The following Diesel Fuel-Related Cost Price Adjustment (Surcharge) will apply on Passenger transportation charges, as described below.

5% when Diesel Fuel Is above \$4.00 per gallon

The DOE fuel price obtained will then be used to determine if the fuel surcharge will become applicable on the 1st day of the month. The adjustment will apply for all transportation beginning on the 1st day of the following month and will remain in effect through the last day of the calendar month.

The Fuel Cost Price Adjustment (Surcharge) will be shown separately from the charter revenue on carrier transportation documents for the purpose of identifying the amount as special fuel related revenue.
