiction to hear and rule on this Motion.

II. Background Facts

On September 11, 2020, Passion Transportation filed an application with the NTA which was ultimately accepted and noticed on September 14, 2020, and designated as Docket No, 20-09009 (the “Application”). In its Application, Passion requested an initial issuance of a certificate of public convenience and necessity to provide charter bus services within the State of Nevada. Neither Protests nor Petitions for Leave to Intervene were filed relative to the Application.

¹ See NRS 706.463; NRS 706.391; NAC 706.034; *see generally* NRS Chapter 706.

² See NAC 706.1377.

³ See NAC 706.1375(3).

1 On October 27, 2022, the Application was approved granting charter bus authority to Passion. On
2 November 14, 2022, the order was signed, and the compliance period was set to expire on March 14,
3 2023.

4 The last contact with the applicant was made on November 15, 2022. Since November 2022, no
5 new contact has been made with the applicant and applicant did not make any efforts to pursue the
6 application.

7 Accordingly, Applicant had abandoned their application.

8 **III. Argument**

9 Applicants for charter bus services must provide various specific information with their
10 Application.⁴ Pursuant to its regulations, Staff normally notifies Applicant about such omissions and
11 deficiencies in writing.⁵ Thereafter, the Applicant must cure the omissions and deficiencies within 15
12 working days.⁶

13 Here, the Applicant has abandoned its Application. In particular, the Applicant failed to provide
14 the requested information to the NTA for several months, notwithstanding repeated requests for the same.

15 Accordingly, the Deputy Commissioner has satisfied the requirements for dismissal.

16 **IV. Conclusion**

17 The Applicant failed to prosecute the Application in good faith. The Deputy Commissioner has
18 satisfied the requirements for dismissal and, therefore, hereby moves that the NTA grant this Motion at
19 their next Agenda Meeting.

Sahara Ave., Suite 400, Las Vegas, NV 89102; and (2) the NTA's Reno Office, 1755 East Plumb Lane, Suite 216, Reno, NV 89502. BEFORE THE NEVADA TRANSPORTATION AUTHORITY

In re:

Application of Matt's Limo Company, LLC for a
Certificate of Public Convenience and Necessity
to provide charter bus services within the state of
Nevada.

Docket No.: 21-12007

**Motion to Dismiss Application and
Notice of Hearing**

David Pasternak, Deputy Commissioner (the "Deputy Commissioner") of the Nevada Transportation Authority ("NTA"), moves that the NTA Commissioners dismiss the application of Matt's Limo Company, LLC for a Certificate of Public Convenience ("Matt's Limo" or the "Applicant"), Docket Number 21-12007. This Motion to Dismiss Application and Notice of Hearing (this "Motion") is made and based upon the Application, the Memorandum of Points and Authorities that follows, and any argument and/or evidence presented at the Hearing of this matter.

Memorandum of Points and Authorities

I. Jurisdiction

The NTA has jurisdiction over charter bus operators in Nevada.¹ Applicants for charter bus services, such as Matt's Limo, must submit an application and specific information to the NTA prior to operating.² The Deputy Commissioner shall move for dismissal of deficient applications.³ Thus, the NTA has jurisdiction to hear and rule on this Motion.

II. Background Facts

On December 7, 2021, Matt's Limo filed an application with the NTA which was ultimately accepted and noticed on December 10, 2021, and designated as Docket No, 21-12007 (the "Application"). In its Application, Matt's Limo requested an initial issuance of a certificate of public convenience and necessity to provide charter bus services within the State of Nevada. Neither Protests nor Petitions for Leave to Intervene were filed relative to the Application.

¹ See NRS 706.463; NRS 706.391; NAC 706.034; *see generally* NRS Chapter 706.

² See NAC 706.1377.

³ See NAC 706.1375(3).

1 On June 20, 2022, NTA Compliance Audit Investigator Ms. Acevedo, completed the required
2 background check.

3 On July 7, 2022, the Application was approved granting charter bus authority to Matt's Limo,
4 LLC. On July 20, 2022, the order was signed, and the compliance period was set to expire on November
5 20, 2022.

6 Since then, the Applicant filed two extensions, which were granted. The first extension expired
7 on February 20, 2023, and the second extension expired on June 9, 2023. The last contact with the
8 Applicant was made on January 9, 2024.

9 Since then, no new contact was made with the Applicant and Applicant did not make any efforts
10 to pursue the Application.

11 Accordingly, Applicant had abandoned their Application.

12 **III. Argument**

13 Applicants for charter bus services must provide various specific information with their
14 Application.⁴ Pursuant to its regulations, Staff normally notifies Applicant about such omissions and
15 deficiencies in writing.⁵ Thereafter, the Applicant must cure the omissions and deficiencies within 15
16 working days.⁶

17 Here, the Applicant has abandoned its Application. In particular, the Applicant failed to provide
18 the requested information to the NTA for several months, notwithstanding repeated requests for the same.

19 Accordingly, the Deputy Commissioner has satisfied the requirements for dismissal.

20 **IV. Conclusion**

21 The Applicant failed to prosecute the Application in good faith. The Deputy Commissioner has
22 satisfied the requirements for dismissal and, therefore, hereby moves that the NTA grant this Motion at
23 their next Agenda Meeting.
