For example: a chair weighs 10 lbs. and is broken during the move • regardless of the value, settlement will be \$6.00 based on 60¢/lb./article.
2. **Actual Cost Value Damage Coverage:** Actual Cost Value Damage Coverage is applied to all articles except those excluded in customer contract (see below). JE Moving Services, LLC agrees to purchase from customer any damaged property at the current value of the item using straight-line depreciation and industry standard depreciation schedules OR repair any damaged item. JE Moving services will decide whether to purchase or repair damaged items. For example: The value of a used table that is damaged during the move will be determined by its current market value using straight-line depreciation or the cost to repair said item, whichever is lower. Damage Coverage does not include the functionality of any appliance or electronic device as there is no way to pre-test functionality. The value of antiques and other collectibles will be determined by an unbiased third-party appraisal. Customer pays \$150 per truck load for this coverage. Maximum Valuation is \$5 per pound of cargo up to \$500 per article. **Fragile Items not covered:** Due to their fragile nature we do not cover damage to refrigerators, appliances, glass, ceramics, particle board furniture, laminate flooring, or plants.
