3. Pledge of Allegiance

The Pledge of Allegiance was led by someone in the audience in Las Vegas. Mr. Billy Samuels.

4. Public Comment

Public comment was opened in Las Vegas

Billy Samuels, Clark County Fire Department's Fire Chief

- Presented concerns regarding three pending applications to expand autonomous vehicle (AV) operations in Clark County. While emphasizing that the county supports technological innovation, he highlighted critical safety risks and regulatory limitations.
- **Scale of Expansion:** Approval of the applications could increase active AVs in the area from 100 to roughly 7,000—a 7,000% increase on local streets and at Harry Reid International Airport.
- **Operational Interference:** Firefighters have already experienced interference and operational challenges caused by AVs during emergency responses, mirroring issues reported in other jurisdictions.

///

- **Information & Transparency Barriers:** Under current Nevada Revised Statutes (NRS), crash and near-miss data is kept confidential and can take months to reach the Nevada Transportation Authority (NTA), leaving local first responders unable to review incidents or evaluate safety measures.
- **Public Safety Impact:** Delayed emergency response times and potential hazards to first responders working on active roadways present significant risks.

Formal requests:

- **Emergency Authority:** Grant the County Manager (or a designee) authority to order an immediate halt to AV operations during emergencies or mass-casualty events.
- **Timely Incident Reporting:** Require operators to provide local Authorities Having Jurisdiction (AHJs) with real-time or prompt reports of incidents involving first responders, the public, property damage, or other vehicles.
- **Interagency Coordination:** Mandate pre-deployment coordination with a single local point of contact (spanning fire, law enforcement, ambulance, and public works) to ensure vehicles can safely navigate around active work zones and emergency personnel.
- **System Upgrade Notifications:** Require companies to notify the designated local point of contact prior to deploying major AV software or system updates.
- **24/7 Availability:** Direct each AV company to provide a dedicated 24/7 emergency contact line for local authorities.

Paul Moradkhan, Executive Vice President, Government affairs to the Vegas Chamber.

- Testified in support of Waymo and Uber's applications before the Nevada Transportation Authority Board (Agenda Items 64 and 65).
- **Chamber Support:** The Vegas Chamber supports the recommendation to allow Waymo and Uber to operate as outlined in their permit applications. Both companies are members in good standing with the organization.
- **Compliance Expectation:** Support is given under the expectation that both companies remain fully compliant with state laws, local government ordinances, and the operational timelines outlined in their filings.
- **Economic & Mobility Value:** The Chamber views transportation innovation as essential to the region, offering expanded mobility options for both residents and visitors throughout Southern Nevada.
- **Collaborative Future:** Emphasized that expanded autonomous service represents a positive, collaborative step forward for consumers, state and local governments, and the broader transportation industry.

- **Recognition of Commissioner Teti,** Expressed appreciation for outgoing Commissioner Adam Teti service and key contributions to board discussions during his tenure.

- **Gratitude to NTA Staff:** Commended staff for their extensive preparation, overtime, and hard work in assembling a large and complex meeting agenda, a sentiment the Chairman warmly endorsed.

Commissioner Radhika P. Kunnel

- **Gratitude & Warm Welcome:** Expressed sincere thanks to the Commissioners for their kind opening words and welcoming environment throughout her first week.
- **Appreciation for NTA Staff:** Reaffirmed her deep respect for the agency's professional culture, noting her fondness for the NTA staff and the immense effort reflected in the day's extensive meeting agenda.
- **Acknowledging Predecessor:** Noted the high bar set by outgoing Commissioner Ramon Adam Teti, stating she looks forward to filling those shoes.
- **Commitment to Service:** Stated she is honored and privileged to be back, concluding with a commitment to collaborate effectively with staff and serve the residents of Nevada.

8. Briefing from the Deputy Commissioner

Deputy Commissioner Todd Park reported:

- **Welcome to Commissioner Kunnel:** Echoed the Chair and board members in welcoming Radhika P. Kunnel, noting her deep intelligence and expertise in transportation law.
- **Acknowledgement of Former Colleague:** Recognized outgoing Commissioner Adam Teti as a close personal friend, expressing support for his new professional role down the street.

- **Citations issued** (up 158% from June)
- **95 complaints received, 88 closed** (complaints up 7.4%)
- **2 OIS completed** (down 89.5% from June)

10. Report of Legal Counsel

Deputy Attorney General Deputy Attorney General Jessica S Guerra

- **Petitions for Judicial Review (PJRs):** 5 active PJRs total (3 recently served, 1 pending service, 1 sitting at the Court of Appeals awaiting scheduling).
- **Writs:** 2 active writs against the NTA (1 Northern Nevada, 1 Southern Nevada). The Northern district held a hearing on August 11th, which remains under advisement by the judge.
- **Civil Litigation:** 2 pending lawsuits targeting individual investigators (1 stalled in federal court since April; 1 filed but not actively prosecuted).

Administrative Attorney Yoneet Wilburn

- **Voting Status:** Administrative Attorney Yoneet Wilburn confirmed that newly appointed Commissioner Radhika P. Kunnel is a fully authorized, voting member for the meeting.
- **Order Corrections:** Because her appointment occurred late the previous week, orders in the public binder do not yet bear her name. Pursuant to standard authority protocol, these clerical errors will be corrected prior to final signing and distribution.

ADMINISTRATIVE CITATIONS AND IMPOUNDS

Please note that Items 11 through 40 below may be voted on in a block unless a party to the matter requests an item number be pulled for consideration

Item 33,

Mr. Thomas Ibrahim

- Mr. Ibrahim expressed severe financial hardship, stating he has no income, his car was repossessed by the bank, and his wife is pregnant, leaving him unable to pay the fines.

Administrative Attorney Yoneet Wilburn, Commissioner Louis V. Csoka, Chairman Vaughn Hartung

- **Matter Before the Board:** Hearing on outstanding citations and fines; the impoundment of Mr. Ibrahim's vehicle had been adjudicated at a prior meeting and was not open for discussion.
- **Board Explanation:** Staff and the Chair clarified that the board must formally adjudicate the citation today before any administrative relief—such as a petition for reconsideration or an altered payment structure—can be granted.
- **Proposed Penalty:** Fines totaling **\$12,000** (\$5,000 payable for the current violation, plus \$7,000 held in abeyance).
- **Board Action & Motion:** To accommodate the respondents' financial situation, the board agreed to modify the proposed order for Item #33, extending the standard 6-month payment schedule to an **18-month payment plan**.

///

Item 22

Mr. Clifford Johnson

- Mr. Johnson expressed confusion regarding the process and stated he cannot afford to pay the fine in a single lump sum.

Commissioner Louis V. Csoka, Chairman Vaughn Hartung

- **Board Explanation:** The Chair explained the administrative law procedure—the board must first formally vote on the item, after which Mr. Johnson will receive an official order in the mail within 1–2 weeks containing contact details to set up a monthly payment plan.
- **Fine & Payment Schedule:** Board members reviewed the proposed order and noted the citation fine is relatively low (approximately \$500). Because standard NTA administrative rules allow staff to grant up to a **6-month payment plan** without explicit board modification, no custom extension was required.
- **Board Action:** The board confirmed the matter would proceed to a standard vote, with staff instructed to arrange a 6-month payment plan upon Mr. Johnson's contact.

Emendation to Item 33, Motion Board Member Csoka moved to approve Agenda Items 11 through 40 as presented, subject to an amendment to **Item #33** granting respondent Mr. Ibrahim an extended **18-month payment plan** for his citation fines.

APPLICATIONS FOR CERTIFICATES OF PUBLIC CONVENIENCE AND NECESSITY TO PROVIDE TOW CAR SERVICE

Please note that Items 41 through 50 below may be voted on in a block unless a party to the matter requests an item number be pulled for consideration

Applications Manager Travece LeTourneau

- **Item #41 Correction:** Clarified a minor printing error on the agenda regarding Item 41. Although mislabeled in the text, it was properly noticed as an application for both **consent and non-consent towing**. Mr. Rebar also provided comments regarding recording rights.
- **Question Raised:** The Board inquired whether the agenda printing error on Item #41 (omitting "non-consent tow") was substantive enough to prevent action.

///

Legal Opinion: Administrative Attorney Yoneet Wilburn and Deputy Attorney General Jessica S. Guerra advised that the Board can legally move forward. They confirmed the public notice, formal application, and backup materials were all accurate, making the typo a non-substantive agenda error.

Commissioner Louis V. Csoka

- **Item #44** Application involving *A Towing Inc.*, owned by Mr. Drew Ribar
- **Nature of Disclosure:** Commissioner Csoka disclosed that Mr. Ribar has a pending federal lawsuit naming him individually regarding alleged press rights at a public hearing.
- **Determination:** Commissioner Csoka affirmed that the pending litigation does not impair his impartiality, noted his intention to support the item, and elected to participate and vote on Item #44.

- Background: The initial request regarding non-consent services was filed by Mr. Mejia voted on in February, and granted in March
- Subsequent Filings: Two consecutive petitions were later received requesting a domicile change and a name change
- Secretary of State review: Staff review and checks of the Secretary of State’s records indicated an unapproved sale and transfer involving the addition of a new member, which conflicts with regulatory requirements for corporate changes
- Staff position: Staff does not support the petition for reconsideration for the name change due to the unfinalized and transfer status

- Resetting the Record: Granting the petition for reconsideration vacates the prior denial and returns the matter to ground zero, clearing the preclusion that currently prevents the name from being considered or packaged alongside the sale and transfer.
- Retaining Control via Agenda Management: Granting reconsideration does *not* mean approving the name change; staff and applications control the calendar and can explicitly withhold placing the name change on the agenda until it moves in concert with the sale and transfer.
- Unblocking the Path: Without reconsideration, the existing formal denial legally blocks the name from even being submitted or evaluated as part of the upcoming transfer packet, making the reconsideration a necessary procedural bridge.

At a general session of the Nevada Transportation
Authority on September 24, 2026.

PRESENT: Chairman Vaughn Hartung
 Commissioner Louis V. Csoka
 Commissioner Radhika P. Kunnel
 Deputy Commissioner Todd Park

ORDER

On June 30, 2026, a hearing on the above-captioned matter was held before Commissioner Adam Teti, serving in his capacity as Hearing Officer for the Nevada Transportation Authority ("Authority", "NTA"). The Respondent, LTS Transportation Inc. dba Larry's Towing and Transport, was NOT PRESENT.

After hearing the allegations, the testimony of witnesses, the respective arguments, and having considered the evidence introduced by the State and being fully advised, the Hearing Officer, pursuant to Nevada Administrative Code ("NAC") 706.4015, prepared a proposed decision for review by the Authority.

Based on that proposed decision, the Authority enters the following final order affirming the decision of the Hearing Officer. Under Nevada Revised Statutes ("NRS") 706.151, the Authority has legal jurisdiction and authority over this matter.

//

//

FINDINGS OF FACT

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Facts:

1. NTA Investigator Andrew Scott testified that on January 21, 2026, he and NTA Investigator Sean Kim went to the Respondent's place of business to attempt to conduct an agency ordered unannounced operational inspection ("OI"). Investigator Scott determined that additional time was needed and explained to the new employee what was expected. Investigator Scott returned to the Respondent's place of business on February 6, 2026, to conduct and complete the January 21, 2026, unannounced OI. Investigator Scott could not complete the OI because the Respondent's place of business was closed. Investigator Scott returned on February 19, 2026, and was able to conduct the unannounced OI. Investigator Scott returned on April 28, 2026, and explained and issued administrative citation 25551.
2. Investigator Scott testified he wrote an investigative report in connection with this Citation. The Report was admitted as State's Exhibit ##1.
3. Lisa Stewart, Legal Secretary II for the NTA testified that she sent notices of the rescheduled hearing to Respondent for the date of June 30, 2026. The notice was sent to the Respondent's address which is on file with the NTA.
4. Lisa Stewart testified she prepared and sent the notices in her normal course of business and the documents were admitted as State's Exhibit #2.

ORDER

On July 16, 2026, a hearing on the above-captioned matter was held before Commissioner Louis V. Csoka, serving in his capacity as Hearing Officer for the Nevada Transportation Authority (“Authority”, “NTA”). The Respondent, Cosme Manuel Encinas, was NOT PRESENT.

After hearing the allegations, the testimony of witnesses, the respective arguments, and having considered the evidence introduced by the State and being fully advised, the Hearing Officer, pursuant to Nevada Administrative Code (“NAC”) 706.4015, prepared a proposed decision for review by the Authority.

Based on that proposed decision, the Authority enters the following final order affirming the decision of the Hearing Officer. Under Nevada Revised Statutes (“NRS”) 706.151, the Authority has legal jurisdiction and authority over this matter.

FINDINGS OF FACT

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Facts:

1. NTA Investigator Kristofer Wilson was searching Facebook for illegal EDC rides and saw an advertisement posted on May 15, 2026, which stated “EDC \$100”. On May 16, 2026, Investigator Wilson sent a message to the advertisement to set up a sting. Investigator Wilson set up the ride for six people going from the Tuscany Suites & Casino to the Electric Daisy Carnival (“EDC”) both locations in the State of Nevada. The Respondent and Investigator Wilson agreed on a price of \$250. Investigator Wilson received a message from the Respondent he arrived at the location. An enforcement stop was initiated on the Respondent for illegal transportation. The Respondent was cited for NRS 706.386 and NRS 706.758.
2. Investigator Wilson testified he wrote an investigative report in connection with this Citation. The Report was admitted as State’s Exhibit ##1.
3. NTA Legal Secretary testified the Respondent was cited to come to the NTA on June 10, 2026, and he did not show up. Ms. Stewart sent out a notice of rescheduled hearing to the Respondent at the address provided for June 30, 2026, at 2:00pm. The Respondent did not show up. Ms. Stewart sent out a second notice of rescheduled hearing to the Respondent at the address provided for July 16, 2026, and again the Respondent did not show up. The notices of rescheduled hearings and the service lists were admitted as State’s Exhibit #2.

CONCLUSIONS OF LAW

Based on the testimony of Investigator Wilson, Lisa Stewart and the exhibits the Hearing Officer finds the issuance of Citation 26179 was proper, and the Respondent was properly notified of the date of the Citation Hearing date. The Authority further finds the Respondent’s Due Process rights were protected.

DISCUSSION

The Deputy Attorney General (“DAG”), Jessica Guerra, asked the Hearing Officer to impose a fine of \$10,000 for the violation of NRS 706.386 and a fine of \$10,000 for the violation of NRS 706.758.

The Hearing Officer, having fully considered the above-mentioned Findings of Fact and Conclusions of Law:

1. That a finding of a violation of NRS 706.386 be entered.
2. That a finding of a violation of NRS 706.758 be entered.
3. That a fine of \$5,000 be assessed for the violation of NRS 706.386.
4. That a fine of \$2,000 be assessed for the violation of NRS 706.758.

ORDER

IT IS THEREFORE ORDERED, based on the foregoing Findings of Fact and Conclusions of Law:

1. That the recommendation of the Hearing Officer for the violation of NRS 706.386 on Citation 26179 be AFFIRMED;
2. That the recommendation of the Hearing Officer for the violation of NRS 706.758 on Citation 26179 be AFFIRMED.
3. That a total fine of Five Thousand Dollars and Zero Cents (\$5,000) be assessed for the violation of NRS 706.386 on Citation 26179.

At a general session of the Nevada Transportation

Commissioner Louis V. Csoka
Commissioner Radhika P. Kunnel
Deputy Commissioner Todd Park

ORDER

On August 26, 2026, a hearing on the above-captioned matters were held before Commissioner Louis V. Csoka, serving in his capacity as Hearing Officer for the Nevada Transportation Authority (“Authority”, “NTA”). The cited party, William Toh, (“Respondent”), appeared for the hearing, and chose to proceed without legal counsel, assisted by an Arabic language interpreter.

After hearing the allegations, the testimony of both parties, the respective arguments, and having considered the evidence introduced by the parties present at the hearing and being fully advised, the Hearing Officer, pursuant to Nevada Administrative Code (“NAC”) 706.4015, prepared a proposed decision for review by the Authority.

Based upon the proposed decision, the Authority makes the following Findings of Fact and Conclusions of Law, which constitute a final order affirming the decision of the Hearing Officer.

Any Finding of Fact that would be deemed a Conclusion of Law or vice versa shall be so construed. Under Nevada Revised Statutes (“NRS”) 706.151, the Authority has legal jurisdiction and authority over this matter.

FINDINGS OF FACT

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains the legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Facts:

1. NTA Enforcement Investigator Audy Viloría testified that the Respondent, William Toh, is known to the NTA for providing illegal transportation without a Certificate of Public Convenience and Necessity (“CPCN”) and the Respondent is not a Transportation Network Company (“TNC”) driver. On July 16, 2026, NTA Investigators Viloría and Justin Hooser observed a van pulling out of the Paris Hotel driveway in Las Vegas, Nevada. When Investigator Viloría looked inside the van, he observed the Respondent, William Toh, as the driver of the van and there were passengers inside the van. Investigators Viloría and Hooser followed the van to the Venetian in Las Vegas, Nevada, where the Respondent dropped the passengers off. Investigator Viloría testified that Investigator Hooser went to speak with the passengers who exited the Respondent’s van at the Venetian and the passengers told Investigator Hooser that the Respondent, William Toh, offered the passengers a ride to the Venetian for \$15. Investigator Viloría initiated a stop on the Respondent, William Toh, and arrested him for violation of NRS 706.756. Investigator Viloría testified that the Respondent was booked into jail and Investigator Viloría also issued the Respondent, William Toh, an administrative citation for violation of NRS

706.386 because the van the Respondent was driving did not have a CPCN on it and the Respondent himself does not have a CPCN.

2. The Senior Deputy Attorney General (“DAG”), Jessica Guerra, asked Investigator Vilorio if he wrote a report in connection with the incident he just testified about. Investigator Vilorio stated he did. The DAG asked that the report be admitted as State’s Exhibit #1. This request was granted the by the Hearing Officer Commissioner Csoka.
3. The Respondent asked Investigator Vilorio if Investigator Vilorio was aware that the criminal matter was dismissed. Investigator Vilorio stated he was aware of this. The Respondent asked Investigator Vilorio if Investigator Vilorio gave the Respondent the administrative citation for the violation of NRS 706.386 on the night of July 16, 2026. Investigator Vilorio testified he told the Respondent about it and put a copy of the administrative citation in the Respondent’s property at the jail.
4. Investigator Hooser testified he spoke with the passengers who exited the Respondent’s van at the Venetian. The passengers told Investigator Hooser the Respondent, William Toh, contacted them when they exited the Paris Hotel and asked them if they needed a ride. The passengers told Investigator Hooser they stated they were going to the Venetian and the Respondent stated he could take them for \$15. The passengers got into the van and told Investigator Hooser they paid \$15 for the ride when they got to the Venetian.
5. The Respondent asked Investigator Hooser if saw any money change hands between the passengers and the Respondent. Investigator Hooser testified he did not. The Respondent asked Investigator Hooser if overheard the conversation between the Respondent and the passengers. Investigator Hooser testified he did not overhear the conversation but spoke with the passengers when they exited the Respondent’s vehicle at the Venetian.

6. The DAG asked Investigator Hooser some follow up questions. The DAG asked Investigator Hooser if he saw the passengers exit the Respondent's vehicle. Investigator Hooser testified he did. The DAG asked Investigator Hooser if he spoke with the passengers when they exited the vehicle. Investigator Hooser testified he did and the passengers stated they paid the Respondent \$15 for the ride.

CONCLUSIONS OF LAW

Based on the testimony of Investigator Viloría, Investigator Hooser, the questions asked by the Respondent and the evidence presented at the hearing, the Authority finds the testimony of Investigators Viloría and Hooser to be credible and the evidence presented by the State supports Investigators Viloría's and Hooser's testimony. The Hearing Officer finds that the violation occurred.

DISCUSSION

The DAG requested a fine of \$10,000 for the violation of NRS 706.386 in Citation 26233.

The Hearing Officer, having fully considered the above-mentioned Findings of Fact and Conclusions of Law recommends to the Authority:

1. That the finding of Violation 1, NRS 706.386 be AFFIRMED.
2. That a fine of \$10,000 be assessed for the Violation of NRS 706.386 with \$2,000 held in abeyance for a period of two (2) years, provided no further violations of NRS or NAC 706 occur in that period and there is timely payment of the fine.

ORDER

IT IS THEREFORE ORDERED, based on the foregoing Findings of Fact and Conclusions of Law:

1. That the recommendation of the Hearing Officer for a finding of a violation of NRS 706.376 be AFFIRMED;
2. That a total fine of Ten Thousand Dollars and Zero Cents (\$10,000) be assessed for the violation of NRS 706.386 with Two Thousand Dollars and Zero Cents (\$2,000) held in abeyance for a period of two (2) years provided there are no further violations of NRS or NAC 706 in that period and there is timely payment of the fine.
3. That the Authority retains jurisdiction for correcting any errors that have occurred in the drafting or issuance of this Order.

The Authority finds that there is substantial evidence in the record delivered by the Hearing Officer, which contains legal evidence presented at the hearing, to establish each of the facts hereinafter set forth in these Findings of Facts:

1. Supervisor Craig Arnett was sworn in as a witness. Supervisor Arnett testified that on May 12, 2026, he received an email from Reno Sparks Cab Company Human Resources Manager, Carolyn Thompson, regarding a driver who failed a random drug test. Thompson stated the Respondent was given a random drug test notification and paperwork on October 27, 2026. The Respondent completed the drug test on April 27, 2026. COMPLIANCE ORDER

The Nevada Transportation Authority ("Authority") makes the following findings of fact and conclusions of law:

1. On June 22, 2026, Limoriginals, LLC ("Applicant") filed an Application with the Authority requesting a Certificate of Public Convenience and Necessity ("CPCN") to provide transportation of passengers and their baggage in charter service by limousine, on an on-call basis and over irregular routes. All transportation must originate or terminate within Clark County, Nevada. The number of vehicles in the Applicant's fleet shall be no more than one (1). Said Application was designated Docket No. 26-06021.
2. The Application was properly noticed to the public on July 8, 2026, as required by subsection 1 of NRS 706.2865, NAC 706.155, and NAC 706.1355. The time fixed in the notice expired, no protest was filed, and no Petition for Leave to Intervene ("PLTI") was filed on behalf of any person, as contemplated by subsection 9 of NRS 706.391.

3. Authority Staff ("Staff") reported the following:
 - a. Chris Greten, Compliance Audit Investigator, investigated the Applicant's background and inspected documentation relative to the proposed operation. Ms. Greten reported no areas of concern regarding the Applicant's operational fitness and stated that they supported approval of the Application.
 - b. Sheraz Tarar, Financial Analyst for the Authority, inspected the Applicant's financial information in accordance with NAC 706.152. Mr. Tarar reported no areas of concern regarding the Applicant's financial fitness and stated that they supported approval of the Application.
 - c. Travece LéTourneau, Applications Manager, reported that the Applicant met the requirements of NAC 706.1375, Staff had no concerns, and Staff supported approval of the Application.
4. Based on all records pertaining to the Application, after investigation, and pursuant to subsection 2 of NRS 706.391:
 - a. The Application on file herein comes within the purview of chapter 706 of NRS and chapter 706 of NAC and within the regulatory jurisdiction of the Authority. The Applicant, as a fully regulated common motor carrier of passengers, is required to obtain a certificate of public convenience and necessity pursuant to subsection 1 of NRS 706.386.
 - b. The Applicant is financially and operationally fit, willing and able to perform the transportation service for which it has applied. In determining fitness, the Authority has considered, pursuant to subsection 4 of NRS 706.391, whether the Applicant

has violated any provision of chapter 706 of NRS or any regulation adopted pursuant thereto.

- c. Granting the Application on file herein will not unreasonably and adversely affect other carriers operating in the territory for which the Certificate is sought, and the operation of, and the provision of services by, the Applicant as a common motor carrier will foster sound economic conditions within the applicable industry. Pursuant to subsection 3 of NRS 706.391, the potential creation of competition in that territory, by itself, does not constitute such an effect.
- d. The operation contemplated by the Applicant will be consistent with the legislative policies set forth in NRS 706.151.
- e. The operation contemplated by the Applicant will benefit and protect the safety and convenience of the traveling and shipping public and the motor carrier business in this State.
- f. The proposed operation will provide service on a continuous basis.
- g. The market identified by the Applicant as the market the Applicant intends to serve will support the proposed operation.
- h. The Applicant has paid all fees and costs related to the Application, as required by paragraph (g) of subsection 2 of NRS 706.391.

- j. The Applicant has met its burden under paragraph (b) of subsection 5 of NRS 706.391 of proving that the proposed operation satisfies the requirements of subsection 2 of that section.

THEREFORE, BASED UPON THE FOREGOING FINDINGS, IT IS ORDERED THAT:

- 5. Upon full compliance with the conditions of this Order, a Certificate of Public Convenience and Necessity identified as CPCN 1222 shall be issued to Limoriginals LLC, authorizing operations in intrastate commerce as specified below:
 - a. On-call, irregular route charter transportation by limousine of passengers and their baggage, as that service is defined in NAC 706.036. All transportation must originate or terminate within Clark County.

The Applicant shall not charge a per capita fare for that service.
 - c. This Certificate does not authorize scenic tours, special services or airport transfer services, as defined in NAC 706.112, NAC 706.119, and NAC 706.015, respectively. Before providing any such service, the Applicant must first obtain

expanded or modified authority by application filed pursuant to NRS 706.391 and NAC 706.1375.

- d. The Applicant shall not operate charter service by limousine over the same routes or to the same points so frequently as to constitute a regularly scheduled route or service, and shall not establish a definite schedule between fixed destinations, in accordance with NAC 706.353 and NAC 706.323.

Docket ☒ / Citation ☐ / Impound ☐ / Permit ☐ #: 25-05026

Petitioner's Name: MKP Las Vegas, LLC c/o James S. Kent, Esq. Telephone: 702-385-1100

Mailing Address: 9480 S. Eastern Ave, Suite 228, Las Vegas, NV 891223; jamie@jamiekent.org

Reason for request: This was an application for common carrier/limousine CPCN. No interveners. Commissioner Csoka held a hearing on the background and operational fitness of Megan Peters, the sole owner of MKP. As a result of the hearing, Ms. Peters provided additional documents at the request of the NTA, including the Operating Agreement of MKP, which included a spousal consent wherein Ms. Peters' spouse waived and released any authority or ownership which he may otherwise have had via community property interests. Although this seemed unnecessary and it is believed this has never been required of another operator, Ms. Peters did so to the full extent requested. Based upon the Application and this Supplement, the Compliance Audit Investigator reported no areas of concern regarding operational fitness. The Financial Analyst reported no areas of concern regarding financial fitness. The Applications manager reported the Applicant met all requirements. All of staff supported approval of the application. For reasons unknown and not really put on the record, new Commissioner Radhika Kunnell recused herself, and that is a concern. Chair Hartung voted against the application presumably based upon community property law despite community property interests never being a standard used by the NTA, despite nothing in the record of Ms. Peters' spouse, despite the waiver and release stated above, and despite that NRS 706.391(2) states the NTA "shall" grant the authority if it finds subsections (a)-(g) have been met, which they have in this instance. Denial was improper, *inter alia*, as being arbitrary and capricious, not based upon the record, and in violation of the law. Reconsideration is proper.

 - d. File with the Authority revised tariff pages reflecting the name shown on the new certificate, prepared in the form and format required by NAC 706.1385 and accompanied by the transmittal letter required by NAC 706.1386. This Order does not authorize any change in the rates, fares or charges contained in the Petitioner's tariff on file with the Authority.
