2. Actual Cost Value Damage Coverage:

Actual Cost Value Damage Coverage is applied to all articles except those excluded on customer contract (see below). Wolf Pack Moving, LLC agrees to purchase from customer any damaged property at the current value of the item using straight-line depreciation and industry standard depreciation schedules OR repair any damaged item. Wolf Pack Moving will decide whether to purchase or repair damaged items. For example: The value of a used table that is damaged during the move will be determined by its current market value using straight-line depreciation or the cost to repair said item, whichever is lower. Damage Coverage does not include the functionality of any appliance or electronic device as there is no way to pre-test functionality. The value of antiques and other collectibles will be determined by an unbiased third-party appraisal. Customer pays \$150 per truck load for this coverage. Maximum Valuation is \$5 per pound of cargo up to \$500 per article.

Fragile Items not covered:

Due to their fragile nature we do not cover damage to refrigerators, appliances, glass, ceramics, particle board furniture, laminate flooring or plants. We are not liable for the contents of containers not packed by our movers. We are not liable for any damage resulting from improper preparation/packing by customer. We do not dismantle refrigerators in any way. Customers must double check appliance connections as we are not responsible for water leaks. In some cases, tracking soil onto flooring is inevitable, we are not responsible for any resulting damage. Our liability for damage on loading jobs (no transportation of goods performed by Wolf Pack Moving) terminates once the truck has been loaded.
