**SAFETY PROTOCOL  
ISOLATION SERVICE FEE**

At all times commercial transportation carriers are required to ensure the safety of their passengers. In response to COVID-19 and other forms of isolation in which anyone entering the patient's room and having direct contact with the patient requires wearing gloves and a gown or any Personal Protective Equipment (PPE), MTC has taken extra steps to ensure the protection and safety of our drivers and passengers. These steps are based on CDC guidelines for commercial motor carriers, in conjunction with Nevada OSHA guidance and recommendations for best practices published by the Nevada Transportation Authority. In order to provide these extra safety measures an Isolation Service and Safety Fee will be imposed on the transportation of any patient with a COVID positive result or Isolation needs.
