NEVADA TRANSPORTATION AUTHORITY

LIMOUSINE ANNUAL FEE – RENEWAL

ANY CARRIER WHO HAS TEMPORARILY SUSPENDED OPERATIONS FOR ANY REASON WILL NOT BE ABLE TO COMPLETE FY2023 LIMOUSINE RENEWALS UNTIL THEY HAVE COMPLETED REQUIREMENTS TO RESUME OPERATIONS.

All carriers certificated by the Nevada Transportation Authority (NTA) must pay an annual fee of \$100 for each vehicle in operation that falls under the definition of "limousine" pursuant to Nevada Administrative Code (NAC) 706.080 and 706.124.

Your company's current "22" decals will expire at midnight June 30, 2022. The annual fee for the "23" decal is due in either of our office locations **no later than 5:00 p.m., Friday, July 1, 2022.**

All carriers must provide a report listing the limousine vehicles they intend on renewing for eligible verification prior to rendering annual fee payment. The vehicle list must include the vehicle year, make, license plate number, VIN, and NTA decal number. The enclosed vehicle list template is provided to assist you in this process. Completed vehicle reports can be emailed to nta@nta.nv.gov (preferred method), faxed to (702) 486-2590 or mailed/hand-delivered to either address listed below. Once your vehicle report has been verified, NTA staff will contact you to provide the total annual fee amount due based on the number of eligible vehicles verified.

Note: Pursuant to NRS 353.1467, effective July 1, 2008, all payments or money to a state agency for obligations of \$10,000 or more must be made by electronic transfer. Contact our office to make arrangements for this process.

Upon receipt of your payment, NTA will issue you the "2023" decal to replace your current ones. If you have any questions, please contact Hope DiBartolomeo at (702) 486-6533 or Ron Delgado at (702) 486-6528.

Summary of procedure:

- Carriers must ensure timely notification in writing to the Authority regarding any additions, removals, or updates to their vehicle fleet.
 - Vehicles that have revisions (i.e. License Plate changes, corrections to VIN#, etc.) should include proper documentation to support any revisions made.
 - Vehicles that are being removed from fleet which have an associated decal must surrender the decal with removal notification.
 - Vehicles to be added to fleet must be first inspected by the NTA by appointment. Please contact our office to schedule an appointment. ***Please note vehicles added to fleet prior to June 30th would incur fees for both the current year and the renewal year, if the carrier intends the continued use of the vehicle. In such situations, payment must be made separately.***

Failure to renew the decal timely will result in penalty fees and interest and will result in the Nevada Transportation Authority enforcement staff taking appropriate action.
