**Regarding all Petitions for Reconsideration**

January 1, 2022, the Authority will start the New Year off strictly enforcing NRS 233B.130 (4) for the filing of a Petition for Reconsideration.

The pertinent part of NRS 233B.130 encompasses judicial review; requirements for petition; statement of intent to participate; and petition for rehearing or reconsideration.

**Section 1:** Any party who is:

- 1 (a) Identified as a party of record by an agency in an administrative proceeding; and
- 1 (b) Aggrieved by a final decision in a contested case, is entitled to judicial review of the decision. Where appeal is provided within an agency, only the decision at the highest level is reviewable unless a decision made at a lower level in the agency is made final by statute. Any preliminary, procedural, or intermediate act or ruling by an agency in a contested case is reviewable if review of the final decision of the agency would not provide an adequate remedy.

**Section 4:**

A petition for rehearing or reconsideration must be filed within 15 days after the date of service of the final decision. An order granting or denying the petition must be served on all parties at least 5 days before the expiration of the time for filing the petition for judicial review. If the petition is granted, the subsequent order shall be deemed the final order for the purpose of judicial review.

Since the final decision/order is served by mail, the 15-day filing deadline is extended by 3 days.

For timely filing, a Petition for Reconsideration must be received by the Authority within 18 days of the service of the final decision/order. The date of service is established by the date of verification on the last page of the final decision/order.
