52. **Citations 25308** for violation of NAC 706.360 and NAC 706.3612(5) issued to Reno Medical Transport, LLC, dba GMT CARE (DG) – ***FOR POSSIBLE ACTION***

Attorney Brent Carson, on behalf of Reno Medical Transport, LLC agreed to a waiver allowing Commissioner Louis V. Csoka to participate in the deliberation of this item, given that the Commissioner and Mr. Carson had previously had a conversation regarding this matter while Commissioner Csoka was a Senior Deputy Attorney General working with the NTA.

Mr. Carson argued that the Citation was not warranted given the discrepancy between the language indicating his client's scope of authority on their CPCN versus their tariff. Mr. Carson also addressed language in the proposed order which did not comport with the ruling given at the hearing on this matter. Administrative Attorney Yoneet Wilburn addressed this point, indicating that Mr. Carson was correct, and that language would be corrected on the final order. Additionally, Mr. Carson took issue with the condition in the order which required his client to submit to five unannounced operational inspections in the next two years.

Chairman Vaughn Hartung agreed with the order given by Commissioner Gibbons at the hearing. Commissioner Csoka agreed, but did express a willingness to reduce the number of operational inspections and reduce the fine by $500. Chairman Hartung agreed to change the language in the order with respect to the operational inspections from "will conduct" to "may conduct," but did not agree with a reduction of the fine amount.

Vote taken to approve, with amendments to the order indicating that the abeyance therein would be triggered in the event of further violations of NAC 706.360, specifically, and that the five unannounced operational inspections would be discretionary rather than mandated:

DISCUSSION ITEMS

97. **Docket 25-08012** Discussion regarding NTA policy on what would be considered acceptable and in compliance with NRS 706.124 definition of a taxicab within the State of Nevada, excluding Clark County. Tabled from prior general session. - ***FOR POSSIBLE ACTION***

Chairman Vaughn Hartung expressed his opinion that NRS 706.124 is clear in its requirements for seating capacity in taxicabs.

Attorney Sarah Ethington, an associate with Attorney Brian Hardy's office, represented the solution that they proffered for modifying vehicles that exceeded the seating capacity allowed by NRS 706.124 to bring them into compliance with the statute. Chairman Vaughn Hartung expressed support for the solution presented but ultimately believes that the decision on what modifications to the vehicles suffice for the purposes of the statute should be left to Staff during vehicle inspections, as long as they do comply with the statute and are safe for the passengers in the vehicles. Commissioner Adam Teti agreed and emphasized the importance of safety with respect to any modifications made to vehicles. Commissioner Louis V. Csoka agreed with the prior comments.

Chairman Hartung expressed opposition to reversing the moratorium on allowing additional vehicles to be put into service that do not comport with NRS 706.124.

Brittani Street, Operations Manager for Reno Sparks Cab and Yellow Cab, inquired about what happens with vehicles that have been approved for service that do not comport with NRS 706.124 when they get taken out of service for things like automobile accidents. Chairman Hartung expressed his opinion that once a vehicle gets taken out of service, it needs to be put back into service which requires that it comports with the statute. Administrative Attorney Yoneet Wilburn echoed Chairman Hartung's conclusion.

98. **Docket 25-08019** Discussion on updating language included on any newly issued certificate of public convenience and necessity (CPCN), designating those specific service areas where such a carrier may operate. Tabled from prior general session. ***- FOR POSSIBLE ACTION***

Applications Manager Liz Babcock provided a document with options for language to be used on future CPCN's with respect to carriers' geographical authority.

Chairman Vaughn Hartung expressed his support for the proposed revisions, with Commissioners Adam Teti and Louis V. Csoka expressing agreement.

Attorney Kimberly Maxson-Rushton expressed concern that the language in the proposed revisions is not consistent with the regulations that apply to the Authority and suggested that a workshop may be necessary to allow the Authority and the transportation industry to come to an understanding of what changes may be made considering the regulations.

Attorney James Kent agreed with Attorney Maxson-Rushton and expressed his opinion that making changes would overturn the precedent that has been set with the existing language and would potentially confuse carriers who have already come to understand the current language.

Administrative Attorney Yoneet Wilburn expressed her opinion that the proposed language does not change the regulation but instead clarifies what is meant by the regulation. However, she did state that due to the precedent that has been set by the usage of the existing language may give cause to conduct a regulatory workshop. Deputy Attorney General Radhika Kunnel agreed with Administrative Attorney Wilburn, and clarified that she does not believe a workshop is required but may be warranted.

Commissioner Louis V. Csoka clarified that any changes to the language with respect to geographical authority would not apply to existing certificates. Chairman Vaughn Hartung agreed and added that it may apply to updated certificates for existing carriers.

Commissioner Adam Teti expressed support for the idea of the revisions but also hesitation to make hasty changes which may inadvertently restrict carriers' authorities, and therefore suggested that a workshop may be in order and suggested tabling the item to a future General Session.

Deputy Attorney General Radhika Kunnel suggested putting the proposed revisions on the NTA website and allowing a certain amount of time, at least 30 days, for the public to comment on those proposed revisions.

99. **Docket 25-08022** Discussion on updating NTA Model Tow Tariffs for the most recent legislative changes (LCB File No. R040-23, R042-23, and R043-23) and procedures for filing for the tariff modifications. ***- FOR POSSIBLE ACTION***

Applications Manager Liz Babcock explained several changes that are now allowable for tow carriers' tariffs based on recent legislative changes which were to be added to the Model Tow Tariff.

Chairman Vaughn Hartung indicated that these changes would likely need to be approved on a line-by-line basis but expressed his overall concern that implementation of these changes to the Model Tow Tariff should allow for ease of auditing by Authority investigators.

Michael Baumbach, President of the Nevada State Tow Association, agreed with Chairman Hartung's concern with ease of inspection for new Model Tow Tariff items, and expressed the same desire on the side of the tow carriers in order that they may utilize these new items in the simplest manner possible.

Administrative Attorney Yoneet Wilburn suggested guiding the conversation by going through the backup document which listed Staff's questions and concerns regarding these legislative changes given the complexity and volume of information to be discussed regarding this item.

Chairman Vaughn Hartung opened up the conversation on the first of Staff's concerns relating to the meaning and application of calendar year, suggesting using the Federal standard which states the calendar year goes from January 1 to December 31.

Applications Manager Liz Babcock asked the Board to consider how the CPI index adjustment would be applied in sections that allow for that adjustment.

Michael Baumbach elaborated on outstanding questions which need to be answered regarding these legislative changes to tariff allowances and expressed his opinion that each addition needs to be voted upon individually. He gave some suggestions about how the Authority could treat these regulations within the Model Tow Tariff.

Administrative Attorney Yoneet Wilburn expressed her opinion that the topics were too numerous and convoluted to rule upon without further conversation that would be too cumbersome to occur within a single meeting.

Chairman Vaughn Hartung expressed support for adopting the Federal standard for the meaning of a calendar year, posting once a year on the NTA website the West regional calculation for the CPI index to be used for the following year, and posting once a month on the NTA website the fuel surcharge prices to be used for the following month.

Deputy Attorney General Radhika Kunnel expressed concern that the Agenda item as written does not provide full and complete notice to the public of the topics to be addressed and therefore recommended tabling the item to a future General Session.

Chairman Hartung asked that Michael Baumbach make suggestions to the Board to give some direction for the future Agenda item to be noticed properly. Mr. Baumbach recommended publishing the CPI index on the NTA website yearly rather than individually approving tow carriers' tariffs on a case-by-case basis. Similarly, he suggested publishing the fuel surcharge on the website monthly for the same purpose. Finally, he asked the Board whether tow carriers are currently allowed to charge a fuel surcharge. Administrative Attorney Yoneet Wilburn pointed to the fact these regulations were codified in December of 2024.

Applications Manager Liz Babcock clarified that tow carriers may not charge for the fuel surcharge until it is included on their tariff, and asked that if the carriers do so, that they include the method for calculating the surcharge on their billing for the purpose of NTA audits and operational inspections.

This item was tabled until the December General Session.

APPLICATIONS FOR CERTIFICATES OF PUBLIC CONVENIENCE AND NECESSITY TO PROVIDE TOW CAR SERVICE

100. **Docket 24-12017** The Application of Exotic Luxury Auto Carriers, Inc. for a certificate of public convenience and necessity to provide consent-only tow car service by tow car vehicle within the State of Nevada. Staff investigation concluded. (LC) – ***FOR POSSIBLE ACTION***

Commissioner Louis V. Csoka recused himself from the vote on this item.

Applications Manager provided the procedural and substantive history of this item as background for the upcoming conversation, noting Staff's discomfort with the application due to the refusal of the minority owner of the applicant company, Mr. Bailey, to do the fingerprinting background investigation.

Vicki Chan, the majority owner of the applicant company, expressed her understanding that Mr. Bailey did not need to complete the fingerprinting background investigation.

Chief of Compliance Audit Investigator Desiree Main explained that once it became apparent that Mr. Bailey was heavily involved in the day-to-day operations of the applicant company, it was explained to them that Mr. Bailey would need to have his fingerprinting background done.

Vicki Chan expressed that she asked Mr. Bailey to call for updates while she was working but that she did not feel this made Mr. Bailey involved in the day-to-day operations of the company.

Administrative Attorney Yoneet Wilburn explained that the NRS is very clear about who needs to provide fingerprints for background investigations.

Mr. Bailey expressed that he had called the NTA with permission from Ms. Chan due to long wait periods in the application process.

Applications Manager Liz Babcock stated that if Mr. Bailey submits his set of fingerprints, the application could move forward. Mr. Bailey inquired whether a CPCN was required to conduct insurance tows, to which Ms. Babcock expressed her understanding that it was not required. Mr. Bailey then expressed a desire to withdraw the application for a CPCN.

FINANCIAL RATES AND TARIFFS

110. Docket 25-05031 The Application of Open Top Sightseeing Las Vegas, LLC d/b/a Big Bus Tours for final approval of a tariff rate modification for services conducted under CPCN 2004, Sub 12. Staff investigation concluded. Tabled from prior general session – ***FOR POSSIBLE ACTION***

Applications Manager Liz Babcock explained the background of this item and expressed Staff's concerns with the dynamic-pricing model which was proposed for the applicant's tariff.

Attorney Kimberly Maxson-Rushton explained the dynamic-pricing model, pointing out that any changes to the rate under this model would be made apparent to potential consumers of the product. Additionally, she indicated the widespread use of this type of pricing model in the tourism industry. Lastly, she opined that the proposed tariff is in line with the statutory requirement of being just and reasonable.

Jacob Wideen, Big Bus Tours, gave examples of what the pricing may look like in the form of a calendar on the company's website. He explained that the intention of the dynamic-pricing model was not to charge customers an exorbitant fee, but instead to match supply with demand.

Applications Manager Liz Babcock expressed concern that the model allows for too much flexibility and may run counter to the purpose of a tariff, which is to give the public an indication of what to expect for charges for a service.

Chairman Vaughn Hartung shared Ms. Babcock's concern and added that he was concerned with allowing the dynamic-pricing model due to the influx of carriers who may request the same thing for their tariff.

Commissioner Louis V. Csoka expressed support for the principle of allowing for some level of flexibility in a tariff to allow companies to be competitive in the market. However, he expressed the necessity for the Authority to adhere to the statutes and regulations which they enforce, and for the tariffs to be proposed in a manner which allows for Enforcement to accurately audit companies under their jurisdiction.

Attorney Kimberly Maxson-Rushton proposed adhering to a calendar and reducing the use of subjective language in the tariff proposal in order to move forward with the dynamic-pricing model in a way that adheres to regulations and fully apprises the public of pricing.

Applications Manager Liz Babcock echoed Chairman Vaughn Hartung's concern that allowing this pricing model may encourage other carriers to pursue dynamic-pricing for their tariffs. Jacob Wideen of Big Bus Tours suggested that his company's status as the only fixed-route operator may be a factor that could be considered when allowing this tariff modification for only this applicant.

Commissioner Adam Teti expressed his support for the item, asking that the language in the tariff simply be slightly less open and permissive.

Administrative Attorney Yoneet Wilburn explained that the NRS 706.386 violation was withdrawn at the hearing and that Mr. Whittle stipulated to the NRS 706.758 violation at the hearing.

Mr. Whittle maintained that his company never provided intrastate transportation within the State of Nevada and accused another carrier of providing false information to the NTA in order to get his company vehicle impounded. Mr. Whittle also claimed that he did not agree at the hearing that he had violated NRS 706.758.

FORMAL WRITTEN COMPLAINT

125. **Docket 25-10020** Formal complaint of the decision for Complaint Investigation Number I-2509-010 for Thomas Elgas**.** – ***FOR POSSIBLE ACTION***

Administrative Attorney Yoneet Wilburn explained that the role of the Commission regarding Formal Written Complaints is to determine whether the investigation was conducted properly and not to get into the merits of the case.

Thomas Elgas explained that he was not offered the discount that he is entitled to based upon having a disability and that his handicap placard was present in the vehicle but had simply fallen off the rearview mirror prior to his tow.

Chairman Vaughn Hartung explained that the Authority does not have jurisdiction over NRS 116 which relates to homeowner's associations and suggested that Mr. Elgas's complaint may have more to do with that section. Additionally, Chairman Hartung pointed out that the investigation clearly found that Mr. Elgas' handicap placard was not displayed in the manner required by NRS 482.384(14) and NRS 484B.467(5). Given this information, Chairman Hartung agreed with the

conclusion of the complaint investigation which found that the tow was properly conducted within the meaning of NRS 706.

Mr. Elgas pointed to other perceived inconsistencies with the tow record to come to the conclusion that the tow was improper.

Commissioner Louis V. Csoka expressed disagreement with Mr. Elgas' conclusions, citing the historical precedent that tow carriers have been operating on with respect to the disability discount and its discretionary nature, and the fact of the complainant's admission that the handicap placard was not being displayed at the time of the tow. For these reasons, Commissioner Csoka did not support the Formal Written Complaint.

Administrative Attorney Yoneet Wilburn clarified that if the Commission was unconvinced by the complainant's arguments, the proper course of action for the Board to take would be to dismiss the complaint.

Under Nevada Revised Statutes ("NRS") 706.151, the Nevada Transportation Authority ("Authority") has legal jurisdiction and authority over the above matter.

FINDINGS OF FACT

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains the legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Facts.

1. NTA Enforcement Investigator Michael Zaprzalka offered the following testimony. Investigator Zaprzalka was working in his capacity as an Enforcement Investigator with the NTA on September 29, 2025, when he came into contact with the Respondent. Investigator Zaprzalka testified that he had received a tip in which he was told that the Respondent would be conducting passenger transportation from the Reno-Tahoe Airport to the Residence Inn hotel on Legends Bay Drive in Sparks, Nevada. Investigator Zaprzalka indicated that both ends of this trip are within the State of Nevada. Investigator

Zaprzalka testified that upon receiving the tip, himself and NTA Enforcement Investigator Richard Cabrera set up for surveillance of the Residence Inn hotel in Sparks while NTA Supervisory Enforcement Investigator Craig Arnett and NTA Enforcement Investigator Mathew Heazlett set up for surveillance at the Reno-Tahoe Airport so they would be able to confirm pick-up and drop-off of the passenger by the Respondent. Investigator Zaprzalka testified that the two teams of Enforcement Investigators maintained contact during the entirety of the surveillance operation via radio and telephone, which is how he learned from the team at Reno-Tahoe Airport that visual contact had been made with the Respondent. Investigator Zaprzalka testified that he then learned from the Airport surveillance team that they had watched the Respondent pick up a passenger and depart from the airport. Investigator Zaprzalka relayed his understanding of what the Respondent was doing at the airport and subsequently to leaving the airport, which was picking up a passenger from the airport and heading to the Residence Inn in Sparks to drop off that passenger—which then occurred as he anticipated. Investigator Zaprzalka testified that he and Investigator Cabrera then made contact with the Respondent, explaining to the Respondent who they were, what they were doing there, and presenting identification. Investigator Zaprzalka explained that he and Investigator Cabrera knew the Respondent from previous occasions that the Respondent had provided illegal transportation and that the Respondent knew who they were as well. Investigators Zaprzalka and Cabrera then explained to the Respondent that they needed to exit the vehicle and provide the investigators with the keys to the vehicle because they had observed the Respondent pick up a passenger within the State of Nevada at the airport and drop off that passenger at the Residence Inn within the State of Nevada. Investigator Zaprzalka testified that the

Respondent was cited at the scene but that the Respondent explained that he was not doing anything wrong and left the scene before signing the Citation. Investigator Zaprzalka testified that the NTA reached out to the Respondent and Respondent's attorney to inform them of the hearing date which was originally scheduled for October 15, 2025. Investigator Zaprzalka explained that the Respondent did not appear for the October 15, 2025, hearing and the matter was rescheduled to October 29, 2025. Investigator Zaprzalka explained that the Respondent did arrive at the Reno office of the NTA at approximately 9:00 a.m. on October 29, 2025, and was given a copy of the Investigation Report. Investigator Zaprzalka testified that when the preceding hearing was concluded, he went to speak to the Respondent who stated that he wanted to plead not guilty and that he wanted to leave. Investigator Zaprzalka testified that on September 29, 2025, the Respondent's vehicle was also impounded, but that the hearing did not proceed because the Respondent did not appear. Investigator Zaprzalka testified that between the time of the impound and the time of the impound hearing, he had texted the Respondent to inform them of the hearing to the phone number with which they had had previous communications with and emailed the Respondent with the date and time of that hearing. Additionally, Investigator Zaprzalka testified that the Respondent did reply to the email with a threat of a lawsuit, but that the reply did not address the hearing.

2. Deputy Attorney General Ryan Sunga ("DAG") asked some follow up questions. Investigator Zaprzalka testified that he was familiar with the Respondent due to prior impoundments of the Respondent's vehicles which had taken place under similar circumstances of picking up a passenger at the airport and dropping them off within the State of Nevada, or vice-versa. Investigator Zaprzalka estimated that he was aware of four

to six previous encounters that the NTA has had with the Respondent, with two of those being encounters that he was personally involved in the impoundment of the Respondent's vehicle. Investigator Zaprzalka testified that each of these previous impounds were in response to point to point transportation within the State of Nevada. Investigator Zaprzalka testified that the transportation in question on September 29, 2025, was in commerce, which he understood due to the Respondent's history with the NTA, the business which the Respondent owns where he provides transportation for monetary gain, and due to Investigator Zaprzalka's training and experience which has shown him that people do not typically give rides from the airport to a hotel for free.

3. Supervisory Enforcement Investigator Arnett testified that on September 29, 2025, he was working and came into contact with the Respondent. Investigator Arnett explained that he and Investigator Heazlett went to the Reno-Tahoe Airport, with Investigator Heazlett heading inside and himself remaining outside in the parking lot to conduct surveillance. Investigator Arnett testified that he saw the Respondent arrive at the airport and informed Investigator Heazlett of this fact. Investigator Heazlett then informed Investigator Arnett that he made visual contact inside the airport with the Respondent who was waiting inside with a sign for the customer. Investigator Arnett testified that the Respondent then went outside to get his vehicle to pick up the customer, at which point Investigator Heazlett came to pick up Investigator Arnett so they could attempt to follow the Respondent. Investigator Arnett testified that they lost visual contact with the Respondent once they reached the freeway due to the rain and the Respondent's quick driving, and that by the time they caught up with the Respondent, the Respondent was already at the hotel dropping the customer off and the other team of Investigators were making contact.

Investigator Arnett testified that he observed at the Residence Inn that the Respondent's vehicle was stopped and the Respondent was speaking to Investigators Zaprzalka and Cabrera, at which time he noted that the Respondent was uncooperative. Investigator Arnett testified that when he spoke with the Respondent, they were uncooperative with him as well, repeating that he was not breaking any law and that the Investigators did not have jurisdiction over him. Investigator Arnett explained that the Respondent made a phone call and was yelling at the person on the other end of the call and then stormed off. Investigator Arnett attempted to stop the Respondent from leaving but did not want to escalate the situation.

4. DAG Ryan Sunga asked some follow up questions of Investigator Arnett. Investigator Arnett testified that based on his training and experience this was a ride for a fee, noting that the Respondent owns a business and the NTA was given a tip that that business would be providing intrastate transportation. Investigator Arnett noted that this is what happened, in fact, additionally noting that he had checked that the client was indeed from out of town. Investigator Arnett testified that the Respondent had provided a service which his company provides and advertises, and that the client went inside the hotel upon being dropped off and did not return, as is typical with this sort of service. Additionally, Investigator Arnett testified that the Respondent never made the challenge that the ride he gave was provided for free, instead arguing about the NTA's jurisdiction over his business. Investigator Arnett testified that he had seen but had not spoken to the Respondent on the October 29, 2025, hearing date but that he was intending to speak with him until it became apparent that the Respondent left the NTA office at approximately 10:20 a.m.

5. Legal Secretary Lisa Stewart testified that she and Legal Research Assistant Jace King are conferred with the task of sending notices to Respondents regarding hearings. Legal Secretary Stewart testified that she was not aware of whether the Respondent had been noticed of the first setting of hearing but that Legal Research Assistant King had sent a notice of rescheduled hearing on October 15, 2025, indicating the time and place for the October 29, 2025, hearing. Legal Secretary Stewart provided a copy of the Notice of Rescheduled Hearing and the Service List indicating that the notice was sent on October 15, 2025.
6. Administrative Attorney Yoneet Wilburn supplemented the record by explaining that the Respondent was supposed to be at the NTA office in Reno on September 30, 2025, for his impound hearing but that he did not appear. Due to the fact that the Respondent did not sign the Citation, Administrative Attorney Wilburn contacted the Respondent's attorney, John Fahrendorf, prior to that September 30, 2025, hearing.

CONCLUSIONS OF LAW

Based on the testimony provided, which the Hearing Officer finds entirely credible, the Authority concludes that proper notice was provided to the Respondent in accordance with NRS Chapters 233B and 706 and that there were violations of NRS 706.386, related to operating as a fully regulated carrier without authority, NRS 706.758, related to unlawful advertising without a CPCN, and that the impoundment of the vehicle pursuant to NRS 706.476 was proper.

In Re: Citations 25623 for violation of NRS 706.386 and Impound I-5510 issued to Lazaro Vladimir Ramirez	)))	Citation 25623 Impound I-5510

At a general session of the Nevada Transportation Authority held on December 11, 2025.

PRESENT: Chairman Vaughn Hartung
Commissioner Adam Teti
Commissioner Louis V. Csoka
Deputy Commissioner Todd Park

ORDER

On October 13, 2025 and October 14, 2025, a hearing on the above-captioned matters were held before Commissioner Louis V. Csoka, serving in his capacity as Hearing Officer for the Nevada Transportation Authority ("Authority", "NTA"). The cited party, Lazaro Vladimir Ramirez, ("Respondent"), appeared for the hearing with the assistance of a Spanish language interpreter, and chose to proceed without legal counsel.

After hearing the allegations, the testimony of both parties, the respective arguments, and having considered the evidence introduced by the parties present at the hearing and being fully advised, the Hearing Officer, pursuant to Nevada Administrative Code ("NAC") 706.4015, prepared a proposed decision for review by the Authority.

Based upon the proposed decision, the Authority makes the following Findings of Fact and Conclusions of Law, which constitute a final order affirming the decision of the Hearing Officer. Any Finding of Fact that would be deemed a Conclusion of Law or vice versa shall be so construed. Under Nevada Revised Statutes ("NRS") 706.151, the Authority has legal jurisdiction and authority over this matter.

FINDINGS OF FACT

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains the legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Facts:

1. NTA Supervisory Enforcement Investigator Christopher Yambor offered the following testimony. Supervisor Yambor and his team, Investigators Justin Hooser and Investigator Brad King received complaints from Paris Hotel personnel regarding illegal transportation activity. Supervisor Yambor, Investigator Hooser and Investigator King decided to spend part of their shift monitoring the Paris TNC area for illegal transportation activity. While staging at the Paris TNC area, Supervisor Yambor and his team observed a silver Chevrolet Suburban pull in at around 2145 hrs. Supervisor Yambor testified the Suburban had an Uber sticker in the window. Supervisor Yambor noticed both the driver and passenger windows were down. Supervisor Yambor observed the driver of the silver Chevrolet Suburban drive up to a group of females and ask if they needed a ride. The group of females told the driver of the Suburban they did not need a ride. The driver of the Suburban then drove up to where Supervisor Yambor, Investigator Hooser and Investigator King were standing and asked if they needed a ride. They stated yes, they needed a ride to Resorts World. Supervisor Yambor testified the driver then looked at him and his team closely and stated, “No, no, no” and quickly drove off.
2. At this point Supervisor Yambor testified he and his team walked quickly to try and ascertain where the Suburban went, as it drove off quickly. They quickly got into their state issued vehicle and tried to locate the silver Suburban on the Paris property and could not.

Supervisor Yambor and his team decided to go to the Horseshoe Hotel property and look for the silver Suburban since the two properties are close together and connected by a roadway.

3. Upon getting to the Horseshoe Hotel property TNC area, Supervisor Yambor and his team noticed the driver of the silver Suburban standing by his vehicle in the TNC area. The driver, later identified as the Respondent, entered his vehicle to begin to driveway and Supervisor Yambor and his team conducted and enforcement stop on the vehicle. They informed the driver his vehicle was being impounded pursuant to NRS 706.476 and they issued the Respondent a citation for a violation of NRS 706.386.
4. Deputy Attorney General Radhika Kunnel ("DAG") asked Supervisor Yambor if there was an investigative report written in connection with this case. Supervisor Yambor stated there was. Ms. Kunnel asked to have the Investigative Report admitted as State's Exhibit #1. The Respondent stated he did not have any questions for Supervisor Yambor.
5. Ms. Kunnel then asked Investigator Hooser if he was able to obtain video from the date of the incident. He stated he was able to, and the Respondent was able to view the videos. There were two videos on one flash drive. Ms. Kunnel asked to mark the Flash Drive as State's Exhibit 2, with the video from the Paris parking lot marked as #2A and the video from the Horseshoe Hotel marked as #2B.
6. Ms. Kunnel went through both videos with Investigator Hooser. Investigator Hooser testified the first video from the Paris Hotel parking garage (State's Exhibit 2A) showed the silver Suburban in the TNC area and the driver trying to talk to different groups of people then showed the Suburban driving off quickly. While the Suburban is driving off

quickly, you can see Supervisor Yambor, Investigator Hooser and Investigator King walking in a group quickly trying to follow the silver Suburban.

7. Ms. Kunnel questioned Investigator Hooser about the second video from the Horseshoe Hotel (State's Exhibit 2B). Investigator Hooser stated the second video showed the same silver Suburban from the Paris Hotel TNC area parked in the Horseshoe TNC area with the driver standing outside his parked vehicle. Investigator Hooser stated you could see the driver approaching a group and talking to the group. You could then see the driver talking with another driver in the TNC area.
8. Ms. Kunnel asked the flash drive to be admitted as State's Exhibit 2, with the video from the Paris marked as 2A and the video from the Horseshoe marked as 2B.
9. The Respondent wrote up a full statement that he read into the record as his testimony. The Respondent's statement was marked and admitted as Respondent's Exhibit #1. In summary, the Respondent testified the testimony of Supervisor was not correct and his version differed. The Respondent stated he was not there to conduct illegal transportation. He stated both of his windows were down as he approached the Paris TNC area because you need to roll your windows down to get a ticket for the parking garage. He stated at no time was he offering rides for payment. The Respondent stated he was talking to different groups from his car, because that's what people do. He stated he was at the Paris to pickup his wife. The Respondent testified he was angry because his wife was not answering her phone and he could not find her and that is why he drove away angrily. The Respondent stated he went to Horseshoe to try and look for his wife since the two properties were so close.

CONCLUSIONS OF LAW

Based on the testimony of Supervisor Yambor and Investigator Hooser, the testimony of the Respondent and the admitted exhibits, the Hearing Officer found the testimony of Supervisor Yambor and Investigator Hooser to be credible. The Hearing Officer found the violations occurred and the impound was proper.

DISCUSSION

That the Deputy Attorney General ("DAG") recommends a fine of $7,000 with $6,000 held in abeyance for a period of two (2) years provided there are no further violations of NRS or NAC 706 in that period and there is timely payment of the fine for violation of NRS 706.386 in Citation 25623, an impound fine of $1,000 for impound I-5510 pursuant to NRS 706.476.

The Hearing Officer, having fully considered the above-mentioned Findings of Fact and Conclusions of Law recommend to the Authority:

1. That a finding of one violation of NRS 706.386 on Citation 25623 be entered.
2. That a finding that impound I-5510 was proper pursuant to NRS 706.476.
3. That a fine of $7,000 with $6,000 held in abeyance for a period of two (2) years provided there are no new violations of NRS or NAC 706 in that period and there is timely payment of the fine for the violation of NRS 706.386 in Citation 25623.
4. That a fine of $1,000 be imposed for impound I-5510 pursuant to NRS 706.476.

ORDER

IT IS THEREFORE ORDERED, based on the foregoing Findings of Fact and Conclusions of Law:

1. That the recommendation of the Hearing Officer with regard to the violation of NRS 706.386, on Citation 25623, be AFFIRMED;

2. That the recommendation of the Hearing Officer that Impound I-5510 was proper pursuant to NRS 706.476 be AFFIRMED;
3. That a total fine in the amount of Seven Thousand Dollars and Zero Cents ($7,000) with Six Thousand Dollars and Zero Cents ($6,000) held in abeyance for a period of two (2) years, provided no further violations of NRS or NAC 706 occur in this period and there is timely payment of the fine be assessed for the violation of NRS 706.386 on Citation 25623.
4. That a total fine of One Thousand Dollars and Zero Cents ($1,000) be assessed for impound I-5510 pursuant to NRS 706.476.
5. That the Authority retains jurisdiction for correcting any errors that have occurred in the drafting or issuance of this Order.

Staff's position
Docket 25-08022 Tow Regulation Changes

Update 1: NAC 706.408, 2.a / Mileage charge for private property impounds greater than 10 miles (Category C)

Staff agrees with the assessment made by the Nevada State Tow Association ("NSTA"), including the cap at $10.00 per mile, with any increase over that to be submitted with analysis as to the need for the increase. (Any new rates added based on regulation changes addressed in this Docket, 25-08022, will not be included in any "over all" rate increases, e.g. CPI Index.)

The model tow tariff – Flat Rate- will have fillable lines for the Category C mileage and an additional page will be added for -Hourly Rate- Category C mileage.

UPDATE 1

NAC CHANGE SUMMARY – CLARIFICATIONS

NAC Update 1 | R042-23 | 706.408 §2.a | *Mileage Charge for PPI's > 10 miles (Category C)*

An additional rate for mileage may be charged for a tow of more than 10 miles.

NSTA recommends:

- **Create a simple day and night rate of $10/mile for LD Category C as an Additional Mileage rate applicable to hourly tariffs only. Any rate deviation above this needs to be submitted with analysis.**
- **An additional tariff page outside of the "model tow tariff" is required to be submitted and approved by NTA. See exhibit.**

Background:

The "Flat" Tariff already has a mileage charge for Category C impounds over 10 miles. The "one-hour minimum" and "two-hour minimum" tariffs need a mileage charge for impounds over 10 miles.

In reviewing the companies with a "flat" tariff, the highest mileage rate for LD Category C impounds is $11.56/mile during days and $9.58/mile during nights.

Update 2: NAC 706.408, 2.b / Charge for recovery and damage

An operator may impose a charge to reflect the cost of recovering the vehicle and any damage caused to the property of the operator for Category C tows.

Staff agrees with the assessment made by the NSTA. Charges for damage caused to Operator's Property is to be showed separately on the tow bill. The carrier is to maintain documentation in support of those charges.

UPDATE 2

NAC Update 2 | R042-23 | 706.408 §2.b | *Charge for recovery and damage*

An operator may impose a charge to reflect the cost of recovering the vehicle and any damage caused to the property of the operator for Category C tows.

NSTA recommends:

- **No additional tariff page required.**
- **The cost of recovery and damage caused to operator's property will work as described below:**

Cost of Recovery

The charges to be used for the recovery of a vehicle during a Category C tow will be the same charges as those already defined and approved in the Category A and Category B recovery rates.

When a single truck can perform a recovery and the subsequent tow, the only additional charges to be added to the invoice will be the "RECOVERY" and "SPECIALIZED EQUIPMENT" rates.

When multiple trucks are required to recover and tow and vehicle (such as a wrecker used to recover and a flatbed used to tow), the truck performing the tow will charge the standard "HOOKUP FLAT for CATEGORY C" impound rate and the wrecker used to recover charges the appropriate "RECOVERY" rate and/or the "SPECIALIZED EQUIPMENT" rate.

Damage Caused to Operator's Property

Any charges added to a tow bill will be listed separately with documentation – including pictures – supporting the cost of the damage and associated repairs. LOSS OF USE for the tow operator's vehicle repairs is not covered, as that is hard to prove and we are aiming for direct costs incurred.

Update 3: NAC 706.408, 7 / Tow Bill Discounts

2025-11 NAC Update Guidance - NSTA 11/15/2025

NAC Update 3 | R042-23 | 706.408 §7 | *Tow Bill Discounts*

An operator of a tow car may discount the rates of a single towed vehicle if, in the opinion of the operator, good cause exists therefor.

NSTA recommends:

- **The tow operator will note the use of a discount and the good cause on the invoice.**
- **No additional tariff page required.**

UPDATE 3

Staff's position
Docket 25-08022 Tow Regulation Changes

NAC Update 4 NAC 706.408, 2.c. / Fuel Surcharge

A fuel surcharge may be imposed pursuant to subsection 8:

- According to the United States Department of Energy, Energy Information Administration survey on Weekly Retail Gasoline and Diesel Prices, Regular Grade – West Coast (PADD 5).
- Fuel surcharge is equal to 3% of the base tow rate for each 25-cent increment by which the retail price per gallon of regular fuel exceeds $3.24.
- Any fuel surcharge may only be added to the base tow rate, only when the tow car is functioning as a tow car, including while traveling to and from the site of the vehicle to be towed, and during the operation of equipment for the tow of the vehicle.

Staff agrees with the NSTA, first point, regarding a once-a-month letter on the NTA website to inform all carriers of the fuel surcharge for the next month. This is currently done in this manner for the limousine carrier's fuel surcharge. However, it should be noted that NAC 706.3555, 4.a. states

> " 4. For the purposes of the table set forth in subsection 2, the fuel price must be determined in the following manner:
>
> (a) Except as otherwise provided in paragraph (c), for a limousine which does not use diesel fuel, the fuel price is an amount equal to the retail price per gallon of regular fuel effective for the 25th calendar day of the immediately preceding month according to the United States Department of Energy, Energy Information Administration survey on Weekly Retail Gasoline and Diesel Prices, Regular Grade - West Coast (PADD 5)."

Whereas NAC 706.408, 2.c is based on **"Weekly** Retail Gasoline and Diesel Prices, Regular Grade – West Coast (PADD 5)." Therefore, if going to a monthly administrative announcement it may **require a policy** to be put in place if it is to be applicable to **all** non-consent tow carrier to file monthly rather than weekly.

Staff agrees with the NSTA, second point, regarding the separate fuel surcharge page. However, Staff would also request that the calculation of fuel surcharge also be provided. This would allow the NTA auditor/compliance officers to determine that the amount added to the bill for the fuel surcharge was correct based on the amount in affect and the components included in the charge.

Staff's position
Docket 25-08022 Tow Regulation Changes

Staff is open to discussion on the definition of "base tow rate". Pages 6 through 16, highlighted rows are the NSTA's proposed eligible base rates to be used to calculate the fuel surcharge.

UPDATE 4 pg 2

NAC Update 4 | R042-23 | 706.408 §2.c. | 706.408 §8 | *Fuel Surcharge*

A fuel surcharge may be imposed pursuant to subsection 8:

- According to the United States Department of Energy, Energy Information Administration survey on Weekly Retail Gasoline and Diesel Prices, Regular Grade – West Coast (PADD 5).
- Fuel surcharge is equal to 3% of the base tow rate for each 25-cent increment by which the retail price per gallon of regular fuel exceeds $3.24.
- Any fuel surcharge may only be added to the base tow rate, only when the tow car is functioning as a tow car, including while traveling to and from the site of the vehicle to be towed, and during the operation of equipment for the tow of the vehicle.

NSTA recommends:

- **NTA adopts the same process currently in use for the certificated limousine carriers with accepted fuel surcharge tariffs. NTA releases a monthly letter that informs all tow operators with accepted fuel surcharge tariffs what the fuel surcharge rate will be until the next monthly published letter. NTA will follow the prices as defined in the West Coast Data, but in doing so will be able to provide clarity to tow operators if there is a delay in data publication due to unforeseen circumstances (i.e. a future government shutdown) as the fuel surcharge rate will still be the same as assigned from the previous NTA monthly letter, and will also provide clarify by stating the date and time at which the new fuel surcharge becomes effective and remains effective.**
- **An additional tariff page is required: Tow Carrier Fuel Surcharge Table and Rules**
- **The fuel surcharge applies to the base rate of any tows. This surcharge applies to all of the base tow operations and when the tow truck is being used to tow, load and unload a vehicle and applies to the following rates:**
  - **for Hourly Tariffs**
    - Four-Wheel Drive Vehicle
    - Hookup Hourly for Category A/B
    - Hookup Flat for Category C
    - Low Equipment Trailer
    - Off Hook
    - Off Road Travel
    - Recovery – All Types

$3.25	$3.49	3%
$3.50	$3.74	6%
$3.75	$3.99	9%
$4.00	$4.24	12%
$4.25	$4.49	15%
$4.50	$4.74	18%
$4.75	$4.99	21%
Continuing in $0.25 increments		3.0% / interval

Background:

Defining a monthly update makes enforcement clearer and is less of an administrative burden than waiting for a tow operator to search for data on the retail price of gasoline and then pick a date to apply it. Furthermore, aligning the monthly update with the Limousines' standardizes the process and provides more structure within the fuel surcharge realm, making enforcement more straight forward and predictable.

The rationale for an additional fuel surcharge page to be required in the tariff is to ensure that carriers understand the mechanics of the fuel surcharge and what specific tariff line items the fuel surcharge may be applied to.

The prices are published around 5:00 p.m. Monday eastern time, except on government holidays, when the data are released on Tuesday (but still represent Monday's price).

FUEL SURCHARGE AND RULES

The following Tow Operator Fuel Surcharge Rules will apply to tow car operators authorized to provide tow car services and who are authorized to charge and collect a fuel surcharge in accordance with NAC 706.408§2.c from R042-23:

1. This fuel surcharge applies to Non-Consent Tows Only.
2. The fuel surcharge is determined according to the United States Department of Energy, Energy Information Administration survey on Weekly Retail Gasoline and Diesel Prices, Regular Grade – West Coast (PADD 5) and will be updated *monthly* for use by tow car operators. The current fuel surcharge will be based on data available for the 25th calendar day of the immediately preceding month and will go into effect on the 1st day of the month. Prices may be obtained by calling the DOE, EIA at (202) 586-8800 or via the DOE, EIA website at www.eia.doe.gov:
    a. Monthly Data: https://www.eia.gov/dnav/pet/pet_pri_gnd_dcus_r50_m.htm
3. The current fuel surcharge will be published by the NTA on the official website.
4. The fuel surcharge may only be added to the base tow rate, only when the tow car is functioning as a tow car, including while traveling to and from the site of the vehicle to be towed, and during the operation of equipment for the tow of the vehicle.
5. The fuel surcharge is equal to 3% of the base tow rate for each 25-cent increment by which the retail price of regular fuel exceeds $3.24, and is summarized by the following matrix:

Base $/gal	Ceiling $/gal	Fuel Surcharge Cumulative %
$3.25	$3.49	3%
$3.50	$3.74	6%
$3.75	$3.99	9%
$4.00	$4.24	12%
$4.25	$4.49	15%
$4.50	$4.74	18%
$4.75	$4.99	21%
Continuing in $0.25 intervals.		3.0% per interval

NOTE 1: The fuel surcharge that is applicable for a given month must be passed along to all non-consent customers.

NOTE 2: The fuel surcharge must be shown separately on the tow bill, for both the percent of the surcharge and the total fuel surcharge amount.

NOTE 3: The base rate the fuel surcharge applies to is listed on the monthly NTA fuel surcharge rate change letter.

Staff's position
Docket 25-08022 Tow Regulation Changes

NAC Update 5: NAC 706.408, 10 / Annual CPI Increase

The operator of a tow car may increase, on an annual basis, the tariff rate by a percentage equal to the percentage increase in the Consumer Price Index (all items) published by the United States Department of Labor for the immediately preceding calendar year.

Staff opines on the following items as suggested by the NSTA:

Staff agrees that the CPI increase should be posted by the NTA when available.

To increase by the CPI, the carrier would need to file for a tariff modification following the tariff modification guidelines.

No additional tariff page is required, however the date the CPI is applied, and the amount of the CPI will be noted in the bottom margin of the model tow tariff for tracking (see attachment).

The CPI would be an increase to all rates EXCLUDING the fuel surcharge, and the 3% cash discount, if carrier is offering a cash discount. Additionally, the CPI would not be applied to any new rate or increased rate that was approved during the immediate 12 months of applying for the CPI increase.

The CPI increase would be based on the prior calendar year – December CPI for 2025 to apply to calendar year 2026 rates. Staff does not support cumulative application but does note that the CPI was approved as of July 2025. Therefore, one could argue the use the June 30, 2025, CPI as being the first year of CPI increase. This would result in the next annual CPI increase due in July 2026 based on the June 30, 2026, CPI.

Staff opines that the Authority determine if the CPI is issued annually: **1.** Based on calendar year January through December with all carriers using the same CPI, and eligible to file at the same time – or **2.** Based on the preceding 12 months as a year. Staff is unclear as to the suggestion regarding use of the October value in their example.

NAC Update 5 | R042-23 | 706.408 §10 | *Annual CPI Increase*

The operator of a tow car may increase, on an annual basis, the tariff rate by a percentage equal to the percentage increase in the consumer price index (all items) published by the United States Department of Labor for the immediately preceding calendar year.

NSTA recommends:

- **NTA issues the amount of the annual CPI increase to all tow operators once per year via a letter published on the NTA website. NTA assigns ~~the fuel surcharge~~ based on the CPI from the West Cost of the most recently released CPI data.**
- **No additional tariff page required.**
- **If a tow carrier decides to use a CPI increase, the rate of the increase must be listed as a separate charge. This increase applies only to the base rate and cannot be applied to the additional amount charged for the fuel surcharge.**

Background:

Website to be used for Annual CPI Increase:

https://www.bls.gov/charts/consumer-price-index/consumer-price-index-by-region.htm

Pressing "Show Table" below the graph yields values published per month.

The value to be used for the annual tariff increase will be the October value under the West column on the table, and that rate will apply for the next fiscal year, January 1 thru December 31. This avoids distinguishing and sorting through the multitude of different possible rates that may be picked from, and also provides guidance as to when the CPI update is applied.

For carriers that have not had tariff revisions for over a year, the amount of the CPI increase will be cumulative. For instance, a tariff approved in 2023 will have a 2024 and a 2025 CPI adjustment (all from the October data):

2024: 3.3%

2025: 3.3% (estimated)

Total: 6.6%

Re: Annual CPI Adjustment

Annual Consumer Price Index (CPI) adjustment that applies to all rates (excluding the fuel surcharge, if applicable) starting **immediately** (the date of this letter):

Year	CPI Rate
2024	3.3%
2025	3.3%

Instructions:

A once per year CPI adjustment is applicable to every line item on a tow operator's tariff, excluding the fuel surcharge. If the last year a tariff was approved was 2023, then that carrier is authorized to charge a CPI surcharge for both years 2024 and 2025. That surcharge is equal to the cumulative total of the previous years, so 6.6% (3.3% + 3.3%). Annual CPI increases will not be cumulative for more than two years. A new tariff submission will be required.

Reliance Care Enterprise, LLC d/b/a RCE Transport
Application to Sale & Transfer and Expansion of Authority - NEMT
Docket 25-04005 & 25-04006
December 11, 2025 General Session

Application Summary:
Docket #25-04005 – On April 4, 2025, Reliance Care Enterprise, LLC d/b/a RDC Transport ("Applicant" for "RCE") filed an application requesting the authority to expand its vehicle fleet size from one (1) to two (2) vehicles and to add Nye and Lincoln, Counties for operations. They simultaneously filed for interim authority.

On November 22, 2025, the Applicant amended the application to voluntarily remove Lincoln County from the expansion request.

Docket #25-04006 – On April 4, 2025, RCE filed an additional application requesting Authority approval for Carlos Concepcion to sell and transfer his 33% holdings to the remaining two owners. Currently, RCE is owned by Carlos Concepcion 33.33%, Rolando Galac 33.33%, and Erwin Ferrer 33%. Following the sale and transfer Erwin Ferrer will hold 51% and Rolando Galac 49%.

The applications were noticed on April 18, 2025 and there were no protests or petitions for leave to intervene ("PLTI") filed.

RCE provides non-emergency medical transportation and began operations under CPCN 1155 on February 28, 2024. **(Attachment A)**

Staff Analysis:
Staff supports both applications (Docket #25-04005 & Docket #25-04006) and therefore requests the application hearing be dispensed per NRS 706.391(9) and NRS 706.6411(3). The following procedures were performed by Staff with acceptable results and is their basis to support for the applications:

1) No protests or PLTIs were filed.

2) Background investigation was performed with no areas of concern. **(Attachment B)**

3) Market:

   Docket #25-04005 – Applications Manager, Liz Babcock, was able to contact Sunset Haven Hospice Care and justify the request for the additional vehicle which has a need for 30 to 40 rides per month on average. Financial Analyst, Garrett Hammack, was then able to reach All Pro Hospice LLC who require rides to and from Pahrump about 2 times per month which provides justification for Nye County.

   Docket #25-04006 – Market is assumed to be present for all Sale and Transfer applications filed.

4) Pro Forma Balance Sheet – Lists 2 vehicles, and after adjustment for short term liabilities, has 76% equity, and a 2.28 to 1 current ratio. A cash infusion of $1,761 is necessary to cover 60 days' worth of fixed expenses. **(Attachment C - Confidential)**

5) Pro Forma Income Statement – Initial review of the projected annual revenue for 2-vehicles of $211,680 compared to 2024 actual revenues for 1-vehicle of $18,751.05 did not seem realistic. However, the Applicant explained that late in 2024 the ability to transport gurneys was acquired which positively impacted revenues. The January-September 2025 1-vehicle revenues of $89,075 validated the applicants statements and justified projected revenues for 2-vehicles. **(Exhibit D Confidential)**

6) Tariff – the rates for Nye and Clark County regions are within the range of rates currently charged by the industry for similar services. **(Attachment E)**

Item Number # 89

Reliance Care Enterprise, LLC d/b/a RCE Transport
Application to Sale & Transfer and Expansion of Authority - NEMT
Docket 25-04005 & 25-04006
December 11, 2025 General Session

Application Summary:
Docket #25-04005 – On April 4, 2025, Reliance Care Enterprise, LLC d/b/a RDC Transport ("Applicant" for "RCE") filed an application requesting the authority to expand its vehicle fleet size from one (1) to two (2) vehicles and to add Nye and Lincoln, Counties for operations. They simultaneously filed for interim authority.

On November 22, 2025, the Applicant amended the application to voluntarily remove Lincoln County from the expansion request.

Docket #25-04006 – On April 4, 2025, RCE filed an additional application requesting Authority approval for Carlos Concepcion to sell and transfer his 33% holdings to the remaining two owners. Currently, RCE is owned by Carlos Concepcion 33.33%, Rolando Galac 33.33%, and Erwin Ferrer 33%. Following the sale and transfer Erwin Ferrer will hold 51% and Rolando Galac 49%.

The applications were noticed on April 18, 2025 and there were no protests or petitions for leave to intervene ("PLTI") filed.

RCE provides non-emergency medical transportation and began operations under CPCN 1155 on February 28, 2024. **(Attachment A)**

Staff Analysis:
Staff supports both applications (Docket #25-04005 & Docket #25-04006) and therefore requests the application hearing be dispensed per NRS 706.391(9) and NRS 706.6411(3). The following procedures were performed by Staff with acceptable results and is their basis to support for the applications:

1) No protests or PLTIs were filed.

2) Background investigation was performed with no areas of concern. **(Attachment B)**

3) Market:

   Docket #25-04005 – Applications Manager, Liz Babcock, was able to contact Sunset Haven Hospice Care and justify the request for the additional vehicle which has a need for 30 to 40 rides per month on average. Financial Analyst, Garrett Hammack, was then able to reach All Pro Hospice LLC who require rides to and from Pahrump about 2 times per month which provides justification for Nye County.

   Docket #25-04006 – Market is assumed to be present for all Sale and Transfer applications filed.

4) Pro Forma Balance Sheet – Lists 2 vehicles, and after adjustment for short term liabilities, has 76% equity, and a 2.28 to 1 current ratio. A cash infusion of $1,761 is necessary to cover 60 days' worth of fixed expenses. **(Attachment C - Confidential)**

5) Pro Forma Income Statement – Initial review of the projected annual revenue for 2-vehicles of $211,680 compared to 2024 actual revenues for 1-vehicle of $18,751.05 did not seem realistic. However, the Applicant explained that late in 2024 the ability to transport gurneys was acquired which positively impacted revenues. The January-September 2025 1-vehicle revenues of $89,075 validated the applicants statements and justified projected revenues for 2-vehicles. **(Exhibit D Confidential)**

6) Tariff – the rates for Nye and Clark County regions are within the range of rates currently charged by the industry for similar services. **(Attachment E)**

Docket No. 24-0512

— VIN W1Y5NDHY9RT167263 — Through 06/15/2026

Dear Ms. Babcock,

I am the owner of Peace by Piece LLC, (dba LVX Co.) (CPCN 2384 — Charter Bus). Referencing Docket No. 24-0512, I respectfully request an extension of the annual vehicle inspection for our 2024 Mercedes-Benz Sprinter 3500 (VIN W1Y5NDHY9RT167263), currently due December 9, 2025. I request an extension through June 15, 2026.

Reason for request

Our original upfitter defrauded us and abandoned the project, leaving the vehicle incomplete. The vehicle is out of service, stored securely, and will not transport passengers until it passes NTA inspection and is cleared to operate.

Insurance & compliance

- The vehicle has been continuously insured since purchase and is currently on a storage (non-operational) policy with National Indemnity Insurance, Policy No. 73APR424866.
- We will maintain continuous coverage and convert to the required operating limits prior to inspection.
- We anticipate being fully compliant and inspection-ready by June 2026 (no later than 06/15/2026) and will schedule the earliest available inspection within that window.

Additional evidence

I also have further evidence of the fraud from attempted litigation in Atlanta through Attorney Bryan Henderson and can provide the case file (Dec 2024 – Apr 2025) upon request.

Attachments (included)

1. Purchase Agreement — Mercedes-Benz of Buckhead (02/09/2024) — VIN W1Y5NDHY9RT167263
2. Police Report — City of North Las Vegas Police Department — Case 2505150009202 / Report 2505150009202-001 (05/15/2025)

3. Vehicle Condition Photos (current state) — exterior/interior set

I will continue providing 90-day progress updates to Marta Acevedo, and can supply any additional documentation the Authority requires. Thank you for your consideration.

Sincerely,

Calvin Oliver

Narrative

On Thursday, May 15, 2025 at approximately 0933 hours, I (CSO Sifuentes P#2900) was dispatched to 1013 Claystone Ridge Avenue, in reference to a vandalism report.

Upon my arrival, I made contact with the person reporting, identified as Calvin Andre Oliver, who stated the following: On March 19, 2024, Calvin purchased a vehicle, a black 2024 Mercedes Sprinter 3500 (VIN W1Y5NDHY9RT167263) from Mercedes-Benz of Buckhead in Atlanta, Georgia. The vehicle was purchased under his business name Peace by Piece, LLC. Calvin provided me proper documentation as proof of ownership. (see attachment)

Calvin advised the vehicle was supposed to get converted into a limousine by a company known as Camelo bespoke sprinter builder located in Atlanta, Georgia. The vehicle was transported to 399 Lively Avenue, Norcross, GA 30071 to be fitted. On December 19, 2024, the vehicle was moved to 735 B Tucker Rd, Winder, GA 30680 and was the last known location to Calvin.

On May 7th, 2025, Calvin received a phone call from a male, identified as David, who previously was associated/worked with Camelo. David had located a vehicle that had appeared to be abandoned at 6014 Goshen Springs Rd, Norcross, GA 30071. David came across the vehicle due to another client who had also found their vehicle abandoned. David initially had worked on Calvin's vehicle at the 399 Lively Avenue location but cut ties with the company after he transported the vehicle to the Tucker Road location. David recognized the vehicle to belong to Calvin and called to confirm the vehicle identification number. It was also discovered the vehicle was vandalized. There were damages throughout the exterior and interior of the vehicle. Calvin made arrangements and had the vehicle picked up on May 9, 2025 and was delivered at his address (1013 Claystone Ridge Avenue, NLV, NV) on May 14, 2025.

Calvin stated when the vehicle was moved to 735 B Tucker Rd. location he did not receive any updates from Camelo or what had happened to the vehicle.

I took pictures of the damages made to the vehicle and later attached it to this report.

Calvin advised he needed to file a police report due to the damages made to the vehicle. I informed Calvin based on the fact the incident occurred in Atlanta, Georgia that he would have to file a report with the Atlanta police department. Calvin advised he was told to file a report with his local police department and was feeling frustrated. I told Calvin I would

complete a police report for information purposes only. I also informed him, this would be a civil matter between him and Camelo. Calvin understood.

I provided Calvin a victims information guide with a case number and explained its purpose.

Due to the fact this incident occurred in Atlanta, Georgia I am completing this report for information purposes only.

Attachments: Documents and Photos.

UNLAWFUL DISSEMINATION of this restricted information is PROHIBITED. Violation will subject the offender to Criminal and Civil Liability.

RE: Additional 90-Day Extension
CPCN: 7676

Hello Nevada Transportation Authority,

I am writing today to request one final 90-day extension of our CPCN from 11/14/25 until 2/14/26 for Docket 24-09008. We received approval for our CPCN this year from the NTA. We are beyond excited! Since our approval hearing, which we attended in person, we've had quite the roller coaster of a ride in getting our first fleet vehicle up and running. This involved the purchase of a retired U-Haul that was sold to us with a faulty title out of Arizona. Getting this title replaced with U-Haul took a tremendous about of time and each time we made a new DMV appointment the Nevada DMV was 4-6 weeks out on appointments. I'm so sorry about this delay but we believe we are just about at the finish line to complete all our CPCN requirements so we can begin our operation. Thank you again for being so patient with us!

Please reach out to us with any questions and have a great day!

Thanks,

Steve Humphreys

RE: Wade Enterprises LLC dba Singing on the Strip
NTA Docket No.: 25-01002
Motion to Extend Compliance Period (Second Request)

Dear Ms. Babcock:

I am respectfully requesting a second extension of the compliance period for Wade Enterprises LLC. We are seeking a six month extension, including retroactive approval.

On April 4, 2025, Wade Enterprises received their Compliance Order, giving them 120 days to complete all compliance items. On August 7, 2025, Wade requested and received a ninety (90) day extension, giving them until November 4th to complete all items.

To date, Mr. Wade has completed all items on the driver side, and the sticking points are the vehicel side. The vehicle is still in the shop getting upfitted and ready, and there has been an increase in cost that has created a new financial hardship. He has been working with investigator Johnson who has been fully apprised of the situation as it has gone on. She had kept Mr. Wade on a really great schedule, and the only thing that threw things off balance were the finances. Mr. Wade and investigator Johnson are still in regular communication.

I have advised Mr. Wade to continue in close contact with Investigator Johnson as things change so she is aware of his ongoing status. As soon as the applicant gets the vehicle out of the shop, investigator Johnson will be the first to know and Mr. Wade will provide the final compliance items.

Thank you very much for your consideration of this request.

Very truly yours,

James S. Kent, Esq.

DETAILS OF COMPLAINT

PLEASE PROVIDE A DETAILED STATEMENT REGARDING YOUR COMPLAINT AND THE NATURE OF THE RELIEF SOUGHT. DO NOT OMIT ANY FACTS, AS ALL INFORMATION MAY BE RELEVANT TO OUR INVESTIGATION. EMAIL ANY DOCUMENTATION WHICH MAY SUPPORT YOUR CLAIM (PHOTOS, INVOICES, ETC.) TO NTA@NTA.NV.GOV
On July 12, 2024, I received a ride from the Bellagio to Resorts World, a total distance of approximately 2 miles. Driver, Angaw Ademe charged my credit card for $1,800.00.

As I was alone and intoxicated, the driver saw an opportunity to take advantage of a vulnerable tourist and charged my credit card $1,800 for a 2 mile ride. I did not authorize the driver to charge $1,800 for a 2 mile ride nor did I authorize the $300 gratuity.

I was able to obtain some information about the fraudulent charge from my credit card company. I later learned the fraudulent charge was made by a person called Angaw Ademe (702) 812-8110 via a Square cell phone credit card account. Driver did not provide a receipt at the time services were rendered.

I immediately contacted the driver, Angaw Ademe, via phone and text message informing the driver that I wanted my money returned immediately. In short, Driver said he would call me back in an hour or so to discuss the matter since he was unavailable presently since he claimed he was with his children. I agreed. He never called.

I then filed a police report with the LVPD. Per police investigators, Driver told police investigators the fee was for the 2 mile ride from Bellagio to Resorts World. In addition, the driver falsely claims that I urinated in the vehicle. Driver's assertion appears to be a feeble attempt to justify charging $1,800 for a 2 mile ride.

Investigators said that criminal charges were unlikely due to the fact that I since I did receive transport, the issue was a fee dispute and not a criminal matter. I then contacted my credit card company to file a fraud claim. Turns out there are two types of credit card claims, fraud claims and dispute claims. By the time the credit company informed me that I needed to file a dispute claim rather than a fraud claim, the time to file the dispute claim had passed.

The last resort is filing a civil lawsuit. However, I wish to provide the driver with one last opportunity to make amends and return the ill gotten gains. Driver's conduct is unconscionable and without justification. Even if the facts are as the driver assets, $1,800 for a 2 mile ride is beyond reason and reeks of taking advantage of a vulnerable passenger.

It is my sincere desire to bring this issue to a amicable resolution. As a matter of fairness, I wish to compensate the driver for the fair value of a 2 miles ride based on the reasonable and customary fee as determined by the Nevada Transport Authority. I respectfully request the remaining balance to be returned to me without delay.

Thank you for time and consideration of this matter.

WARNING - This email originated from outside the State of Nevada. Exercise caution when opening attachments or clicking links, especially from unknown senders.

As per the attached signed receipt of complaint, BLS Limousine Service acknowledges receipt of the complaint and supporting documentation.

At the outset, I must say that our driver, Angaw Ademe, is an exemplary driver and has worked for us since April 2021. We have had no incidents involving him and I was shocked to see this complaint.

In researching the file, we see the trip that was in question and the fee that was collected, I must question the obvious fact that the February filing of a complaint dealt with a ride that took place the previous July.
To the best of my knowledge, no complaint was ever lodged directly to either the hotel or BLS Limousine. Our driver contends that the complainant did in fact speak to our driver, but it was our driver who initiated contact to check on the wellbeing of the complainant.

Our driver's statement of fact is attached to this email. He maintains that the complainant willfully gave a huge tip to him for his handling of the situation. It appears that the situation also involved the complainant urinating on himself due to his inebriated state. Our driver maintains that in no way was the complainant forced to do anything. The Metro police were involved and questioned our driver and found no evidence of any wrong doing or foul play. At this point I must say that BLS Limousine was never made aware of anything that transpired until we received word from the NTA. Our driver also believed there was no cause of any concern and felt no need to inform us of what happened.

I also attach an email from an employee of the Bellagio who was on duty on the date of the occurrence. His statement seems to corroborate the statement of the driver that there was no extortion whatsoever and the complainant acted on his own free will.

.As much as I sympathize with the complainant, it seems to me that he was inebriated and embarrassed over the entire situation and only after 6 months did he realize what transpired. He could have questioned the charge immediately but didn't. He could have complained to the hotel but he didn't. He could have contacted BLS directly but he didn't. Although I believe the circumstances regarding the huge tip from an inebriated client should have raised eyebrows to our employee, I must surmise that no one turns away a huge tip when presented to him. We have instructed all drivers to be a bit more prudent and inform us of any extreme abnormalities.

We will cooperate fully with the NTA or the complainant in fully resolving this issue but we believe our driver did not take advantage of the complainant. We have instructed our drivers to be a bit more diligent in "not looking a gift horse in the mouth" and relay t us anything out of the norm.

Please contact me if further information or clarification is required.

Thank you

Subject: Angaw Ademe Statement

On the night of 7/11/2024 I, Angaw Ademe, I was staged at the Bellagio and the doorman, Greg, loaded me with a guest heading to Cromwell for $85.00. On the way to
Cromwell the guest decided he wanted to go to Resorts World. Once we arrived at Resorts World, he tapped his card on my phone and he himself manually typed in the numbers, leaving me with a $1715 tip. He then wanted more assistance to withdrawal monies from his atm he attempted 4k, three times because he was overwhelmed on how I assisted him, and he kept saying he wanted to give me cash also! I do have two witnesses that work at Resorts World front door , that he also promised them monies for being so kind to him at the end of his three failed attempts to get cash, but they still assisted him by calling security to bring a wheelchair. The client and I were talking, and this is when he gave me his phone number. Once security brought the wheelchair, I left the property.

A few weeks later, I reached out to the guest via phone call to see how he was doing and from there he asked me about the $1800 charge. I told him that's what you paid me, and he asked if I could give him some of the money back. Being that this was a few weeks later, I didn't have the money anymore.

Approximately a week later Metro investigator contacted me. After giving him the whole story of what took place ,he said he will no longer be assisting this gentleman because he was not being cooperative! I'm a single father with 2 kids and cannot afford to lose my job , whatever steps you think are necessary please let me know so I can handle it thank you so much have a great day!

Kind Regards,
Crissy

Hello Neal. My name is Ashenafi Hagezom front service attendant with Resorts World. Below is my statement regarding the night in question with Angaw Ademe.

My name is Ashenafi Hagezom, front service attendant with Resorts World Las Vegas. On the night in question I was working the main door when Angaw dropped off a guest. The guest in question was trying to tip/pay his driver Angaw and seemed very pleased with his service. They both went inside to the casino to try to get cash from the atm and I believe it was unsuccessful because they both came back out and decided to pay at the limo with card. The guest was intoxicated but didn't seem forced into anything and happy with the service.

As a follow up to my previous email, I have a license issued by the state of California. if I was to use my license to charge an elderly client a fee that was three times the customary fee for any matter, I would be investigated by the state bar and disciplined just on those facts alone.

An elderly client is vulnerable and using my license to take advantage of that vulnerability would lead to discipline action, including revoking my license, for taking advantage of a vulnerable client.

I'm deeply concerned that the Nevada transportation authority, just on the facts of the $1500 charge and $300 gratuity for a 1.5 mile ride alone, with a heavily intoxicated passenger who the driver alleges was so incapacitated he could not control his bodily functions, does not find this a matter deeply troubling. I see no justification for charging an incapacitated and vulnerable passenger a $300 gratuity and then charging three times the customary fee for deep cleaning. The charges in them of themselves are absurd and without justification.

Since I've been unable to get an itemized receipt or documentation of any alleged damage, I am requesting a copy of the responses from BLS and the driver. If there are some facts that I do not know about that could possibly justify an $1800 charge for a 1.5 mile ride I would like to be informed as soon as possible.

Based on my understanding of the facts, as well as the $1800 charge in and of itself, supports my conclusion that the driver took advantage of a vulnerable and incapacitated passenger, which may be seen as predatory behavior.

I would like to know what documentation BLS or the driver provided that could possibly justify or substantiate an $1800 charge for a 1.5 mile ride with a heavily intoxicated passenger.

Thank you.

BLS did provide a trip receipt showing a fair of $67.38, which is astronomically more than the $67.38 tripreceipt provided by BLS.

I was heavily intoxicated and did not knowingly authorize an $1800 charge for 1.5 mile ride. I believe the driver, using a license provided by the Nevada Transportation Authority, took advantage of a vulnerable passenger.

When I first contacted the driver regarding the $1800 charge for a 1.5 mile ride he said the charge was $1500 and there was a mandatory gratuity of $300 added. He later claimed that the $300 gratuity was voluntary. Just this fact alone should deeply trouble the Nevada transportation authority.

There was no signed contract for a $300 gratuity therefore charging a mandatory gratuity is in and of itself improper and should greatly concern the Nevada transportation authority since he charged a heavily intoxicated passenger $300 mandatory gratuity which he had no legal right to charge.

The driver later claimed that the gratuity was voluntary. This is absurd for two reasons. One, I was so intoxicated that I urinated on myself, but he wants the Nevada transportation authority to believe that I had the wherewithal to calculate 20% gratuity on $1500. That is absurd. Two, I was so heavily intoxicated that I couldn't control my bodily functions. How could I legally consent to a voluntary $300 gratuity? Not only that it was for a 1.5 mile ride from the time of pick up to the time of the charge was approximately 12 to 15 minutes' per trip receipt provided by BLS.

This is a deeply troubling issue and should deeply concern the Nevada transportation authority. The driver had a heavily intoxicated passenger, which he alleged is so intoxicated he cannot control his body functions and yet the driver adds a $300 gratuity for a 1.5 mile ride to a heavily intoxicated passenger.

And this is only an issue with the gratuity. Uber charges between $50 and $150 and that is for severe vomit or urine damage. The driver charged me 10 times that. As you probably know in Las Vegas, the charge for vomit or urine is between $50 and $500 for limo. Even if we assume that there was damage, which I'm saying, there was not because I have not received any proof or documentation substantiating any damage, the driver charged a heavily intoxicated and vulnerable passenger three times the customary charge fordeep cleaning in a limousine in Las Vegas Vegas.

Given these facts, how can Nevada transportation authority not see what is so obvious; that's a driver took advantage of a heavily intoxicated Volvo passenger by charging him three times a cleaning fee and adding a gratuity either voluntary or mandatory is improper given my mental state at the time.

I would think that the charge loan whether it would be the $1500 charge or the added $300 gratuity would raise alarm with the Nevada transportation authority for being outrageous and I believe predatory.

Thank you.
